Dear Heather, I agree with what you suggested in points 1 and 2.

Please kindly note that taking into account current state of affairs, for Burisma it's of crucial importance that advices of yours and the plan that you will suggest, shall result in concrete actions by your side and those Washington, DC contacts of yours. And all of that will effectively stop those politically motivated attacks today and will create solid ground for preventing such actions in future.

Looking forward for further information from your side,

Best regards, vadym

Vadim – Per your email below, here is a summary of the work I suggest we start:

- 1) Immediately: Advise on how to use Washington, DC contacts to stop the politically motivated attacks on Burisma taking place right now in Ukraine.
- 2) In the near term: Research, analyze and summarize our recommended Plan as to the legal, political and public relations work that Burisma should consider in an effort to achieve its goal of developing a Western-looking strategy. Our Plan would focus on work to help create a “bullet-proof vest” for Burisma, including: 1) ensuring key government officials know who Burisma is and that they are on the right side of history, that you are a company that meets western standards for good governance and transparency, and otherwise developing important relationships for Burisma within the U.S. government; 2) examining ways we may be able to help Burisma diversify geographically and expand its work into the West (explorations, joint ventures, etc.); and 3) examining potential vulnerabilities Burisma may face legally, politically

and public relations-wise and ways to address those vulnerabilities.

Vadim – Yes. We are happy to review a draft press release announcing our firm’s  
engagement with you. However, we think it is best for Burisma if such an  
announcement be made entirely separate from and a reasonable period of time  
after the announcement of Hunter having joined the Board.

Vadim – Thank you. I received the signed agreement. We are looking forward to working with you, the Board and Burisma generally!

And I will inquire with my firm management as to whether we can agree to a press release announcing our engagement. I have not been part of such an arrangement in the past and do not know whether there are any guidelines or policies we must follow. I will return with an answer as soon as possible.

Sincerely,  
Heather

**Subject:** Burisma EL signed and media issues

Dear Heather,  
Please find attached the EL signed.  
In relation to that please send me an invoice for the sum to be paid, and note that due to long holyday weekend we plan to make transfer next week.  
Following the start of cooperation between Burisma and Boies.. we are considering to publicize this even.  
Please advise as to the following:

Burisma would like to put this news on our website, make press release and send it out to mass media.  
If it's ok with you we can prepare a draft and send to you for your corrections or approval.

Also we are considering to make an interview with one of the partners of the Boies, could be yourself and organize publishing it in Ukrainian general newspaper/magazine and maybe in

it in Ukrainian general newspaper/magazine and may be in professional legal one.

What do you think about that? If it's ok, again we could do draft and send to you for your inputs.

You would correct it and send back with one or two photos of yours.

Looking forward for your reply,

Vadym Pozharskyi
