Lest you think we forgot the Two Areas (I did not cover this in my last memo to the Secretary), the status is this:

1. Pagan has signed a statement declaring [REDACTED]
 [REDACTED]
 [REDACTED] This statement can also be useful for the summit.
2. The next step is [REDACTED] to sign the SPLM-N's draft statement that the talks will proceed strictly on UNSCR 2046, including specifically "on the basis of the June 28, 2011 agreement," [REDACTED]
 [REDACTED]
 [REDACTED] This draft has not yet been put to the GOS; the Panel was waiting for the Pagan statement.
3. If the GOS signs, direct talks would be held Monday.

We will keep you informed.
