**This book is dedicated to  
Lieutenant General Michael Flynn**

“We have an army. As a soldier and a retired general, we have an army of digital soldiers. That’s what we call them, what I call them, because this was an insurgency folks, this was run like an insurgency. This was irregular warfare at its finest in politics and that story will continue to be told. But we have what we call citizen journalists because the journalists that we have in our media did a disservice to themselves actually—more than they did to this country. They did a disservice to themselves because they displayed an arrogance that is unprecedented. And so, the American people decided to take over the idea of information. They took over the idea of information and they did it through social media.”

—General Flynn

# An Introduction

The book you are about to embark on is the result of three years of research and writing by one of our country's most persistent and insightful citizen journalists: Captain Roy D. Author Captain Roy has been chronicling the people and events surrounding “SpyGate” (sometimes known as ObamaGate) and publishing the results of his work on Redditt and other platforms.

Roy is one of the co-authors, collectively known as WWG1WGA, of the bestselling book QAnon: An Invitation to the Great Awakening. And like so many of the citizen journalists who have written on topics related to the election and first term of Donald J. Trump as POTUS—and the posts of QAnon—his work has been vilified and censored multiple times.

We are sure that Captain Roy would agree: Writing about current events in the Trump era makes the work of WaterGate-era journalists, those who spilled the beans on Nixon and the break-in at the WaterGate Hotel, perhaps the biggest political scandal prior to now, look like child's play. As QAnon—the anonymous 8Chan contributor frequently quoted in this book—reminds followers: THIS IS NOT A GAME.

Roy and others who research, write and broadcast about the topics contained in this book have bravely persevered despite abusive attacks by the mainstream media and censorship by social media and search-engine platforms and sometimes by the people they love the most. They have the scars to show for it. Despite all, this book is a complete encyclopedia of information about SpyGate.

Ironically, many of the “Anons” (anonymous followers of QAnon's posts) have spent months discussing and worrying about, “How are we going to let the others know what's going on?” They are endlessly concerned about friends and family, neighbors and co-workers.

For many, the driving motivation for their work as researchers, writers, broadcasters and publishers, is to “red pill” (alert, awaken or otherwise share what they have learned) with those they care about. Others feel that it is their civic duty as patriotic Americans to let their fellow citizens know what's really going on. In other words, most are motivated by love and caring for others—and not power or wealth. Seriously, many of us pray about how to talk about SpyGate, etc.

Why all the concern you may wonder? It's because we know what happens when people are red pillled because most of us have been there. Learning the

truth about what's happening can be mentally challenging, even painful, because:

- It is difficult to face unwanted realities. (Think of learning about the death of a dear one or discovering that your spouse has been cheating.)
- It is made worse when that reality has been hidden from you for many years.
- It is extremely difficult to keep an open mind when some of your most cherished views are being challenged.
- It is hard to know who to trust in a world full of thieves and liars.
- Many of the worst liars are the people we actually trusted the most.
- Some of the crimes we've learned about involve innocent children.

If you want a sterling example of the kind of deception that is difficult to face, think of how the mainstream media news promoted the notion that Donald Trump was a Russian asset or was somehow involved with colluding with Russians. For nearly three years we were subjected to a daily tirade of accusations: Russia! Russia! Russia!

The release of the Mueller report, and Robert Mueller's appearance before Congress made clear that the endless barrage of accusations was baseless. Many people were shocked by the fact that the news sources that they trusted to provide complete and accurate reporting had not just been wrong, but to many it appeared that they were lying to viewers for nearly three years! The ratings for most mainstream media news programs have dropped as people are catching on.

But it may even be worse than that. Consider that the Russia collusion story might have been concocted by those seeking to overthrow a duly elected President illegally as an act of treason. And consider that it might have also served as a distraction to keep you from learning about other important events including other illegal acts. That's why this book is important.

This book will fill you in on some of the stories you may have missed because they weren't covered by the daily news. The truth is far more complicated than Russia! Russia! Russia! SpyGate involves many people in top government posts and some of them are not household names. There are so many that it is nearly impossible to hold all the people involved in SpyGate, their names and histories, in your head. It is tempting to just give up.

Please don't give up. The unfolding events that surround us now represent some of the most horrifying and simultaneously many of the most amazing that will happen in our lifetimes. As crimes are being revealed and criminals

are tried and sentenced, the doors will open upon new vistas of opportunity and prosperity. The implications of the takedown of the Deep State will be felt worldwide. This is your guidebook to the players involved, a literal Who's Who of Spygate. It can be a companion to keep handy as you hear the news or start doing your own research.

QAnon reminds us that the Patriots, those of us who love God, family and country, are in charge now. Given that the grip the Deep State has held us in is sure to loosen, we can sit back and enjoy the show. But it is hard to enjoy what you don't understand. This book will help.

### **A few reader tips:**

Most of the QAnon quotes in this book are just snippets of longer posts. We strongly encourage you to read the posts in their entirety. <https://Qmap.pub> is a good place to start.

If you want to learn more about QAnon, Relentlessly Creative Books' bestselling title *QAnon: An Invitation to the Great Awakening* is a great compilation by a dozen author/contributors. It has over 600 5-star reviews and is available on Amazon.com.

All of the links shown as resources in this book were working at the time of publication, but the Internet, being an environment of rapid change, may thwart our best efforts. Please send us email about bad links and we will fix them in future editions: [books@relentlesslycreative.com](mailto:books@relentlesslycreative.com)

Many people prefer printed books, but an advantage of ebooks is that hyperlinks are active in many ebook readers. So, you might want to consider getting the ebook version, too and have the best of both worlds.

Enjoy the show!

Anthony**

## **Inquiring Minds Want to Know The “Skinny” On Huma’s Laptop**

NYPD prosecuted an underage child pornography case involving former Congressman Anthony Weiner. A shared laptop and several other devices were seized in this raid by the NY authorities.

**From Q Post #1371 on 5/15/18:**

**Did they view the Insurance file?**

**This is not a game.**

Criminal charges were later filed against Weiner and he was released early from jail after a light sentence. Anthony is a serial repeat sex offender and getting treatment in a NYC halfway house.

**From Q Post #1180 on 4/19/18:**

**Rudy.**

**“Insurance File.”**

**Join POTUS’ legal team.**

IG Horowitz’s 1.0 report highlighted several bizarre and yet to be explained official actions. One example is on page 281 where former FBI Director James Comey [JC] describes himself as having a “reasonably good memory.”

**From Q Post #2697 on 2/12/19:**

**Coleman Authored.**

**Hillary Clinton and Foundation**

**Crime Against Children**

Incredibly during the same interview, Comey states: “I didn’t know that I knew Weiner was married to Huma was married to Weiner.” James Comey, the only person in the world not aware of this marriage.

**From Q Post #1124 on 4/10/18:**

**We have it all.**

**These people are stupid.**

**Fireworks.**

IG Horowitz’s 1.0 report highlights on page 294, a troubling reference, “Crime Against Children.” This file was found on Weiner’s seized laptop under a section labeled the ‘Insurance File.’

**From Q Post #45 on 11/2/17:**

**What did HRC instruct Huma to do re: Classified markings?**

FBI Randy Coleman gave Director Comey a briefing on October 4, 2016 about Weiner's laptop. Coleman made notes that found data reflects 'crime against children.'

**From Q Post #2365 on 10/17/18:**

**We showed Coleman's notes from October 4 to Comey. Comey did not recall being briefed on the information contained in the notes.**

On 9/27/2016, the assigned Assistant US Attorney of the Southern District of New York (SDNY) has correspondences with the local NY FBI. An email was exchanged between the FBI Special Agent in Charge (SAC) and DOJ Assistant US Attorney (AUSA) about search terms to be used while reviewing Weiner's laptop.

**From Q Post #1235 on 4/21/18:**

**Don't forget about Huma.**

The Huma/Weiner 'Insurance File' had evidence of crimes related to the sexual exploitation of children, enticement and obscenity. The sexual emails were stored alongside classified top secret emails.

**From Q Post #1345 on 5/12/18:**

**U1 [donations to CF].**

The FBI review of these seized devices discovered over 600,000 HRC/State Department related emails. Huma was HRC's closest advisor and constant companion/partner for over 20 years.

**From Q Post #8 on 10/29/17:**

**Huma.**

**Husband in jail.**

FBI forensic review discovered many of these HRC emails were to be highly classified. Special Access Program (SAP) emails could not be read by most FBI investigators assigned to this case.

**From Q Post #1287 on 4/27/18:**

**How do you introduce evidence into an investigation (legally)?  
Insert Rudy.**

"Lordy" many of these emails had SAP designations meaning big trouble. Incredibly the FBI itself was restricted from reviewing this compartmentalized secret material by the issuing agency.

**From Q Post #1735 on 7/27/18:**

**Evil has no boundaries.  
These people are SICK!**

Counterintelligence Director Randy Coleman gave Comey a briefing on 10/4/16 about Weiner's laptop. Coleman wrote "Crime Against Children" and "HRC and Foundation" immortalizing event.

**From Q Post #15 on 10/31/17:**

**11.6 - Huma indicted**

Comey, McCabe and Strzok knowingly sat on Weiner's emails for a one month. The FBI then started back up the Midyear Exam (MYE) HRC probe in late October 2016, days before the election.

**From Q Post #2698 on 2/12/19:**

**[Controlled by those that worked for the Clinton's]  
They have ZERO control now.**

The threat to go public by the NYPD forced the reopening on the MYE email 'matter.' Loretta Lynch [LL] got involved in stopping future leaks or inquiries by threatening retaliation against the NYPD.

**From Q Post #484 on 1/7/18:**

**Who are the Muslim Brotherhood?  
Who is Huma?**

[LL] was using old leverage from the Eric Garner case, thus keeping NYPD in-sync with main Justice. Pressure applied from headquarters central always seems to get the required judicial results.

**From Q Post #1370 on 5/15/18:**

**Why did Rudy recently join POTUS' legal team after being  
'quiet' for so long?**

Huma Abedin has been connected in terms of her involvement with the Muslim Brotherhood (MB). Huma's family has long been involved with the most radical elements of the MB/Arab Spring.

**From Q Post #2365 on 10/7/18:**

**[Pg 294].  
-Crime Against Children +++.**

The DOJ's secret society all had private emails (non .gov) accounts. Private accounts are perfect for avoiding FOIA requests and to hide illegal activities like Gmail 'ghost draft' messages.

**From Q Post #2 on 10/28/17:**

**Where is Huma? Follow Huma.**

Much speculation has swirled around the confiscated shared laptop of Huma Abedin. Inquiring minds want to know all of the secrets within the 'insurance file.'

**From Q Post #2872 on 2/22/19:**

**Hillary Clinton & Foundation.  
Crime Against Children.**

# **Alien Campaign Excuse**

## **HRC's Latest Campaign Excuse—"It was the Aliens"**

You really can't make this up and it displays the utter delusional state of HRC. Trump Derangement Syndrome now appears to have spread from HRC to infect those following UFO/Aliens.

**Post Q# 2698 on 2/12/19:**

**[Controlled by those that who worked for the Clinton's].  
They have ZERO control now.**

In 1995 billionaire Laurence Rockefeller organized a gathering of leading authorities on UFOs/Aliens. This conclave of experts was called the Rockefeller Initiative and was a public breakout from the conspiracy realm.

**Post Q# 2876 on 2/22/19:**

**CLINTON PANIC.  
CLINTON FEAR.  
JUDGEMENT DAY COMING.**

This Globalist event was held at Laurence's Jackson Hole preserve/ranch complex. Perfect atmosphere to coordinate NWO plans under the guise of cryptic interplanetary discussions.

**Post Q# 2725 on 2/14/19:**

**Chatter - Bill and Hillary's 'public' health will begin to rapidly deteriorate.**

Attending this Rockefeller retreat besides the usually UFO suspects were First Lady HRC and John 'Skippy' Podesta. These think tank theories ultimately put pressure on Bill Clinton to get official answers about Roswell/NM.

**Post Q# 1899 on 8/15/18:**

**Cross against Podesta.**

President Bill Clinton in 1996 gave public announcements regarding UFOs/Aliens and an unique discovered Antarctic Mars meteorite. This meteorite contains what credible scientists say are fossilized evidence of microbial life.

**Post Q# 2872 on 2/22/19:**

**Hillary Clinton and Foundation.  
Crime Against Children.**

The Rockefeller Initiative conclave laid the foundation for the next big

gathering. In 2001 another assembly of the same old crew, including Skippy, was formed called the Disclosure Project (DP).

**Post Q# 834 on 3/3/18:**

**The BRIDGE.**

**HRC open source.**

**SAP.**

**JP.**

**TP.**

The DP was followed by the Citizens Hearing on Disclosure held at the Washington/DC Press Club. This international gathering was on 4/27/2013 and feature a lineup of the usual 'UFO' suspects.

**Post Q# 2427 on 11/5/18:**

**But, both brothers do have a pending sealed indictment.**

This gathering also offered some acknowledged scientists/Governmental figures/and a NASA Astronauts. Each made official presentations on Aliens/UFOs to assembled MSM news media.

**Post Q# 442 on 12/23/17:**

**UFO put out to detract from drops.**

It is incredible that HRC now includes UFOs/Aliens as another reason for her 2016 campaign defeat. HRC lost a rigged election and is projecting her own shortcomings via endless (50+) excuses du jour.

**Post Q# 3169 on 3/23/19:**

**'Projection' 101.**

In the 2018 season premiere episode of "Ancient Aliens" both HRC/Skippy appear. Skippy was Bill's Chief of Staff and the losing campaign manager for HRC's 2016 election debacle.

**Post Q# 2912 on 3/1/19:**

**Carpet bombs are ok.**

**Tactical nukes are better.**

HRC claims that the Deep State power brokers have orchestrated the 2016 Presidential election outcome. Primarily done to keep secret UFOs and the existence of alien life from the public.

**Post Q# 2878 on 2/22/19:**

**CROOKED [[[HILLARY]]].**

It was back in 2001 that Skippy Podesta first came out of the closet

disclosing his UFO beliefs. Many in the 'Truther' movement were suspicious of Skippy's ulterior motivation and his true intentions within the community.

**Post Q# 1286 on 4/27/18:**

**Why did the Podesta Group close shop?**

The Podesta Group (the BRIDGE) closed in November 2017. Strings were cut as to the information flowing from the Deep State out to the Mockingbird Media.

**Post Q# 1515 on 6/16/18:**

**THE BRIDGE: PODESTA GROUP**

HRC and Skippy will soon have to answer for their many serious crimes and illegal activities over the past several decades with or without help from the aliens.

**Post Q# 3125 on 3/20/19:**

**The PUBLIC must be prepared for what is about to come.  
"THE CLINTON FOUNDATION"**

**Alinsky, Saul**

## **“Rules for Radicals” —Sorry Time for A New Playbook**

The poster boy for the hardcore Progressive Leftists Communist movement is Saul Alinsky. Chicago born and educated, Saul was known best for his “Rules for Radicals” 1971 publication, which was out shortly before he died.

**From Q Post #2255 on 9/21/18:**

**Think PLAYBOOK.  
PANIC!!!**

Alinsky was a famous community organizer as well as a political activist, humanitarian, and a writer. BHO was only 11 years old when Saul died, but he had a huge impact on his and HRC political philosophies.

**From Q Post #2349 on 10/5/18:**

**Playbook [FAIL].**

A young HRC was introduced to Alinsky by Rev. Don Jones. HRC would write her senior thesis on Saul and described him as a great seducer of young minds. HRC would evidential send several personal letters to Alinsky and was a firm supporter of his radical playbook.

**From Q Post #2208 on 9/18/18:**

**NEW PLAYBOOK NEEDED?**

Alinsky preached a mix of cultural communism/Marxist propaganda as the method to overthrow the ruling elite class. Saul would start his organizing campaigns always in the poor/ghetto sections of U.S. major cities.

**From Q Post #2263 on 9/21/18:**

**FAKE NEWS ABOUT TO SHIFT NARRATIVE AGAINST  
THEIR MASTERS IN EFFORT TO WEATHER THE STORM?**

Diana West’s “Red Thread” series highlights the current infiltration into the government by these communist radical elements. Saul has pushed these same radical progressive ideas to extreme applications across the United States.

**From Q Post #1841 on 8/11/18:**

**FAKE NEWS consolidation [propaganda arm of the D party].**

Sad to witness adept pupils like Cass Sunstein (Sam Power’s husband and HRC’s SC likely pick) and others liberals continue these communist Alinsky

principles. Socialism and communism is on the rise within the new Leftists.

**From Q Post #996 on 4/3/18:**

**Coincidence another MSM narrative change upon release of damaging news?**

A section in Saul's infamous book goes "The first radical known to man who rebelled against the establishment and did it so effectively, that he at least won his own kingdom."

**From Q Post #2468 on 11/10/18:**

**CONTROL = POWER.**

Combine that with another Alinsky quote "Hell would be heaven for me." These classic sayings give you a glimpse into the soul and Saul's real character.

**From Q Post #2340 on 10/4/18:**

**DECLAS COMING?**

**NARRATIVE SHIFT IN FULL FORCE.**

POTUS and QAnon have suggested that it is time for the Deep State to come up with a new 'Playbook.' When your entire game plan comes to the 'Insurance Policy' it's game/set/match.

**From Q Post #626 on 1/27/18:**

**OP Mockingbird FAILURE.**

# **Alt Right Media**

## **“QAnon” — Alt Right/New Media’s Epic Miss or Not (QANON = POTUS)**

Even the most hardened Progressive Leftist will concede that QAnon is 100% behind President Trump. This to the point of the ‘cult following’ labeling and lunatic conspiracy theorist tags.

**From Q Post #2673 on 1/13/19:**

**FAKE NEWS control over those who do not think for themselves limits exposure of TRUTH.  
[D] Party Con.**

Robert Mueller’s office came out with a complete rebuttal of BuzzFeed’s Cohen articles. BuzzFeed ran the Steele Dossier now false Michael Cohen stories are starting the exposure of FAKE NEWS.

**From Q Post #2902 on 2/26/19:**

**When the real TRUTH re: Russian collusion is right in front of you but the FAKE NEWS media prevents public awareness.**

Why are we such a threat to them? Please keep in mind that many Anons/Q-YouTubers have always been loyal.

**From Q Post #2703 on 2/12/19:**

**Mathematically impossible.  
Those that challenge have an agenda or are simply still asleep.  
The NARRATIVE has them.**

Publications like *The Epoch Times* and award-winning writer Sharyl Attkisson at least acknowledge QAnon. The New/Alt Media in general has tried to ignore QAnon and prayed we would not steal their exclusive ‘Truther’ sandbox.

**From Q Post #2381 on 10/9/18:**

**[MUELLER] designed to provide FAKE NEWS w/ammunition to sway public opinion, destruct foreign + domestic agenda, fuel impeachment/removal, fuel anti-POTUS [DIVISION] [prevent UNITY], etc.**

Sean Hannity along with his trusted sidekicks Sara Carter and John Solomon get a free pass for obvious reasons. We want everyone to come onboard the “Q-Train” right now.

**From Q Post #2556 on 12/5/18:**

**How much attention does “Q” receive from the FAKE NEWS**

## **MEDIA?**

The Mockingbird MSM has not been silent on QAnon, especially since the coming out party in Tampa. One may ask at some point where is the Alt-Right Media on this QAnon phenomenon?

**From Q Post #3310 on 3/29/19:**

**Threat to Controlled Narrative.  
DIVIDERS will FAIL.**

JFK Quote 1959: “Unless we fairly assess the actions of the past, we have no sound basis on which to plan for the future”.

**From Q Post #875 on 3/7/18:**

**Who controls social media?  
Who performs in a circus?**

Just as TDS (Trump Derangement) first affected Republicans during the primaries, QDS hit our Alt Right Media first. After the Fall 2017 emergence of QAnon major decisions had to be made and the ramifications are being played out right now before our very eyes.

“Why are the majority of ‘Q’ attacks by ‘PRO\_MAGA’ supporters coming from AJ (MOS backed) and/or AJ known associates?”

In general, there can really only be one of three main rational decisions about why certain Alt Media ignore QAnon:

- Incompetence/Doubting Thomas
- Agenda Driven/Selfish Motivations
- Actively Participating Fake MAGA

Most of us can forgive someone for pure ignorance or a real lack of critical thinking including folks now claiming to need 100% proof positive in regards to QAnon.

**From Q Post #2737 on 2/15/19:**

**Be careful who you follow.**

These same media stalwarts will quote gospel/prayer as real forces while requiring Q-proof. Time to dust off your resume because you only missed the biggest intel drop ever in history.

**From Q Post #1075 on 4/7/18:**

**Media Matters 4ch.  
Narrative + anything Q.**

We see agenda pushes today from the Never-Trump and Far Progressive Left crowds. Always promoting party and political agendas over our country.

**From Q Post #2683 on 2/10/19:**

**The media no longer represents the will of the people.**

The same people that deep-down wish failure upon our POTUS seem to have the same ill-will toward QAnon. The Deep State fears General Flynn's 'Digital Army' dedicated to the truth movement.

**From Q Post #2468 on 11/10/18:**

**CONTROL = POWER.**

If you let your own personal petty goals come before what is right, then you have an agenda. QAnon was looked at by many of the departed Fake MAGAs as never a real source or later co-opted.

**From Q Post #2746 on 2/17/19:**

**Why are we attacked by pro MAGA?**

These old-school style 'Investigative Journalists' deemed QAnon to be a LARP and not worthy of their professional critical coverage. OK!

**From Q Post #2678 on 2/9/19:**

**FAKE NEWS attacks continue?**

**Controlled.**

We welcome with open arms, ALL of the followers from these Alt Right/New Media outlets refusing to talk about QAnon. Let's see how many apologize for an epic wrong call instead of continuing doubling down like they are doing now.

**From Q Post #2500 on 11/25/18:**

**CORSI > [attempt infiltrate] Q.**

**FAKE MAGA.**

**TRANSPARENCY IS THE ONLY WAY.**

The last group would be those that have planned/participated in coordinated attacks against QAnon. The corporate board roomers and traitorous YouTubers better remember that Anon's have very long memories and a big-league reach.

**From Q Post #2142 on 9/10/18:**

**Shills only shill.**

**Patriots WIN.**

Correspondences and payments will ultimately be exposed to find out the actual depths gone into attacking QAnon. Some wrongly fear the tarnishing of their professional image by accepting 'Q.'

**From Q Post #2565 on 12/7/18:**

**Scott Free = WWG1WGA.**

**At what point do they WAKE UP?**

History will be a very harsh judge on all of those who have knowingly kept QAnon from their audience. Media figures will have to answer to the public they misled.

**From Q Post #3124 on 3/20/19:**

**Increase in attacks (de-platforming, shill infiltration, MSM/Fake MAGA direct, link(s) to terrorism/acts of violence).**

# **Anti-QAnon**

## **Fake MAGA/Anti QAnon—When Will They Finally Admit the Truth?**

Hat Tip to our own Dustin Nemos for launching the hunt into Fake MAGAs within our ranks. QAnon has asked us to purify our movement internally of these implanted trojan horse figures called Fake MAGA.

**From Q Post #1796 on 8/2/18:**

**Fake MAGA supporters.**

Reddit's first purge came in March with the banning and total deletion of the Calm Before The Storm (CBTS). At this same time a few leading "Q" YouTubers mysteriously backed off QAnon coverage in public departures from the movement.

**From Q Post #2746 on 2/17/19:**

**Why are we attacked by pro MAGA?**

The first departure purge was the prelude to a mass exodus in late April. A wave of FAKE MAGA exits would follow in planned 'divide and conquer' tactics.

**From Q Post #3310 on 3/29/19:**

**Threat to Controlled Narrative.**

**DIVIDERS will FAIL.**

Issues like the Internet Bill of Rights (IBOR) or QAnon trip code exposures were leveraged as reasons. These traitors then launched divisional wedge topics to help justify their QAnon breakaways.

**From Q Post #2591 on 12/12/18:**

**Trolling the FAKE NEWS media is FUN!**

**>>>ENEMY OF THE PEOPLE <<<.**

The Sin of Pride is the deadliest of the seven deadly sins and is evident in the mass opposition of POTUS/QAnon. This bizarre crazed Leftist behavior goes way beyond one Presidential election cycle.

**From Q Post #3124 on 3/20/19:**

**Increase in attacks (de-platforming, shill infiltration, MSM/Fake MAGA direct, link(s) to terrorism/acts of violence).**

What has been normal Washington DC politics has been a lame 'uniparty' of inaction. Pride can overwhelm your belief system and directly affect your judgement as well as your public actions.

**From Q Post #1870 on 8/14/18:**

**Think ALL outlets utilized and FAKES [Fake MAGA].**

The Corsi/Jones stunt in late April was a corporate boardroom organized attempt to eliminate QAnon from Alt-Media. Most current broadcast personalities have deliberated ignored or demeaned the oncoming wave of Q's "Digital Army."

**From Q Post #2556 on 12/5/18:**

**How much attention does "Q" receive from the FAKE NEWS MEDIA?**

Media in general has dismissed QAnon out of hand as a non-believable LARP or anonymous source, certainly not worthy of their professional coverage into the alternative conspiracy news realm.

**From Q Post #2703 on 2/12/19:**

**Mathematically impossible.**

**Those that challenge have an agenda or are simply still asleep.**

**The NARRATIVE has them.**

Waves of coordinated attacks transpired from the very beginning of QAnon. I doubt being a paid shill/troll against QAnon has a bright future as we launch into the Great Awakening.

**From Q Post #2500 on 11/25/18:**

**CORSI PLEA DEAL.**

**THERE ARE BAD PEOPLE WHO PRETEND TO BE GOOD.**

Many of the Alt New Media broadcasters fear QAnon as competition to their base. Influencers should view QAnon as an ally in this war against the Deep State.

**From Q Post #2676 on 2/9/19:**

**Attempts to prevent public release of the TRUTH.**

The majority of the so-called 'New Media' have attacked QAnon non-stop. The day-of-reconciliation will come and they will have to answer to their Patreons for their deliberate deception over QAnon.

**From Q Post #2902 on 2/26/19:**

**When the real TRUTH re: Russian collusion is right in front of you but the FAKE NEWS media prevents public awareness.**

Controlled opposition always gives out 95% truth so as to hang around for the 5% critical disinformation campaign. This is when 'plants' can affect the

outcome or push in a certain direction their followers as per their overlord puppet masters' directives.

**From Q Post #2678 on 2/9/19:**

**FAKE NEWS attacks continue?**

**Controlled.**

Beginning after the infamous Trump Tampa Rally all MSM outlets stated waves of negative QAnon articles. The second MSM negative surge came after the Reddit ban on the Great Awakening subreddit in September 2018.

**From Q Post #2468 on 11/10/18:**

**CONTROL = POWER.**

The old ways of division are reflected in the philosophy of a ruling political class. These groups have dug-in and bet everything on the failure of President Trump and the discrediting of QAnon!

**From Q Post #2089 on 9/5/18:**

**Why are the majority of "Q" attacks by "PRO MAGA" supporters coming from AJ or AJ known associates?**

During onslaughts from the MSM, Fake-MAGAs always started to pound QAnon. Figures like Jack Posobiec/Jerry Corsi/Anti-School/and others were actively working in concert together.

**From Q Post #1988 on 8/29/18:**

**See how FAKE NEWS works?**

**See how CLICKBAIT works?**

Fake MAGAs have worked in perfect unity with their waves of attacks/ignore phases against QAnon. They claim exclusivity over broadcast information in their 'Truther/Conspiracy' realm.

**From Q Post #2565 on 12/7/18:**

**Scott Free = WWG1WGA.**

**At what point do they WAKE UP?**

These New Media broadcasters do not seem to be open to any narrative other than their own. Selfish turf battles instead of cooperation has dominated the QAnon coverage or lack thereof.

**From Q Post #2500 on 11/25/18:**

**CORSI > [attempt infiltrate] Q.**

**FAKE MAGA.**

**TRANSPARENCY IS THE ONLY WAY.**

The question is when will the Alt New Media come to grips with QAnon and allow us into their 'sandbox'. We are against censorship but have to purify the Judas figures implanted from within.

**From Q Post #2142 on 9/10/18:**

**Shills only shill.**

**Patriots WIN.**

We enlist everyone on all sides to be open to the points raised by QAnon. Square this with the disrespecting of QAnon by New Media broadcasters.

**From Q Post #2737 on 2/15/19:**

**Be careful who you follow.**

**Arpaio, Joe**

## **Lest We Forget—That Lingering Question of Eligibility**

The ‘Birtherism’ issue was first brought up by Sid ‘Vicious’ Blumenthal in 2007. Sid’s work was in an effort to help HRC defeat BHO in their contested primaries.

**From Q Post #1508 on 6/15/18:**

**Why are Hussein records sealed?**

For almost a decade Sheriff Joe Arpaio and the Cold Case Posse have been searching for BHO’s original birth certificate. Under Sheriff Joe the Maricopa County commissioned several investigators to assist with his search.

**From Q Post #1688 on 7/24/18:**

**Dark to LIGHT.**

**GOOD WINS.**

Helping out Sheriff Joe was well known NSA/CIA Whistleblower Dennis Montgomery. Also helping Sheriff Joe was the Cold Case Posse (CCP) under Mike Zullo’s expert leadership.

**From Q Post #484 on 1/7/18:**

**Hussein/HRC (and many others) must be terrified!**

John ‘Clown’ Brennan has been assisting BHO since before the 2008 campaign. The Deep State has a lot of resources in keeping secret the truth and silencing any eligibility issues involving BHO.

**From Q Post #3169 on 3/23/19:**

**‘Projection’ 101.**

Thankfully POTUS gave Patriot Joe a full pardon from his targeted conviction under BHO’s reign of terror. Dinesh D’Souza/The Bundy’s pardons give us hope for equal justice in the future.

**From Q Post #1279 on 4/26/18:**

**We have it all.**

The Zullo/CCP have proven scientifically using top independent labs the ‘9-Points of forgery’ with BHO’s long-form Birth Certificate. QAnon has hinted at the BHO’s eligibility issues for the office.

**From Q Post #111 on 11/5/17:**

### **Why would this former President be funded pre-political days?**

The heat remains on this long-time smoldering subject of BHO's eligibility. Worldwide searches continue looking for BHO's authentic undiscovered original.

**From Q Post #2727 on 2/15/19:**

**In the past, what was the punishment re: a TRAITOR?  
Coincidence?**

The bizarre story goes BHO when pressed on the subject couldn't even remember the correct name of his birth hospital. Who else on this planet doesn't know where there were born or even the name of their birth hospital?

**From Q Post #2723 on 2/14/19:**

**A Traitor's Justice.  
RATS EVERYWHERE.**

**Assange, Julian**

## **Valid Passport In-Hand—Assange Ready To Be [ACTIVATED]**

Not long ago some thought that the “Elf on the Shelf” reference may be for a sidelined player like Julian Assange (JA). Assange has been arrested in London and is to be extradited soon to the USA.

**From Q Post #1286 on 4/27/18:**

**Why no contact w/ WL / JA?**

**What is being investigated?**

Assange has been a player on the sidelines until now and we are all dying to hear his side of this tale. Julian Assange can clear up, once and for all, the true identity of the 2016 DNC/Podesta email source to WikiLeaks.

**From Q Post #3312 on 4/11/19:**

**We have the source.**

QAnon has stressed, we are way past playing checkers, Patriots. Life can be viewed as a chess board that demonstrates a strategy of moves vs. counter moves toward ultimate victory.

**From Q Post #459 on 12/15/17:**

**CONF\_WHITE\_WHITE\_**

The Australian government announced it has issued a passport to JA. Assange is one step closer to freedom and inquiring minds want the full scoop on Seth Rich.

**From Q Post #1628 on 6/28/18:**

**JA in the news a lot lately (out of nowhere).**

Rumors have been swirling about possible federal charges stemming from the Chelsea Bradley Manning saga and not related to DNC/SR. Assange and WikiLeaks (WL) have a 10-year perfect track record in releasing authentic material that they have obtained.

**From Q Post #1844 on 8/11/18:**

**Could a new Telecommunications Act be on the way?**

The 2016 computer intrusion of the DNC computers has been ground zero in the false Trump-Russia narrative. NSA expert Bill Binney has forensically proven a ‘leak’ based upon the data download very high transmission speed rates.

**From Q Post #1773 on 7/31/18:**

**Track last.**

**JA offline cause.**

Patriot Binney concluded that the DNC intrusion was a “Leak not a Hack.” POTUS advised then CIA Director Pompeo (KANSAS) to meet with Binney to review his scientific findings from the intrusion.

**From Q Post #17087 on 7/25/18:**

**CrowdStrike?**

**Servers.**

**SR.**

**JA.**

Self-admission by British Ambassador Craig Murray has a DNC insider passing him the ‘stolen’ email data on a thumb drive in Washington, DC. Additionally, a batch of ‘Skipsey’ Podesta’s emails were included with the ‘leaked’ DNC-HRC emails handed over to WikiLeaks in 2016.

**From Q Post #2595 on 12/12/18:**

**Think ‘Elf on the Shelf’.**

Julian Assange and WikiLeaks displayed their classic ‘drip’ strategy in the systematic releasing of the DNC-Podesta emails prior to the 2016 election. A crescendo of non-disputed emails, from the least to most impactful, were timely released by WikiLeaks.

Many have pointed to murdered DNC staffer Seth Rich as the insider that physically performed these downloads. Sadly, we all recall the brutal killing of Patriot “Panda” shortly after discovery of the DNC computer intrusion leak.

**From Q Post #1462 on 6/11/18:**

**What recent news came out re: SR/JA/WL lawsuit?**

Information is still being collected in regards to the possible use by SR of SecureDrop. SecureDrop was a whistleblower submissions site operated by the Freedom of the Press Foundation (FOTP), John Perry Barlow & Company.

**From Q Post #1195 on 4/19/18:**

**SR connect to DNC.**

**MS\_13.**

**JA.**

It appears that the Deep State’s intelligence assets intercepted SR’s initial correspondence to JA/WL via SecureDrop. Recall the rash of untimely deaths surrounding FOTP founders like John Perry Barlow, Aaron

Schwartz, and James Dolan.

**From Q Post #2499 on 11/25/18:**

**[HouseOfCards] re: Maggie NYT re: WL.**

Assange had helped with the escape route and advanced coordination for Edward Snowden. Oddly they, along with reporters Glenn Greenwald and Laura Poitras, as well as Daniel Ellsberg, were founding core members of the FOTP.

**From Q Post #1626 on 6/28/18:**

**Server or JA = truth exposed (SR).**

Debbie Wasserman-Schultz and Perkins Coie lawyer Michael Sussman hired CrowdStrike to review the DNC computers. Often overlooked was the existing personal relationship between Sussman and Shawn Henry (President of CrowdStrike) in this scheme.

**From Q Post #2613 on 12/12/18:**

**Anon Asks: "Q is JA stateside?"**

**Q Replies: No.**

CrowdStrike concluded the Russian hacker groups Cozy and Fancy Bear were solely responsible for the DNC 'hack.' Compliments of JA/WL the CIA Vault 7 release showed the ability to plant false intrusion trails within computer hacks.

**From Q Post #3310 on 3/29/19:**

**THINK FOR YOURSELF.**

**DIVIDERS will FAIL.**

The Deep State then produces Guccifer 2.0 to help muddy the political hacking waters. Smoke, mirrors, and deception is the trademark of the DNC fake computer intrusion fiasco and false Russian collusion narrative cover story.

**From Q Post #874 on 3/17/18:**

**JA-have you learned & eliminated L-6?**

Julian has been, by all public accounts, holed up in London's Ecuadoran Embassy for almost 7 years. Team QAnon has alerted us that JA is not stateside but we all hope he is now in safe keeping.

**From Q Post #2322 on 10/3/18:**

**[Pg 20 - Assange Arrest]**

**By: Marty Torrey [Mad Hatter]**

Disinformation about Paul Manafort's meeting with Assange has come out and Rep. Dana Rohrabacher did meet with Assange. Dana through Rand Paul got JA's vital information and has directly passed it on to President Trump.

**From Q Post #1591 on 6/26/18:**

**JA in the news?**

**Think JC.**

**Server unlocks SR.**

Already declared a citizen of Ecuador and a worldwide hero, Assange is ready to be activated. QAnon told us JA was not stateside but waiting at the Embassy and now holds a valid AU passport.

**From Q Post #2885 on 2/24/19:**

**They NEVER thought Crooked Hillary would lose.**

Many people have been waiting to see how POTUS plays Assange. We all hope for a classic winning checkmate (D5) move!

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR REPUBLIC.**

**There is a reason why a sword is held.**

**Attkisson, Sharyl**

## **Bombardier to Pilot Attkisson—“We’re Over the Target” BOOM**

Sharyl Attkisson is a premier reporter and DOJ whistleblower who has been the target of unauthorized surveillance. Ms. Attkisson has long been the champion for truth, transparency and exposure of corrupt governmental/elected officials.

**From Q Post #1728 on 7/27/18:**

**Unauthorized missile fired.**

**POTUS AF1.**

**Biggest threat to the American people.**

Ms. Attkisson’s case against the DOJ/FBI has finally reached the USSC. Oral arguments begin on 1/29/19 for the computer intrusion by our government.

**From Q Post #2578 on 12/10/18:**

**Sometimes ‘intrusions’ have a way of safeguarding people and evidence.**

Sharyl has published an outstanding article about the timeline of the “Collusion Against Trump.” This superb article demonstrates just how far back in time all of the pieces were put in place to help ensnare our POTUS.

**From Q Post #214 on 11/23/17:**

**What is the FBI?**

**Spying tool?**

**Nothing is what it seems.**

Sharyl has been credited for her 2012 groundbreaking journalistic investigations into Fast and Furious and Benghazi. Sharyl had several unexplainable computer issues while covering these BHO era scandals.

**From Q Post #2581 on 12/11/18:**

**Name IDEN Public > FBI ‘intrusion’ > Lawsuit > Response to lawsuit > Public Reveal (otherwise sealed?).**

Attkisson’s superb reporting drew her to attention of the enemy and ultimately into their crosshairs. This legal battle has been ongoing for years and we wish Sharyl success in uncovering the truth.

**From Q Post #113 on 11/5/17:**

**Controlling stake in CBS?**

Ms. Attkisson's employer at the time of her computer intrusion was CBS News. CBS's team of computer experts established through forensic analysis that a Governmental agency(s) had penetrated her personal computer.

**From Q Post #2070 on 9/3/18:**

**FBI and DOJ CORRUPTION.**

IP addresses were linked directly to the government and was the means of initial intrusion. All roads point to the NSA and recent FISC/FISA abuses bear her out.

**From Q Post #2912 on 3/1/19:**

**Carpet bombs are ok.**

**Tactical nukes are better.**

This critical 'intrusion' discovery lead to a current \$32-million-dollar law suit by Sharyl against the US government. Attkisson's legal filings got a boost when it also has recently been discovered that one of her hard drives had been totally replaced without her knowledge.

**From Q Post #1944 on 8/28/18:**

**Could FISA warrants be issued/active for numerous in-the-news now/future U.S. targets.**

The swapping out of Attkisson's hard drive occurred while it was in the sole possession/custody of the Department of Justice. Watch for the fireworks and explosions as this story unfolds.

**From Q Post #2676 on 2/9/19:**

**Stealth bombers silent?**

New AG Barr will lead the justice dream team of Huber/Horowitz/Storch/Whitaker/and Durham. All SpyGate roads lead back to BHO and there will be BOOMS!

**From Q Post #2006 on 8/30/18:**

# **Awan Family**

## **AWAN is still “Bigger Than You Can Imagine”**

Even though Imran Awan got off with a minor slap on the wrist, QAnon has told us there is much more to this story. It is expected to bring fireworks in terms of the exposing past U.S. House espionage when all is revealed.

**From Q Post #1981 on 8/29/18:**

**AWAN > Pakistani Intelligence?**

**AWAN FREE?**

The Awan's lost all House computer access on 2/2/17 and an official USCP investigation began. Federal authorities were brought in when off-site servers and possible classified information breaches may have occurred.

**From Q Post #1626 on 6/28/18:**

**AWAN is bigger than you can imagine.**

Imran was first hired by Xavier Becerra in 2004 as a Congressional I/T staffer. Currently the USCP are investigating Xavier (now CA AG) for turning over a fake copy of his House server hard drive.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.**

**THE WORLD IS WATCHING.**

Imran got several family members hired at the maximum allowed pay into what were 'ghost' jobs. The combined Awan family took in over \$4 million the last several years. House members routinely waved the required background security checks for all of the Awan's.

**From Q Post #1425 on 5/20/18:**

**TRUST the plan.**

**Conspiracy NO MORE.**

The unauthorized data access, selling stolen House equipment, and bank loan fraud issues are minor compared to international espionage. Awan owned several used car companies and a link to Hezbollah/Project Cassandra money laundering/drug running operations.

**From Q Post #674 on 2/6/18:**

**AWAN/DWS/Paki intel/MB.**

**Decode: MB = Muslim Brotherhood**

There needs to be a serious look as to any Pakistan Intelligence/MB ties with the Awan crew. An off-site server installed by a Imran was later

discovered connected directly to the U.S. House mainframe computer systems.

**From Q Post #976 on 3/28/18:**

**Wonder who leaked this.**

**Fire in the hole.**

President Trump's first military action was Yakla/Yemen in January 2017. Tragically, due to an advance leak, Navy Seal Ryan Owen died.

**From Q Post #483 on 1/7/18:**

**"Whatever happened to this Pakistani guy who worked with the DNC?**

**150 mile restriction?**

Intel on this mission was compromised and Awan's are the prime suspects. Many other espionage issues plague this shady group of Pakistani nationals.

**From Q Post #1621 on 1/28/18:**

**You have more than you know.**

POTUS wants to know the details about DWS's Pakistan "Mystery Man." To quote DWS protests with the US Capital Police about her personal laptop "There will be Consequences."

**From Q Post #3129 on 3/20/19:**

**THIS IS NOT A GAME.**

## **Awan's "Judgement Day"—Bigger Than You Can Imagine**

Imran Awan's 'Judgement Day' was on July 3, 2018 for his Federal court appearance date. Imran signed a cooperating plea deal at that time.

**From Q Post #2385 on 11/2/18:**

**Mathematically impossible or every detail planned?  
WWG1WGA!**

It was expected to bring fireworks in terms of the U.S. House's espionage allegations. Awan got a slap on the wrist for minor bank fraud charges.

**From Q Post #1981 on 8/29/18:**

**AWAN>Pakistan Intelligence?**

Imran Awan lost all Capitol computer access on 2/2/17 and an official USCP investigation began. Federal authorities were brought in when off-site servers and possible classified informational breaches were discovered.

House members routinely waved the required background security checks for the Awan's. Rumors swirled of stolen computer equipment with the Awan's.

**From Q Post #1328 on 5/10/18:**

**THERE WILL COME A TIME THEY WILL NOT BE SAFE  
WALKING DOWN THE STREET.**

Look beyond the unauthorized data access, selling stolen equipment and bank loan fraud issues. QAnon said the real investigations were into espionage.

**From Q Post #1250 on 4/23/18:**

**When did AWANs mission op go green?**

Imran ran used car companies as fronts and was connected to Hezbollah/Project Cassandra narcoterrorism. Car dealerships are notorious fronts for money laundering operations worldwide.

**From Q Post #674 on 2/6/18:**

**AWAN/DWS/Paki intel/MB.**

There needs to be a serious look as to any Pakistan Intelligence/Muslim Brotherhood ties with the Awan's. Stories involve Imran's father being observed turning over thumb drives to Pakistan Intelligence.

**From Q Post #949 on 3/15/18:**

**Trust the plan.**

**Full control.**

President Trump's first military action was in Yakla, Yemen in January 2017. Tragically due to an advance leak, Navy Seal Ryan Owen died. Intel on this mission was compromised and the Awan's are the prime suspects.

**From Q Post #3168 on 3/23/19:**

**Baharara, Preet**

## **Let's Take a Peek at "Preetinder Singh Bharara"**

Robert Muller paved the way when his FBI rolled up a ring of Russian spies in "Operation Ghost Stories." Mueller's real-life Russian spy family formed the basis for "The Americans," a hit cable series, now in its 6th successful season on FX.

**From Q Post #2561 on 12/6/18:**

**MIL INTEL.  
FISA.**

Robert Mueller is not the only Justice Department personality to become involved with a TV series. Preet Bharara also had a famous actor play his real-life personality in a popular TV series.

**From Q Post #1626 on 6/28/18:**

**These people are corrupt beyond belief.  
America for sale.**

Preet would be featured in "Billions" and this played into his existing 'Preening' image. It is New York City and a little 'panache' goes along way.

**From Q Post #1328 on 5/10/18:**

**THERE WILL COME A TIME THEY WILL NOT BE SAFE  
WALKING DOWN THE STREET.**

Trump was forced to fire then US Attorney/SDNY Preet Bharara because he refused to resign. There had been long standing friction between Preet and POTUS before the 2016 election.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

When the creators of the Showtime hit series "Billions" heard Preet got fired, they offered him a technical adviser gig on their successful show. Once again getting to 'Preen' all about was Preet.

**From Q Post #1372 on 5/15/18:**

**Fight to reinstall roadblock?**

Actor Paul Giamatti plays a character loosely based upon Preet. Giamatti plays Preet's "Sheriff of Wall Street" image in prosecuting high profile securities cases.

**From Q Post #1370 on 5/15/18:**

### **Why was Preet Bharara fired?**

Preet has been connected with assisting Russian lawyer Natalia Veselnitskaya's VISA into the US. She was given legal permission to work here temporarily and had the infamous meeting with Donald Trump Jr. at Trump Tower in 2016.

**From Q Post #1374 on 5/15/18:**

### **Can you serve from jail?**

Bharara did predict that Michael Cohen would be indicted by Mueller. Preet also states that Trump should be made aware of the Crime-Fraud Exception clause.

**From Q Post #1008 on 4/4/18:**

**Russia Russia Russia?  
AMERICA FOR SALE.**

That law allows the piercing of the Attorney-Client rule in certain RICO related criminal cases. Just another treat to POTUS from the Deep State.

**From Q Post #2161 on 9/11/18:**

**Rats running.  
Timing is everything.  
Enjoy the show.**

Preet is back teaching at NY University School of Law. Bharara is considering a run for the NY Attorney General position, with the recent vacancy by Eric Schneiderman.

**From Q Post #388 on 12/19/17:**

**Define CORRUPTION.**

OIG Horowitz's 1.0 report highlights Loretta Lynch's involvement in the Weiner laptop issue. Lynch flexed the DOJ's muscle. If NYPD did not follow the script, repercussions would occur.

**From Q Post #1370 on 5/15/18:**

### **Why was the NY AG just removed?**

Preet is mentioned by Lynch in her threatening statements to the NY FBI and NYPD. Additionally, she threatened to plug the current case leaks or else payback.

**From Q Post #3104 on 3/17/19:**

**"Keep fighting..."**

It has finally been confirmed that Baker is under investigation for leaking to the media. Baker is just another in a long line of lying leaking corrupt DOJ officials.

**From Q Post #2135 on 9/10/18:**

**“Review of the new documents raises grave concerns regarding an apparent systematic culture of media leaking by high-ranking officials at the FBI and DOJ related to ongoing investigations.”**

John Solomon of The Hill reports FBI/DOJ email chains indicated that the Carter Page FISA warrants may have been altered/doctored. This might allow some of the FISA signers off the hook legally but leads to even more criminality.

**From Q Post #2229 on 9/20/18:**

**Panic in DC re: Baker confirmed?**

Baker was the final legal authority to which our country's top lawyers all turned. He was Comey's right-hand person and was neck-deep in the evil coup plot against POTUS.

**From Q Post #2645 on 1/5/19:**

**WE, THE PEOPLE, HAVE THE POWER.  
EO ACTIVE.**

This 'click' formed the 'Small Group' within the Department of Justice's 'Secret Society.' Surprisingly, Baker claims now that there was always enough evidence to charge HRC/Aides in the server/email 'matter.'

**From Q Post #2070 on 9/3/18:**

**FBI and DOJ CORRUPTION  
FEDERAL BUREAU OF 'INVESTIGATION'**

**James Baker, General Counsel - FIRED.**

IG Horowitz and SP Huber have been tasked to look into FISA Court abuses by the DOJ. Additionally, the elements of SpyGate and Crossfire Hurricane developing scandals have been added to the OIG.

**From Q Post #2324 on 10/3/18:**

**James Baker closed door testimony + previous to IG/GJ statements >-sealed**

Baker will once again come into the spotlight because of his key position of preparing all FISA applications. POTUS has authorized declassification of every Carter Page FISA warrant, related FBI 302 and text messages.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

In testimony before Congress, Baker revealed that [RR] did not 'joke' about wearing a wire (25th Amendment) to try to entrap POTUS. Baker also told that he met with Perkins Coie attorney Michael Sussman to receive Trump-Russia Dossier 'intelligence.'

**From Q Post #1316 on 5/4/18:**

**James Baker - FIRED [reported today - resigned [false]]/removed Jan/Fired 4.21**

Walk down memory lane with a few of Baker's contributions to ObamaGate:

- 4/26/16 Baker attends back-to-back meetings at the White House with DOJ attorneys and Obama officials over FISA.
- 5/5/16 Baker and protégé' Lisa Page go to W/H to brief BHO on FISA status.
- May-June 2016 Baker is part of inner-circle loop on all changes/revisions to Comey's HRC exoneration memo.
- 10/31/16 Baker leaks classified material on the Trump Dossier to David Corn of Mother Jones media.
- Late December 2016 Director Wray effectively fires Baker with severe demotion and removal as FBI General Counsel.
- 2017 Baker joins fellow cooperating DOJ/FBI staffer Priestap/Page/Ohr/and Strzok. All the folks still working now for the US Government and testifying. Baker was demoted/reassigned later in 2017.

- 2018 Baker seems to have changed course and is now fully cooperating. He resigned prior to Chris Wray's confirmation as new FBI Director.

**From Q Post #953 on 3/17/18:**

**How bad is the corruption?**

**FBI (past/present**

**+ 29 (16)**

**Decode: 29 have already quit or been fired and 16 still are employed.**

Baker and Comey worked together first at Justice as Federal Prosecutors. Later they had a very profitable stint together at Bridgewater Associates.

**From Q Post #2650 on 1/5/19:**

**THE WHEEL OF CORRUPTION.**

**Welcome to the CON.**

Mueller/Comey cleared famed Sandy "Burglar" Berger from classified document theft and destruction of official U.S. records. Berger was caught with classified documents stuffed down his pants and socks while leaving the U.S. National Archives Building.

**From Q Post #1910 on 8/16/18:**

**Who signed the CP FISA?**

Like on any merry go round these crooked cops always circle back to their crimes. Baker, along with McCabe and Rybicki, backed-up Comey's false version of the private talk with President Trump over General Mike Flynn.

**From Q Post #1745 on 7/28/18:**

**FISA BRINGS DOWN THE HOUSE.**

Baker testified that Perkins Coie Partner, Michael Sussman, gave the FBI information alleging that an Alfa Bank (Russian bank) server had been communicating with a server in Trump Tower. Baker was a conduit between Perkins Coie, Fusion GPS the DOJ and to BHO's White House.

**From Q Post #3173 on 3/23/19:**

**The calm before the storm?**

**FIRE AT WILL, COMMANDER.**

**Band, Doug**

## **(Answer) Huma's Clinton Foundation Contact (Question:) Who is Doug Band? BAND, DOUG (GH)**

The public is now aware of an official ongoing DOJ investigation of the Clinton Foundation (CF). Headquartered at the DOJ's Little Rock office, this task force has impaneled a real live grand jury.

**From Q Post #1552 on 6/18/18:**

**CF investigation ongoing.**

The CF is a MOAB type BOOM that's just waiting to be detonated! A grand jury has been impaneled and a full fledged official DOJ investigation of the CF is underway.

**From Q Post #2578 on 12/10/18:**

**Active criminal investigations of this must be handled w/extreme care.**

Douglas Band was both Deputy Assistant and Legal Counsel to President Clinton. Band founded Teneo which was an advisory and investment firm with several top Fortune 500 clients.

**From Q Post #1220 on 4/21/18:**

**Clinton Foundation conflicts of interest.**

Band co-mingled his clients financially and personally into the Clinton Global Initiative (CGI)/CF/and Bill Clinton Inc. This was done in exchange for valued access to Clinton and political favors.

**From Q Post #3125 on 3/20/19:**

**The PUBLIC must be prepared for what is about to come.  
"THE CLINTON FOUNDATION"**

Doug's designated contact at HRC/State Department was via aide Huma Abedin. Band and Huma handed the dirty details concerning the 'pay to play' scheme.

**From Q Post #48 on 11/2/17:**

**Who would have to goods on U1?**

Band is credited with the creation and management of the CGI. A public squabble developed between Band and Chelsea primarily over his handling of operations/accounting of the CF/CGI.

**From Q Post #1345 on 5/12/18:**

**U1 [donations to CF].**

Chelsea's CYA actions involved bringing in her friend Eric Braverman as the new CEO. Ultimately Band won out and Braverman was let go creating negative public appearance for the CF/CGI.

**From Q Post #10 on 10/29/17:**

**Why did FBI have an investigation into CF and was dropped?**

Of interesting note was the relationship between the CF and lobbying firm APCO. APCO made large donations to the CF while being paid by Tenex/Rostom to push the Uranium One deal through.

**From Q Post #479 on 1/16/18:**

**How much did AUS donate to CF?**

**How much did SA donate to CF?**

Band worked primarily through Huma Abedin, to coordinate client 'In-Kind Services.' Huma was the funnel at the State Department from which all access and thus special favors flowed.

**From Q Post #2872 on 2/22/19:**

**Hillary Clinton and Foundation.**

**Crime Against Children.**

Huma/Anthony may have included Band in their famed 'Insurance File'. The seized shared laptop from Weiner's sexting case will soon reveal unbelievable secrets.

**From Q Post #1431 on 5/20/18:**

**Those who are the loudest....**

**Suicide weekend?**

**Pain.**

In return for given political favors cash donations to the CF were accepted and encouraged. Doug's dual hat roles (business/government) made him the number one person in the world, for those wanting 'Clinton Access'!

**From Q Post #2725 on 2/14/19:**

**Chatter - Bill and Hillary's 'public' health will begin to rapidly deteriorate.**

**Barlow, John Perry**

## **The “Grateful” Bard of the Internet—John Perry Barlow**

John Perry Barlow (JPB) died on 2/7/2018 of an apparent ‘heart attack’ at the age of 70. Bard of the Internet and an original Grateful Dead member Barlow was a very unique individual.

**From Q Post #952 on 3/15/18:**

**The LINK.**

**[John Perry Barlow]**

Barlow meets up at the age of 15 with Bobby Weir and along with Jerry Garcia, they form the core of the Grateful Dead Band. Classic songs like Mexicali Blues, Looks Like Rain, and Estimated Prophet all are JPB classic originals.

**From Q Post #3025 on 3/11/19:**

**John Perry Barlow POST January 27, 2018**

**John Perry Barlow DEAD February 8, 2018.**

**This is not a game.**

JPB has been, in addition to the Dead, a rancher, cowboy, political activist, cyber libertarian, and Internet guru. Barlow is credited in giving many inspirational speeches that motivated folks like Julian Assange and Aaron Schwartz.

**From Q Post #730 on 2/11/18:**

**Coincidence “Truth To Power “?**

**Coincidence Barlow?**

The Electronic Frontier Foundation (EFF) was started by JPB in 1990. This was the forerunner to his 2012 Freedom of the Press Foundation organization. The EFF acts as a self-monitoring and central core of internet professionals striving for internet freedoms.

**From Q Post #722 on 2/11/18:**

**Think BDT NYC ‘attempt’ and Barlow.**

JPB joined Assange, Snowden, and Schwartz as founding Board of Directors for Freedom of the Press. Barlow took over Schwartz’s “SecureDrop” after the sudden mysterious deaths of Aaron and his co-founder Dolan.

**From Q Post #790 on 2/18/18:**

**JOHN PERRY BARLOW.  
DEFINE THE END?**

To say that John Perry Barlow was a pioneer would be an understatement. JPB hung out with Timothy O'Leary (LSD Experience), regular at the Burning Man Festival, advocate for the Marijuana Policy Project, and much more.

**From Q Post #770 on 2/15/18:**

**John Perry Barlow-187 post name [DROP].**

QAnon has directed our attention to JPB on several occasions and he figures into this puzzle in a major fashion.

**Barr, William**

## **Another ‘Boomerang’—The Return of AG William Barr**

Public optics do not matter when employing the clever ‘Scaramucci Model.’ Anthony professionally demonstrated this in removing some RINOs from the White House.

**From Q Post #2681 on 2/9/19:**

**-Barr install.**

**-Barr (w/ Whitaker) pull DECLAS review assignment from OIG.**

**-Barr executes order to DECLAS . . .**

Priebus and Spicer found out the hard way about temporary hires being very dangerous. Acting AG Whitaker had the broom in-hand and swept out the leftover garbage from the DOJ/FBI headquarters.

**From Q Post #2654 on 1/6/19:**

**Scaramucci model?**

**Public opinion (optics) do not matter.**

**Temps can be very dangerous to those who are targeted.**

The U.S. Senate has confirmed William Barr as the new U.S. Attorney General (AG). Barr served without major blemish as AG for Bush 41 from 1991-93 (Boomerang).

**From Q Post #2838 on 2/20/19:**

**Right after BARR installed?**

**What a coincidence.**

**News moving fast?**

AG William Barr brings to the table both prior experience as well as big league credibility. Barr headed the DOJ’s Office of Legal Counsel (the lawyer’s lawyer).

**From Q Post #537 on 1/14/18:**

**Who can WE TRUST?**

**TRAITORS everywhere.**

The U.S. Senate began hearings on Barr’s nomination on 1/15/19 and he sailed through without any major hitch. AG Barr has been ‘read-in’ quickly on all pending ObamaGate/SpyGate investigations.

**From Q Post #2776 on 2/17/19:**

**Mueller to Barr:**

**“With regards to the President we have found no links or ties to any foreign entity etc”**

Two little blips on the radar map have appeared in William’s past history. One question mark surrounds the Iran-Contra fiasco and the other, incredibly, involves past relationships in the CIA.

**From Q Post #3036 on 3/12/19:**

**Did POTUS just install a rouge AG who allows for the indictment of his children based on false pretenses?**

**Do UNICORNS exist?**

“Compromised: Clinton, Bush, and the CIA, by former CIA officer Terry Reed, highlights Barr’s possible CIA connections. Due to extensive scrubbing of Barr’s intelligence background, exact facts are still largely unconfirmed.

**From Q Post #2717 on 2/14/19:**

**Effective today, MUELLER reports to BARR.  
[Coming weeks].**

Connections place AG Barr back with Bush 41 when he was the CIA Director. Barr’s claimed undercover name was Robert Johnson. Barr/Johnson worked with Oliver North and Barry Seal with the Iran-Contra guns/drugs operations.

**From Q Post #2072 on 9/3/18:**

**. . . so therefore nothing must be happening [FIRE SESSIONS!]**

The high-powered law firm of Kirkland and Ellis has employed Barr between government gigs. Other Kirkland alumni include John Bolton and Ken Starr.

**From Q Post #2680 on 2/9/19:**

**Read between the lines.**

**BLOCKADE END>**

**GOOD TO GO.**

President Trump said in a 2019 news conference that “By appointing acting Cabinet heads, it gives me much more flexibility.” Anons already knew that thanks to the Scaramucci Model.

**From Q Post #2682 on 2/10/19:**

**Prosecution and Transparency is the only way to save our way of life.**

AG Barr’s letter to Congress on the findings from Robert Mueller signals

the full out declassification stage. IG Horowitz's 2.0 report and initial unsealing should commence soon.

**From Q Post #3173 on 3/23/19:**

**The calm before the storm?**

**FIRE AT WILL, COMMANDER.**

**Becerra, Xavier**

## **Hey Becerra—AWAN “Bigger Than You Can Imagine”**

California’s illegal alien loving AG Xavier Becerra hired computer tech Imran Awan in 2004. From the beginning of this relationship with Awan, disturbing reports of unauthorized access and secret servers began to swirl around.

**From Q Post #1319 on 5/8/18:**

**[Resigned]**

**Xavier Becerra - Democrat Attorney General of California.**

Xavier gave over the ‘handler’ duties of the Awan’s to Wasserman-Schultz. Reports started coming out of a possible mainframe breach within the Capitol computer system.

**From Q Post #2378 on 10/9/18:**

**AMERICA IS NO LONGER FOR SALE.**

The Capitol intrusion involved an off-site illegal server/s with apparent espionage data transfers. It has long been alleged that the Awan’s were Pakistani spies.

**From Q Post #1431 on 5/20/18:**

**Those who are the loudest....**

**Suicide weekend?**

**Pain.**

Luke Rosiak of the Daily Caller has been the lone national reporter that has stayed on this entire Awan espionage story. [DWS] approved Imran to hire half a dozen relatives onto House members’ payrolls.

**From Q Post #1626 on 6/28/18:**

**AWAN is bigger than you can imagine.**

Over a six-year period the total combined Awan Cabal’s take was over \$6 million tax payer dollars. The trick was to pay each one of the Awan family members for “ghost jobs” at the highest pay levels.

**From Q Post #1601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.**

**THE WORLD IS WATCHING.**

The maximum highest salary levels permitted by Congress were exceeded by this trick. Normal background security checks were routinely waved by

House members for each and every Awan.

**From Q Post #77 on 11/4/17:**

**Who is Awan?**

**What is the Awan Group?**

It seems when Becerra packed up for California in January 2017, the USCP wanted a copy of his computer server. Xavier gave the Capitol police a fake server image copy and is now trying to explain away his deliberate fraud.

**From Q Post #674 on 2/6/18:**

**Public interest [kept high].**

**U1 FBI informant.**

**AWAN/DWS/Paki intel/MB.**

**Tarmac meeting [SC/LL deal > AS 187].**

Watch for Xavier to be brought back onto center stage after Imran's plea deal. QAnon has stressed 'No Free Passes.'

**From Q Post #3168 on 3/23/19:**

**Nobody walks away from this.**

# **Benghazi, Libya**

## **Benghazi Debacle Revisited—Pre-Heroic “13 Hours”**

Judicial Watch has obtained documents from the Defense and State Departments about Benghazi. Records reflect the BHO Administration knew al Qaeda would attack the US Consulate 10-days in advance.

**From Q Post #2180 on 9/16/18:**

**Define ‘Traitor’.**

**2. a person who commits treason by betraying his or her country.**

**Synonym = Renegade**

The U.S. Consulate in Benghazi, Libya was attacked on 9/11/12 by waves of Islamic militants, tragically resulting in the deaths of 4 brave Americans.

**From Q Post #1884 on 8/15/18:**

**LIBYA [ACCESS] PENDING [MAIN PORT CLOSED]  
[LIMITED].**

Conditions were in flux, in terms of authority, and civil rebellion ruled the entire region. It is unconscionable that our brave personnel were left exposed with no backup rescue forces.

**From Q Post #2148 on 9/10/18:**

**We Will Never FORGET!**

**We Will Never FORGIVE!**

Ambassador Chris Stevens had a small Foreign Service protection detail at his residence and the CIA Annex had a larger security force. Stevens knew of the BHO/HRC/Clown mission of shipping illegal arms from Libya over to Syria.

**From Q Post #2878 on 2/22/19:**

**CROOKED [[[HILLARY]]].**

The contractors combined with an Alamo-like defense of both compounds in this epic stand. This heroic last-stand was immortalized in the Hollywood movie “13 Hours: The Secret Soldiers of Benghazi.”

**From Q Post #2147 on 9/10/18:**

**ATTENTION ON DECK.**

**BATTLE STATIONS.**

Several reasons laid the foundation for the general chaos in Benghazi. The ultimate responsibility falls right into the laps of both BHO and HRC:

- Toppling of Qaddafi/Arab Spring/Muslim Brotherhood to destabilize area.
- Secret CIA compound/Annex and NSA listening post upset the locals.
- Gun-Running scheme: Libya to Turkey to Syria that Stevens ran covert operation with Marc Turi.
- 7 Red Crescent workers kidnapped prior to raid and released just after deadly attack due to Iran's demands.
- Theory that Iran was behind raid to kill U.S. Ambassador over arming ISIS.
- Seven Davey Crockett nuclear mortars.
- HRC's extra server with Special Access Programs for the bin Laden Family.
- Cover-up of real motive (video caused attack) due to Obama's re-election.

**From Q Post #56 on 11/2/17:**

**To debunk the evidence, Media Matters pointed to a Snopes.com "fact-check" piece that cited as its sole source... Senator John McCain. This is the same John McCain who met Libyan militia leader Abdelkarim Belhaj, a known al Qaeda associate, and saluted him as "my hero" during a 2011 visit to Benghazi.**

QAnon is talking about No Name's visit to the region one year before the deadly attack on the US Consulate and Annex.

**From Q Post #2727 on 2/15/19:**

**<https://thehill.com/homenews/senate/430023-senate-passes-bill-to-make-lynching-a-federal-crime?amp>**

**In the past, what was the punishment re: a TRAITOR?  
Coincidence?**

Arming both al Qaeda and ISIS was the fuel that ignited and then destabilized the entire Middle East. POTUS firing missiles again into that region reflects concerns over the past damage caused by Secretary of State HRC and BHO.

**From Q Post #2640 on 12/21/18:**

**What was the 16-year plan to destroy America?**

**Berger, Sandy**

## **Mueller/Comey Cleared Sandy “What’s in Your Pants” Berger**

Imagine this scene a middle-aged man stumbles in a disheveled appearance from the National Archive Building. Incredibly obvious are various official documents stuffed down his pants/pockets/and even his socks.

**From Q Post #2723 on 2/14/19:**

**A Traitors Justice.**

**Panic in DC.**

**RATS EVERYWHERE.**

Meet NSA Director Sandy Berger aka Sandy “The Burglar.” This stalwart of modern society was at one point in time the National Security Adviser to President Slick Willy.

**From Q Post #18 on 10/31/17:**

**Why did Mueller meet POTUS 1-day prior to FBI announcement of Muller COULD NOT be offered director due to prev term limits rule?**

Sandy still had the security clearance to look but certainly not to steal (then later destroy) reams of highly classified material. This was the lawless attitude that many surrounding the Clinton criminal cabal freely demonstrated.

**From Q Post #3125 on 3/20/19:**

**The PUBLIC must be prepared for what is about to come.  
“THE CLINTON FOUNDATION”**

This national treasure theft of Usama bin Laden ‘intel’ documents occurred in 2003. Berger claimed it was an informational scouting mission for Clinton prior to the upcoming 9/11 Commission review proceedings.

**From Q Post #2724 on 2/14/19:**

**Chatter - Bill and Hillary’s ‘public’ health will begin to rapidly deteriorate.**

Congress was looking for information on any signals received by the White House before the terrorist’s attacks in NYC and Pentagon on that fateful September day. Talk was bin Laden (UBL) was known and on the radar of American intelligence.

**From Q Post #2876 on 2/22/19:**

**CLINTON PANIC.  
CLINTON FEAR.  
JUDGEMENT DAY COMING.**

Berger promptly scrubbed all damaging information from the National Archives in regards to UBL ‘intel’ during the Bill Clinton-era. To this day no one knows exactly what was removed and ultimately destroyed by Sandy “The Burglar”.

**From Q Post #1008 on 4/14/18:**

**Why is Mueller going after inside plants?**

In 2005, the ever-generous Deputy AG Comey and FBI Director Mueller gave Berger a sweet plea deal. For admitting to removing and destroying classified records Sandy ultimately skated.

**From Q Post #2512 on 11/30/18:**

**Mueller will face charges re: U1.**

**He’s working to save himself.**

Sandy got a minor slap on the wrist with some community service and paying a small fine. The National Archive to this day is still ashamed of losing this historic classified material on bin Laden.

**From Q Post #1289 on 4/29/18:**

**Do you believe in coincidences?**

**Think recent Mueller drops.**

**Think private comes.**

Mueller and Comey have been safe guarding and protecting the criminal Clinton’s for decades. This ‘Pretorian Guard’ is why no Clinton or known associates get indicted or prosecuted.

**From Q Post #1279 on 4/26/18:**

**We have it all.**

Hopefully POTUS/White Hats/ Team will change this two-tier justice system. The return to the rule of law is a foundational pillar of MAGA/Great Awakening.

**From Q Post #2118 on 9/7/18:**

**If Mueller is dirty, [RR] must also be dirty.**

**Best, Daniel**

## **Daniel Best's Suicide: 'Self-Bludgeoned' = Arkancide**

Industry leader and former big Pharma executive Daniel Best reportedly committed suicide on 11/11/18. Best was discovered in an unresponsive state by his Washington, DC apartment.

**From Q Post #693 on 2/7/18:**

**When does big pharma make money?  
Curing or containing?**

Only 49 years of age, apparently Daniel killed himself by bashing his own head into a wall. The term is called self-bludgeon and is one of the rarest forms of suicide reportedly known.

**From Q Post #777 on 2/15/18:**

**Why is Big Pharma essential?**

The police report stated that Best had multiple blunt force injuries. Strange how untimely deaths can alter the course of an ongoing investigation.

**From Q Post #695 on 2/7/18:**

**How many top medical researchers found dead in past 5 years?**

Best was a top executive for CVS and Pfizer before becoming Senior Adviser to industry pal Health and Human Services (HHS) Secretary Alex Azar. Best was leading the effort to lower prescription drug costs and total Medicaid/Medicare expenses.

**From Q Post #2037 on 8/31/18:**

**BIG PHARMA DONATES HOW MUCH TO CA/NY  
'ELECTED' OFFICIALS?**

It was joked that Azar/Best knew where all the big Pharma bodies were buried. Best gave an interview two days before his sudden death where he outlined a plan to save \$50 billion in just 8 years.

**From Q Post #1010 on 4/4/18:**

**PHARMA [CLAS-D].**

Best was from fly-over Bay Village, OH and vowed to make drug care affordable for all of America. Daniel was concerned about fake scientific studies and the side-effects of some vaccines.

**From Q Post #252 on 12/4/17:**

**Diseases created by families in power (pop control + pharma**

**billions kb).**

On 11/15/18 the DC Medical Examiner declared Best's death a suicide. Several other suspicious deaths have occurred in recent times relating to big Pharma and MSM reporters covering this field.

**From Q Post #2642 on 12/22/18:**

**FAKE! FAKE! FAKE!**

**The more you know...**

**Research for yourself.**

Many will remember back to last year and the bizarre death of Pulitzer Prize winning WSJ reporter, Joe Rago. Additionally, a new CNN reporter, Michael J. Feeney, died this Fall. Both Rago and Feeney were doing critical articles that were negative to the pharmaceutical field.

Of related note are the strange deaths of reporters Jen Moore and Bre Payton. All of these victims were young and in relatively normal health for their age.

The anti-whistleblower term that summarizes questionable deaths most accurately is 'Arkancide.' It has been understood and established that it is a death sentence to testify against the ruling Deep State powers to be.

**From Q Post #750 on 2/21/18:**

**Our attack on big pharma came w/ a warning letters today.**

The Great Awakening will usher in a new environment of law and order once again. The end of the two-tier system of justice is a keystone of President Trump's promised MAGA goals.

**Binney, William**

## **NSA Whistleblower William “Bill” Binney—“Leak NOT Hack”**

William Binney is “A Good American” who served his country for over 35 years as a Senior US Military Intelligence Officer. Bill became an early National Security Agency (NSA) Whistleblower (pre-Edward Snowden) and revealed ongoing illegal mass surveillance programs by the NSA.

**From Q Post #394 on 12/19/17:**

**We have the USSS, NSA, and DHS, also protecting this message.**

Bill Binney was involved with not only helping to build these surveillance computer programs but in ultimately exposing their purpose. The NSA would later name Bill Binney’s creations “Stellar Wind” “Thin Thread” and “Trailblazer.”

**From Q Post #2332 on 10/4/18:**

**How the [SPY OP] re: Russia hacking + POTUS-Russia False Narrative + Installation of Mueller was CONSTRUCTED.**

These new computer filters were able to selectively capture all historical data by using key identifying words. Ultra-google-like search-capture programs contained within the fastest supercomputers.

**From Q Post #1666 on 7/3/18:**

**We have the server.**

These special type of innovative secret computer programs ended up being misused by the NSA. Bill felt compelled to make these secret collection projects known to the American general public.

**From Q Post #151 on 11/14/17:**

**Who do you trust to keep secrets?**

These NSA programs were involved with the total capturing of all USA phone/data collection (the whole enchilada Snow White). Producer Oliver Stone asked Bill to assist and technically advise with his new hit movie “Snowden”.

**From Q Post #384 on 12/19/17:**

**Bill Binney.**

Binney claims that the NSA has been using spying mechanisms and computer programs successfully through past Presidential administrations. Mass surveillance programs have operated ever since the travesty that was

9/11.

**From Q Post #1661 on 7/1/18:**

**What role can MIL INTEL play?**

**What role can NSA play?**

**BANG!**

Bill worked alongside several other NSA Whistleblowers like Thomas Drake and Kirk Wiebe. This group of Patriots teamed up to forensically examine the download speed of the, so-called, DNC breached computer server.

**From Q Post #386 on 12/19/17:**

**PATRIOT of the highest caliber.**

Binney has made several comments directly related to the ongoing political SpyGate scandal. Bill has backed up claims by President Trump that in fact he was wiretapped by the U.S. Intelligence Community/Department of Justice.

**From Q Post #968 on 3/27/18:**

**Future proves past.**

**Everything has meaning.**

At the request of POTUS, the then CIA Director, Mike Pompeo (KANSAS), and Binney had a sit-down. Bill's scientific studies of the port download transmission rates of the infamous DNC computer breach proved beyond question that it was a leak.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR REPUBLIC.**

**There is a reason why a sword is held.**

Binney's forensic team has shown that the DNC intrusion was a leak or physical download (likely a thumb drive) as opposed to a hack or Internet download. A physical download proves it was a LEAK not HACK by all standard observations.

**From Q Post #1002 on 4/3/18:**

**The BITE that has no CURE - NSA.**

The difference between is the pivotal factor in what started this entire ObamaGate ordeal. This throws out the false Russian narrative and brings right into play both Patriot Seth Rich (SR) and WikiLeaks (WL)!

**From Q Post #1959 on 8/28/18:**

**China hacked HRC server?  
Access was granted.**

**Blumenthal, Sid**

## **Who is Sid Blumenthal? How is He Connected to ObamaGate?**

Sid “Vicious” Blumenthal has been a close confidant of the Clinton’s going back decades. Sid served BC as White House Senior Advisor and was the primary funnel outgoing to the MSM from both BC and HRC.

**From Q Post #2872 on 2/22/19:**

**Hillary Clinton and Foundation.  
Crime Against Children.**

Known as the ‘Fixer’ of all Clinton related scandals he dutifully earned the nickname “Sid Vicious.” Sid has been a Clinton enforcer and has been a trickster in the political arena forever.

**From Q Post #436 on 12/22/17:**

**BRIT INTEL.  
HRC CAMP PAY.  
DNC PAY.**

Sid’s fingerprints are over several major Clinton related scandals. Ultimately the Steele Dossier will bring him to the attention of IG Horowitz/Special Prosecutor John Huber.

**From Q Post #571 on 1/21/18:**

**NOBODY PLAYING THE GAME GETS A FREE PASS.  
NOBODY.**

Sid and sidekick Cody Shearer worked through Victoria Nuland/Jonathan Winer of the State Department. This team helped funnel additional ‘oppo’ Research into Steele’s Trump-Russia Dossier.

**From Q Post #2876 on 2/22/19:**

**CLINTON PANIC.  
CLINTON FEAR.  
JUDGEMENT DAY COMING.**

- 2008: Sid is credited with starting the “Birtherism” topic while a Senior Advisor to HRC Presidential Campaign.
- 2011: Sid teams up with Jake Sullivan/State Department and Marc Turi in Operation Zero Footprint. BHO/HRC’s goal to help arm ISIS with gun running in Libya (Benghazi) onto Syria.
- 2013: A Romanian hacker known as Guccifer breaks into Blumenthal’s email account to gain HRC messages. The discovery

and revelations lead to the uncovering of the HRC private server during the Benghazi Hearings.

- 2016: Blumenthal teams up with long-time sidekick Cody Shearer to author the 2nd Trump-Russia Dossier. The pair work with Winer and Nuland at The State Department to funnel made-up “Oppo” researcher to Chris Steele and the FBI.

**From Q Post #1220 on 4/21/18:**

**Clinton Foundation conflicts of interest.**

Blumenthal is an author by trade but has been employed for many years at the Clinton Foundation. Obama had forbidden Sid from any work within the government due to that pesky Birth Certificate issue Sid first started.

**From Q Post #436 on 12/22/17:**

**[DNC BREACH / DOSSIER]**

Blumenthal is partially credited with starting the entire Trump-Russia ‘Collusion Delusion’. Judgement day is coming soon for Sid Vicious via IG Horowitz’s 2.0 report-BOOM!

**From Q Post #3125 on 3/20/19:**

**The PUBLIC must be prepared for what is about to come.

**Boies, David**

## **DEM Super Lawyer David Boies—Involved with Cuomo and [SR]**

David Boies Esq., has long been connected to famous high-profile case like Bush vs. Gore, Brady vs. NFL, Napster/and Microsoft. Boies is Chairman of Boies, Schiller, and Flexner law firm.

**From Q Post #1346 on 5/12/18:**

**Define bribe.**

**Define kickback.**

In legal news, Boies has represented Harvey Weinstein and Aaron Rich. It appears that since 2009 over \$250,000 in campaign donations have been traced from Boies to Governor Andrew Cuomo's re-election efforts.

**From Q Post #1462 on 6/11/18:**

**What recent news came out re: SR/JA/WL lawsuit?**

Manhattan DA Cyrus Vance began a sexual misconduct complaint against Weinstein by a young Italian model. Cuomo ordered NY AG Underwood in June 2017 to end the Vance investigation.

**From Q Post #2872 on 2/22/19:**

**Hillary Clinton and Foundation.**

**Crime Against Children.**

This was on the heels of a \$25,000 donation to Cuomo from Boies just days before this action happened. Bribery and witness tampering is a common thread running through ObamaGate.

**From Q Post #1370 on 5/15/18:**

**Why was the NY AG just removed?**

Records also indicate that Boies has made a separate \$10,000 donation into Vance's own campaign in 2015. Boies is also the top donor of Kristen Gillibrand.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR REPUBLIC**

**There is a reason why a sword is held.**

Boies is currently representing Aaron Rich brother of slain Patriot Seth. The Rich Family is currently suing the investigation team that has been looking into the murder of Seth. Matt Couch's America First Media and associates

all have been ensnared in this lawsuit.

**From Q Post #1195 on 4/19/18:**

**SR connect to DNC.**

The most amazing element to this entire ObamaGate/SpyGate scandal, is the amount of corruption tied to various lawyers and law firms. Need we mention Perkins Coie as an example of a long-time co-enabler of the Deep State?

**From Q Post #1935 on 8/27/18:**

**HRC election loss=CF inflow stop.**

POTUS is going to drain the DC Swamp and clean out the crooked lawyers.

# **Border Security**

## **Migrant Caravan Hordes Invading—POTUS to the Rescue**

POTUS: “Without A Wall, You Don’t Have a Country.”

POTUS has ordered even more Military/National Guard to our southern border. Armed troops are to protect against incoming hordes of migrants coming in various waves.

**From Q Post #2502 on 11/25/18:**

**Border Security = National Security.**

DHS has issued waivers to “ensure the expeditious construction and replacement of approximately 12.5 miles of secondary wall” in San Diego, CA. POTUS has acquired the wall funds and vast sections are being built and older sections given a much needed rehab.

**From Q Post #2049 on 8/31/18:**

**WHO ARE THE WHITE RABBITS?**

President Trump has cut-off all U.S. foreign aid to three Central American countries as well their NAFTA involvement. A total shutdown of the entire southern border is now threatened by our great POTUS, who always backs up his statements with swift action.

**From Q Post #2454 on 11/7/18:**

**Border under attack.**

**Do you understand why?**

These publicly voiced new policies are intended for all of the leaders of Central and South America. Additionally, new waves of migrant caravans have been forming and steadily marching northward.

**From Q Post #2395 on 11/2/18:**

**See the ‘gun’ tucked in the pants of the ‘money man’?**

This article was first posted mid-2018 with the original major funded caravan assault on our southern border. Now well into 2019, a fourth much larger wave of thousands is forming in Central America for the long organized migrant trek north.

**From Q Post #988 on 4/2/18:**

**Immigration Bill.**

**Border.**

**Wall.**

The Deep State has an on-going coup against POTUS and has thus allied with many Anti-Trump factions. To help achieve their goal of total domination, a wide variety of internal and external resistance groups have now merged.

**From Q Post #192 on 11/22/17:**

**Why are China & Russia communist S/closed?**

You would normally think that your average Progressive Leftists would be sickened by extreme Muslim practices. No problem joining hands and overlooking the vile treatment of women and gays if you're against Trump/MAGA.

**The Three Allied Elements:**

**RED**-Progressive Communist Left/SJW

**GREEN**-Radical Muslim Brotherhood

**BROWN**-Central/SA Migrant Caravans

Joint agendas and agreed upon philosophy:

- NWO/UN/EU/World Control
- No Borders/Unlimited Immigration
- Two-Tier Lawless Justice System
- Paris Climate Accord/Restrictions
- Eroding Constitution/Amendments
- Deep State Total Control
- The 16-Year Plan to Destroy America

**From Q Post #2656 on 1/6/19:**

**Anons knew?**

These are but a few of the main goals of these various factionalized groups. They do form the pillar of Anti-USA philosophy that lies at the core of this worldwide NWO ruling elite cabal's schemes.

**Why are migrants so important?**

**Brand, Rachel**

## **Deep State Firewall and FISA Manipulator—Meet Rachel Brand**

Rachel Brand [RB] was the DOJ's Associate Attorney General and held the third highest rank. She was the first woman to hold that position with tenure from May 2017-February 2018.

**From Q Post #1498 on 6/14/18:**

**Why was Rachel Brand removed?**

Like others have done since the election of President Trump, Brand has suddenly left government service and moved on to work for Walmart. Record numbers of resignations and terminations seem to be the new norm across the country.

**From Q Post #2129 on 9/10/18:**

**ALL FISA SIGNERS WILL BE [CURRENTLY] UNDER INVESTIGATION.**

One of Brand's primary responsibilities at the DOJ involved aspects of the Woods Procedure. Under the Woods rules, the DOJ must "push-down" all unverified information/intelligence in the FISA application process.

**From Q Post #1944 on 8/28/18:**

**FISA = FISC**

Rachel was in charge of overseeing all of the FISA applications. Brand was to comb through all reported details and only allow confirmed verified facts to be presented to the secret FISC (court).

**From Q Post #1433 on 5/21/18:**

**Who is Rachel Brand?**

**Why was Rachel Brand dismissed?**

Rep. Devin Nunes has drilled down publicly on this critical aspect of the FISA/Woods procedural process that was not followed by Rachel. The Carter Page FISA Title-1 surveillance warrant relied primarily on the totally unverified Christopher Steele fake dossier.

**From Q Post #2692 on 2/11/19:**

**[Updated]**

**Rachel Brand, Associate Attorney General - No. 3 official behind Deputy AG Rosenstein - FIRED/FORCE**

By most neutral observer standards, the Steele Trump-Russia Dossier is a

work of fiction. History may even show that a large portion was written by Nellie Ohr and not a few aging obscure former Russian intelligence officials.

**From Q Post #2070 on 10/3/18:**

**Rachel Brand, Associate Attorney General-No. 3 official behind Deputy AG Rosenstein-FIRED/FORCE.**

The Vacancies Reform Act of 1998 comes into play when looking at the chair of succession at the DOJ. The Deep State had hoped that Brand (#3) would act as their ‘firewall’ against any future firings or recusals.

**From Q Post #2129 on 9/10/18:**

**THE US GOVERNMENT, UNDER HUSSEIN, KNOWINGLY, PRESENTED FALSE EVIDENCE TO FISC IN AN EFFORT TO OBTAIN 'LEGAL' US INTELLIGENCE 'UMBRELLA' SURV OF POTUS [IDEN TARGET] FOR THE SOLE PURPOSE OF INFLUENCING THE 2016 ELECTION**

Evidence is coming out now that McCabe attempted to get [RR] to recuse (pushed for Sessions) from the Trump-Russia probe. The Black Hats always wanted to elevate their loyal Rachel into that critical Mueller oversight role.

**From Q Post #1828 on 8/9/18:**

**[DOJ][LL][SY][BO-CS(UK)][DL][PS][DL][JC][MM][RB]]←  
————→[BC]\***

These failed coup plotters are scrambling to get all of their stories straight as they all are called to testify. Team QAnon has let on that [LL] is now talking and thus the ‘Rats in DC’ are in a total panic.

**From Q Post #1745 on 7/28/18:**

**FISA = START.**

To put a cherry on top of this scene, Brand publicly claimed she did not want the responsibility of the Trump-Russia investigation. Ask yourself what government employee would not welcome a promotion, let alone, leave lucrative security for the public sector.

**From Q Post #2275 on 9/23/18:**

**Did the IG recommend [RR] step down or be fired [speed]?  
Why was Rachel Brand removed?**

The looming FISA/DECLAS/UNSEALING will help to fill in all of the blanks. Exposure will make the public aware of what the Anons have known for months; that “FISA BRINGS DOWN THE HOUSE.”

**Braverman, Eric**

## **The Braverman “BRIDGE”—Clinton Foundation to Schmidt Charities**

Timing is everything when changing jobs, especially at the CEO level of major institutions. You may wonder then why a young individual would virtually disappear from the face of the earth after being fired.

**From Q Post #2581 on 12/11/18:**

**Why is the ‘CLINTON FOUNDATION’ back in the news?**

Most young top executives would normally want to be out in the open job market very quickly. That is unless you have just been let go by the Clinton’s and you fear a case of ‘Arkancide’ may occur.

**From Q Post #2872 on 2/22/19:**

**Hillary Clinton & Foundation.  
Crime Against Children.**

So strange was this sudden invisibility act that several major conspiracy theories developed. Many people had Eric either dead, MIA, or hiding out in a foreign country for protection.

**From Q Post #2876 on 2/22/19:**

**CLINTON PANIC.  
CLINTON FEAR.  
JUDGEMENT DAY COMING.**

Bear in mind as you go through this article, that Mr. Eric Braverman, emphasis on BRAVE, was fortunate to have escaped with his life. So many people that have crossed the Clinton’s meet with an untimely demise.

**From Q Post #10 on 10/29/17:**

**What countries donated big money to CF and why?**

Eric Braverman was hired in 2013 by the Clinton Foundation (CF) based upon Chelsea’s insistence. Chelsea was disturbed by an audit that showed financial irregularities and disapproved of Doug Band’s leadership.

**From Q Post #1552 on 6/18/18:**

**CF investigation ongoing.**

Big surprise when an outside audit found many accounting problem areas. Chelsea brought in her friend Eric to serve as CEO to help clean things up at the CF.

**From Q Post #71 on 11/4/17:**

**How much money was provided to the CF by SA during 15/16?**

This of course started a turf war with Doug Band who is Bill's right hand dude. Chelsea's new initiative was to improve the CF's tarnished image but this went against the 'pay-to-play' model.

**From Q Post #2129 on 9/10/18:**

**[LIVE STREAMING] WH HUSSEIN NON-OVAL [SITUATION ROOM] COORDINATION.**

Braverman was accused, by CF staff, of leaking company records to the MSM. Braverman denied these charges but resigned after serving only two years. In later WikiLeaks email disclosures, records seem to prove that Eric was the leaker.

Wild rumors swirled around the Internet of Erik's possible murder, gone into Witness Protection, changed his identity, or was hiding in another country. After the 2016 Presidential election Schmidt fired the Podestas and hired Braverman.

**From Q Post #2725 on 2/14/19:**

**Chatter - Bill & Hillary's 'public' health will begin to rapidly deteriorate.**

Braverman was put in charge of the Philanthropic Division of the Eric and Wendy Schmidt Group (Alphabet/Google). Headquarters is in beautiful Menlo Park/Silicon Valley and controls millions in different charitable foundations.

**From Q Post #1935 on 8/27/18:**

**Define DARK MONEY.**

Eric is currently the Chief Executive of Schmidt Futures (SF) that he helped to create with Schmidt. SF's stated mission is: "Applying technology to make society work better, while solving the world's toughest problems."

**From Q Post #53 on 11/2/17:**

**List of all who have foundations.**

**How can donations be used personally?**

Why, you might ask, is someone still breathing that has so publicly betrayed the Clinton's? I think it is exclusively due to Chelsea's intercedings and assistance.

**From Q Post #89 on 11/5/17:**

**FBI/MI currently have open investigation into the CF.**

Chelsea originally hired Erik to go after Doug Band, so she must have been involved with Braverman's negative media leaks. Braverman got extremely lucky to be able to walk away and live.

**From Q Post #3125 on 3/20/19:**

**The PUBLIC must be prepared for what is about to come.**

**"THE CLINTON FOUNDATION"**

+++++

The U.S. Attorney's Office based in Little Rock is currently investigating the CF. Please note that the Weiner/Abedin laptop is included with the current ongoing official DOJ CF investigation.

**From Q Post #1220 on 4/21/18:**

**Clinton Foundation conflicts of interest.**

OIG Horowitz's investigations will also look at the HRC State Department and the 'Pay to Play' schemes with the CF.

## **Brazile, Donna**

## **Let's Peel Back Some Layers on DNC Stalwart— Donna Brazile**

Often is the case, when digging into the background character of these Deep Staters, you will find an intriguing resume. Donna Brazile has been a long time top Democratic strategist.

**Post Q 1195 on 4/19/18:**

**SR connects to DNC.**

Brazile broke the barrier to become the first African-American woman to direct a national political campaign. Donna has, in fact, twice in 2011 and 2016, been the acting Chairperson of the DNC.

**From Q Post #1493 on 6/13/18:**

**SR 187 DISCOVERY.**

Some of Donna's many other accomplishments include media network analyst, successful author, college lecturer and political consultant. Brazile ran the election campaigns for Al Gore, Jessie Jackson and Bill Clinton.

**From Q Post #1591 on 6/26/18:**

**Server unlocks SR.**

Prior to the 2016 national DNC Convention, Debbie Wasserman-Schultz [DWS], was fired. Besides the overt favoritism toward HRC, there was the infamous DNC computer leak/hack.

**From Q Post #2135 on 9/10/18:**

**Think DOJ/FBI classified leaks to FAKE NEWS > insert into  
FISA app in effort to provide 'new sources'.**

Brazile, as she has done in the past, stepped up to take over the DNC chair role. Ultimately, she will be entangled in the Seth Rich murder (Perkins Coie and CrowdStrike's criminal element).

**From Q Post #92 on 11/5/17:**

**Seth Rich only mentioned because it directly relates to SA.**

As QAnon has advised, the DNC computer was an inside leak and not an outside hack. Bill Binney and Thomas Drake documented that the file transfer rate on the download could only be done in-person and not from an outside hack.

**From Q Post #1008 on 4/14/18:**

**SETH RICH?**

**MS\_13 187 [2] -24- Distance?**

CrowdStrike was retained under [DWS] but Brazile did the final sign off of their false intrusion report. CrowdStrike maintained the outside hack theory was via Russian's Fancy and Cozy Bear groups.

**From Q Post #2876 on 2/22/19:**

**CLINTON PANIC.**

**CLINTON FEAR.**

**JUDGEMENT DAY COMING.**

Brazile was working for CNN during the 2016 campaign season and was involved with her own informational "leak." Donna gave the debate questions to HRC in advance of a debate with Bernie Sanders.

**From Q Post #483 on 1/7/18:**

**"Whatever happened to this Pakistani guy who worked with the DNC?"**

This was just one of many helping efforts done to assist HRC against both Sanders and then ultimately President Trump. The Awan's did dirty computer tricks and robot calls against the Sanders campaign.

**From Q Post #1462 on 6/11/18:**

**What recent news came out re: SR/JA/WL lawsuit?**

CNN fired Brazile after the leaked debate questions became public. It would be over one year later before Donna would finally confess to this improper action.

**From Q Post #2538 on 12/3/18:**

**Leverage > Panic.**

**Panic > RATS.**

**Dark to Light.**

Donna then penned the book "Hacks" in 2017. Brazile's book dedication surprised many as it was to murdered DNC staffer Seth Rich. This of course was an effort to steer the narrative toward the Russians.

His name was Seth Rich (Panda) and he was brutally murdered after WikiLeaks started to publish the Podesta/DNC leaked emails. Recent inquiries have shown that, magically, Brazile and DC's mayor were at the hospital the night Seth was brought in and passed away.

**From Q Post #1626 on 6/28/18:**

**Server or JA = truth exposed (SR).**

Brazile mentions in her book that the Seth Rich murder “Was anything but a robbery gone wrong.” The other theme running through the “hack” determination was the fact that HRC had completely taken over the DNC.

**From Q Post #1515 on 6/16/18:**

**These reporters and networks have been named in the WikiLeaks to have colluded with the DNC or Hillary campaign during the 2016 election cycle:**

Inquiring minds demand to know the true events surrounding the tragic death of Patriot Seth Rich. QAnon has told of MS 13’s involvement and other particulars which should assist in the continued murder investigation.

**From Q Post #2885 on 2/24/19:**

**They NEVER thought Crooked Hillary would lose.**

## **The Traitorous Art of Projection: John “Clown” Brennan**

### **“Clowns to the left of me, Jokers to the right...”**

Ex-CIA Director John Brennan has publicly accused President Trump of “treason” at the Summit in Helsinki. This is a text book example of what psychiatrists call ‘projection.’

**From Q Post #3169 on 3/23/19:**

**‘Projection’ 101.**

Freud says one ‘projects’ one’s own motivations, thoughts, desires and feelings upon others. Projection is the Progressive Leftists classic form of a psychological defensive mechanism.

**RBG.**

**AS 187 / Clown Black (Brennan).**

Converted to Islam, fluent in Arabic, voted for the Communist Party in a Presidential election, and once head of the world’s premier spy outfit the CIA John Brennan [JB] is a colorful character who may go down as a principal conductor in ObamaGate/SpyGate.

**From Q Post #2129 on 9/10/18:**

**[LIVE STREAMING] WH HUSSEIN NON-OVAL [SITUATION ROOM] COORDINATION.**

Brennan took his oath of office as BHO’s Director of the CIA using an original copy of the US Constitution minus the Bill of Rights. This was used as opposed to the Bible which has normally been the customary long-standing practice.

**From Q Post #559 on 1/19/18:**

**Who used private email addresses?**

**JB.**

Brennan goes back to the early BHO days with his 2008 election campaign and transition team. [JB] earned his wings when his team altered/scrubbed the U.S. Passport Records Office of BHO’s travel history files.

**From Q Post #2381 on 10/9/18:**

**What was the purpose?**

Please take the time to look at Diana West's "Red Thread" series. Ms. West outlines the Communists/Marxist of yesterday are the same as the radical Progressive Leftists of today.

People are once again calling into question the validity of the 2016 Intelligence Community Assessment (ICA). Brennan/Clapper recruited FBI Peter Strzok to be the main author.

**From Q Post #1286 on 4/27/18:**

**Campbell, 'Doug' William**

## **Uranium One FBI Confidential Informant—Meet William Campbell**

For six years Patriot William ‘Doug’ Campbell worked as an Under Cover Confidential Informant (UCCI) for the FBI. Campbell posed as an average American businessman in the Nuclear Energy Industry.

**From Q Post #1280 on 4/27/18:**

**Define ‘on record’.**

**Who knows where the bodies are buried?**

Mr. Campbell pretended to represent Putin’s illegal attempts to gain worldwide control of various uranium deposits. Rep. Mark Meadows had Mr. Campbell in for additional testimony on 12/13/18.

**From Q Post #1306 on 4/30/18:**

**Where did the U1 material end up?**

The Russians that were involved paid bribes, kickbacks, extortion and used money laundering schemes. These criminal actions were aimed at leveraging influence in the ultimate purchase of Uranium One (U1).

**From Q Post #2657 on 1/6/19:**

**Post public release of CLAS NSA PRO > U1?**

**What country was involved with U1?**

William Campbell documented many violations of the U.S. Foreign Practices Act to the FBI. This whistleblowing effort was intended to block the Uranium One sale of over 20% of the total U.S. uranium reserves.

**From Q Post #1842 on 8/11/18:**

**Do you believe in coincidences?**

**We have the source.**

Putin’s atomic energy giant Rosatom needed lots of uranium and Russia wanted total global domination. Frank Giustra’s Canadian firm UrAsia was absorbed in 2007 by Uranium One to assist with this multi-nation complex scheme.

**From Q Post #3035 on 3/11/19:**

**[MUELLER] connection to U1 and Russia?**

Frank Giustra was a long-time Clinton ally who directed various groups to contribute millions into the Clinton Foundation (CF) coffers. It is estimated that over \$145 million in new donations flowed into the CF directly due to

URANIUM ONE.

**From Q Post #1345 on 5/12/18:**

**U1 [donations to CF].**

Putin's Rosatom gains majority control of 51% of URANIUM ONE (and thus 20% of American uranium) in June 2010. Oddly it was on 6/29/10 that Bill Clinton gave and was paid \$500,000 for an infamous and very short Moscow speech.

**From Q Post #2150 on 9/11/18:**

**We Will Never FORGET!**

**We Will Never FORGIVE!**

To most people the fact of selling our uranium reserves to Russia is a horrible idea on its face. Uranium One produced 'Yellow Cake' (YC) which is highly enriched uranium.

The processed YC went out via illegal shipping routes to multiple international locations. All uranium was to stay in the USA and not out to our known enemies.

**From Q Post #2512 on 11/30/18:**

**Mueller will face charges re: U1.**

**He's working to save himself.**

Mr. Campbell has testified in initial closed-door interviews to Congress and SP Huber. Mr. Campbell has as his lawyer Victoria Toensing (White Hat).

**From Q Post #520 on 1/13/18:**

**The MAP is the KEY.**

**PLANNED for [3] years.**

Both the premature release of Mr. Campbell's identity and the shameful comments made by Democrats over his memory issues (suffering from a serious brain tumor),

**From Q Post #1069 on 4/7/18:**

**Systematic weakening of the US.**

**U1.**

**Cash flow funnel.**

Our prayers go out for Mr. Campbell's personal struggles with ill health. Our nation will be forever thankful for heroic whistleblowers like William Campbell.

**From Q Post #674 on 02/18/2018:**

**Public interest [keep high].**  
**U1 FBI informant.**

Peter Schweizer's book "Clinton Cash" details the extensive payments into the Clinton Foundation. These millions were paid to purchase political favor in many ongoing 'Pay to Play' schemes.

**From Q Post #2217 on 9/19/18:**

**U1 Funnel >> Canada >> X.**

This was the reason for the use of a private email server by HRC so as to hide the 'Pay to Play' between State and the CF. The coordinators were Huma at the State Department and Doug Band over at the CF.

**From Q Post #964 on 3/27/18:**

**U1 CAN EU RUSSIA IRAN NK SYRIA PAK**

The larger crime was the FBI/Mueller keeping Campbell's evidence from The 2010 CFIUS panel. Ultimately BHO's CFIUS group unanimously approved the Uranium One sale and 20% reserves.

**From Q Post #1425 on 5/20/18:**

**TRUST the plan.**  
**Conspiracy NO MORE.**  
**We are in full control.**

The critical testimony given by Campbell will assist the efforts by the DOJ. Headquartered out of the Little Rock US Attorney's Office. Finally, a real grand jury has been empaneled for this criminal ongoing probe into the CF.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR REPUBLIC.**

**There is a reason why a sword is held.**

**Caputo, Michael**

## **“Plants Need Water”—Enter Campaign Adviser Caputo**

Former low-level Trump Campaign Communications Adviser Michael Caputo has recently garnered much attention. Caputo was a communication consultant to the 2016 Trump campaign staff focused on the New York region.

**From Q Post #1829 on 8/9/18:**

**What if those ‘placed’ are being investigated by BM?**

A suspicious meeting was held in late Spring of 2016 with Caputo, Roger Stone and Rick Gates. This get-together has caught prosecutor’s attention as it was in advance of the infamous DNC/Podesta ‘Hack’ (Seth Rich started downloading and began contact with Julian Assange and Wikileaks).

**From Q Post #1508 on 6/15/18:**

**Plants need water!**

Caputo and Stone have given testimony to Devin Nunes on the House Permanent Select Committee on Intelligence (HPSCI) both denying interactions with Henry Greenberg. In 2016 Greenberg was peddling claimed HRC ‘dirt/emails’ for a \$2 million cash fee.

**From Q Post #1944 on 8/28/18:**

**Given magnitude of spy campaign (U.S. Presidential Election Republican Party Nominee Candidate + President Elect + President of the United States) would HUSSEIN be required to DIRECT ORDER?**

Special Counsel (SC) Robert Mueller has also had Michael Caputo in for sworn testimony. The SC’s office has said Caputo is a witness not a target of his probe.

**From Q Post #972 on 3/28/18:**

**Intelligence A’s across the globe in partnership to spy on citizens?**

Caputo has been termed “Bill Clinton’s (BC) lackey” due to past employment. Michael went over to Russia from 1994-2000 at BC’s personal direction.

**From Q Post #2129 on 9/10/18:**

**FISA [FULL] BRINGS DOWN THE HOUSE [WH].**

Caputo was sent to ‘meddle’ in Russia’s upcoming election and did help

Boris Yeltsin win in 1996. Michael returned back home to start a political communications firm and worked with Dan Quayle, Jack Kemp, and Manafort.

**From Q Post #1745 on 7/28/18:**

### **HUSSEIN SPY CAMPAIGN TO RIG AN ELECTION**

Caputo was in the US Army Infantry and is a lifelong Buffalo sports fan. Caputo has been forced to move from NYC back to Buffalo due to high legal bills that have nearly bankrupted his family.

**From Q Post #1008 on 4/4/18:**

**Manafort was a plant.**

**Trace background.**

Michael appears on various cable news shows claiming he didn't lie to Congress and he is not a Russian provocateur. The coincidence factor of a Russian connected background keeps popping up for the former Trump adviser.

**From Q Post #1892 on 8/15/18:**

### **BLACK OPS AGAINST USA.**

In released text messages: Caputo to Stone "How crazy is the Russian?" and Stone to Caputo "Mr. Greenberg wants 'big' money." Time will tell which of these folks were part of the ObamaGate cover-up or Trump's MAGA clean-up.

**Carlin, John**

## **Who is John Carlin? Did He "Doctor" Any Carter Page FISA's?**

John Carlin was the former Assistant Attorney General for the National Security Division of the Justice Department. Carlin resigned from Justice on 10/15/16 the day after he signed off on the FISA 2016 annual review report.

**From Q Post #2645 on 1/5/19:**

**WE WILL NOT GO SILENT INTO THE NIGHT.  
EO ACTIVE.**

This time period is when the second Carter Page FISA application was approved by the FISC. It is believed that Carlin had his fingerprints on the very first Carter Page FISA that was denied in the summer of 2016.

**From Q Post #2129 on 9/10/18:**

**THE US GOVERNMENT, UNDER HUSSEIN, KNOWINGLY,  
PRESENTED FALSE EVIDENCE TO FISC IN AN EFFORT  
TO OBTAIN 'LEGAL' US INTELLIGENCE 'UMBRELLA'  
SURV OF POTUS [IDEN TARGET] FOR THE SOLE  
PURPOSE OF INFLUENCING THE 2016 ELECTION OF THE  
PRESIDENCY**

Per John Solomon, FBI/DOJ email chains indicate that the Carter Page FISA warrants may have been altered/doctored. This would ease the liability of some FISA signers but leads to more criminality within the DOJ/FBI.

**From Q Post #2248 on 9/21/18:**

**RATS RUNNING?  
THE WORLD WILL KNOW.  
ANONS KNEW.**

Inquiring minds now want to know: Did John Carlin 'doctor' or alter any of the Carter Page FISA warrants? These highly illegal actions normally need directions given from a senior level authority figure.

**From Q Post #2069 on 9/3/18:**

**DEPARTMENT OF "JUSTICE"**

We are waiting for confirmation on who within the DOJ/FBI signed Page's October FISA application. Carlin had the authority to modify/adjust the Carter Page FISA Title-1 warrant.

**From Q Post #1316 on 5/14/18:**

**John Carlin, Assistant Attorney General – Head of DOJ's  
National Security Division - FIRED/FORCE**

ObamaGate/SpyGate plans were coordinated through the National Security departments of both the DOJ and FBI. It was deliberately organized in this fashion due to Sally Yates not allowing OIG oversight by Michael Horowitz.

**From Q Post #1828 on 8/9/18:**

**[DOJ][LL][SY][BO-CS(UK)][DL][PS][DL][JC][MM][RB]]←  
————→[BC]\***

John Carlin was responsible for writing and pre-approving most FISA applications. Carlin also oversaw prosecutions of espionage cases, domestic terror cases, oversight of NSA surveillance and representing the US Government in front of the FISA Court.

**From Q Post #1147 on 4/15/18:**

**SC/LL deal drop.  
Tarmac.**

Thanks to Admiral Rogers forced review of prior NSA access abuses by outside contractors (Fusion/CrowdStrike), hard questions were now being directed toward the DOJ. One of John Carlin's duties was the approval of raw data 702 'about Queries' for upstream data captures of select targeted subjects.

**From Q Post #1556 on 6/18/18:**

**Bridge LL and HRC.

Carlin has also been connected to the entire 'Tarmac' episode. John helped with the [LL] talking points and worked with FBI's, James Rybicki, with the official joint media statements.

**From Q Post #1720 on 7/27/18:**

**When does a bird sign?**

Lisa Page's closed-door testimony confirms that John Carlin was kept in the Trump Russia loop. Carlin was regularly updated personally by FBI Andy McCabe.

**From Q Post #1148 on 4/15/18:**

According to our guy Joe diGenova, "Nobody in a Senior Department post

resigns 3 weeks before an election, when you think HRC is going to win.” Inquiring minds also want to look back upon the very first FISA against Carter Page that was miraculously turned down by the FISC.

**From Q Post #3181 on 3/25/19:**

**Clapper, James**

## **Deep State's Point Man—James ‘The Hammer’ Clapper**

History books will show that former Director of National Intelligence (DNI) James Clapper was a key figure in ObamaGate. DNI Clapper was the Deep State's point person that coordinated surveillance against BHO's enemies.

**From Q Post #1828 on 8/9/18:**

**[SPY OP].**

**[DNI] [JC].**

James Clapper [JC] previously held the same job as Mike Flynn, as Director of the Defense Intelligence Agency and was a Lt. General in the Air Force. BHO made Clapper the fourth Director DNI in 2010 through the end of BHO's second term.

**From Q Post #1164 on 4/16/18:**

**Hussein HRC LL Brennan Clapper NAT SEC WH SIT RM OP  
UK AUS assist/set up.**

The DNI oversees all 17 intelligence agencies within the US government. BHO ordered Clapper to prepare an Intelligence Community Assessment (ICA) over suspected Russian 2016 Presidential campaign interference.

**From Q Post #1708 on 7/25/18:**

**Co-sponsor insurance policy re: POTUS election.  
Clapper.**

Clapper's tenure was marred by Edward Snowden's 2013 theft of NSA files. In March 2013, ironically just a few months prior to Snowden, Clapper gave his infamous 'Big Lie' to Congress.

**From Q Post #2129 on 9/10/18:**

**DIR BRENNAN DIR CLAPPER W/ PDB REGULAR UPDATES  
+ LIVE STREAMING.**

Clapper testified to Senator Ron Wyden about the 'Prism' surveillance data collection programs against millions of Americans replying "No sir, not wittingly." This was the 'Big Lie' that Clapper escaped any accountability.

**From Q Post #559 on 1/19/18:**

**Who used private email addresses?  
JC.**

Clapper was noted for the vast expansion of SCIFs as he knew all about

‘The Hammer’ and other mass surveillance programs. The Hammer was publicly highlighted by whistleblower Dennis Montgomery and it involved the tapping all cell phones by the CIA/NSA.

**From Q Post #2662 on 1/6/19:**

**“The treachery revealed by Comey, Clapper and Brennan requires accountability.”**

HAMR or The Hammer was a secret supercomputer surveillance system used by the CIA/NSA. HAMR was applied against 17 different Trump businesses as well as many judges/news media/and Congressional members.

**From Q Post #2657 on 1/6/19:**

**C\_A ‘illegal’ SURV > members of Congress?**

**C\_A ‘illegal’ SURV > members of the Press?**

Bear in mind this mass surveillance happened a few years before Trump even declared his candidacy. James Rosen/FOX and Sharyl Attkisson/CBS were media directly spied upon by BHO.

**From Q Post #1877 on 8/14/18:**

**You are under constant tracking/surveillance.**

WikiLeaks confirmed Montgomery’s claims in the 2017 ‘Vault 7’ dump about CIA hacking tools and The Hammer. Other CIA hacking tools like ‘false fingerprints’ on computer intrusions come into play with the ObamaGate/SpyGate scandals being revealed.

**From Q Post #1764 on 7/30/18:**

**WH visitor logs: NO NAME/BRENNAN/CLAPPER/RICE . . .**

Clapper on Snowden “He saw deceiving the American people as what he does as his job, as something completely ordinary.” That appears to be a text book example of projection or old school saying of the pot calling the kettle black.

# **Clinton Foundation Whistleblowers**

## **Rarer Than Unicorns—A Clinton Foundation Whistleblower**

For the last several decades no one has dared to testify against the Clinton Cabal. Finally, as their grip on power diminishes, a few brave whistleblowers have begun to emerge.

**From Q Post #2560 on 12/6/18:**

**Why is “The Clinton Foundation” back in the news?**

Rep. Mark Meadows held a Congressional hearing on 12/13/18 in regards to oversight of non-profit organizations. This sub-committee’s titled event is called “A Case Study on the Clinton Foundation” (CF).

**From Q Post #48 on 11/2/17:**

**What is Q Clearance?**

**Who would have the goods on U1?**

Andrew Kessel joined the CF in 2004 as the Chief Financial Officer (CFO). Kessel previously worked at Kidder Peabody and Barclays. Andrew is also a graduate of the Wharton School of Business just like our great POTUS.

**From Q Post #89 on 11/5/17:**

**FBI/MI currently have open investigation into the CF.**

Price Waterhouse Coopers is the accounting firm of record for the CF. They, along with Kessel, signed all of the annual federal tax statements for the global charity.

**From Q Post #2725 on 2/14/19:**

**Chatter - Bill and Hillary’s ‘public’ health will begin to rapidly deteriorate.**

Federal charity law often carries harsher civil and criminal penalties than does normal U.S. corporate regulations. The final untangling of the den of corruption will be a massive endeavor.

**From Q Post #2578 on 12/10/18:**

**[post OIG WB status + docs handover protocols]**

The CF had additionally hired outside independent experts to do periodic reviews for compliance purposes. Highlighted in supplemental reports was systemic co-mingling of funds and non-disclosure of foreign donors.

**From Q Post #1876 on 8/14/18:**

**Coord w/ AID ORGS for [illegal] plans?**

The MDA Analytics filed comprehensive whistleblower reports in 2017 with both the FBI and IRS. Performed at their own expense, MDA hopes to collect a commission 'bounty' on any past IRS tax funds reclaimed.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

MDA selects only large charities as they are paid based upon their whistleblower's success. In the forensic accounting industry, they are known commonly as "Financial Bounty Hunters."

**From Q Post #2562 on 12/7/18:**

**Why 'all of a sudden' are people talking about the CLINTON FOUNDATION (including whistleblowers and hidden company established to investigate covertly (ex\_ABCs))?**

CFO Kessel is one of the several CF whistleblowers working with MDA. This organization has already turned over 6,000 pages of evidence and IG Horowitz has access to these records.

**From Q Post #2578 on 12/10/18:**

**The moment your name went 'live' there was no other choice  
Keep the faith, Patriot.**

In a public sideshow, the FBI raided the home of another CF whistleblower to seize evidence. Nathan Cain had already given testimony and turned over his information to IG Horowitz.

**From Q Post #2552 on 12/5/18:**

**PANIC IN DC.  
THE CLINTON FOUNDATION.**

MDA is a collection of former Federal prosecutors, investigators and accounting experts working on behalf of these brave CF whistleblowers. Patriot, Charles Ortell has been working hard to expose the charity fraud at the CF.

**From Q Post #1345 on 5/12/18:**

**U1 [donations to CF].**

The 'Pay to Play' element is the core backbone of the criminal charity known as the CF. Foundation Directors included Cheryl Mills while she was HRC's Chief of Staff at the U.S. State Department.

**From Q Post #1868 on 8/14/18:**

**Do not link to [CF].**

**[CF] docs kept in NYC>>UT.**

The stench of guaranteed “quid-pro-quo” deals abounded at the CF. Recall that the Clinton Global Initiative (CGI) was shut down due to lack of funds just prior to President Trump taking office.

**From Q Post #524 on 1/13/18:**

**FOLLOW THE MONEY.**

**FOCUS on the loudest voices in WASH.**

Since the 2016 election, the contributions flowing into the CF have stopped due to the lack of political influence. With losing political power, came the end of Pay to Play, the big-league money and the fear of ‘Arkancide’ to any possible whistleblowers.

**From Q Post #259 on 12/4/17:**

**Funds raised vs distributed?**

**7/10 plane crashes are targeted kills.**

Frank Giustra and the Uranium One deal is the poster child that exemplifies this personal enrichment scheme by the Clintons. Giustra coordinated with Cheryl Mills and Huma Abedin from the State Department, as well as with Doug Band at the CF, directing over \$145 million into the Clinton Foundation.

**From Q Post #3036 on 3/12/19 ((in part):**

**Do UNICORNS exist?**

Claims of uncontrollable personal expenses by both BC and HRC are combined with the cost of Chelsea’s wedding as examples of criminality. Co-mingling of funds and use of charity donations for personal expenses are major crimes.

**From Q Post #2876 on 2/22/19:**

**CLINTON PANIC.**

**CLINTON FEAR.**

**JUDGEMENT DAY COMING.**

BC told reporters recently that all of the accounting woes of the CF can be blamed on the accountant. Ever so quickly to shift the blame, BC said “The guy that filled out the forms made an error.”

**From Q Post #1306 4/30/18:**

**Where did the U1 material end up?**

# **Clinton Mob**

## **“Clinton Mob”—Teams of Enforcers, Spies and Lawyers**

To run any successful enterprise, one needs an integrated staff of professionals that operates seamlessly together. If you are dealing with a criminal business, then caution and coordination becomes absolutely paramount.

**From Q Post #570 on 1/21/18:**

**THEY NEVER THOUGHT SHE WOULD LOSE.**

The old “Clinton 3-Step” relies on the following defensive actions:

- Use friendly MSM for Intimidation
- Defame and Attack the Attacker’s
- Oh That’s “Old News” Trick

**From Q Post #2698 on 2/12/19:**

**[Controlled by those that worked for the Clinton’s]**

**They have ZERO control now.**

Bill and Hillary have both long relied on these 3-step critical maneuvers to escape being legally trapped. BC didn’t get, but rather earned, his appropriate nickname of ‘Slick Willy.’

**From Q Post #261 on 12/4/17:**

**Since POTUS elected what changed w/CF?**

For decades the public has witnessed the illegal activities of the Clintons first hand beginning back with Whitewater through today with the HRC email scandals.

**From Q Post #2725 on 2/14/19:**

**Chatter - Bill & Hillary’s ‘public’ health will begin to rapidly deteriorate.**

Misdirection and transference was the standard operating procedure with both HRC and BC. The Clinton Foundation (CF) was a setup front and operated as a global criminal ‘pay to play’ enterprise.

**From Q Post #1960 on 8/28/18:**

**CrowdStrike managed the infiltration program based on payments to CF.**

Also, don't forget the looting of the White House due to the Clintons being broke. Clinton aide Eric Hothem spearheaded the theft of the people's property upon the Clinton's White House departure.

**From Q Post #2872 on 2/22/19:**

**Hillary Clinton & Foundation.  
Crime Against Children.**

Below is a partial list and brief recap:

- Larry Nichols: Self-confessed 'Hit Man' for the Clintons-admitted to murders.
- Harold Ickes: Lawyer/Mob Union ties and W/H Counsel to Bill. Also he started the Shadow Party w/Soros.
- Sid Blumenthal: Political Consultant and W/H Advisor to Bill. Sid "Vicious" is co-author of the 2nd Trump/Russia Dossier.
- Jack Palladino: Private Eye, admits HRC paid him to harass Kathleen Willey and did work for Harvey Weinstein in recent years.
- James Carville: Lead strategist for Bill's presidential campaigns as well as in 2008 for HRC's campaign.
- Cody Shearer: Brother-In-Law to Strobe Talbott and constant sidekick of Blumenthal. Co-author of the 2nd Dossier run through the State Dept.
- Anthony Pellicano: Private Eye hired exclusively to silence Bill's mistresses.
- Cheryl Mills: HRC's Chief of Staff and personal lawyer-a long list of cover-ups.
- Doug Band: W/H Advisor to Bill. Owned Tenno and started Clinton Global Initiative. Worked at the CF as the CEO.
- Marc Elias: Lawyer at Perkins Coie and served as General Counsel to both HRC and the DNC for several election cycles.
- David Kendall: The main personal lawyer for Bill and Hillary since 1993. He personally oversaw the sorting and deletions of HRC's emails.

**From Q Post #1345 on 5/12/18:**

**U1.**

**Risk the welfare of the world.**

BC/HRC figured out early on that to have a successful criminal organization you need crooked aides. This was demonstrated in the creation of a permanent "War Room."

**From Q Post #2878 on 2/22/19:**

## **CROOKED [[[HILLARY]]].**

The Clinton's have shown the ability to have any and all opposition silenced quickly (Arkancide). Very few, if any, whistleblowers have ever come out against the Clinton Mob.

**From Q Post #977 on 3/28/18:**

**HRC 2.12.09**

**Very BAD!**

Rarer than unicorns, CF whistleblowers appeared on December 13, 2018. The House Subcommittee on Government Operations is focused on the "Oversight of Nonprofit Organizations" a case study on the CF.

**From Q Post #2848 on 2/21/19:**

**Being a Clinton donor really pays off!**

The U.S. Attorney in Little Rock began the investigation of the CF under BHO. President Trump will make sure this vital job is properly wrapped up.

**From Q Post #3035 on 3/12/19:**

"THE CLINTON FOUNDATION"**

+++++

HRC and sidekick Huma had a highly publicized girls trip over to India. I believe Charles Ortel has reported that the taxpayers picked up \$25K in security related extra expenses.

**From Q Post #2848 on 2/21/19:**

**Being a Clinton donor really pays off!**

HRC did her tripping and falling side-show routine around India to remind us all of her questionable "ill health card." As with all Clinton schemes pre-insurance safeguard policies are put into place.

**From Q Post #1286 on 4/27/18:**

**More than you can imagine.  
re: HRC insurance [win]**

WikiLeaks dropped Skippy Podesta's email exchange with Neera Tanden that stated they gave Bernie a pass on the age question. The decision not to

attack Bernie's age was to limit blow back against HRC's own age and mysterious health issues.

**From Q Post #71 on 11/4/17:**

**Who connects HRC/CF to SA?**

HRC has shown public displays of sudden memory loss, balance issues, props like script glasses, confusion over facts, and general timelines. These diversionary tools are often used as escape mechanism tricks by HRC.

**From Q Post #14 on 10/31/17:**

**Was HRC next in line?**

**Was the election supposed to be rigged.**

Hillary's inner circle was on a constant vigil in regards to sudden changes in her health. Aides had a special ambulance transport van and a triage medical tent always with the entourage assembly.

**From Q Post #2636 on 12/20/18:**

**ALICE & MAD HATTER.**

We all remember back to the Benghazi hearings when HRC was forced to wear those fancy prescription eyeglasses. Her 9/11 fainting/collapse episode will go down in history as maybe a performance.

**From Q Post #71 on 11/4/17:**

**What happened when HRC lost the election of 2016?**

**Loss of access/power/control.**

That special eyewear donned by Hillary is issued to victims of traumatic brain concussion. The glasses help to assist the victim with balance and double vision.

**From Q Post #2912 on 3/1/19:**

**Carpet bombs are ok.**

**Tactical nukes are better.**

These glasses also doubled as a glaring stage prop by HRC. QAnon asks "What makes a movie Good? GREAT actors?"

**From Q Post #2885 on 2/24/19:**

**They NEVER thought Crooked Hillary would lose.**

FBI officials Peter Strzok and Randy Coleman witnessed HRC's sudden extreme memory loss in their July 2016 interview of HRC. HRC claimed several dozen times "I can't recall" and "I don't remember" in answers to basic general questions asked by counterintelligence agents Strzok and

Coleman.

**From Q Post #2876 on 2/22/19:**

**CLINTON PANIC.**

**CLINTON FEAR.**

**JUDGEMENT DAY COMING.**

As the walls come tumbling down for HRC and other ObamaGate conspirators, watch for legal defense maneuvers. No Name attempted the worn-out cancer ploy with no success whatsoever.

**From Q Post #1086 on 4/8/18:**

**No name panic.**

**Health cover.**

Can't wait to see how they handle the results from the upcoming FISA DECLAS and Unsealing's-BOOM!

**From Q Post #2878 on 2/22/19:**

**CROOKED [[[HILLARY]]].**

## **ObamaGate—Criminals Performing more like Acrobats than Clowns**

**“Clowns to the left of me, Jokers to the right.....”**

To pull off the complicated elements of successful ‘sting/entrapment’ operation, you need professionally trained co-conspirators. A seamless choreographic production is always applauded and accepted by its intended audience/victims.

**Abandon SHIP!**

**Hussein staff talking.**

BHO’s administration systematically maneuvered various U.S. governmental agencies into illegal weaponized departments. The unfolding ObamaGate/SpyGate scandals are confirming this plot against POTUS.

**From Q Post #2504 on 11/29/18:**

**A picture is worth many sentences.**

ObamaGate/SpyGate is a collection of operations focusing on clearing HRC and then stopping candidate Trump. Several intelligence and law enforcement agencies deliberately interfered in the 2016 Presidential election campaign.

**From Q Post #2727 on 2/15/19:**

**In the past, what was the punishment re: a TRAITOR?**

**Coincidence?**

All you have to do is just look back at the many macerations and contortions

required to fully exonerate HRC/Aides. Rules and regulations were bent just like the famed ultra-flexible toy Gumby.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

Highlights include bizarre immunity deals, limited scopes of inquiry, destroying laptops, unauthorized transmission of classified documents, obstruction of justice (BleachBit), etc. Contortion artists would have a difficult time trying to keep us with this crowd.

**From Q Post #1807 on 8/3/19:**

**BIGGEST COVER UP IN US HISTORY [ATTEMPTED].**

‘Operation Crossfire Hurricane’ was an award-winning performance by all involved. Featuring fake Dossiers, FISC misrepresentations, unlawful surveillance, illegal unmasking, international (FVEY) spying cooperation, planted moles/intelligence assets, entrapment meetings and much more.

**From Q Post #466 on 1/5/18:**

**Think GAME.

**Cohen-Watnick, Ezra**

## **QAnon says “Important to Remember”—Ezra Cohen-Watnick**

The one key governmental body that is not corrupt is the U.S. Military/Military Intelligence (MI). President Trump now gets his own MI conduit (spy) directly into the Department of Justice.

**From Q Post #2462 on 11/9/18:**

**Who was assigned directly to SESSIONS by POTUS?**

**Mandate charged to Ezra Cohen-Watnick [Defense Intelligence]?**

**NAT SEC ADVISOR TO SESSIONS [Counterintelligence and Counterterrorism]?**

Ezra Cohen-Watnick (ECW) is the National Security Adviser to the U.S. Attorney General. Ezra reports now to AG Barr after first assisting Jeff Sessions and then Matt Whitaker.

**From Q Post #1539 on 6/18/18:**

**Important to remember.**

One of Ezra's primary tasks was to stop the unprecedented amount of MSM leaks. Ezra's unique security clearance level also allows unrestricted probing.

**From Q Post #11 on 10/28/18:**

**Key:**

**Military Intelligence v FBI CIA NSA**

ECW began at the Defense Intelligence Agency as an analyst under General Mike Flynn. Ezra was a rising star and became Flynn's trusted protégée.

**From Q Post #2888 on 2/25/19:**

**DARK to LIGHT.**

**These people are sick!**

ECW was part of Flynn's inner-circle known in intelligence circles as the 'FlynnStones.' This original core of Patriots are performing heroic deeds currently on behalf of our country.

**From Q Post #386 on 12/19/17:**

**PATRIOT of the highest caliber.**

Cohen-Watnick has received the highest level of top-secret security clearance ("Q" Level). ECW has often been termed as young, brash, and very ambitious.

**From Q Post #1125 on 4/11/18:**

**What was just released to Nunes?**

Appointed originally under BHO, ECW was assigned to General Mike Flynn in the Defense Intelligence Agency. Ezra was one of the high-level carryovers into President Trump's new administration.

**From Q Post #2462 on 11/9/18:**

**Who briefed Goodlatte & Gowdy on classified intel re: DOJ & FBI?**

“ — — ”

Hint: (Ezra Cohen-Watnick)

Ezra personally did many of the daily intelligence briefings during President Elect Trump's transition period. ECW has the full support from both POTUS and of course General Flynn/FlynnStones.

**From Q Post #1661 on 7/1/18:**

**Think stages.**

**What role can MIL INTEL play?**

**BANG!**

Under NSA Director Flynn, Ezra was made part of the National Security Council. ECW along with several other NSC members were later dismissed by the new NSA General McMaster.

**From Q Post #2494 on 11/20/18:**

**Nothing can stop what is coming.**

**Nothing.**

Ezra's gets a White Hat Award for tipping off President Trump and Devin Nunes to the past mass surveillance/unmasking. POTUS has everything but Ezra brought Devin into the 'read-in' aspect of the 'plan' (like Sean Hannity/Sara Carter/John Soloman).

**From Q Post #2057 on 9/2/18:**

**Ezra Cohen-Watnick.**

**BRIDGE connecting people.**

On March 21, 2017 the infamous Nunes presser was held in front of the White House. Devin had looked at BHO's Presidential Daily Briefings (PDB) with Ezra in the White House SCIF.

**From Q Post #1892 on 8/15/18:**

**BLACK OPS AGAINST USA.**

## **TRAITORS ALL.**

QAnon has said Ezra would later brief both Gowdy and Goodlatte on the discovered intelligence. Operation Latitude was the PDB dissemination of unmasking and fake Dossier material.

**From Q Post #2454 on 11/7/18:**

**Ezra Cohen-Warnick.**

Devin Nunes found items like unmasked names, opposition research from Steele, FISA Title-I warrants, illegally gained NSA 702 Queries, and improperly obtained raw intelligence in umbrella HOPS coverage.

**From Q Post #1126 on 4/11/18:**

**Ezra re-emerges at Justice Dept.**

POTUS has ordered Ezra to be located at Attorney General's right hand at Justice. Ezra had made a civilian stop at Oracle between his government gigs in DC.

**From Q Post #2462 on 11/9/18:**

**Mandate charged to Ezra Cohen-Watnick [Defense Intelligence]?**

QAnon has repeatedly pointed toward Ezra as playing important roles for POTUS. Thankfully we have a proven Patriot at the right place and time, to help with this coming justice phase.

**From Q Post #2159 on 9/11/18:**

**We Will Never FORGET.**

**We Will Never FORGIVE.**

**Cohen, Jared**

## **Earned his own “Q” Drop—Meet Google’s Jared Cohen**

Jared Cohen went from HRC’s U.S. State Department, Policy and Planning directly to Eric Schmidt’s Google in 2010. This poaching of high-level Clinton staffers would be repeated again by Schmidt with Eric Braverman in 2016.

**From Q Post #2375 on 10/8/18:**

**Court order to preserve ALL data sent to GOOG?**

**Think GOOG+ / Gmail / etc.**

**Comms cleanup?**

**The More You Know...**

Cohen additionally serves as an Adjunct Senior Fellow at the CFR. Jared has co-authored a book with Schmidt using the snappy title: *The New Digital Age: Reshaping the Future of People, Nations and Businesses*.

**From Q Post #839 on 3/4/18:**

**Do you trust Google?**

When Cohen arrived at Google he was put in charge of the new Google Ideas division. Google Ideas primary focus was on emerging technologies that will make the future a better place for all.

**From Q Post #964 on 3/28/18:**

**GOOG coming soon.**

**TIDAL WAVE INCOMING.**

Progressive Communist Leftist agendas are combined with modern technology to improve the entire planet. These agendas are being done ‘lock step’ following the original community organizer Saul Alinsky’s grand vision.

**From Q Post #2880 on 2/22/19:**

**(ELIMINATION OF FREE SPEECH TO PREVENT LOSS OF CONTROL)**

In late 2015, Schmidt created a new company called Groundwork. Groundwork heavily assisted the 2016 HRC campaign with digital databases and targeting social media platforms.

**From Q Post #2375 on 10/8/18:**

**Think GOOG+ / Gmail / etc.**

## **Comms Cleanup?**

Julian Assange highlighted, in leaked WikiLeaks emails, that Google's Schmidt and Jared Cohen were assisting HRC's 2016 election campaign efforts. This was not startling news to anyone that had observed the actions by Google.

**From Q Post #428 on 12/22/17:**

**Clown contribution in exchange for access code?  
Google Home?**

Cohen turned Google Ideas into a new company called Jigsaw. Jigsaw focused on developing interesting software to be used by various intelligence agencies around the globe.

**From Q Post #560 on 1/19/18:**

**Private emails: GOOG: NK: Tesla.**

One huge Jigsaw design was a mapping tool used to track dissidents and defectors in civil war conflicts. This computer program could easily be switched from military to civilian use.

**From Q Post #2587 on 12/11/18:**

**What if GOOG already gave access to China?**

A chilling concept when possibly applied to an entire general civilian population. Google has been working with North Korea and China in developing advanced internet tracking censorship programs.

**From Q Post #1947 on 8/28/18:**

**DEFEND GOOG AT ALL COSTS.  
GOOG TO BE REGULATED.**

The Jigsaw program was put to work against Syrian President Bashar al-Assad in an effort to overthrow him. The Google Home is even a more invasive domestic consumer home voice-activated speaker using the Google Assistant platform.

**From Q Post #1024 on 4/4/18:**

**Jared Cohen.  
Coming soon to a theater near you.**

When you look at the number of people associated with both Google and the Clinton Foundation, it is alarming. Through past connections, you get 60 total people involved with both organizations.

**From Q Post #2588 on 12/11/18:**

## **GOOG (upcoming) financial statements should receive extra scrutiny [10-Q].**

### **Follow the money.**

The 'Spider Web' is messy and tangled to be sure. POTUS and the White Hats are starting to drain the DC Swamp and MAGA

**From Q Post #3168 on 3/23/19:**

### **Nobody walks away from this.**

**Cohn, Roy**

## **POTUS's Influential Mentor—Meet Roy Cohn**

Starting back with the ancient Greeks, the mentoring of the young was encouraged civilization wide. Lucky were those individuals that were educated and mentored by elders.

**From Q Post #1145 on 4/13/18:**

**Trust POTUS.**

Donald Trump was extremely fortunate to have a mentor relationship with Roy Cohn beginning back in 1973. Cohn was an established New York power broker as well as a famed MOB lawyer.

**From Q Post #14 on 10/31/17:**

**What must occur to allow for civilian trials?**

Roy Cohn has famously been involved with both the Rosenberg's trial/execution with the McCarthy hearings of the 1950's. Cohn was Chief Counsel to Senator Joe McCarthy during the communism scare and public hearings.

**From Q Post #1831 on 8/10/18:**

**Does POTUS make statements that are false?**

President Trump admits that Roy planted the seeds back in 1984 and that was the first time he considered entering into presidential politics. Don't forget the time Donald Trump sued the NFL over the new USFL and eventually won a \$1.00 court judgement.

**From Q Post #2565 on 12/7/18:**

**Q 0 = Q+**

Roy helped Donald as his personal lawyer with many very successful large real estate development ventures. Cohn helped to guide the young Trump through the treacherous corporate construction world.

**From Q Post #1235 on 4/21/18:**

**America for sale.**

**Betrayal.**

**Treason.**

Cohn cemented his three pillars of success into Donald's inner being. The pillars begin to always attack, then counterattack, and never ever apologize. Roy's death from HIV/Aids has always been in question by friends.

**From Q Post #2333 on 10/4/18:**

## **Nothing to See Here.....**

Characteristics like hitting your attacker back ten times harder and to win at all costs were core values instilled by Cohn into the young Trump. You can observe characteristics of “The Art of War” laced into the philosophy of POTUS.

**From Q Post #1377 on 5/15/18:**

**Do you trust POTUS?**

Roy Cohn’s careful grooming and mentoring has had a big-league influence on Donald Trump. It can be said with the luxury of hindsight that Cohn was modern day ‘king maker’ reflected in his protege’s rise to the Presidency.

**From Q Post #14 on 10/31/17:**

**How is POTUS always 5-steps ahead?**

**Coleman, Randy**

## **FBI Scribe and Matchmaker—meet Randy Coleman**

Randy Coleman was the FBI's Director of Counterintelligence (CI) and was a notable scribe when it came to taking notes. Randy recommended Strzok to run the HRC probe and to have Lisa Page be the liaison with Andy McCabe.

**From Q Post #2697 on 2/12/19:**

**Randy Coleman - Assistant Director Counterintelligence Div -  
REMOVED**

**Coleman Authored:  
Hillary Clinton and Foundation  
Crime Against Children**

Coleman was Peter Strzok's boss prior to Bill Priestap taking over in December 2016. Randy conveniently set up Lisa Page to work closely with Peter as they performed their make-believe love affair.

**From Q Post #2365 on 10/7/18:**

**[Pg 294]**

**[Meeting between Comey and Coleman on October 4]**

**-Crime Against Children+++**

IG Horowitz's 1.0 report outlined on page 294 some of Coleman's notes from a 10/4/16 meeting. Randy made a presentation at a briefing for Comey on the discovered Weiner laptop data.

**From Q Post #1180 on 8/19/18:**

**“Insurance File.”**

According to Coleman's document notes, Weiner's laptop contained not only hundreds of thousands of emails but disturbing material. Randy would record evidence that exists in Weiner's records for “Crime Against Children.”

**From Q Post #1978 on 8/29/18:**

**How might this OPEN THE DOOR to [Weiner] / [Huma] /  
[HRC]?**

Of odd note was the apparent speed at which the FBI reviewed over 600,000 emails. Comey would later comment this extraordinary pace was “Thanks to the wizardry of our technology (BS).”

**From Q Post #1364 on 5/14/18:**

**Who knows where the bodies are buried?**

**Rudy.**

Most of the emails were between Huma and HRC involving work. Besides the numerous classified/top secret emails were Special Access Programs (SAP) emails.

**From Q Post #1807 on 8/3/18:**

**Randy Coleman?**

**BIGGEST COVER UP IN US HISTORY [ATTEMPTED].**

No agent on the investigation team or their immediate FBI supervisors had clearances to touch any SAP. The originator agencies have the final say and to this day have refused permission on several SAP emails.

**From Q Post #1371 on 5/15/18:**

**Did they view the Insurance file?**

Remember that Comey and Andy McCabe would 'sit on' this information for one month. It would not be until days before the 2016 election that Comey would reopen the HRC probe.

**From Q Post #1978 on 8/29/18:**

**WHY WAS THE INFORMATION ON WEINER'S LAPTOP IN THE FIRST PLACE?**

Convicted sex offender Anthony Weiner and ex-wife Huma Abedin had a computer folder marked 'Insurance File.' Eric Prince has said publicly that sickening material was discovered by NYPD/FBI in that particular file.

**From Q Post #1520 on 6/17/18:**

**Do you believe in coincidences?**

**Have faith.**

Coleman is currently the Chief Security Officer at Caterpillar. Randy was friends and worked at the FBI with Shawn Henry the COO of CrowdStrike.

**From Q Post #2692 on 2/12/19:**

**Re\_read drops re: 'Midyear'.**

**OIG.....and review graphics.**

Coleman left just prior to POTUS taking office and is a part of the cleaned out corrupt 7th Floor. 2019 will be the year of justice and the Great Awakening!

**Combetta, Paul**

## **BleachBit Promoter and Reddit Fame Fag—Meet Paul Combetta**

Both Reddit and BleachBit can be thankful to Platte River Network's IT Tech Paul Combetta. Paul gave both big league huge national media exposure during his Congressional testimony.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

Combetta made several requests to the Anons via Reddit for technical computer program information. Paul requested programs dealing with both email stripping tools as well as total data deletion computer software.

**From Q Post #2076 on 9/4/18:**

**Pages 33 and 34.  
The More You Know.....**

Paul gets credit for making BleachBit a common household name. Combetta indirectly has coined both terms of "Oh Shit Guy" and "A Very VIP." Not often does one person claim credit in starting several catchy national phrases.

**From Q Post #1220 on 4/21/18:**

**Clinton Foundation conflicts of interest.**

This of course led to a lot of folks discovering what the heck exactly was BleachBit. Additionally, it brought Reddit back into the MSM notoriety like that of FBIAnon and the Silk Road days.

**From Q Post #1842 on 8/11/18:**

**Do you believe in coincidences?  
We have the source.**

Paul Combetta got into legal hot water when he deliberately deleted all of HRC's emails and electronic data. Paul oversaw the host server that Platte River Networks operates for HRC's backups.

**From Q Post #1223 on 4/21/18:**

**Think private email addresses.  
They think they are clever.**

This deletion came while PRN had received from Congress both subpoenas for the all data and an extra preservation order for all technical records and

history of all system backups.

**From Q Post #559 on 1/19/18:**

**Nothing is ever truly erased/deleted.**

Fortuitously, Combetta received an immunity deal from James Comey for his apparent crimes. Comey leapt to the rescue to bail out HRC and her staffers.

**From Q Post #453 on 12/23/17:**

**(including her 33,000 illegally deleted emails)**

decode: HRC emails were under a Congressional subpoena and all data was included in a preservation order not to be deleted or erased.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR REPUBLIC.**

**There is a reason why a sword is held.**

Horowitz's 2.0 report will focus in on the FISA abuses by underlings of BHO/HRC. Watch for Combetta/Mills/Samuels/Bentel/and Pagliano to seek future cooperation deals with Horowitz/Huber.

**From Q Post #1975 on 8/28/18:**

**What are the odds that the FBI and DOJ are right on top of this?**

**Comey, James**

## **Goodies Found in ‘Leakin’ ‘Lying’ James Comey’s FBI Office Safe**

There are ongoing DOJ investigation looking into ‘Leakin’ James Comey [JC]. Comey’s leaking of his infamous classified personal ‘memos’ and lying to Congress/IG Horowitz are just a few of his many crimes being publicly exposed.

**From Q Post #1828 on 8/9/18:**

**[SPY OP]**

**[DNI] [JC]**

‘Leakin’ James is a tall strange dude that has displayed recent questionable memory issues while giving sworn testimony. IG Horowitz and SP Huber will see what other criminal baggage resides in James Comey’s dark closet.

**From Q Post #1981 on 8/28/18:**

**What if access to the server(s) was deliberate?**

Since being fired, some interesting items have been found in Comey’s FBI office safe. Of huge interest is a white binder simply labeled ‘Clinton Emails.’

**From Q Post #2805 on 2/18/19:**

**Drop put you on notice?**

**Traitor’s Justice.**

Fired FBI Director [JC] has admitted to sitting on critical evidence during ongoing probes. Exemplified by the one-month delay in reviewing many classified emails found on Weiner/Abedin’s laptop.

**From Q Post #1912 on 8/16/18:**

**Will you stand tall or cower?**

**Smile for the camera.**

**Patriots in control.**

As new FBI Director Wray cleans out the remnants of the 7th Floor, let’s look back at some infamous James Comey historical FBI lowlights:

- HRC Exhortation-Mid Year Exam.
- Comey had a private non-Gov email.
- Weiner/Abedin Laptop-held 1 month.
- HRC Foreign (China) Server Intrusion.
- Told Rep. Stefanik he didn’t notify Congress about Trump

Investigation.

- Admitted under oath to ‘Leaking.’
- Routinely slow-walked Congressional requests for documents and actions.
- Ignored NSA Berger’s Archive Theft.
- Removal/Distribution of the Classified Comey-Trump Presidential Memos.
- Killed the Assange Immunity Deal.
- Montgomery Whistleblower Case.

Dennis Montgomery was an intelligence contractor with CIA and NSA. Dennis was tasked with developing new computer programs and accompanying software related to mass surveillance collection.

**From Q Post #2165 on 9/12/18:**

**How do you inflict MAX PAIN / DAMAGE?  
... drop/release MOAB?**

Dennis copied over 600 million classified files onto 47 hard drives in 2015. Montgomery went the internal government ‘Whistleblower’ route in an effort to expose NSA/CIA wrongdoing.

**From Q Post #2323 10/3/18:**

**Did James Baker just testify behind closed doors [RR] & [JC]  
coordinate to appoint Mueller?**

Montgomery made the mistake (unlike Snowden) of going to the FBI with this evidence of illegal domestic data collection. When it appeared that the FBI might turn on him, Dennis made the difficult choice of going public.

**From Q Post #2148 on 9/10/18:**

**WE WILL NEVER FORGET!  
WE WILL NEVER FORGIVE!**

Dennis sought immunity from the DOJ under Federal Whistleblower status. He was later granted immunity by AUSA Deborah Curtis for testimony and gave up the stolen hard drives.

**From Q Post #2112 on 9/7/18:**

**“Sleeper Cells”**

Comey and Mueller exonerated National Security Advisor (NSA) Sandy Berger after he stole National Archive documents. Older tales, but they still demonstrate Comey’s sorted history and pressure tactics employed.

**From Q Post #10 on 10/29/17:**

**Remember, the FBI, and MI, have an open investigation into the CF. Why did Comey drop this?**

Decode: CF = Clinton Foundation.

One classic drop was about JC's use through Twitter of secret code words.

**From Q Post #645 on 1/29/18:**

**JC Tweet Translation:**

Issues exist with Strzok ignoring foreign intrusion (China) evidence within HRC's metadata. Comey sat on the Weiner/Abedin laptop classified emails until just days before the 2016 general election.

**From Q Post #2365 on 10/7/18:**

**[Pg 294]**

**[Meeting between Comey and Coleman on October 4]**

IG Horowitz's 1.0 report reignited the Weiner 'Insurance File' emails/sex crimes against children issues. Additionally, the Clinton Foundation's 'pay to play' schemes are under current ongoing grand jury federal investigations.

Horowitz 2.0 is forthcoming as is the total FISA/DECLAS. The grand finale everyone is waiting for are SP Huber's indictments to be unsealed publicly.

**From Q Post #2156 on 9/11/18:**

**Panic in DC.**

**Comey in communication w/ McCabe re: 'testimony' 'story'?**

# **Committee on Foreign Investment (CFIUS)**

## **Trump's CFIUS Can Say NO—Under BHO/HRC “NO Problem”**

POTUS has vowed to tighten up all future Committee on Foreign Investment (CFIUS) requests. This certainly has not been the case under the reign of BHO.

**From Q Post #1306 on 4/30/18:**

**SUM OF ALL FEARS.**

The CFIUS board is tasked to safeguard critical resources like:

- Manufacturing
- Finance and Information
- Mining and Utilities
- Wholesale and Retail Trade

**From Q Post #1220 on 4/21/18:**

**Clinton Foundation conflicts of interest.**

Peter Schweizer's Clinton Cash was first to raise the alarm over the Clinton Foundation's (CF) large donations related to the Uranium One (U1) sale. Under BHO and HRC the CFIUS Board gave approval for the sale of U1 to the Russian government-owned Rosatom in 2013.

**From Q Post #1069 on 4/7/28:**

**America for sale.  
U1.**

Of odd timing, was the fact that Bill Clinton was paid \$500k for a speech by Renaissance Capital in Moscow. This pricey speech was a few months prior to the CFIUS final U1 vote.

**From Q Post #2643 on 1/5/19:**

**TRUTH & TRANSPARENCY IS THE ONLY WAY FORWARD**

Renaissance has direct ties to Putin and Russian FSB intelligence sources. The Russians paid Slick Willy 3 times his normal fee.

**From Q Post #2025 on 8/30/18:**

**“The whole world is watching.”**

The information from William Campbell, the FBI confidential informant, was directly told to FBI Director Mueller. The FBI was advised of the illegal

bribery and kickbacks occurring with the U1 deal.

**From Q Post #2876 on 2/22/19:**

**CLINTON PANIC.**

**CLINTON FEAR.**

**JUDGEMENT DAY COMING.**

The DOJ deliberately withheld the known crimes surrounding the U1 deal from the CFIUS panel. Campbell operated undercover for several years while reporting to the ‘deaf’ FBI.

**From Q Post #2576 on 12/10/18:**

**Those who ‘knowingly’ broke the law in a coordinated effort [treason] are the most vocal.**

CFIUS has a lot of power and sway in approvals and flexing its muscle on deals. Conversely panel members can deliberately ignore glaring warning signs.

**From Q Post #3168 on 3/23/19:**

**Nobody walks away from this.**

Only the POTUS can approve a sale, while CFIUS directs a recommendation to POTUS one way or the other. HRC and Mueller made sure of the final vote.

- BHO’s CFIUS Board:
- Hillary Clinton (State)
- Eric Holder (DOJ)
- Janet Napolitano (DHS)
- Tim Geithner (Treasury)
- Bob Gates (Defense)
- Penny Pritzker (Commerce)
- Steven Chu (Energy)
- John Holdren (Science/Technology)

BHO had his finger on the scales with the U1 sale as it helped his Russian Reset efforts. U1 greased the path for BHO’s signature Iranian Nuclear Deal.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.**

**THE WORLD IS WATCHING.**

The phony ‘Russian Reset’ story gave the Mockingbird MSM ammunition

to sway the public. Citizens were convinced that giving Russia 20% of our uranium reserves was a very good thing indeed.

**From Q Post #194 on 11/22/17:**

**U1 – CA – EU – ASIA - IRAN/NK**

We can't forget Robert Mueller's famed FBI "Ghost Stories." Bob caught ten Russian spies in an operation that would become a hit TV series. FX's "The Americans" is based on real life family sets of Russian spies from this event.

**From Q Post #46 on 11/2/17:**

**Why is the information re: BO important re: U1 and export approval to Canada to EU?**

One spy got very close to HRC before the family spy ring was captured. Quickly and quietly the 10 spies ultimately were exchanged for 4 captured US assets.

**From Q Post #953 on 3/17/18:**

**TRAITORS EVERYWHERE.  
AMERICA FOR SALE.**

HRC wanted everything to go away fast and with little to no coverage from the MSM. Mueller acted as a transport 'mule' for BHO and HRC when he personally flew uranium test samples over to Europe.

**From Q Post #2087 on 9/5/18:**

**Those who are the loudest....  
Have the most to FEAR [hide]?**

By sending Mueller with the sample to inspect for strength prior to the sale, it signaled to Vlad that the deal was cool.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR  
REPUBLIC.**

**There is a reason why a sword is held.**

QAnon has mentioned Uranium One many times for extra emphasis. The \$145-million total kickback to the Clinton Foundation is record breaking.

**From Q Post #1345 on 5/21/18:**

**U1.**

**Risk the welfare of the world.**

**U1 [donations to CF].**

HRC was BHO's quarterback and was allowed to skim the kickbacks via the Clinton Foundation. Frank Giustra (U1) was already well known and was welcomed into the 'Pay to Play' deal.

**Cooper, 'Bill' William**

## **Meet the Original “Q”—Patriot William Cooper**

Milton William Cooper was a leading conspiracy theorist and much-sought-after public speaker. In the mid-1970's, Bill held a very special Top-Secret Military Security of 'Q' level clearance.

**From Q Post #48 on 11/2/17:**

**What is Q Clearance?**

Future proves past once again when it comes to many of Bill's bold predictions. Cooper was a maverick and helped to 'Red Pill' the public with his many educational speaking seminars.

**From Q Post #2565 on 12/7/18:**

**Q 0 = Q+**

Bill's "Majesty Twelve" revelation was about the planned formation of a world totalitarian socialist ruling government. Cooper exposed the globalists plans for a New World Order (NWO) before most even understood the reality of events.

**From Q Post #499 on 1/7/18:**

**Do you believe in coincidences?**

Cooper was in the forefront of JFK/NWO/MK Ultra/UFO-Aliens/Illuminati /Masonic Secret Societies/Osama bin Laden /9/11/etc. Many believe that Cooper's very public views on 9/11 ultimately led to his death.

**From Q Post #2563 on 12/7/18:**

**At some point, the Q will be asked.**

Many of Cooper's original lectures have now been uploaded to popular YouTube videos. Please take the time to watch Cooper and listen to his radio shows.

**From Q Post #1264 on 4/25/18:**

**THE WORLD IS WATCHING.**

Cooper produced a popular video series called Mystery Babylon with NWO theories explained. Bill also did a long-running radio show called the Hour of the Time (not currently available).

**From Q Post #722 on 2/11/18:**

**Expand your thinking.**

Bill has long been held as an iconic leader in the 'truther movement.'

Cooper sets the standard that many follow today as a true American ‘White Hat Patriots.’”

Current-day Patriots that follow in Cooper’s footsteps are Rogers / Huber / Binney / Higgins / Flynn / Horowitz / Cohen-Watnick/ Nunes / Team QAnon/etc.

**From Q Post #386 on 12/19/17:**

**PATRIOT of the highest caliber.**

The 8chan board on 2/16/18 had a picture and short article from Cooper’s 1991 book “Behold a Pale Horse.” In a classic direct ‘Q’ response to this Anon’s Cooper post was just simply stated:

**From Q Post #782 on 2/16/18:**

**BIG!**

Cooper was on the run from the U.S. Marshalls Service who were attempting to deliver a bogus warrant on trumped up tax charges, Bill had kept one-step ahead other governmental agencies for several years until cornered.

**From Q Post #34 on 11/1/17:**

**Q Clearance Patriot.**

A deadly confrontation occurred on 11/5/2001 with local sheriff’s deputies in Apache County Arizona. Police were attempting to arrest Bill and he was shot dead in a gunfight. R.I.P. Patriot!

**Cooper, Justin**

**(Answer is:) Justin Cooper**  
**(Question:) Clinton Tech w/No Security Clearance**

Justin ‘Hammering’ Cooper was an adviser and employee of the Clinton Foundation (CF). Cooper was in charge initially of setting up the Clinton personal home email server with Eric Hothem.

**From Q Post #2514 on 11/30/18:**

**Anon: “New Clinton Foundation Whistleblower TBA Next Monday”?**

Odd coincidence is that Mueller’s right-hand investigator Aaron Zebley represented Justin Cooper in the past. Zebley defended Cooper as he testified in front of several Senate committees about the HRC email server.

**From Q Post #3045 on 3/13/19:**

**HOW DID HRC OBTAIN SAP (SPECIAL ACCESS PROGRAMS) ON HER PERSONAL SERVER(S)? TREASON.**

Justice is coming to Justin this April as he will testify in a Judicial Watch lawsuit. Judge Lambert will hear answers about Benghazi and the secret HRC server.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

Cooper gets his clever and appropriate nickname from our POTUS at several 2016 campaign stump speeches. Always at his best in rally settings POTUS gives a glimpse into Justin’s past duties.

**From Q Post #1552 on 6/18/18:**

**Weiner HRC / Others - crimes against children.**

The minds-eye iconic image that comes from the 2016 campaign trail is one of Justin enthusiastically hammering. Cooper destroyed several of HRC’s Blackberry phones, so well demonstrated by then candidate Trump on stage.

**From Q Post #1223 on 4/21/18:**

**Think private email addresses.  
Hussein.  
HRC.**

Eric Hothem was the original domain owner of clintonemail.com and along

with Cooper put the server/email system together. This 'home brew' system was fired up on the swearing in day of HRC as the new U.S. Secretary of State.

**From Q Post #1972 on 8/28/18:**

**BIGGER THAN WATERGATE.  
BIGGEST SCANDAL IN US HISTORY.**

Justin never received any level or form of US Security Clearances. Cooper was additionally lacking any advanced knowledge about computer intrusion prevention and complex encryption.

**From Q Post #1815 on 8/3/18:**

**We have the server[S].**

Justin combined with Bryan Pagliano to oversee day to day management of the Clinton server. When HRC left State they worked with Platte River Networks tech Paul Combetta to change over and let PRN manage the computer server.

**From Q Post #2872 on 2/22/19:**

**Hillary Clinton & Foundation.  
Crime Against Children.**

That led directly to Reddit/BleachBit/email address 'Scrubbing.' The story goes that Combetta had to remove BHO's (VIP) emails from HRC's history records using software striping programs.

**From Q Post #2876 on 2/22/19:**

**CLINTON PANIC.  
CLINTON FEAR.  
JUDGEMENT DAY COMING.**

Cooper was questioned for his role involving the HRC email server by famed FBI agent Peter Strzok. The spider web seems to be all encompassing with this criminal Cabal and past relationships.

**From Q Post #809 on 2/22/18:**

**HRC open source server?  
[Missing emails].**

Generously the Clinton's are now paying the legal fees of Justin. Not sure if Cooper's no-shows are billed at the same level as his Congressional subpoenaed closed-door appearances.

**From Q Post #3181 on 3/25/19:**

## **BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR REPUBLIC.**

**There is a reason why a sword is held.**

Legal fees of \$250,000 have been spent to date on Cooper's defense. Some get rewarded and some get 'Arkancided.'

**From Q Post #2514 on 11/30/18:**

**Future will prove past.**

**History books.**

Recently John Solomon revealed that SP Huber's team was in contact with new CF whistleblowers. Inquiring minds believe that they are either hammering Justin or CEO Eric Braverman will join the squealing CFO Andrew Kessel.

**From Q Post #1551 on 6/18/18**

**CF investigation ongoing.**

# **Coup vs. Counter-Coup**

## **Operation “Trump vs Condor”—Coups vs. Counter-Coups**

There is little doubt in many minds of a ‘coup plot’ against Donald Trump dating to December 2015. A ‘counter-coup’ has launched by POTUS against traitorous dark forces within our own government.

**From Q Post #533 on 1/14/18:**

**WE, THE PEOPLE, ARE TAKING BACK OUR COUNTRY (& WORLD) FROM THE EVIL LOSERS WHO WOULD DO US HARM  
4, 10, 20.**

The Peter Strzok/Lisa Page text messages indicate ‘Operation Trump’ began early in December 2015. National Security Divisions of DOJ/FBI and White House along with Brennan/CIA and Clapper/DNI combined to form the treasonous secret society cabal.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

Without oversight from OIG Horowitz, thanks to a Sally Yates directive, this ‘Small Group’ conducted their coup plans without fear of outside exposure. Overall code name ‘Operation Trump’ and consisted of several complicated intelligence components.

The core plans were in four main parts:

- Exonerate HRC and involved Aides
- Dossier creation and distribution
- FISA Title-1 Surveillance and 702 Intel
- Insurance Policy-Crossfire Hurricane

All of these plans were collapsing. Each needed upon the failure of the prior one. This crowd is not used to their first plan failing, let alone being on the final and last emergency option.

**From Q Post #3212 on 3/26/19:**

**Think Rogers T-Tower meeting (right after SCIF set up in Tower).**

**Think POTUS campaign leaving T-Tower (base of operations)  
THE VERY NEXT DAY.**

**1+1=2**

SpyGate was a tool used within this conspiracy that relied on foreign (FVEY) intelligence assets or 'Spies/Lures.' These Five Eyes assisted foreign assets were used as bait to entrap several Trump World associates.

**From Q Post #2171 on 9/21/18:**

**Twelve moves ahead.**

**Suicide watch.**

Beginning in the Winter of 2016, NSA Director Rogers uncovered widespread abuses of the NSA 702's. General "about Queries" can be made with the NSA system to cull all upstream digital data on the selected target.

**From Q Post #270 on 12/5/18:**

**Adm R/ No Such Agency (W&W) + POTUS/USMIL =  
Apply the Keystone.**

Admiral Mike Rogers put an end to this illegal practice of unauthorized 702's on 4/18/15. Outside contractors like Fusion GPS and CrowdStrike lost their inside source of raw intel via the 'about queries.'

**From Q Post #2331 on 10/4/18:**

**[Part re: Fusion GPS, Perkins Coie now being revealed?]**

The NSA nickname for this uncovering program was 'Operation Condor.' Admiral Rogers crippled the Deep State's ability to access compromising intelligence on their opposition targets.

**From Q Post #2727 on 2/15/19:**

**In the past, what was the punishment re: a TRAITOR?  
Coincidence?**

Admiral Rogers came to our countries rescue once again on 11/17/16 in a meeting at Trump Tower. Rogers waited until the new SCIF was completed and told President Elect Trump of the illegal surveillance in place at Trump Tower.

**From Q Post #585 on 1/22/18:**

**TRUST Adm R.**

**He played the game to remain in control.**

Remember President Elect Trump evacuated his top staff the very next morning to his golf club at Bedminster, NJ. This brave deed by Admiral Rogers will go down in the American history books and be long remembered by Patriots.

**From Q Post #2637 on 12/20/18:**

**Rogers departure. Intel.  
Notice a pattern?**

The counter coup is ongoing and the original plotters better beware. It will be an epic historic struggle of Good vs. Evil as this all plays out in The Great Awakening!

**From Q Post #3211 on 3/26/19:**

**Bake your noodle.**

## **Coup's July 4<sup>th</sup> Weekend, 2016**

## **Coup's 2016 July 4th Weekend—"Will Go Down In"**

At this point in time, there is little doubt of an orchestrated coup plot against Donald Trump by various U.S. Governmental forces. Discovery of the exact origins of these treasonous plans and all of the different co-conspirators are being currently investigated.

**From Q Post #2727 on 2/15/19:**

**<https://thehill.com/homenews/senate/430023-senate-passes-bill-to-make-lynching-a-federal-crime?amp>**

**In the past, what was the punishment re: a TRAITOR?  
Coincidence?**

We can all look for a central focal point where all of these various elements seem to convergence. One such time period came over the 2016 July 4th holiday weekend.

**From Q Post #570 on 1/21/18:**

**THEY NEVER THOUGHT SHE WOULD LOSE.**

Below is a brief recap of that very special weekend and significant activity:

07/01/16:

- Loretta Lynch publicity announces her "partial recusal" from the HRC investigation due to Tarmac meeting and defers prosecutorial decision making over to James Comey/FBI.
- FBI Strzok/Page texts sarcastically reference Lynch, "A real profile in courage, since she knows no charges will be brought."

07/02/16:

- HRC's 3.5 hour-long FBI interview w/Strzok. HRC attorneys Cheryl Mills and Heather Samuelson (also targets) are in attendance.
- Stefan Halper contacts Carter Page about scheduled upcoming (7/11/16) London trip for the 'Spy' Symposium.
- FBIAnon first appears on 4Chan offering insider information about HRC email and Clinton Foundation probes.

07/03/16:

- HRC does several Sunday morning MSM talk shows claiming she

was “Eager to talk to the FBI about her emails.”

- False Flag/narrative shift w/ISIS major bombing in Baghdad with hundreds killed in the Karreda Market District.

**From Q Post #2788 on 2/18/19:**

**How can this same ‘Q’ entity garner such a massive amount of WW MSM [FAKE NEWS] attention [attacks]?**

07/04/16:

- Surprising Day-Off for White/Black Hats

**From Q Post #3169 on 3/23/19:**

**‘Projection’ 101.**

07/05/16:

- FISC denied first Carter Page FISA warrant for Trump World surveillance.
- Comey holds infamous presser exonerating HRC and aides for emails.
- Chris Steele approaches the FBI with allegations and some memos (start of the Dossier) against then Republican candidate Donald Trump.
- Guccifer now 2.0 version claims to once again have hacked the DNC system.
- Bill Binney and VIPS forensically determine that DNC intrusion was an internal leak via a USB/Thumb Drive as opposed to an external server hack.
- AU Alexander Downer shares UK Papadopoulos contact w/Five Eyes.
- FBI agents Peter Strzok/Mike Gaeta/and Andy McCabe meet Chris Steele in London. The FBI’s Counterintelligence Unit investigation into Donald Trump will not officially begin until 7/31/18.

**From Q Post #247 on 12/4/17:**

**Bombs away.**

**Merry Christmas.**

QAnon has mentioned all of the above events from the Tarmac meeting to the FBI lovers text messages. 2019 will be the year of justice and the Great Awakening!

**From Q Post #2539 on 12/3/18:**

**[CONTROLLED MEDIA - 'Enemy of the People'].**

This special holiday weekend saw both the complete legal exoneration of HRC and the launch of the false Trump-Russia 'collusion delusion' narrative.

**From Q Post #2165 on 9/12/18:**

**How do you inflict MAX PAIN / DAMAGE?  
drop/release MOAB?**

Now comes the 'PAIN' as our POTUS always hits back 10-times harder

**From Q Post #2855 on 2/21/19:**

**Time to adopt VOTER ID LAW?**

# **Crossfire Hurricane**

## **Top Echelon of Justice—Tangled “Spider Web” of Corruption**

‘Operation Trump’ was an elaborate scheme engineered at the top levels of the Department of Justice. The DOJ National Security Division combined with the FBI Counterintelligence Unit to form this ‘Secret Society’ against Trump.

**From Q Post #2700 on 2/12/19:**

**Nobody should be above the law (no matter how massive the spider-web is (entangled)).**

DOJ National Security Division:

- Loretta Lynch / Sally Yates / John Carlin / Bruce Ohr /David Laufman

FBI Counterintelligence Unit:

- James Comey / Andy McCabe / Bill Priestap / Peter Strzok / Lisa Page / James Baker

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

What made this group seemingly untouchable was the special exemption from any oversight by OIG Horowitz. On July 20, 2015 Sally Yates issued a statement allowing top officials from the National Security sections to ignore IG Horowitz or any other official inquiry.

**From Q Post #1743 on 7/28/18:**

**Was the Truth revealed re: FISA/Dossier?**

Additionally, the required notification to Congress about Trump-Russia Probe (Rep. Stafanik questioning Comey) by the FBI to the Gang of Eight was not timely. In fact, notification was almost one year after and not the required 3 months.

**From Q Post #2489 on 11/12/18:**

**[Placeholder - OIG Report-FBI, DOJ, and Media Coll].**

FBI Bill Priestap clearly noticed that Comey had just thrown him under the proverbial bus. Priestap was one of the first cooperating with IG Horowitz/SP Huber/and IG Storch investigations.

**From Q Post #520 on 1/13/18:**

**THINK BIG.  
THINK BIGGER.  
THINK BIGGEST.**

Strzok/Page refer in their text messages to this group being the 'Secret Society.' McCabe's own catchy nickname for this DOJ ultra-click was the 'Small Group'.

**From Q Post #586 on 1/22/18:**

**What would happen if texts originating from a FBI agent to several [internals] discussed the assassination (possibility) of the POTUS or member of his family?**

The very strict compartmentalized nature of this band from the Justice Department helped to keep operational secrecy. History will be harsh on this high government level cabal of traitors.

**From Q Post #2727 on 2/15/19:**

**In the past, what was the punishment re: a TRAITOR?  
Coincidence?**

Always big on nicknames they internally called the HRC probe the 'Mid-Year Exam' (MYE). Whereas they came up with tougher names like "Crossfire Hurricane" when referring to Trump.

**From Q Post #2729 on 2/15/19:**

**Bigger than the 25th amendment attempt to remove.  
Depth of this is very serious.**

The 'Insurance Policy' was the last element in their Operation Trump plan. First, they exonerated HRC, next was the Dossier collection/dissemination, and then the FISA Title-1 Surveillance of Trump World via the 2-HOPS rule.

**From Q Post #953 on 3/17/18:**

**How bad is the corruption?  
FBI (past/present). DOJ (past/present).**

To date most of the top echelon of both the DOJ and FBI are all gone one way or another. The 7th Floor of Justice has been dutifully wiped clean.

**From Q Post #2555 on 12/5/18:**

**WHITAKER, HOROWITZ, HUBER, and WRAY.  
Long meeting held within a SCIF [unusual].**

Let's all hope POTUS and his team of Sessions/Horowitz/Storch/and Huber can untangle this web of political corruption, deception, manipulation and

treason. The Great Awakening is on the horizon and the year of justice is here.

**From Q Post #2724 on 2/14/19:**

**A Traitor's Justice.**

**RATS EVERYWHERE.**

# Crowdstrike

## **Guess what CrowdStrike? “We have the server.”**

The spider web of connections is overflowing when it comes to the DNC’s computer intrusion. All of the regular suspects appear from ObamaGate/SpyGate unfolding scandals.

**From Q Post #1807 on 8/3/18:**

**BIGGEST COVER UP IN US HISTORY [ATTEMPTED].**

CrowdStrike’s co-founder Dmitri Alperovitch is a Senior Fellow at the Atlantic Council. CrowdStrike (CS) magically received millions from George Soros in a major funding effort.

**From Q Post #1959 on 8/28/18:**

**China hacked HRC server?**

**Access was granted.**

The Deep State’s favorite law firm is Perkins Coie. Perkins retained both Fusion GPS and cyber security firm CrowdStrike (CS) on behalf of both HRC/DNC during the 2016 campaign.

**From Q Post #499 on 1/7/18:**

**Do you believe in coincidences?**

Fusion GPS and CrowdStrike were outsiders allowed access to the NSA database. This unlawful use of 702 queries by outside firms was common prior to Admiral Rogers shutting it down.

**From Q Post #1743 on 7/28/18:**

**Was the Truth revealed re: FISA/Dossier?**

What makes a good movie besides great actors is a very plausible plot. DNI Dan Coats declassified the 98-page FISA Court review last May and specifically mentions the two outside contractors.

**From Q Post #1666 on 7/3/18:**

**We have the server.**

HRC/DWS/and DNC panicked on 4/30/16 when a computer server breach was discovered. DWS retained Perkins Coie who employed CrowdStrike to review the DNC mainframe system.

**From Q Post #809 on 2/22/18:**

**[Missing emails]**

**[CrowdStrike]**

Privately what CS (Captain Johnston) found was a leak not a hack download by DNC IT staffer Seth Rich. While publicly they proclaimed Russian hackers Cozy and Fancy Bear were to blame for the intrusion.

**From Q Post #1591 on 6/26/18:**

**Server unlocks SR.**

Both Comey/FBI and Johnson/DHS were denied requested access to the breached DNC equipment. Eric Schmidt/Google infused \$100 million into CS earlier in 2015.

**From Q Post #1008 on 4/4/18:**

**No investigation on WL receipt of information?**

Schmidt had been HRC's 2016 campaign computer guru. Along with Jared Cohen's Jigsaw (Google Ideas) they combined to offer HRC an unbeatable tech playbook.

**From Q Post #1960 on 8/28/18:**

**CrowdStrike managed the infiltration program based on payments to CF.**

Co-founder of CS, Dmitri Alperovitch, is a Russian expat with ties to both HRC and Soros. Having shady owners and partners is a perfect environment for criminals to have legal operational cover.

President of CrowdStrike Services is Shawn Henry. Henry and Perkins Coie's Michael Sussman are personal friends and coordinated media leaks.

**From Q Post #386 on 12/19/17:**

**PATRIOT of the highest caliber.**

decode: reference to Bill Binney.

Thomas Drake's VIPs and Bill Binney's forensic teams found proof that it was a "Leak not a Hack" due to transmission download speeds. Binney on POTUS orders gave Pompeo (KANSAS) a full briefing on these documented results.

**From Q Post #436 on 2/22/18:**

**GOOG.**

**CROWDSTRIKE.**

**DNC.**

'High Profile' case involving national security normally are not handled by a third-party. One of many abnormalities that have surrounded ObamaGate.

**From Q Post #1462 on 6/11/18:**

## **The ‘server’ brings down the house.**

Conveniently the Russian hacking narrative helps to cover the DNC’s own internal mistakes. Patriot Seth Rich’s mysterious death surrounds the Trump-Russia collusion delusion investigations.

Inquiring minds want to know the real ‘skinny’ on CrowdStrike and its involvement with ObamaGate/SpyGate.

**Deripaska, Oleg**

## **Mysterious Russian Oligarch—Meet Oleg Deripaska**

Regardless of your feelings about ObamaGate/SpyGate, this coup plot has produced many colorful characters. One of the most mysterious actors exposed so far has been Oleg Deripaska.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

Oleg is considered a close friend of Putin and earned his oligarch status in the aluminum metal industry. Considered the wealthiest person in Russia in 2008, Deripaska was also very much connected to international organized crime.

**From Q Post #1745 on 7/28/18:**

**FISA IMPLICATES SENIOR MEMBERS OF UK, MI5/6, US  
INTEL, WH, FVEY, R PARTY (CONGRESS/SENATE) OF  
KNOWN CORRUPTION IN EFFORT TO RETAIN POWER  
AND RIG ELECTION.**

Oleg has long been restricted entry into the USA and has been attempting to change that status. Contacted in 2009 by the FBI (including McCabe), Oleg was officially asked to assist in the release of former FBI/DEA agent Robert Levinson from Iranian captivity.

**From Q Post #436 on 12/22/17:**

**BRIT INTEL.>  
HRC CAMP PAY.>  
DNC PAY.>  
STEELE.>**

Deripaska would spend \$25 million personally and it looked very much like the release of Levinson would occur. Oleg has steel/metal interests ongoing in Iran.

**From Q Post #976 on 3/28/18:**

**Wonder who leaked this.  
Fire in the hole.**

Then the entire hostage deal was scrubbed, unexplainable by HRC in 2010. Deripaska has been Manafort's partner in some businesses and claims Paul cheated him out of \$10 million.

**From Q Post #1935 on 8/27/18:**

**Define 'Projection'.**

**Define DARK MONEY.**

Oleg has retained in the past Adam Waldman at a sweet \$40,000 monthly lobbying fee. Deripaska has swirled around the DC Swamp and has made many political connections.

**From Q Post #1164 on 4/15/18:**

**Avoid US data collection laws.**

**Public: Dossier FISA.**

In the Fall of 2016, the FBI again contacted Deripaska for assistance. This time Oleg was questioned about possible Trump-Russia ties.

**From Q Post #3129 on 3/20/19:**

**THIS IS NOT A GAME.**

Oleg laughed back to the FBI about their unbelievable Putin/Trump Russian collusion narrative tale. Go to the mobsters if you really want to know what in fact is going on.

**From Q Post #1626 on 6/28/18:**

**Putin/U1 will come out post summit.**

Oleg offered to testify to Congress in 2017 but for some reason that was rejected. Deripaska and Waldman got involved with Sen. Warner in his efforts to meet personally with Christopher Steele.

**From Q Post #1286 on 4/27/18:**

**The Brits-raw intel/dossier/5 Eyes.**

'Our Guy' is referred to in the released exchanges between Bruce Ohr and Christopher Steele. Inquiring minds want to know if this mystery man is Oleg Deripaska.

**Drake, Thomas**

## **Trend Setting Whistleblower—Thomas Drake’s “Q” Pins**

Ten years before Edward Snowden there was a ‘White Hat’ named Thomas Drake. Drake worked with the likes of Bill Binney and Kirk Wiebe at the NSA developing mass surveillance programs.

**From Q Post #2581 on 12/11/18:**

**NORMALLY, A WHISTLEBLOWER IS PROTECTED AND SHIELDED FROM ALL NON ESSENTIALS (CLAS).**

History will show that all 3 became famous government whistleblowers. Drake let the cat out of the bag by reporting on the illegal use of these sophisticated computer programs against the general public.

**From Q Post #1661 on 7/1/18:**

**What role can NSA play?**

Drake specialized in various NSA computer programs related to mass collection of electronic data. Primary NSA’s big programs were Thin Thread/Trailblazer/and Stellar Wind.

**From Q Post #2122 on 9/9/18:**

**Knowledge is POWER.**

The ‘Trailblazer’ project was the most abused program and the one Drake turned into the OIG of the Defense Department. Even though Binney/Weibe were also joint whistleblowers, only Drake was ultimately prosecuted.

**From Q Post #2043 on 8/31/18:**

**UK ASSIST + FISA SURV INCLUDED ALL UPSTREAM COLLECTION +TANGENT CONTACTS (UMBRELLA SURV).**

Drake tried to do things correctly working through the 1989 Whistleblower Protection Act. By notifying both the Inspector General and Congress, you would think the proper channels would both listen and offer proper protection.

**From Q Post #394 on 12/19/17:**

**We have the USSS, NSA, and DHS, also protecting this message.**

Thomas Drake got his life destroyed by reporting his observed NSA violations. Drake’s whistleblowing on NSA’s ‘dark’ projects highlighted illegal warrantless domestic mass spying on U.S. citizens.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR REPUBLIC.**

**There is a reason why a sword is held.**

This sounds like a familiar tactic used today by the Deep State (Future proves Past). The groundwork laid by Drake helps us comprehend the FISA abuses being exposed in ObamaGate/SpyGate.

**From Q Post #1876 on 8/14/18:**

**Why was No Such Agency created?**

One of Drake's classic quotes is "I will not live in Silence." Non-action by both internal governmental and Congressional groups caused Drake to go public.

**From Q Post #2514 on 11/30/18:**

**History books.**

**Justice.**

Drake's attempted disclosures were discovered and lead to Federal Espionage charges. Thomas ultimately agreed to a plea deal of 1-year probation and some local community service.

**From Q Post #3129 on 3/20/19:**

**THIS IS NOT A GAME.**

Drake's revelations were the biggest since the Daniel Ellsberg/Pentagon Papers. Bear in mind that Drake's disclosures were all in the pre-Snowden time period.

**From Q Post #386 on 12/19/17:**

**PATRIOT of the highest caliber.**

Thomas has to be viewed as an early Patriot like Bill Cooper. Drake has disavowed any relationship with a group of "intelligence" personnel called RFTP hacking paid information.

**From Q Post #14 on 10/31/17:**

**How is POTUS always 5-steps ahead?**

Please check out Thomas Drake's own Twitter account (where he addresses the 'Q-Pin' controversy. Drake was way ahead of his time with displaying and promoting QAnon in public realm.

**From Q Post #1678 on 7/4/18:**

## **Trolling is fun.**

Thomas swears by constantly wearing his special Q-Pin, it doesn't mean that he is part of Team Q. However, Drake does acknowledge our Internet movement.

**Dunn, Anita and Bauer, Robert**

## **You Can't Make This Up—Yet Another ObamaGate “Dirty Couple”**

What do you get when you hitch a Partner of Perkins Coie + BHO's White House Communications Director? Oddly yet another ObamaGate ‘Dirty Couple.’

**From Q Post #2700 on 2/12/19:**

**Establish ‘financial checks/reviews’ of those reviews senior (critical) positions (audits) + direct family (close proximity).**

Marriage vows draws our attention early on toward this White House husband/wife combo of the Bauer's. It is becoming more apparent they too were involved neck-deep in ObamaGate/SpyGate.

**From Q Post #722 on 2/11/18:**

**Expand your thinking.**

Robert Bauer was the original forming partner of the Political Law Division at Perkins Coie. Prior to organizing this high-profile political group Bob was BHO's White House Counsel/personal attorney.

**From Q Post #2331 on 10/4/18:**

**[Part re: Fusion GPS, Perkins Coie now being revealed?]**

Bauer also was General Counsel for 2008/12 elections for BHO and the DNC. Marc Elias from Perkins Coie served the same dual roles for HRC/DNC in 2016.

**From Q Post #1889 on 8/15/18:**

**“Firewall”.**

Bauer brought several other Obama-era staffers over to join Perkins Coie. Perkins retained in 2016 Fusion GPS to create the infamous Trump-Russian Dossier.

**From Q Post #809 on 2/22/18:**

**HRC open source server?**

**[Missing emails]**

**[CrowdStrike]**

Additionally, Perkins hired CrowdStrike to look at DNC Computer breach over of the FBI. Perkins hired Fusion to get dirt against No Name in 2012 and 2008 for the BHO Birther/Passport coverups.

**From Q Post #2121 on 9/9/18:**

## **Knowledge is POWER!**

Loving wife of Bauer is Anita Dunn who also worked at the White House. Dunn was BHO's W/H Communications Director media strategy/speechwriting.

**From Q Post #1828 on 8/9/18:**

**[SPY OP]**

**[PERKINS COIE] (Shell2)**

Recently Dunn helped Harvey Weinstein strategize before media exposure hit. Bauer and Dunn have given testimony to Congressional committees about knowledge and roles in the 'Dossier.'

**From Q Post #964 on 3/28/18:**

**BIDEN/CHINA VERY IMPORTANT MARKER.**

Bob and Anita join fellow Husband/Wife 'Dirty Couples'-M/M McCabe and M/M Strzok and M/M Ohr and Murray-King.

**From Q Post #3168 on 3/23/19:**

**Nobody walks away from this.**

**Durham, John H.**

## **Candidate for Special Prosecutor #2—meet John Durham**

John H. Durham is the US Attorney (USA) for the District of Connecticut. Durham has had a long history of cleaning up corruption in the New England area.

**From Q Post #2603 on 12/11/18:**

**What if there's another prosecutor (outside of DC) assigned by SESSIONS w/ the same mandate/authority?**

Durham has served Connecticut for over 35 years and was Deputy USA before being appointed 2/22/18. John was serving as the interim USA for Connecticut from October 2017.

**From Q Post #2672 on 1/13/19:**

**GJ testimony underway in several States.**

Decode: GJ = Grand Jury

Durham was assigned from 2008-2012 as Acting USA for the Eastern District of Virginia. John was tasked to investigate the CIA's torture of detainees and the destruction of video tape evidence.

**From Q Post #2604 12/18/18:**

**HUBER will bring SEVERE PAIN TO DC.**

Durham is also credited in 1999 with cleaning up the notorious Boston criminal mobs. Inspiring the Oscar-winning film "The Departed." Durham brought down the infamous James 'Whitey' Bulger crime syndicate.

**From Q Post #2321 on 10/3/18:**

**Think GJ information.**

Under questioning from Congressional committees, DOJ James Baker admitted to being under criminal investigation for leaks to the media. Baker's attorney pointed out to Rep. Jim Jordan that USA Durham is overseeing this leak probe.

**From Q Post #986 on 4/2/18:**

**John Huber appointed by?**

**History books.**

QAnon had pointed out the possibility of a second Special Prosecutor (SP) in addition to John Huber. SP Huber has been working with IG Horowitz since late 2017 along many criminal paths.

**From Q Post #2876 on 2/22/19:**

**The war is real.**

**The threat is real.**

**JUDGEMENT DAY COMING.**

It is logical to assume that Durham has been prosecuting the leak investigations. President Trump's first actions ordered Stealth Jeff to open 27 federal Leak probes (Reality Winner).

**From Q Post #2097 on 9/6/18:**

**Federal prosecutors have for months been using a grand jury . . .**

James Baker has been fingered by Lisa Page as leaking classified information to David Korn from Mother Jones News. AG Sessions has made illegal leaks his first mission and DOJ's biggest priority.

**From Q Post #1492 on 6/13/18:**

**APPOINTMENT OF A 2ND SC WOULD FAIL.**

2019 will be the year of 'Justice' and sunlight will shine brightly into the DC Swamp. POTUS and Team-QAnon are poised for the final act in this play.

**From Q Post #2682 on 2/10/19:**

**Eberwein, Klaus**

## **Klaus Eberwein's Final Autopsy Results—Terminal “Arkancide”**

The tragic events on January 12, 2010 and the Haitian earthquake aftershocks can still be felt today. Former Haitian Government Official and businessman Klaus Eberwein was a victim, claimed long after this horrific natural disaster.

**From Q Post #663 on 2/1/18:**

**Klaus Eberwein.**

Eberwein was found dead in a Miami hotel of an apparent gunshot to the head. Later ruled a suicide, except for a questionable suicide note and statements fearing for his life.

**From Q Post #1445 on 6/10/18:**

**Track ALL suicides.**

**Trace to CF.**

These actions throw a big-league shade on the official cause of Eberwein's mysterious death. QAnon has taught us to question the given news narrative and to think for ourselves.

**From Q Post #1881 on 8/15/18:**

**Haiti**

**PURE EVIL.**

**THE MORE YOU KNOW!!!!**

Klaus was set to testify in a Haitian court about some of the rampant charity fraud by the Clinton Foundation (CF) post-earthquake. The international relief campaign raised over \$2 billion but very little ever made it to needy Haitian people.

**From Q Post #2876 on 2/22/19:**

**CLINTON PANIC.**

**CLINTON FEAR.**

**JUDGEMENT DAY COMING.**

Eberwein was Haiti's director general of the government's economic development agency, Fonds d'assistance économique et social, better known as FAES, from 2012-2015. Klaus bizarrely was part owner of a popular Haitian pizza shop and later an Uber driver in Miami.

**From Q Post #1753 on 7/29/18:**

**Layers (U1, Iran, Human Trafficking, Haïti, Corruption, etc. etc.).**

The Clinton's and their cronies were involved with the Haitian boondoggle Caracol Industrial Park and the nearby failed electricity generating plant. Eberwein was on the eve of spilling the beans as to the corruption and fraud by the CF.

**From Q Post #1512 on 6/15/18:**

**Note CF children drop in IG report.**

Klaus was only 50 years old and in good health. He told a few close friends he feared for his life over his pending testimony which was scheduled to be given in days after his sudden death.

**From Q Post #700 on 2/9/18:**

**[Next week]  
Suicide weekend?**

Eberwein personally took part in several protests outside the New York City CF Headquarters. Many folks have mysteriously died over the last several decades when they have attempted to go up against the Clinton Cabal.

**From Q Post #520 on 1/13/18:**

**>HAITI FOCUS  
Why is this relevant?**

There is a related suspicious South Florida death that happened 2 months earlier in May 2017. Federal Prosecutor Beranton Whisenant, from the Miami US Attorney's office, was found dead on a public Hollywood Florida beach.

**From Q Post #1233 on 4/21/18:**

**They will lose black vote once Haiti revealed.**

Whisenant worked in the major crimes unit looking into fraud and malpractice in Broward County [DWS]. Ruled a suicide via shot to the head, no gun oddly was every discovered.

**From Q Post #2471 on 11/10/18:**

**<https://www.tampabay.com/news/politics/national/prominent-terror-cases-with-ties-to-florida/2282146>**

As the world is watching the South Florida election fraud occur, bear in mind this region's nefarious background. Many "False Flags" as well as international and domestic terrorists have sprung out of this longstanding corrupt area.

**From Q Post #1832 on 8/10/18:**

**Why are the children in Haiti in high demand?**

Coincidences mount, year after year, from Mena, Arkansas railroad tracks to Vince Foster. Chalk up yet another untimely death that seems to follow the Clinton's (Arkancide)!

**Fake MAGA**

## **Beware of the Returning Departed “Fake-MAGA” Traitors**

**From Q Post #2500 on 11/25/18:**

**CORSI > [attempt infiltrate] Q.**

**FAKE MAGA.**

**TRANSPARENCY IS THE ONLY WAY.**

I’m not addressing the censorship issue which many try to conflate with prior FAKE MAGA attacks. The Reddit board CBTS was deleted in March of 2018 and The Great Awakening in September of 2018 by main Reddit.

**From Q Post #2746 on 2/17/19:**

**Why are we attacked by pro MAGA?**

No Anon is pro-censorship in the least. Our various social media platforms have been under nonstop attack due to the the QAnon/POTUS/MAGA stance.

**From Q Post #2468 on 11/10/18:**

**CONTROL = POWER.**

The glaring timing issue is, however, the attempted odd return of disinformation Fake MAGAs like Jerome Corsi. They leave and attempt to re-infiltrate again with their divide and conquer strategy.

**From Q Post #2683 on 2/10/19:**

**The media no longer represents the will of the people.**

Certainly, all of the older members have already been wiped out by main Reddit (CBTS). No Anon endorses bans/censorship of any person or platform regardless of affiliation.

**From Q Post #953 on 3/17/18:**

**TRAITORS EVERYWHERE.**

**AMERICA FOR SALE.**

Alex Jones is only mentioned here in terms of his on-air public bashing of QAnon. Jones attempted the insertion of his own paid Zack as the ‘New QAnon.’

**From Q Post #2142 on 9/10/18:**

**Shills only shill.**

**Patriots WIN.**

The Great Awakening welcomes all followers of Jerome Corsi/Alex Jones. Everyone was fooled by these tricksters and our movement needs you all back fellow Patriots!

**From Q Post #2639 on 12/21/18:**

**Why do people trust the FAKE NEWS media?**

Jerome Corsi sprung into the Q community while being the paid DC correspondent for InfoWars. Corsi pitched his book within our movement but his book left out mention of QAnon.

**From Q Post #1343 on 5/12/18:**

**They attempted to infiltrate, repackage & rebrand as their own.**

**Profit-vehicle.**

**Destroy through [misinformation].**

**Re-route traffic to other platforms.**

Things went sideways in late April 2018, not long after the Q-March and InfoWars Press Club events. Corsi and team Alex Jones began an on-air discrediting campaign of QAnon and supporters.

**From Q Post #3310 on 3/29/19:**

**Threat to Controlled Narrative.**

**DIVIDERS will FAIL.**

Not only did Corsi and Jones attempt to spin a false narrative about compromised 'trip codes' but they pushed their own Zack. AJ said Zack is no LARP but a high-level intelligence source that knew everything.

**From Q Post #2881 on 2/22/19:**

**(ELIMINATION OF FREE SPEECH TO PREVENT LOSS OF CONTROL)**

Disinformation and division are classic Saul Akinsky tactical methods. Please remember we are dealing with trained individuals familiar with psychological warfare and brain washing techniques.

**From Q Post #2727 on 2/15/19:**

**<https://thehill.com/homenews/senate/430023-senate-passes-bill-to-make-lynching-a-federal-crime?amp>**

**In the past, what was the punishment re: a TRAITOR?**

**Coincidence?**

The Jones/InfoWars/Corsi betrayal stunt will be explained away as a horrible corporate business decision gone south. Controlled opposition, sponsored by the 'Clowns' to churn out disinformation.

**From Q Post #1343 on 5/12/18:**

**“Be careful who you follow.”**

**“Some are profiting off this movement.”**

**Those guilty immediately reacted (predictably).**

Shockingly, many YouTubers split-off from QAnon at this exact time. Once devoted followers, they jumped ship simultaneously to sow division and sway away many QAnon followers.

**From Q Post #1008 on 4/4/18:**

**Why is Mueller going after ‘inside plants’?**

Incredibly, many jumped ship after being called out by QAnon for their profiteering motivation. ‘Trojan Horse’ infiltration tactics were employed under managed controlled opposition operating on a ‘limited hang-out’ basis only. They literally blew their cover when called out, even though QAnon never mentioned them directly!

**From Q Post #2539 on 12/3/18:**

**[CONTROLLED MEDIA - ‘Enemy of the People’].**

Try to catch Praying Medic’s or SerialBrain2’s take on the meaning of ‘Sleeper Cells.’ These Judas figures are being exposed by QAnon throughout this Great Awakening enlightenment process.

**From Q Post #2468 on 11/10/18:**

**CONTROL = POWER.**

**[SWAMP] contains RED & BLUE.**

We were dealt a huge favor by QAnon calling out these false voices and their greedy underlying narratives. FAKE MAGA motives are not based on normal economics. They lost followers but acted per orders from their handlers.

**From Q Post #2104 on 9/6/18:**

**“Jerome Corsi who I outed as a Mossad asset/agent in a 1997 sting operation in London.”**

All you have to do is look at the average views of these Fake MAGA videos from before they trashed QAnon compared to their new broadcasts of today. Economically, they must have suffered unless they have supplemental income.

**From Q Post #2703 on 2/12/19:**

**Those who challenge have an agenda or are simply still asleep.**

When will the Progressive Left/Mockingbird Media/Never Trump/and Anti-Q/Fake-MAGA just admit the truth. An old fashioned dose of Humble Pie would be in order and a first step toward repair.

**From Q Post #2556 on 12/5/18:**

**How much attention does “Q” receive from the FAKE NEWS MEDIA?**

The Sin of Pride can fog normal rational actions and cause vanity to keep pushing out a false narrative. Corsi’s relevancy days are over and history will not be kind.

**From Q Post #2678 on 2/9/19:**

**FAKE NEWS attacks continue?  
Controlled.**

**Farkas, Evelyn**

## **Evelyn Farkas—The BHO Gift That Keeps on Giving**

The connections with the Atlantic Council and ObamaGate are slowly being made. Senior Fellow members include Dr. Evelyn Farkas and Dmitri Alperovitch of CrowdStrike.

**From Q Post #2070 on 9/3/18:**

**WHO ORDERED?**

**[PDB].**

We all know the story about the DNC server and CrowdStrike (CS). CS did the review for intrusion. Famed hackers Cozy and Fancy Bear were framed by CS for this so-called outside hacking job.

**From Q Post #436 on 12/22/17:**

**CROWDSTRIKE>**

**DNC>**

In March of 2017 former Defense official, Evelyn Farkas, went on the *Morning Joe* show to try out for a job. Farkas was BHO's Deputy Assistant Secretary of Defense for Russia/Ukraine.

**From Q Post #2129 on 9/10/18**

**[LIVE STREAMING] WH HUSSEIN NON-OVAL [SITUATION ROOM] COORDINATION.**

In this famed interview 'Crazy' Mika gets Farkas to spill the beans and blurt out details formerly not public. The 'Secret Society's' procedures and methods used in the unlawful surveillance of Donald Trump and friends.

**From Q Post #436 on 12/22/17:**

**[FISA 2]**

**PRES DAILY B>**

Evelyn's special insight might be simply being in the loop of BHO's expanded Presidential Daily Briefs (PDB) distribution. Unusual that such a lower level DOD person is read-in and included with this mass circulation of BHO's PDB.

**From Q Post #1944 on 8/28/18:**

**How would updates occur?**

**PDB?**

**Who has access to the PDB?**

"Operation Latitude" was the purposeful dissemination of select anti-Trump

raw intel, unmasked names, and NSA 702 'about queries.' BHO's expanded recipient list of several dozen staffers included all of the key ObamaGate conspirators.

**From Q Post #1515 on 6/16/18:**

**THE BRIDGE: PODESTA GROUP**

**Bridge between media, FBI/DOJ, HRC+**

Successful in her first on-camera appearance, MSNBC hired Evelyn. Farkas only remained at MSNBC for several months before finally being let go.

**From Q Post #3168 on 3/23/19:**

**Nobody walks away from this.**

Farkas continues to throw out barbs against President Trump. Evelyn has criticized Trump's tactics concerning North Korea and the historic peace plan for the Peninsula.

**From Q Post #2683 on 2/10/19:**

**Controlled media > prevent mass awareness**

**The media no longer represents the will of the people.**

Farkas has also floated the crazy unproven theory that Trumps does, in fact, owe money to unknown Russians. These phantom debts are to sway allegiance towards unspecified shady Russian oligarchs.

**From Q Post #809 on 2/22/18:**

**[Missing emails]**

**[CrowdStrike]**

Another crackpot idea that Farkas has prompted is that President Trump is systemically erasing BHO's legacy. Evelyn points to the anti-Israel Resolution proposal at the United Nations during the transition period.

**From Q Post #1991 on 8/29/18:**

**Shall We Play A Game?**

**Who inserted the discovery into the PDB?**

**Paper-trail.**

This spider web is vast and all threads connect back to BHO and HRC. The answer to why the FBI and DHS was prevented from ever touching the DNC server holds many critical truths into the reasons for ObamaGate/SpyGate!

**From Q Post #1981 on 8/29/18:**

**What if a paper trail exists...**

## **QAnon says Eric “Contemptible” Holder—“Will Be Relevant Soon”**

Eric Holder was the first African American to serve as US Attorney General. Holder is also the first Attorney General to ever be held in Contempt of Congress.

**From Q Post #571 on 1/21/18:**

**NOBODY PLAYING THE GAME GETS A FREE PASS.  
NOBODY.**

Holder refused to turn over to Congress DOJ documents under subpoena, regarding the ATF Fast and Furious operation. The country was shocked by the insubordination Holder displayed.

**From Q Post #119 on 11/6/17:**

**What is Fast and Furious?  
What is underlying theme?  
MONEY.**

In 2009 Holder gave approval to track gun sales in the US that were knowingly going to the Mexican Drug Cartels. Oddly the name of the Mexican Gang was called (translation) The Knights Templar.

**From Q Post #3129 on 3/20/19:**

**THIS IS NOT A GAME.**

Unfortunately, thousands of these high-powered weapons were unfortunately lost. Guns from the failed Fast and Furious operation were used tragically in the murder of Border Agent Brian Terry and Customs Agent Jamie Zapata.

**From Q Post #1589 on 6/26/18:**

**LL IS KEY to CONNECTING TO WH/HRC/BC/JB/JC/SP/EH.**

Per Judicial Watch, over 60 other people have been killed with direct links back to these Fast and Furious guns. Shameful incompetence by the ATF continues to plague all aspects of this crazy program.

**From Q Post #36 on 11/2/17:**

**How does Soros, Obama, Clinton, Holder, Lynch, etc. all net many millions of dollars (normally with a single tax year).**

Holder is back in the news for his public rebuke of Trump saying “I had a President I didn’t have to protect.” History will be the final arbiter on who

will go down as the better President.

**From Q Post #436 on 12/22/17:**

In the shadowy world of intelligence gathering, the term ‘HOPS’ refers to the ability to jump communication chains between individuals (no White Rabbit). FISA Title-1 allows a total of 2 contacts or 2-degrees of separation to be captured.

In lay terms, you call Ken and then he calls Barbie. Now, all 3 people are under this total net of surveillance. It is a series of HOPS or ‘leapfrogging’ methods to ensnare suspects and eventually reach the target.

**From Q Post #1826 on 8/9/18:**

**[Past 24hrs - Nunes Attack]**

Crossfire Hurricane was a classic example of reverse engineering Title-1 surveillance warrants. Candidate/President Trump was the intended target, not Carter Page.

**From Q Post #2681 on 2/9/19:**

**UK/AUS narrative shift re: in-country spy campaign v. POTUS (hops 1 to 2; 2 to 3; 3 to 4; 4 to target)**

Decode: UK/AUS employs 3-HOPS whereas US lowered to 2-HOPS.

FISA warrants allow these HOPS to collect all communications records like phone calls, texts, data, Faxes, social media, DM, HAM comms, Xbox chat logs, Gmail ghost drafts, blogs, etc. “The whole Enchilada Snow White” as was told to Edward Snowden in “Citizenfour” movie.

**From Q Post #2182 on 9/16/18:**

**+Content match re: Nunes interview**

The total number of ‘friends of friends’ is over 4,000 people after the 2nd Degree HOP is applied. This method is termed ‘umbrella surveillance’ due to the large radius of total coverage. The 3-HOPS rule captures +1 million ‘friends’ (UK/AUS employed).

**From Q Post #1498 on 6/14/18:**

**[[RR]] approved/signed FISA-warrant application(s) to extend surveillance on POTUS/others.**

To obtain a FISA Title-1 surveillance warrant, law enforcement must demonstrate to the secret FISA Court that the ‘target’ is an agent of a Foreign Power.

Normally, that’s a very high bar to reach except during the reign of BHO. We are discovering extra FISA’s were granted besides the notable Carter Page warrant.

**From Q Post #2489 on 11/12/18:**

**[Placeholder - OIG report > Umbrella SPY & Targeting]**

In this case, Carter Page is a foreign agent who appears regularly on Fox News with no lawyer. Not the normal routine for a high-level covert secret foreign Russian intelligence asset (spy).

**From Q Post #386 on 12/19/17:**

**PATRIOT of the highest caliber.**

Carter Page attended a London symposium at the request of Stefan Halper. The carrot dangled to Carter was some juicy HRC opposition research.

**From Q Post #3212 on 3/26/19:**

**Think Rogers T-Tower meeting (right after SCIF set up in Tower).**

This interchange was one of the genesis events from which sprang the entire Trump-Russia collusion fraud. George Papadopoulos had his own ‘dirty-up’ London pub entrapment operation.

**From Q Post #553 on 1/19/18:**

**Do we TRUST the FISA judges?**

Recall the famed Devin Nunes presser in front of the White House in 2017. Ezra Cohen-Watnick showed Nunes the BHO Presidential Daily Briefings (PDB) and illegal unmasking of Trump campaign staffers that had occurred.

**From Q Post #386 on 12/19/17:**

**PATRIOT of the highest caliber.**

This meeting was held in the White House Sensitive Compartmented Information Facility (SCIF). BHO had his PDB spread out via a mass dissemination method called “Operation Latitude” (Dr. Evelyn Farkas).

**From Q Post #2655 on 1/6/19:**

**Upstream collection can be very revealing.**

Patriot Nunes saw unmasked names, opposition research from Steele, illegal

NSA 702 queries, and more in BHO's PDBs. As a Gang of 8 member Nunes has the absolute highest-level security clearance.

**From Q Post #2181 on 9/16/18:**

**NUNES.**

**AWAKE?**

**HAPPY SUNDAY.**

It takes near 'Q-level' clearance even to be allowed to access this top-secret material. Ezra, a "FlynnStone" alumni, is held in the highest regard by POTUS.

**From Q Post #436 on 12/22/17:**

**[FISA 2]**

Decode: Minimum 2 FISA Title-1 Surveillance warrants have been approved. Carter Page (1+3) and one individual TBA.

Devin has said publicly that the DOJ used unverified 'oppo research' in the original "Scope Memo." This establishes the origins of the Trump-Russia witch hunt which was launched using the known fake Christopher Steele Dossier.

**From Q Post #2043 on 8/31/18:**

**P talks to X**

**X talks to Y**

**Y talks to Z**

**P, X, Y, Z = BULK DATA COLLECTION [UMBRELLA]**

IG Horowitz and SP Huber have taken on the investigation of alleged abuses by the DOJ and FBI with past FISC-FISA applications. OIG's 2.0 report should be out soon as well as the Carter Page FISA application declassification and redactions [20].

**From Q Post #1972 on 8/28/18:**

**BIGGER THAN WATERGATE.**

The ACLU/Civil Libertarians should be shouting and howling at the sky about governmental surveillance abuses. Unfortunately, from this concerned crowd all we are hearing is nothing but crickets.

## **Five Eyes (FVEY)**

## **Sayonara Five Eyes (FVEY)—Welcome Three Eyes (TVEY)**

The new developing global intelligence alliance will be Three (not Five) Eyes. Five Eyes (FVEY) was the old Western intelligence sharing group formed out of necessity in 1941 during the war.

**From Q Post #2657 on 1/6/19:**

**Was FVEY established & designed by the INTEL COMM as a backchannel SURV apparatus to avoid domestic laws triggers and Congressional/Senate oversight?**

FVEY member nations consist of the U.S./U.K./Canada/Australia/and New Zealand. Unlimited intelligence flows to and from each nation but has been used illegally from time to time.

**From Q Post #1458 on 6/11/18:**

**Hint: Those responsible for spying [FVEY] are present.**

The three U.S. agencies involved with the FVEY partnership are the NSA, FBI and National Geospatial Intelligence Agency. Exclusive clubs tend to hide behind closed doors as do their active memberships.

**From Q Post #1939 on 8/27/28:**

**BO>>Alexander Downer (FVEY)(EX1)**

Recent years has offered an expansion into both the Nine Eyes (Denmark / France / Netherlands / Norway) and the Fourteen Eyes (Germany/Spain/Sweden/Spain/Belgium) partnerships. Signals intelligence (SIGINT) captures all electronic communications transmitted.

**From Q Post #2043 on 8/31/18:**

**UK ASSIST + FISA SURV INCLUDED ALL UPSTREAM COLLECTION + TANGENT CONTACTS [UMBRELLA SURV].**

This century has witnessed abuses by countries ‘farming-out’ surveillance to each other to avoid domestic laws. If the U.S. couldn’t spy on Trump, they would hand off the job to a fellow FVEY partner.

**From Q Post #2486 on 11/11/18:**

**[Placeholder - FVEY\_pub]**

**[Placeholder - FISA\_pub]**

Originally named the Atlantic Charter, the alliance was called ECHELON

during the Cold War period. Public exposure in the late 1990's combined with the tragedy of 9/11 forced FVEY's into full mass public surveillance mode.

**From Q Post #70 on 11/4/17:**

**Martial law declared in SA.**

**Why is this relevant?**

The new Three Eyes intelligence alliance will be the U.S., Saudi Arabia and Russia. POTUS even rubbed the mysterious glowing orb and did the 'Sword Dance.'

**UK/AUS narrative shift re: in-country spy campaign v. POTUS  
(hops 1 to 2; 2 to 3; 3 to 4; 4 to target)**

Jared Kushner and Ezra Cohen-Watnick have been the liaisons on the ground in Saudi Arabia. Main goals are for a lasting Middle East peace plan and the Three Eyes intelligence alliance partnership.

**From Q Post #2938 on 3/3/19:**

**If not tasked and targeted under FVEY - what legal authority  
existed to engage the targeting?**

**What US Ally completed the collection of false data?**

Picture the infamous Helsinki soccer ball toss between POTUS and Vladimir. There are new alliances forming in the wake of discovered abuses made by FVEY partners against President Trump.

**From Q Post #2912 on 3/1/19:**

**Carpet bombs are ok.**

**Tactical nukes are better.**

This 'New Alliance' is the current day White Hat Patriots. The 'Storm' was 23 core Generals and Admirals plus MI/NSA/Q forming a 3-year plan to enlist POTUS!

**Fleiss, Heidi**

## **“The Naughty Nineties” to a “Q” Drop—Meet Heidi Fleiss**

Heidi Fleiss is mentioned in a Q-drop and in a book titled “The Naughty Nineties.” In the 1990’s Fleiss was one of the most notorious women in America.

**From Q Post #1840 on 8/10/18:**

**[Fish]ing is fun.  
These people are stupid.**

Heidi well-earned the nicknamed of the “Hollywood Madam.” Fleiss was always a media draw and her Playboy Bunny background as a sex Queen was her calling-card moniker.

**From Q Post #2044 on 8/31/18:**

**THEY WANT THE KEYS TO THE KINGDOM.  
[ACTIVE].**

Fleiss was in the Playboy Magazine’s February 1994 publication. This classic sexy edition also included Anna Nicole Smith on the cover/center-fold model.

**From Q Post #1138 on 4/12/18:**

**IG (think Ray Chandler).  
HONEYPOTS.**

Her little ‘Black Book’ sold at public auction included celebrities and politicians. Most notably was Charlie Sheen who employed her bordello services over 27 times paying an estimated \$50k.

**From Q Post #2212 on 9/19/18:**

**Got popcorn?  
Enjoy the show.**

Fleiss was arrested on Federal Tax Evasion charges in 1996 and served 20 months. She reappeared back in the MSM over her ‘stormy’ relationship with Tom Sizemore who also went to jail over related domestic violence charges.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

Fleiss unsuccessfully tried to open an All-Male brothel service for women

but it never got any 'legs.' Heidi currently owns 24 giant parrots and a nice laundromat.

**From Q Post #564 on 1/19/18:**

**CS will live in fear from today forward**

**Thank you for visiting the WH.**

She claims to have lost interest in the sex business but jokes her BJ's are so bad now "I'd have to pay someone else to give them." Time will tell her exact role within the intelligence community and her many 'Honey Pot' Playboy tales.

**Flynn, Mike**

## **Flynn Targeted Vendetta by McCabe Over EEOC Case**

FBI Whistleblower Supervisory Special Agent Robyn Gritz was fired in 2015. Robyn had been a highly decorated counter-terrorism expert. General Flynn has written a letter of commendation for Robyn back in 2014.

**From Q Post #97 on 11/5/17:**

**Game theory.**

**What is Flynn's background?**

**Was he involved with intel ops?**

General Flynn even tried to testify at Ms. Gritz's hearings but was deliberately denied this opportunity. Robyn filed an Equal Opportunity Employment Commission (EEOC) complaint against both the FBI and Andrew McCabe.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.**

**THE WORLD IS WATCHING.**

Robyn was the FBI agent who supervised the Robert Levinson case in 2009. This brings in Mueller/McCabe/and John Pistole along with Robyn working with Oleg Deripaska in trying to free Levinson.

**From Q Post #2156 on 9/11/18:**

**Panic in DC**

**Comey in communication w/McCabe re: 'testimony' 'story'.**

History shows that Oleg spent \$25 million of his own funds in this joint effort to get Levinson out of Iran. The deal was all set only to be terminated at the last minute by HRC/State Department.

**From Q Post #1282 on 4/27/18:**

**Who interviewed Flynn?**

The crux of this case began with a sexual discrimination charge over a promotion and was later upgraded to include workplace retaliation. Once McCabe had learned of the pending EEOC complaint, he engaged in what was later proven to be harsh penalties directed at Ms. Gritz.

**From Q Post #2135 on 9/10/18:**

**Think DOJ/FBI leaks to FAKE NEWS > insert into FISA app in effort to provide 'new sources.'**

This was inflicted by McCabe as payback for her pending EEOC discrimination complaint. The vindictive nature of Andrew has been shown to Robyn, General Flynn, and President Trump.

**From Q Post #386 on 12/19/17:**

**PATRIOT of the highest caliber.**

Recent releases from the FBI's Office of Professional Responsibility showed McCabe leaked information to the MSM media about Flynn in February 2017. This is an ongoing pattern of unauthorized media leaks by the top echelon of the Justice Department/FBI.

**From Q Post #1265 on 4/25/18:**

**We all have a part to play.**

**We knew FLYNN would be challenges.**

**Part of the plan?**

Future proves past as it now appears there was a coordinated attack to remove Mike Flynn. Involved with this plan to setup and force the removal of Flynn were senior officials of both the FBI and DOJ (Flynn/Yates/Strzok/etc).

**From Q Post #2165 on 9/12/18:**

**SESSIONS and FLYNN [targeted] for [immediate] removal/recusal?**

Flynn's 'sting op' featured an intercepted phone call from Russian Ambassador Sergey Kislyak. Later the nature of this call was the basis of Flynn's removal for so-called misleading of VP Pence.

**From Q Post #2043 on 8/31/18:**

**FISA warrant issued / approved>FLYNN.**

NSA Director Flynn was questioned by FBI agents in an impromptu informal interview in the White House on 1/24/17. Comey sent Strzok and Joe Pientka to question Flynn with no legal counsel.

**From Q Post #1280 on 4/27/18:**

**Define 'on record'.**

**Who knows where the bodies are buried.**

Sally Yates soon advised President Trump of this "Compromising Position" of NSA Flynn. Potential future compromising blackmail by the Russians and suggested General Flynn's removal as the NSA.

Recently a tragic and strange death occurred to a very close friend of Robyn's. Investigative journalist Jen Moore was found tragically dead in a

DC hotel room.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR REPUBLIC.**

Jen has just told Robyn she had discovered documents that tie the Clinton's into a pedophile ring and that now she feared for her life. Robyn is now telling of unethical and coercive tactics previously employed by the DOJ/FBI.

## **Deep State's Early Targets—The General and his “FlynnStones”**

Mueller's recommendation for no jail time for General Flynn is reassuring and what QAnon had told us. Time will reveal the true heroic efforts by Mike Flynn in service to POTUS and our fine country.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

Judge Emmet Sullivan is overseeing General Flynn's sentencing and has demanded Mueller turn over documents. The evidence concerns that Flynn's FBI 302's were altered/doctored by the FBI.

**From Q Post #1283 on 4/27/18:**

**If the FBI found NO evidence of lying why was Flynn charged?**

More exculpatory evidence (Brady Material) keeps unfolding as time rolls along. The December 2016 Russia event Flynn attended was advised in advance to the DIA as per intelligence protocol.

**From Q Post #2462 on 11/9/18:**

**>Mandate charged to Ezra Cohen-Watnick [Defense Intelligence Agency]?**

The Deep State's (DS) first victim from the Trump Administration was General Mike Flynn. McMaster then routed out and fired all of Mike's NSC staff known affectionately as the “FlynnStones.”

**From Q Post #1280 on 4/27/18:**

**Who knows where the bodies are buried?**

At a security seminar held in Cambridge/London in February 2014 the first known meeting occurred between Trump/Flynn/and Stefan Halper. Like a Super Bowl for spies these seminars attract the world's leaders in the intelligence field.

**From Q Post #2058 on 9/2/18:**

**BRIDGES - connecting people.**

Halper dutifully reported back to John Brennan about Flynn talking to a Russian FSB agent (a woman). Additionally, brief meeting of Trump/Flynn occurring during mg this same seminar weekend.

**From Q Post #1935 on 8/27/18:**

**Think FLYNN [30].**

The deliberate purging of loyal top intelligence officials from the NSC was designed to hobble President Trump. This is censorship in the worse possible manor to a new incoming President.

**From Q Post #1661 on 7/1/18:**

**Think stages.**

**What role can MIL INTEL play?**

**What role can NSA play?**

**BANG!**

BHO/DS tried to restrict intelligence given to President Elect by altering his own PDB's shared with the transition team. This is when POTUS stopped getting the BHO PDF and relied on Flynn's and Ezra Cohen-Watnick's own personal daily intelligence briefings.

**From Q Post #36 on 11/21/17:**

**Military Intelligence.**

**Focus on Flynn.**

**Background and potential role.**

General Mike Flynn put together a very loyal band of Patriots beginning from his time under BHO at the D.I.A. Those chosen to go over to the NCC were termed by many in the intelligence community as the 'FlynnStones'.

**From Q Post #2043 on 8/31/18:**

**FISA warrant issued/approved >FLYNN.**

Proud 'FlynnStone' was members included K.T. McFarland, Gen. Keith Kellogg, Michael Anton, Victoria Coates, Rich Higgins and Flynn's loyal protégé' Ezra Cohen-Watnick.

**From Q Post #120 on 11/6/17:**

**What does the NSA/MI have (at least what you know of) that allows for data collection?**

The old guard intelligence community was always skeptical of this inner circle of General Flynn. After President Trump's appointment of Flynn as the new NSA, he filled his National Security Council team from this special intelligence group.

**From Q Post #1282 on 4/27/18:**

**Why did Flynn take the bullet?**

**Rubber bullet?**

Ezra was NSA's Senior Director for Intelligence Programs under NSA

Director Flynn. Cohen-Watnick's position gave him the authority to inspect the files all of 17 US Intelligence agencies for past wrongdoing and corruption.

**From Q Post #2218 on 9/19/18:**

**In the end, all will be right.**

**Patriots protect Patriots**

Ezra's was a powerful post that's designed to coordinate/liase between the various Intelligence Community and the White House. Ezra gained the trust of POTUS as he regularly gave him the daily intel briefings during the transition.

**From Q Post #2178 on 9/16/18:**

**REMEMBER YOUR OATH.**

**UNITED WE STAND.**

Ezra is credited with first alerting Devin Nunes to unmasking and surveillance. abuses. Ezra along with W/H lawyer Michael Ellis took Nunes to the W//H SCIF to view the incriminate evidence.

**From Q Post #89 on 11/5/17:**

**FBI/MI currently have open investigations into the CF.**

By order of the POTUS Ezra has once again returned to government service. This time assisting Attorney General/DOJ as its National Security Adviser responsible for both counterintelligence and counter-terrorism.

**From Q Post #2532 on 12/2/18:**

**Light through Darkness.**

**Do you believe in coincidences?**

Ezra served Stealth Jeff and will continue to assist Acting AG Whitaker. POTUS has nominated former AG William Barr as new U.S. Attorney General.

**From Q Post #1370 on 5/17/18:**

**Does Flynn know?**

**Define "on the record ".**

Everyone will always remember Nunes' presser in front of the White House in 2017. Devin was signaling alarm bells and Ezra helped to make that all happen.

Having MI (think "Q" level clearance) in the DOJ is an important chess piece for POTUS. Several time Team-Q has emphasized young Ezra as being key.

**From Q Post #1008 on 4/14/18:**

**Flynn is safe.**

Former law enforcement officer Roscoe Davis has tied the Clinton Foundation to Benghazi. Roscoe additionally claims DIA Flynn was targeted because he knows exactly where all the bodies are buried.

**From Q Post #2581 on 12/11/18:**

**Why is the ‘Clinton Foundation’ back in the news?**

Patriots are hoping for the gallant return someday of their favorite General. We need General Flynn to help ‘Drain The Swamp’ and reconstitute his famous band of Patriots called “FlynnStones”.

They Never Thought She Would Lose

# Forgotten Laptops

## **FBI's Purposely Forgotten HRC Related Laptops**

The new modus operandi of our FBI is to destroy and suppress evidence on a selective basis. This past decade has witnessed the political 'weaponization' of the DOJ and other government agencies.

**Post Q# 1279 on 4/26/18 (in part):**

**We have it all.**

Two more mysterious laptop computers must be added to the current existing ObamaGate / SpyGate list.

**Post Q# 3045 on 3/13/19 (in part):**

**Did a Foreign State gain access to the SAP/SCI material on the server?**

**TREASON.**

As a brief historical reminder:

- Weiner/Abedin laptop=NY PD/FBI
- Seth Rich laptop=Metro PD
- Imran Awan/DWS laptop=Capitol PD
- Mills/Samuelson laptops=FBI

Please notice the 'Cone of Silence' as a deliberate MSM blackout surrounds all of these seized personal laptop computers. This is not by accident but of deliberately planned coordinated actions.

**Post Q# 559 on 1/19/18 (in part):**

**Nothing is ever truly erases/deleted.**

Cheryl Mills was the former Chief of Staff to then Secretary HRC and was also her personal attorney. Heather Samuelson started as a campaign staffer and joined HRC/State as an assistant.

**Post Q# 158 on 11/20/17 (in part):**

**What is immunity?**

The hierarchy was that Samuelson worked under Cheryl Mills and both were overseen by lead attorney David Kendall. According to Lisa Page's testimony the FBI struggled with disagreements for months about handling these laptops.

**Post Q# 1815 on 8/3/18:**

**We have the server[S].**

Both of Heather and Cheryl would receive from Lynch/Comey sweetheart immunity deals. Both admitted to the deliberate destruction of subpoenaed emails along with Paul Combetta the technician from Platte River Networks.

**Post Q# 2872 on 2/22/19:**

**Hillary Clinton and Foundation.  
Crime Against Children.**

Beyond gracious both Mills and Samuelson got special immunity agreements that let them skate free. These extraordinary arrangements including several bonus “side-bar” deals.

**Post Q# 1978 on 8/29/18 (in part):**

**What if access to the server(s) was deliberate?**

Senator Chuck Grassley smelled a rat pushed for the exposure of the Wilkerson letters. These letters inappropriately restrict the FBI’s scope as well as destroying Mills/Samuelson’s laptops.

**Post Q# 2876 on 2/22/19 (in part):**

**CLINTON PANIC.  
CLINTON FEAR.  
JUDGEMENT DAY COMING.**

In addition to general get-outa-jail-free cards separate side deals were agreed upon to limit the scope of the data search on their devices. Deal included the destruction of these laptops by the FBI after their restrictive review process.

**Post Q# 520 on 1/13/18 (in part):**

**THINK BIG.  
THINK BIGGER.  
THINK BIGGEST.**

The Justice Department agreed not to look at any information/data on either laptop after 1/31/15. This in essence guaranteed that no evidence of obstruction of justice would be found.

**Post Q# 1978 on 8/29/18 (in part):**

**How might this discredit the FBI’s investigation into HRC’s emails?**

Then by having the FBI destroy their laptops no future review could alter their findings. Just like our Justice Department to clean up any potential bad loose ends.

Timeline to help recap events:

- 10/15/2014: HRC Team instructs Datto/Platte River Networks to delete emails from back-up storage servers.
- 3/3/2015: HRC Teams asks PRN to confirm Clinton email scrub.
- 3/31/2015: Paul Combetta/PRN realizes he forgot and uses BleachBit.
- 6/24/2015: Classified emails found on HRC email/server turned over to FBI.
- 10/3/2015: FBI seizes PRN and Brian Pagliano's (Clinton's NY home) servers.

**Post Q# 3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR REPUBLIC.**

**There is a reason why a sword is held.**

In defiance of clear orders a few brave Patriots from inside the FBI did not immediately destroy these 2 laptops. Additionally, there are known copies of all the data from of these laptops.

**Post Q# 247 on 12/4/17 (in part):**

**Think HRC email, Weiner laptop, etc.**

To come up with a believable HRC/Aides exoneration theory, the FBI/DOJ had to contort like circus acrobats. These 'uniquely crafted' immunity deals will be long remembered by legal historians.

**Post Q# 2365 on 10/7/18 (in part):**

**Initial analysis of laptop-thousands of emails.**

**Hillary Clinton and Foundation.**

All of these seized laptops plus the related servers will form foundational evidence of future criminal proceedings. The coming justice phase will be upon all of these Deep State criminals shortly.

**Post Q# 3125 on 3/20/19 (in part):**

**The PUBLIC must be prepared for what is about to come.**

**"THE CLINTON FOUNDATION"**

# **Fusion GPS and CrowdStrike**

## **Perkins Coie Hired Fusion GPS and CrowdStrike**

The Deep State's favorite law firm is Perkins Coie. Perkins retained both Fusion GPS and cyber security firm CrowdStrike (CS) on behalf of HRC and the DNC.

**From Q Post #1743 on 7/28/18:**

**Was the Truth revealed re: FISA/Dossier?**

What makes a good movie, besides great actors, is a very plausible plot. Watch the Black Hats continue to push the false narrative of Russia-Russia-Russia.

**From Q Post #1008 on 4/4/18:**

**No 'direct' investigation into CS?**

**FBI/SC/DOJ/FED G simply TRUST CS's report on data breach?**

Hillary Clinton, Debbie Wasserman Schultz (DWS) and the entire DNC all soiled themselves on 4/30/16 when an IT aide reported a computer server breach. DWS retained Perkins Coie to get CrowdStrike to review the DNC mainframe system.

**From Q Post #809 on 2/22/18:**

**[Missing emails]**

**[CrowdStrike]**

Privately what Captain Johnston found was a leak by DNC staffer Seth Rich. While publicly CrowdStrike proclaimed Russian hackers, Cozy and Fancy Bear, were the sole culprits.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.**

**THE WORLD IS WATCHING.**

Both Comey/FBI and Johnson/DHS were denied access to the breached DNC computer in lieu of CrowdStrike. Eric Schmidt (ex-Google CEO) infused \$100 million into CrowdStrike earlier in 2016.

**From Q Post #2331 on 10/4/18:**

**[Part re: Fusion GPS, Perkins Coi now being revealed?]**

Schmidt had been Hillary's campaign computer guru and provided critical voter data information. Jared Cohen assisted with Google's Jigsaw and Groundwork tech services divisions.

**From Q Post #1960 on 8/28/18:**

**CrowdStrike managed the infiltration program based on payments to CF.**

Co-founder of CrowdStrike is Dmitri Alperovitch, a Russian expat with ties to both HRC and Soros. Having questionable owners/partners provides the perfect environment for criminals to have legal cover to maintain ongoing operations.

**From Q Post #1866 on 8/14/18:**

**Why did POTUS move his entire operation out of TT the DAY AFTER the ADM ROGERS [SCIF] MEETING?**

Perkins Coie lawyer, Michael Sussman has a personal relationship with CrowdStrike's other co-founder Shawn Henry. James Baker has testified that Sussman gave the FBI false allegations about Alfa Bank at Trump Towers.

**From Q Post #499 on 1/7/18:**

**Do you believe in coincidences?**

Thomas Drake's VIPs and Bill Binney's forensic teams found proof that the DNC computer intrusion was a 'Leak not a Hack.' Documented evidence confirmed data transfer had to be internal due to fast transmission download speeds.

**From Q Post #2331 on 10/4/18:**

**"Former FBI general counsel James Baker met during the 2016 season with at least one attorney from Perkins Coie, the Democratic National Committee's private law firm."**

On direct orders from President Trump, Bill Binney gave CIA Director Pompeo (KANSAS) a full briefing on these test results. Proving an insider (SR) used a thumb drive as opposed to international hacking groups.

**From Q Post #436 on 2/22/18:**

**GOOG>  
CROWDSTRIKE>  
DNC>**

Who believes that in any other related high-profile case that the FBI/DHS would accept results from a third-party? It is unheard of for the FBI to 'farm-out' investigative operations to private contractors.

**From Q Post #1828 on 9/9/18:**

**[SPY OP].  
[FUSION GPS](Shell2)←——(CS)——→[NO NAME]**

## [PERKINS COIE](Shell2) ^^^^

Conveniently the Russian hacking narrative helps to cover the DNC's own internal mistakes. It was the conclusion from CS that helped to launch the Trump-Russia collusion delusion narrative.

Perkins Coie has had almost \$3M seized by the government for BackPage connections. Sex and human trafficking was the core business of BackPage.

**Gaeta, Michael**

## **Steele's FIFA Dossier Connects to Trump Dossier via FBI Gaeta**

FBI agent Michael Gaeta headed the Eurasian Crime Squad. Mike's team gets credit for the uncovering massive bribery in the bidding process of FIFA's (Federation Int'l Football Association) World Cup soccer matches.

**From Q Post #2160 on 9/11/18:**

**Panic in DC.**

**Steele req non\_extradition to U.S.?**

**US-UK extradition treaty 2003.**

The economic benefits of winning the host country of a World Cup, is the equivalent to hosting a Super Bowl. Gaeta's investigations led to the resignation of several top FIFA staff.

**From Q Post #1889 on 8/15/18:**

**"Firewall"**

Sepp Blatter was the head of FIFA from 1998-2015 presiding during the bid rigging scandal. Christopher Steele worked for a 'spies for hire' firm called Orbis during this same time period.

**Post Q 2630 on 12/20/18:**

**How many senior FBI & DOJ officials have been removed?**

In 2010, Orbis/Steele got a contract from the U.K. to help land the 2018 World Cup bid. After Russia magically got the 2018 event, combined with Qatar garnishing the 2022 matches, all other bidding countries went totally ballistic.

**From Q Post #1743 on 7/28/18:**

**Was the Truth revealed re: FISA/Dossier?**

Steele produced a FIFA Dossier and shared it with FBI agent Mike Gaeta, an acquaintance from an Oxford seminar. Gaeta's takedown of FIFA, lead to Steele providing ongoing intelligence information to BHO's State Department through Victoria Nuland.

**From Q Post #1708 on 7/25/18:**

**Creation of fake intel dossier using ex spy.**

Victoria Nuland would receive Steele's memos concerning Russia/Ukraine from 2014-16. This laid the foundation for Steele being a past credible source for both the FBI and State Department.

**From Q Post #1974 on 8/28/18:**

**If the FAKE Steele Dossier constituted the ‘bulk’ of the ‘facts submitted’ to FISC to obtain FISA warrant(s) against POTUS....**

In the Spring of 2016 decisions were made to incorporate Steele into the Crossfire Hurricane/SpyGate plot. Victoria Nuland green lighted the 7/5/16 London meeting with Steele and FBI’s Strzok/Gaeta/and McCabe.

**From Q Post #436 on 12/22/17:**

**[DNC BREACH / DOSSIER]  
STEELE>**

The official FBI Counterintelligence Division probe of Donald Trump would not begin until 7/31/16. This was the launch point of the Russian ‘collusion delusion’ narrative by the Deep State.

**From Q Post #718 on 2/11/18:**

**71 [187]

U1.**

Lisa Page has given testimony which reveals Mike Gaeta personally received the Trump Dossier from Chris Steele. Lisa Page described Gaeta as Steele’s official ‘handler’ for the FBI.

**From Q Post #2253 on 9/21/18:**

**FISA DECLAS WILL BRING THE HOUSE DOWN.**

The spider web elements of ObamaGate/SpyGate reach out on an international basis. Horowitz’s 2.0 and expected DECLAS/FISA will reveal the exact scope and involvement of these Coup Plotters.

## **Gang of 8**

## **Gang of Eight's Lone White Hat—Patriot Devin Nunes**

Various committees are formed for Congressional oversight of the many U.S. intelligence agencies. One special group given the task of being the main intelligence watchdog is called the Gang of Eight.

**From Q Post #2643 on 1/5/19:**

**What happens when a member of the House Intel Committee purposely leaks FAKE and FALSE data to ‘friendly’ news sources in order to maintain and portray a FALSE NARRATIVE to the public?**

This select group of Congressional leaders are regularly briefed in secret by members of the Executive Branch. Devin Nunes alone broke ranks to help President Trump with draining the corrupt DC Swamp.

**From Q Post #1826 on 8/9/18:**

**Coordinated effort to silence/remove?**

Nunes has stood tall in the face of sabotage, MSM attacks and violent mobs of protesters. Let’s set the stage and take Devin out of this picture and imagine “Hear no evil, speak no evil, see no evil”.

**From Q Post #2294 on 9/28/18:**

**“House Speaker Paul Ryan (R-Wis)- a member of Congress’s “Gang of Eight” that was briefed more than anyone else about the inadequacies of the Russia evidence - believes you should declassify.”**

The other 7 members may well be called to account for their deliberate inactions. History will not be kind on leaders that joined in this coup plot or helped with the cover-up and not the needed cleanup.

**From Q Post #1496 on 6/13/18:**

**Nunes/Grassley/Freedom C. push for docs.**

The permanent membership resides in select Congressional positions. The Gang of Eight members is divided evenly with 4 DEM/4 REP for an equal balance.

**From Q Post #3173 on 3/23/19:**

**The calm before the storm?  
FIRE AT WILL COMMANDER.**

This is the current makeup and membership of the 2018/19 U.S. National Intelligence Gang of Eight (Warner replaced Feinstein):

- Speaker of the House (Ryan)
- Minority House Leader (Pelosi)
- Senate Majority Leader (McConnell)
- Senate Minority Leader (Schumer)
- House Intelligence/Ranking (Nunes)
- House Intelligence/Minority (Schiff)
- Senate Intelligence/Ranking (Burr)
- Senate Int'l Comm. Minority (Warner)

This special group has access (almost Q-Level) to our country's highest top secret classified information. This type of information is stored at Sensitive Compartmented Information Facility (SCIF) in various locations in the USA.

**From Q Post #1126 on 4/11/18:**

**What was just released to Nunes?**

**A clean [H]ouse is very important.**

Understandability the White House would want all of their secrets housed within the White House's SCIF. The same private sand box theory applies with all of the other 3-letter agencies in terms of top-secret information.

**From Q Post #386 on 12/29/17:**

**PATRIOT of the highest caliber.**

Devin Nunes held a press conference on March 22, 2017 in front of the White House. Devin had earlier meet with Ezra Cohen-Watnick (FlynnStone) at the W/H SCIF.

Ezra gave Devin a peek as to what really had been going on under BHO. Specifically, the improper mass surveillance and illegal unmasking of many Trump Campaign staffers.

**From Q Post #570 on 1/21/18:**

**Sessions/Nunes Russian OPS.**

The DOJ/FBI National Security units launched their official investigation of Trump-Russia on July 31, 2016. Evidence is coming forth refuting this official narrative behind the real origins of this coup plot against President Trump.

**From Q Post #5 on 10/29/17:**

**Follow the money, it's the key.**

Now it looks like December 2015 was the start date of this 'Russian Witch Hunt' entrapment operation. Certainly, everyone would agree that the FBI claimed launch date of 7/31/16 is false.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

'Leakin' Comey failed to mention the FBI's ongoing Trump Russian probe to Congress. In a public hearing Comey was blindsided by Rep. Elise Stefanik asking about the lack of required notification.

**From Q Post #1380 on 5/16/18:**

**Faces of lawmakers stepping out.  
Nunes.**

On 3/20/17 Rep. Stefanik nails James Comey about his failure to report the Trump investigation as he is required to give notice to the Congress. This public interview began the finger pointing and division within the 'Secret Society'.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR  
REPUBLIC.  
There is a reason why a sword is held.**

Congressional notice of any FBI counterintelligence investigations is required—not optional. This is where Comey blames this lack of proper notice directly onto FBI Counterintelligence Director William Priestap.

**From Q Post #643 on 1/29/18:**

**REAL TIME: [7] Congressional members + [3] Senators + [2]  
former O-senior officials + [4] OUTSIDE CONTRACTORS.  
[NO C/TOP/SENS-LEVEL CLEARANCES] @ SCIF.  
[DC-CAP].**

Nunes alone broke away from the Gang of Eight who would have kept the illegal activities of the BHO Administration secret. Our country will be forever in the debt of White Hat Patriots like Devin Nunes and Ezra Cohen-Watnick.

## **Hidden Mickeys and Gingerbread Express Elevator —“Shall We Play A Game?”**

The Trump Hotel in Chicago got into the Christmas season by creating a unique display. Team Trump designed the Gingerbread Express Elevator out of real delicious edible ingredients.

**From Q Post #2591 on 12/12/18:**

<https://twitter.com/TrumpHotels/status/1072253507867152384>

**Trolling the FAKE NEWS media is FUN!**

**>>>ENEMY OF THE PEOPLE<<<**

A group of skilled chefs baked hundreds of gingerbread blocks and added masterful designs to this functioning elevator. Anons found hidden throughout this masterpiece, QAnon references and shout outs from POTUS.

**From Q Post #1133 on 4/11/18:**

**# 17**

Walt Disney World has committed a team of professional “Imagination Artists” to the Hidden Mickey program. Hidden Mickeys (HM) are a partial or complete image of the famed Mickey Mouse.

These dedicated Walt Disney artists create these iconic “Mickeys” and deliberately implant them in various semi-hidden locations. Discovery of these HM has grown into thousands searching high and low over all of the Walt Disney facilities.

The HM are not just to be found at the various worldwide theme parks. HM can be spotted at Walt Disney hotels, restaurants, movie studios and even aboard their cruise ships.

The insertion of the HM has been decades long and several books have been written about this phenomenon. This is similar to the strategic insertion of the number 17 and the letter Q by POTUS.

The “17/Q” has always been recognized as one of the biggest shout outs to the Anons. No question it is a direct nod to the QAnon community by our great Commander in Chief.

**From Q Post #2563 on 12/7/18:**

**At some point, the Q will be asked.**

The number 17/letter Q has been regularly used in sly verbal references, Time Delta proofs and written into Presidential tweets. Trolling of the Fake

News with insertion of hidden QAnon codes within The Gingerbread Expresses is absolutely priceless and unique.

**Gowdy, Trey**

## **On President Trump's Short List for New AG— Patriot Trey Gowdy**

Harold Watson “Trey” Gowdy III was a four term US Representative from South Carolina’s 4th district. Trey came into Congress as a Tea Party Candidate in the 2010 wave.

**From Q Post #2451 on 11/7/18:**

**Thank you for your service to our Country, Mr. Trey Gowdy!**

It has been announced that Trey is on the short list to become the next AG. POTUS has already appointed Matthew Whitaker as Acting AG, replacing Patriot Sessions.

**From Q Post #2462 on 11/9/18:**

**C) What is the role of the SENATE?**

**GOODLATTE, GOWDY, and SESSIONS \*ALL\*  
RESIGNED.**

In addition, of course to Whitaker, Trey joins Rep. John Radcliffe and former Governor Chris Christie on the AG replacement list. All highly qualified individuals and Whitaker may get a leg up due to his current “Acting AG” status.

**From Q Post #1656 on 7/1/18:**

**Make no mistake-  
Rep Gowdy is a Patriot.**

Gowdy has a very decorated career as a Federal Prosecutor before joining the House. Trey was the Assistant U.S. Attorney for South Carolina from 1994-2000.

**From Q Post #2462 on 11/9/18:**

**Role of Gowdy?**

Gowdy then became the District Attorney from 2000-2010. He was involved with several big death penalty and high-profile cases during his outstanding prosecutorial justice career.

**From Q Post #1608 on 6/27/18:**

**”I will not be filing for re-election to Congress nor seeking any political position or elected office; instead I will be returning to the justice system.”**

Gowdy has been known as a skilled interviewer of witnesses and has

displayed this ability many times in hearings. Trey was appointed the chair of the powerful House Oversight and Reform Committee in 2017.

**From Q Post #537 on 1/14/18:**

**TG departure [HEC].**

**What role might TG be walking into?**

Trey probably is best known for his questioning of witnesses during both 'Fast and Furious' as well as the Benghazi hearings. Eric Holder had to resign over contempt of Congress charges following the Infamous 'Fast and Furious' hearings.

**From Q Post #2275 on 9/24/18:**

**Did the IG recommend [RR] step down or be fired [speed]?**

During the 2014-16 Benghazi Congressional hearings which Gowdy chaired, many inconsistencies arose from the testimony of HRC. The amazing discovery of a secret private email server by HRC was the biggest revelation during these tragic hearings.

**From Q Post #2273 on 9/23/18:**

**DECLAS of FISA = [RR] self-incrimination.**

Trey has announced he will not seek another term in Congress (automatic for re-election if sought). Gowdy stated that he will return to the justice system.

**From Q Post #2468 on 11/10/18:**

**CONTROL = POWER**

**YOU ATTACK THOSE THE MOST WHO ARE THE  
BIGGEST THREAT.**

Trey is a person that should be feared by all criminals and someone seeking return to the rule of law in the USA. A big theme of Gowdy's is returning to only one, not two tiers of justice in this country.

**From Q Post #2914 on 3/2/19:**

**Time to reveal our insurance policy?**

The question on inquiring minds is: Will Trey become our next Attorney General or possibly the next Deputy AG when the slot [RR] becomes open. Matt Whitaker is now Acting AG and POTUS is aligning all of his "chess pieces" for the final attack (Capablanca/Fischer would be proud).

Popcorn ready Patriots as POTUS's "Dream Team" of legal Jedi (Horowitz / Huber / Storch / Whitaker) may soon get another fine addition.

**Grassley, Chuck**

## **Watching Over The Purse Strings—TRUST GRASSLEY**

Senator Chuck Grassley (R-Iowa) has moved from the chair of the Judiciary over to the Finance Committee. Grassley has initiated investigations into the Clinton Foundation, Uranium One and other political scandals.

**From Q Post #2453 on 11/7/18:**

**THE SENATE WAS THE KEY.**

Chuck, through the Senate Judiciary, was critical in getting President Trump's two USSC and Federal Judges appointed. The keys to governmental tax and spending flow from Senate Finance Committee.

**From Q Post #1553 on 6/18/18:**

**-Sessions informed Congress in his letter that all the matters recommended for investigation by Goodlatte, Gowdy, and Grassley are "fully within the scope of [Huber's] existing mandate."**

Also remember Grassley valiantly held the line with BHO's Merrick Garland USSC nomination attempt. Few expected that a President Trump nominee would fill that empty seat (AS).

**From Q Post #1345 on 5/12/18:**

**U1 [donations to CF].**

Sen. Grassley is taking over from retiring Orin Hatch and has twice before served on this important committee. Chuck vows to return bipartisan common sense solutions to tax relief and universal tax fairness policies.

**From Q Post #49 on 11/2/17:**

**Follow Sen Grassley.**

**Why does Sen Grassley (one example) have a higher than normal amount of security detail?**

Additionally, Sen. Grassley will become the Senate Pro Tempore (2nd highest ranking member). Grassley will be remembered by the number of Federal Judges he help shepherd through these past two years.

**From Q Post #2657 on 1/6/19:**

**C\_A 'illegal' SURV > SENATE INTEL COMM?**

Two important probes that Grassley is interested in getting resolved are with Susan Rice [SR] and Joe Pientka. Sen. Lindsay will help ensure both are

followed through properly in the powerful Senate Judiciary committee.

**From Q Post #2444 on 11/6/18:**

## **Shift to Senate Judiciary**

Susan Rice wrote an unusual classified memo and sent it to herself on January 20, 2017 (Inauguration Day). Rice was immortalizing an Oval Office meeting from 1/5/17 that she attended.

**From Q Post #1496 on 6/13/18:**

**Nunes/Grassley/Freedom C. push for docs.**

In attendance, besides BHO and SR, were Biden, Comey and Sally Yates. Rice's CYA bizarre memo to herself after she was no longer employed, emphasized BHO stressing "by the book" (BS).

**From Q Post #49 on 11/2/17;**

**Why is Grassley and others held in a secure location?**

Grassley has a longstanding interest in receiving the documents from General Flynn's FBI interview in early 2017. FBI agents Peter Strzok and Joe Pientka interviewed Flynn without his lawyer being present.

**From Q Post #2650 on 1/5/19:**

**CONTROL/POWER?**

**POWER OF THE PURSE.**

Sen. Grassley has been demanding the records of these FBI 302 forms for months. Mueller's court filings have backed up Grassley's hunch in suspecting shenanigans were at play.

**From Q Post #2445 on 11/7/18:**

**TRUST GRASSLEY**

**Senate Judiciary Chairman**

**[House of Cards]**

Patriot Chuck Grassley is truly beloved by Iowa and all of fly-over country. Chuck has always promoted youth internships and mentoring programs.

**From Q Post #2682 on 2/10/19:**

**Prosecution and Transparency is the only way to save our way of life.**

When QAnon states that we should TRUST GRASSLEY, that's good in my book fellow Patriots!

**Hakluyt**

## **Fusion GPS's British Cousin—Meet Hakluyt**

Hakluyt and Company is a British strategic intelligence and advisory firm. The obvious comparison is now being made, between Fusion GPS and it's "shagadelic" British cousin Hakluyt.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR REPUBLIC.**

**There is a reason why the sword is held.**

Hakluyt has offices and clients around the globe. Originally opened in 1995 by several former MI6 agents including prior head Sir Richard Dearlove.

**From Q Post #1929 on 8/20/18:**

**TREASONOUS ACTS [MOVIES 1-3 FULL LIST].**

Hakluyt was renamed to Holdingham Group Limited in 2011. Core services offered by Hakluyt are corporate espionage and opposition research.

**From Q Post #1589 on 6/26/18:**

**ILLEGAL SPYING.**

**FRAME.**

**INSERT ASSETS.**

This shadowy security firm sells competitive intelligence to corporate clients through the use of placed operatives. 'Spooks for Hire' should be engraved on Hakluyt's own front door.

**From Q Post #2703 on 2/12/19:**

**Those who challenge have an agenda or are simply still asleep.**

I described Hakluyt as a cross between Fusion GPS and Stratfor. Stratfor is the Austin/TX based intelligence firm connected to Mossad and the CIA 'Clowns'.

**From Q Post #2694 on 2/11/19:**

**FISA works both ways.**

The work product of Christopher Steele's Trump-Russia Dossier is one example of services that Hakluyt provides to international clients. Steele worked for competitor Orbis which is like Haklyut.

**From Q Post #1286 on 4/27/18:**

**The Brits-raw intel/dossier/5 Eyes.**

Hakluyt's own internal Advisory Board has been populated by several notorious chaps in recent years. The Australian diplomat Alexander Downer, Joseph Mifsud, and U.S. Ambassador Louis Susman are high-profile individuals connected to Hakluyt.

**From Q Post #1238 on 4/22/18:**

**Not 'official' product-5 Eyes.**

Downer helped organize a \$25 million payment to the Clinton Foundation. Downer was directly involved with the Stefan Halper/George Papadopoulos London pub crawl affair.

**From Q Post #2687 on 2/10/19:**

**Why does the FAKE NEWS media continue to attack a so-called 'conspiracy'?**

Downer gained international notoriety in 2004 when he was caught spying on one country while serving as a UN Peace Envoy from yet another country. ObamaGate/SpyGate seems to have reunited this band of global spies.

**From Q Post #1746 on 7/28/18:**

**FISA=START.**

**FISA=IMPLICATES SENIOR MEMBERS OF UK MI5/6/SIS,  
US INTEL, WH, FVEY, R PARTY (CONGRESS/SENATE), OF  
KNOWN CORRUPTION IN EFFORT TO RETAIN POWER  
AND RIG ELECTION.**

Former U.S. Ambassador to the U.K. was Louis Susman. Louis has dutifully earned his nickname of the 'Vacuum Cleaner'.

**From Q Post #1972 on 8/28/18:**

**BIGGER THAN WATERGATE.**

**BIGGEST SCANDAL IN US HISTORY.**

Susman is famous for sucking out money from one source and funneling it out to another. Louis has been a huge fundraiser for BHO/JK/and HRC.

**From Q Post #972 on 3/28/18:**

**Intelligence A's across the globe in partnership to spy on citizens.**

FBI Peter Strzok went over to London on 8/3/16 to meet with Ambassador Downer. The coordination of these foreign intelligence components were synced at the top of the DOJ with final approval always by BHO.

**From Q Post #2729 on 2/15/19:**

**Bigger than the 25th amendment attempt to remove.  
Depth of this is very serious.**

**Halper, Stefan**

## **Planted Trump “Campaign Spy”—Meet Stefan Halper**

Hat tip to Dan Bongino (ex-USSS) for first advancing the ‘Dirty Up’ theory with Trump-Russia. What has become obvious is certain lower level Trump campaign advisors were specifically targeted to have meetings with intelligence assets.

**From Q Post #2489 on 11/12/18:**

**[Placeholder - OIG Report-Umbrella SPY and Targeting].**

These entrapment/sting ops little get together could later be tied into the Russian ‘collusion delusion’ narrative. Elaborate plans and professionally execution was the hallmark of the SpyGate/ObamaGate operations.

**From Q Post #1164 on 4/15/18:**

**Not Public: Five Eyes/UK/AUS POTUS targeting using pushed  
RUS decoy meetings/campaign insertions.**

The DOJ/FBI has not yet officially released the name of these paid ‘meeting planners’ but all eyes are on Stefan Halper. Halper is a syndicated columnist, college professor, defense contractor, past White House Adviser, and has close ties to both CIA/MI6.

**From Q Post #1589 on 6/26/18:**

**ILLEGAL SPYING.  
FRAME.  
INSERT ASSETS.**

Halper arranged several very suspicious meetings with Trump officials during the 2016 campaign. Joseph Misfud worked for MI6 and was a colleague of Halper who assisted with this sting operation.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

In July 2016, Halper set-up a meeting in London with Carter Page just days after Page’s Russia trip that became part of the Steele Dossier. Halper contracted Page to attend a symposium at Cambridge. Globalist featured speakers like Madeleine Albright spoke of Global Politics and the upcoming U.S. election.

In August 2016, Stefan reached out to then co-Chair of the Trump campaign Sam Clovis. According to Victoria Toensing (Clovis attorney) Halper meet

with Clovis in Virginia to offer his expertise in foreign relations. Additionally, offered to assist in the election of candidate Donald Trump with any information that may be of value that Halper might later discover about HRC.

NOTE: On 8/2/16 a gala party was held at the Australian Embassy in London. FBI Peter Strzok flew over to attend this event and specifically meet with Downer/Halper at that embassy.

In September 2016 Halper contacts George Papadopoulos and they agree to have a meeting. Stefan bragged to George repeatedly that his Russian contacts had the missing HRC emails. He offered his personal help and to turn over the emails to the Trump campaign.

### **FUTURE PROVES PAST**

Originally back in May 2016 Papadopoulos was introduced by an Israeli Diplomat to Alexander Downer. George was in London to speak at a lecture and write a paper, under a \$3,000 plus expenses contract job.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR REPUBLIC.**

**There is a reason why a sword is held.**

While out pub crawling at the Kensington Gardens George was overheard by Australian diplomat Alexander Downer, talking about Russian 'dirt' on HRC.

**From Q Post #2725 on 2/14/19:**

**Chatter - Bill and Hillary's 'public' health will begin to rapidly deteriorate.**

This famous off-hand bar talk lead to onset of the Russian collusion narrative. The DOJ points to this 'Intel' as the sole reason used to first launch the FBI's counterintelligence probe into Trump-Russia on July 31, 2016.

**From Q Post #1238 on 4/22/18:**

**Not 'official' product-5 Eyes.**

Records indicate that Stefan Halper has received almost \$1 million from Federal Government over the last several years. Halper was paid to prepare four separate research projects and report findings.

**From Q Post #1935 on 8/27/18:**

**Focus Here "raise troubling questions about Halper, who was**

**believed to have worked with the CIA and part of the matrix of players in the bureaus 'Crossfire Hurricane'.**

Stefan has past ties various intelligence agencies due to his roles with the Nixon/Ford/and Reagan administrations. Halper has been paid to act as an intelligence asset for the CIA in the past.

**From Q Post #2727 on 2/15/19:**

**In the past, what was the punishment re: a TRAITOR?  
Coincidence?**

Halper will be confirmed as one of several paid FBI moles within the Trump campaign. This destroys the previously given timeline and the real origins of the FBI Counterintelligence Trump probe.

**From Q Post #972 on 3/28/18:**

**Intelligence A's across the globe in partnership to spy on citizens.**

IG Horowitz has publicly announced investigations into abuses of the FISC/FISA by the DOJ/FBI. Horowitz/Huber will look for the real basis on the Carter Page Title-1 FISA warrants.

**From Q Post #2724 on 2/14/19:**

**A Traitor's Justice.  
RATS EVERYWHERE.**

The FBI considers July 31, 2016 as the official counterintelligence launch date. Unbelievably, this flawed timeline is based upon Papadopoulos's drunken bar tales and not their SpyGate operations.

**From Q Post #2043 on 8/31/18:**

**UK ASSIST + FISA SURV INCLUDED ALL UPSTREAM  
COLLECTION + TANGENT CONTACTS (UMBRELLA  
SURV).**

Figuring out the real FBI start date will help expose the roots of this traitorous plot. Understanding and connecting the various components of Crossfire Hurricane/Dragon FISA/and Crossfire FISA programs will reveal the truth.

(NOTE: Originally posted at [DustinNemos.com](http://DustinNemos.com))

Lt. Quarles Harris Jr. was found murdered in his parked car in April 2008. Harris was shot in the head and his vehicle was in front of a DC church.

**From Q Post #1454 on 6/11/18:**

**Hussein pallets of cash.**

**Hussein secret auth to convert USD.**

Quarles had worked at the Analysis Corporation as an intelligence operative. Analysis was headed by John Brennan and his company was implicated in the breach of the U.S. Passport Records.

**From Q Post #1887 on 4/15/18:**

**What is JB’s background?**

**Muslim by faith?**

Passport data is contained within the U.S. State Department. State launched an investigation into this affair in April 2008. Computer files showed a breach where BHO’s history was accessed and forensically altered.

**From Q Post #217 on 11/23/17:**

**Clowns In America,**

At the time of Quarles’s tragic murder, he was a key cooperating federal witness. Harris was to meet with several FBI agents on the evening of his murder.

**From Q Post #559 on 1/19/18:**

**HUSSEIN CABINET STAFF.**

**Who used private email addresses.**

**JB.**

Quarles has already told authorities of his and another co-conspirator’s (Rodney Quarles-oddly similar) involvement with changing BHO’s records. With a confession in hand the inquiry should have had some momentum to move forward.

**From Q Post #2657 on 1/6/19:**

**What was BRENNAN’s background re: SAUDI ARABIA?**

In an attempt to mask changing only BHO’s travel history Quarles went back in days later to altered both HRC and No Name’s passport files as well.

**From Q Post #571 on 1/21/18:**

**Fear the Storm.**

**NOBODY PLAYING THE GAME GETS A FREE PASS.**

BHO later admitted to a previously undisclosed trip to a Pakistan during his college days in 1981. One heck of a field trip and to keep it under wraps until pressed on the subject-vintage BHO.

**From Q Post #1380 on 5/16/18:**

**No Such Agency vs Clowns In America.**

Of very odd note was the bizarre death of reporter Michael Hastings. Hastings was looking into the murder of Quarles Harris when he died in a very suspicious auto accident.

**From Q Post #2933 on 3/3/19:**

**No punishment [Brennan] by HUSSEIN ADMIN re: SURV of Senate etc.**

**Higgins, Rich**

## **NSC's Rich Higgins Memo—Red Flare POTUS Warning**

In late May 2017, Rich Higgins at the NSC wrote a 7-page memo outlining a 'Deep State Coup' against POTUS. This got Rich fired on 7/21/17 by NSA McMaster.

**From Q Post #2478 on 11/11/18:**

**Let the unsealing begin.**

**Let the DEC[L]AS begin.**

**JUSTICE UNDER THE LAW.**

Higgins did, however, have some correct assumptions and accurate predictions. Operation Crossfire Hurricane would be one component of an elaborate coup coined ObamaGate.

**From Q Post #2729 on 2/15/19:**

**Bigger than the 25th amendment attempt to remove.**

**Depth of this is very serious.**

Higgins came from the Pentagon over to NSC and was part of the famed 'FlynnStones.' This crew of close inner-circle staffers of NSA Mike Flynn (McFarland/Cohen-Watnick/Kellogg), were all loyal and dedicated Patriots.

**From Q Post #867 on 3/6/18:**

**Who are we taught to trust the most?**

Higgins worked in the Strategic Planning Office of the NSC. Rich was an early hire by Flynn and along with Ezra Cohen-Watnick was targeted by McMaster.

**From Q Post #2640 on 12/21/18:**

**What was the 16-year plan to destroy America?**

Rich's main memo theme was that Trump was facing a coup plot comparable to a Mao type insurrection from the Deep State. Higgins could not have been more correct and omnipotent in warning President Trump of this danger.

**From Q Post #2572 on 12/10/18:**

**Drops 'layered' to provide 'advance knowledge'.**

Rich also points out the combination of the Progressive Hard Left/Cultural Marxist with the Radical Islamic Movement (Muslim Brotherhood). A sinister Red/Green Axis was formed to fundamentally transform America.

**From Q Post #953 on 3/17/18:**

**TRAITORS EVERYWHERE.  
AMERICA FOR SALE.**

Higgins' coup plot elements involve the weaponized DOJ and Leftist 'resistance' in coordinated attacks. BHO's Organizing For Action (OFA) is the main quarterback directing the attacks on POTUS.

**From Q Post #1661 on 7/1/18:**

**What role can NSA play?**

Rich hints at a larger conspiracy, like a '16-Year Plan.' The goal has always been to bring down President Donald Trump at all cost to regain control and power.

**From Q Post #2640 on 12/21/18:**

**THE AMERICAN PEOPLE ARE WAKING UP TO THE  
TRUTH.**

Look how many failed coup plotters will face huge criminal charges. ObamaGate/SpyGate include incredibly many married couples: Ohr's/Strzok's/McCabe's/Dunn-Bauer/Murray-King.

**From Q Post #570 on 1/21/18:**

**[The 16 Year Plan To Destroy America]**

Thanks to POTUS' direct order, we have the return of Ezra Cohen-Watnick. Ezra has been tasked to the DOJ. Flynn's protege Ezra will help straighten things out fast over at the DOJ.

**From Q Post #2219 on 9/19/18:**

**None are protected.**

**None are safe.**

John Bolton has been doing a much-needed house cleaning at NSC. IG Horowitz's upcoming 2.0 Report will deal with FISA, Dossier and SpyGate activities.

Note: Please check out Rich Higgin's interview in the Daily Caller reference link. General Flynn is POTUS' ace in the hole and all will be finally revealed in 2019-year of Justice.

**Hodgman, Melissa**

**(Answer is:) Mrs. Peter Strzok**  
**(Question:) Who is Melissa Hodgman?**

Melissa Hodgman is the Associate Director (Enforcement Division) of the Securities Exchange Commission. Melissa was promoted to her position on 10/14/16.

**From Q Post #1742 on 7/28/18:**

As Dan Bongino (ex-USSS) often says “Dates are important.” As we also know by now that there are no coincidences.

**From Q Post #1621 on 1/28/18:**

**You have more than you know.**

**Fireworks.**

Melissa has been with the SEC since 2008. She is married to fired FBI Counterintelligence agent Peter Strzok and they have 3 children.

**From Q Post #1278 on 4/26/18:**

**National crisis.**

**Reveal gmail draft comms.**

The two met while attending college at Georgetown University. They are still married after Peter’s firing and the ‘sp-call’ love affair with Lisa Page.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.**

**THE WORLD IS WATCHING.**

Melissa graduated from the School of Foreign Service from Georgetown. There have been rumors swirling for years, about Georgetown being a primary recruiting ground for various intelligence agencies and covert services.

**From Q Post #247 on 12/4/17:**

**Who is Melissa Hodgman?**

**Date of promotion of wife?**

**Follow the wives.**

Let’s recall in October 2016 that Melissa gets a huge promotion at the SEC. Hodgman was overseeing SEC investigations into the Clinton Foundation (CF) for the last several years under her enforcement division.

**From Q Post #1278 on 4/26/18:**

**Reveal gmail draft comms.**

Promotion occurred while her husband Peter was neck-deep in operation Crossfire Hurricane. Strzok and FBI Attorney 'lover' Lisa Page were planning an 'Insurance Policy' against candidate and later President Trump.

**From Q Post #2158 on 9/11/18:**

**Panic in DC**

**Lisa Page testifying against Peter Strzok.**

Fired FBI Deputy Director Andy McCabe's office was where these plans were first hatched. This Justice Department group called themselves the 'small group' or the 'Secret Society'.

Four-Phase Coup Plot (Crossfire Hurricane):

- Completely exonerate HRC/Aides
- Fabricate Dossier to damage Trump
- FISA Title-1 Surveillance on Trump World
- Final stage 'Insurance Policy' would be the removal of the POTUS.

Of interest are the text messages exchanged between Strzok and Lisa Page. Apparently, they were having an affair and exchanged 50,000 during this critical time of late 2016 and early 2017.

**From Q Post #586 1/22/18:**

**Discussed the assassination (possibility) of the POTUS.**

**AS THE WORLD TURNS.**

Only a small portion have been declassified and made public. Inquiring minds want to know do any messages reveal plans of physical harm or assassination discussions?

**From Q Post #250 on 12/4/17:**

**Date Peter/Comey cleared Weiner emails?**

**Date wife was promoted?**

**Do you believe in coincidences?**

Remember Peter Strzok lead both the Clinton and Trump investigations. Additionally, Strzok interviewed HRC/Mills/Abidin/Flynn and later was placed on the Robert Mueller's Team.

**From Q Post #1743 on 7/28/18:**

**Was the Truth revealed re: FISA/Dossier?**

In this entire corruption scandal commonly known as ObamaGate/SpyGate there are a surprising number of married 'dirty' couples. The law preventing testimony against each other may have been a selection factor.

**From Q Post #1271 on 4/25/18:**

**Note 187.**

In addition to the Strzok's others are McCabe's / Ohr's / Dunn and Bauer / Murray and King / Abedin and Weiner.

**From Q Post #2700 on 2/12/19:**

**Establish 'financial checks/reviews' of those in senior (critical) positions (audits) + direct family (close proximity).**

IG Horowitz/SP Huber's 2.0 report over FISA abuses and SpyGate is expected soon. [MOVIE 3] is about the begin!

<https://saraacarter.com/trump-i-plan-to-declassify-and-release-all-fisa-docs/>

**Holder, Eric**

## **Eric “Take the 5<sup>th</sup>” Holder-No Free Passes**

Eric Holder [EH] was the first African American to serve as US Attorney General. Holder was appointed in 2009 and demonstrated his unwavering loyalty to BHO time after time.

**From Q Post #36 on 11/2/17:**

**How does Soros, Obama, Clinton, Holder, Lynch, etc all net many millions of dollars (normally within a single tax year).**

Many political scandals occurred under Holder’s watch at Justice while none ever touched BHO. The protection of BHO is the central axis point of the political corruption known as ObamaGate.

**From Q Post #1431 on 5/20/18:**

**Those who are the loudest...  
Suicide weekend?  
Pain.**

Holder also holds the dubious title of the first Attorney General to be held in contempt of Congress. Eric would ultimately be forced to resign in 2015.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

Holder outright refused to answer scandal related questions (took the 5th) about Fast and Furious to oversight committees. Not many high office holders have ever thumbed their nose at our Congress and outright refused to answer basic questions under oath.

**From Q Post #1889 on 8/15/18:**

**“Firewall”**

Holder’s successor for Attorney General was Tarmac Queen, Loretta Lynch (aka Elizabeth Carlisle). We wonder today if things went from bad to worse with this change at the top of Justice.

**From Q Post #1589 on 6/26/18:**

**LL IS KEY to CONNECTING to WH /  
HRC/BC/JB/JC/SP/EH.....**

Holder has his fingerprints on a wide range of political scandals. Here are just a few of the all-time BHO favorites:

- IRS Targeting of Conservatives
- Fast and Furious Scandal
- Refused to Prosecute Voter Fraud
- ATF Agent Brian Terry's Murder
- Ferguson, Missouri Riots
- Iran Nuclear Deal/Hostage Payoff
- Defense of Marriage Act
- Punishing select Journalists
- Private non-GOV email accounts
- Withholding FOIA Documents
- Contempt of Congress

As we know from QAnon, an evil plan was concocted involving the USSC (AS) vacancy. A President HRC would fill the empty seat (Cass Sunstein) and make Lynch wait for RBG to step down.

**From Q Post #1149 on 4/15/18:**

**LL remains AG HRC.**

**HRC appoints new AS replacement.**

**RBG steps down.**

**LL steps up.**

**New AG**

**'The Plan'.**

I feel that we will hear from Eric Holder again in the months to come. IG Horowitz and SP Huber are going to claw-back past crimes that got a DOJ pass.

**From Q Post #151 on 11/14/17:**

**How do you capture a very dangerous animal?**

ObamaGate/SpyGate prosecutions will keep folks busy for a while. There are many unjust prosecutions that need to be reviewed and with possible reversals.

**From Q Post #1071 on 4/7/18:**

**EH CA.**

**Relevant soon.**

Remember what QAnon has said about the top-tier ObamaGate/SpyGate failed coup criminals:

**From Q Post #868 on 3/6/18:**

**No Free Passes**

**Horowitz, Michael**

## **Ringmaster Horowitz's FISA/SpyGate Report Due Soon—BOOM**

The Ringmaster is the master of ceremonies that introduces the “circus acts” to the audience. Inspector General (IG) Michael Horowitz is such a skilled Ringmaster.

**From Q Post #2462 on 11/9/18:**

**Who is HOROWITZ?**

**Mandate charged to HOROWITZ?**

**Resources provided to HOROWITZ?**

IG Horowitz's 2.0 report will be on FISC and FISA abuses by the DOJ and FBI during the 2016 campaign. Also expected, are the SpyGate elements and insertion of paid intelligence assets into President Trump's election campaign staff.

**From Q Post #2555 on 12/5/18:**

**WHITAKER, HOROWITZ, HUBER, and WRAY.**

**Long meetings held within a SCIF [unusual].**

Carter Page's FISA application release seems to be synced now with the OIG's next report. Horowitz has additionally been given handling of the forthcoming total DECLAS ordered by POTUS.

**From Q Post #2681 on 2/9/19:**

**Barr meeting Huber and OIG.**

**OIG report.**

IG Horowitz and his hundreds of lawyers have been working since January 12, 2017 on several investigations. Reports on the McCabe and HRC probes have already been publicly released.

**From Q Post #2489 on 11/12/18:**

**[Placeholder - OIG Report & Findings]**

The OIG has been doing its primary assigned job which is oversight of the DOJ and FBI. The stage is set for the next drop and indications are it will be huge.

**From Q Post #2489 on 11/12/18:**

**[Placeholder - OIG Report > Umbrella SPY and Targeting]**

Phase Two is finalized and focuses on FISA Court abuses by the DOJ and FBI. Carter Page's Title-1 Surveillance warrants and sinister interactions by

Stefan Halper in 2016 will be the focus.

**From Q Post #1318 on 5/7/18:**

**“Horowitz oversees a nationwide workforce of more than 450 special agents”**

Horowitz has been working in secret conjunction with Utah U.S. Attorney John Huber. This combination according to historian Jonathan Turley is far better than appointing a second Special Counsel.

**From Q Post #1563 on 6/19/18:**

**Text B missing and takes (4) attempts to recover due to ‘glitch’.  
Text B supplied in IG report.**

Huber was assigned secretly by Stealth Jeff back in November 2017. Secrecy and no comment was the way things used to always be handled by the DOJ

**Post Q 2839 on 2/20/19:**

**Mueller must deliver report to DOJ prior to OIG releasing next installment.**

**You will understand why in the coming weeks.**

SP Huber has full prosecuting authority over all of these following open investigations by IG Horowitz:

- HRC Server/Email
- FISA Court/Dossier/Halper
- SpyGate/Crossfire Hurricane
- Clinton Foundation/U1

Huber was secretly appointed by AG Sessions as a Special Prosecutor to help the OIG. Huber adds prosecutorial teeth to Horowitz and assistance in rooting out corruption at the top echelons of the DOJ, FBI, State and Intelligence agencies.

**From Q Post #1517 on 6/16/18:**

**IG started long before Huber setting stage.**

**IG = FBI**

**Huber = DOJ (no DC)**

Horowitz was appointed under BHO and was a carry-over into the Trump Administration. Sally Yates never allowed Horowitz to review the National Security departments of either the DOJ or FBI.

**From Q Post #2501 on 11/25/18:**

**WHITAKER (in conjunction w/OIG) approved the release of CLAS docs 1-4.**

National Security Departments were the central locations of the ‘Secret Society.’ This small group of upper level, 7th Floor officials, planned the SpyGate coup plot.

**From Q Post #1553 on 6/18/18:**

**Noting that Huber would be “conducting his work from outside the Washington D.C. area” and “in cooperation with Horowitz.”**

Horowitz will eventually become a household name when the public justice phase is launched. A total of 7 major reports are due with HRC and McCabe 1.0 reports the first ones completed and publicly released.

**From Q Post #2676 on 2/9/19:**

**DECLAS?**

**OIG release of findings?**

**“This is not another 4-year election.”**

My understanding is that they will all get progressively worse as they are made available. Big BOOMS are forthcoming from IG Horowitz and SP Huber

**From Q Post #2487 on 11/11/18:**

**[Placeholder - DECLAS GEN\_pub]**

Hopefully, with AG Barr and Whitaker helping, the unsealing can finally begin. Let’s all remember that Utah still has fair grand juries and carries the death penalty.

**From Q Post #2397 on 11/3/18:**

**-OIG works w/ HUBER (important to remember)**

We all recall the many riveting personal text messages between Strzok and Page. Also uncovered was a ‘physical threat’ to POTUS and his wonderful family.

**From Q Post #2548 on 12/4/18:**

**What case(s) is HUBER + OIG + team of 470 currently working on?**

FBI staff like Peter Strzok and Lisa Page went from exonerating HRC over to the DOJ/FBI Trump-Russia investigation. Some staffers were then placed onto Robert Mueller’s investigative team for strategic treasonous reasons.

**From Q Post #1122 on 4/10/18:**

**TRUST HOROWITZ.  
TRUST HUBER.**

I can't wait to see the big-league dump coming soon from 'Ringmaster' Horowitz. Get your popcorn ready as this may ignite the fuse for the final [MOVIE]!

**From Q Post #2912 on 3/1/19:**

**Carpet bombs are OK.  
Tactical nukes are better.**

**Hothem, Eric**

## **White House Looting Clinton Mystery Man—Meet Eric Hothem**

Long time I/T expert to Slick Willy and Staff Assistant to HRC was noted mystery man Eric Hothem. Hothem is on record as of 2/1/2008 as the original owner of the 'clintonemail.com' domain.

**From Q Post #1552 on 6/15/18:**

**CF investigation ongoing.**

Hothem is further credited with firing up this new account/server on the same day HRC is confirmed in 2009. Eric would not handle the daily technical duties rather those chores went to HRC aides Bryan Pagliano and Justin Cooper.

**From Q Post #1220 on 4/21/18:**

**Clinton Foundation conflicts of interest.**

**Pharma alliance.**

**HRC/BC.**

Confusion centers around the oblivious false pseudonym given as Eric Hoteham not as Hothem. This secret agent stealth approach by Eric seemed to have fooled no one in the least.

**From Q Post #1512 on 6/15/18:**

**Note CF children drop in the IG report.**

**Important.**

In addition to the main email account created for HRC accounts were given to Huma Abedin/Chelsea Clinton/Justin Cooper/Cheryl Mills and Brian Pagliano. Each were given their own personal email addresses on this 'homebrew' system.

**From Q Post #2698 on 2/12/19:**

**[Controlled by those that worked for the Clinton's.**

**They have ZERO control now.**

The existence of this server was first publicly uncovered during the Benghazi hearings. No special encryption safeguards or security enhancements were ever installed onto the private Clinton computer/server system.

**From Q Post #2876 on 2/22/19:**

**CLINTON PANIC.**

**CLINTON FEAR.

Hothem was directly involved with the 2001 departure looting of the White House. Eric told the White House Usher Gary Walters when questioned about the vast removal of historical items saying “It all now belongs to the Clinton family now-period!”

**From Q Post #524 on 1/13/18:**

Hothem was questioned by several Congressional Committees about his role in the Roger Clinton Presidential Pardon. Roger himself refused to give testimony after receiving a large cash deposit via bank wire transfer from Hothem’s own bank account.

**From Q Post #3045 on 3/13/19:**

**Did a Foreign State gain access to the SAP/SCI material on the server?

# **House Intelligence Committee**

## **Devin's Phase Three Target — John “Bullseye” Brennan**

Devin Nunes/House Intelligence Committee is currently working on Phase Three of corruption investigations. This phase has emphasis on the Steele Dossier and the interactions between members of BHO's Intelligence Community and John Brennan [JB].

**From Q Post #2933 on 3/3/19:**

**No punishment [Brennan] by HUSSEIN ADMIN re: SURV of Senate etc.**

Phase One was primarily focused on the misconduct in the DOJ/FBI. Phase Two looked at the 2nd Clinton Dossier (Blumenthal/Shearer) that was run through the US State Department via Jonathan Winer and Victoria Nuland.

**From Q Post #717 on 2/10/18:**

**Public: FBI/DOJ/O-WH/SD.**

**Private: Clowns Clowns Clowns.**

**Expand your thinking.**

Ex-CIA Director [JB] is now the key person in the Third Phase of House Congressional oversight work. Brennan is the central figure in getting Senator Harry Reid in August 2016 to contact FBI Director Comey over the Steele Dossier.

**From Q Post #1763 on 7/30/18:**

**Those that you are taught to trust the most.**

**Dark to LIGHT.**

Comey was advised by Senator Reid to launch an official counterintelligence probe into Candidate Trump. The evidence that Brennan passed along was the fake Steele Trump-Russia Dossier.

**From Q Post #1589 on 6/26/18:**

**LL IS KEY to CONNECTING TO WH /**

**HRC/BC/JB/JC/SP/EH.....**

Brennan goes back to doing White House intel briefings for then President Bill Clinton. [JB] worked for many years at the CIA and was station chief in Saudi Arabia (Strzok was briefly stationed there).

**From Q Post #1887 on 8/15/18:**

**What is JB's background?**

Brennan left government work temporarily in 2005. [JB] would become the CEO of The Analysis Corporation (TAC) and be involved with shady deals.

Brennan's TAC was found out and later admitted to being involved with the breaking-in/ unauthorized access to the US Passport Office files. Lt. Quarles Harris was an employee of TAC and has admitted to performing this intrusion prior to his unexplained 2008 murder.

**From Q Post #1892 on 8/15/18:**

**NEVER FORGET.  
BLACK OPS AGAINST THE USA.  
TOTAL TAKEOVER OF OUR COUNTRY.  
WHAT NO-AGENCY LEAKED THE DATA?  
TRAITORS ALL.**

Passport files that were changed or altered by this computer intrusion were BHO/HRC/and No Name. BHO had JB consulting his 2008 Presidential Campaign and later as the CIA Director.

**From Q Post #559 on 4/19/18:**

**Who used private email addresses?  
JB.**

I feel [JB] will be singled out as one of the main criminal masterminds. Brennan can be spotted these days on any number of MSM cable news shows crying about the pulling of his security credentials.

**From Q Post #2663 on 1/7/19:**

**WIA military personnel targets of the program?  
PTSD+.  
The hole is deep.**

Brennan helped produce the fake Benghazi video, the very suspicious BHO birth certificate and is mentioned in several key Strzok/Page texts. [JB] played a central role in quarterbacking all operational facets for ringleader BHO.

**From Q Post #951 on 3/15/18:**

**March madness.  
The public will know soon.**

Daily new evidence all points toward coordination with the DOJ/FBI's 'Secret Society' under Crossfire Hurricane/Dragon FISA. Popcorn a plenty will be needed as we enter 'March Madness'!

**From Q Post #2682 on 2/10/19:**

## **Prosecution and Transparency is the only way to save our way of life.**

**To all those that doubted SESSIONS and HUBER you ALL  
WILL PAY THE PRICE VERY SOON.**

The DOJ cancelled Huber’s expected testimony to the U.S. House on December 13, 2018. Rep. Mark Meadows wanted an update regarding the ongoing DOJ probe of the Clinton Foundation (CF).

**From Q Post #1517 on 6/16/18:**

**IG started long before Huber setting stage.**

**IG = FBI.**

**Huber = DOJ (no DC).**

SP Huber and IG Horowitz have been conducting extensive internal reviews of the DOJ/FBI. In this unique setup Horowitz acts like the FBI for the investigations and Huber acts as the DOJ for the prosecutions (Pain and Justice).

**From Q Post #2555 on 12/5/18:**

**WHITAKER, HOROWITZ, HUBER, and WRAY.**

**Long meeting held within a SCIF [unusual].**

Horowitz/Huber first were focused on the misconduct by the DOJ/FBI over the HRC investigation. Horowitz/Huber’s scope has now expanded to include FISA/Dossier/SpyGate/Halper/and U1 probes of criminal misconduct.

**From Q Post #1682 on 7/24/18:**

**Who does Huber report to [directly].**

OIG Horowitz’s 1.0 500-page report on the HRC investigation showed a bias and a deliberate effort to exonerate HRC prior to the completion of the investigation.

**From Q Post #2462 on 11/9/18:**

**Who is HUBER?**

**Mandate charged to HUBER?**

**Resources provided to HUBER?**

Horowitz's upcoming 2.0 report concerns FISA/FISC abuses and the activities of Stefan Halper in SpyGate. The entire Crossfire Hurricane plot will be the main focus by Horowitz/Huber.

**From Q Post #1644 on 6/28/18:**

**Timing is everything.**

**Think Huber.**

Huber has been referred affectionately as a "Jock with the soul of a Geek." Big John was a very smart former college football player and that helps with the overall personal 'smart jock' image.

**From Q Post #2604 on 12/12/18:**

**HUBER will bring SEVERE PAIN TO DC.**

Huber has been serving in various positions in the Utah District U.S. Attorney's Office since April 2002, after talking the helm in 2015. Always considered a straight shooter Huber has always left politics at the door.

**From Q Post #2253 on 9/22/18:**

**FISA DECLAS WILL BRING THE HOUSE DOWN.**

Professor Jonathan Turley said the combination of Huber's prosecutor abilities along with that of the investigational tools of IG Horowitz's large staff, that should do the job in place of a second appointed Special Counsel.

**From Q Post #1232 on 4/21/18:**

**Ready to play?**

**MOAB incoming.**

Sen. Orion Hatch has praised Huber's independence and his outside-of-the-DC-Swamp perspective on many critical issues. Huber has many supporters from both sides of the DC political aisle.

**From Q Post #1660 on 7/1/18:**

**Ask yourself-does Huber have the ability to file across all 50 states?**

Horowitz/Huber have been hunting government criminals for over a year. Their specialty is exposing foreign LURES, domestic spies, and traitors.

**From Q Post #2676 on 2/9/19:**

**ZERO leaks re: HUBER?**

**ZERO.**

Do not mistake 'public' silence for inaction.

Please note that Utah still carries the death penalty and has access to impartial non-swamp juries. QAnon has hinted about MOAB which is a Utah city.

**From Q Post #1122 on 4/10/18:**

**TRUST HOROWITZ.**

**TRUST HUBER.**

Captain Jeff (TRUST SESSIONS) had kept the Huber appointment a secret for a long time. Now 'Stealth Bomber' Whitaker will assist AG Barr/Huber/Horowitz/and Durham/others with the cleanup-justice phase.

**From Q Post #2561 on 12/6/18:**

**When was HUBER activated by SESSIONS?<<<<<<**

**Who was/is assigned to HUBER?**

Another reason for Huber's selection is that Utah has large uranium (U1) mining operations. Utah may very well become the base of prosecutions for the U1 case.

**From Q Post #2397 on 11/3/18:**

**OIG works w/HUBER [important to remember].**

Coincidentally NSA maintains a super computer data facility that's handy to Huber. Wizards and Warlocks are actively at play in forming half of the 'Keystone'.

**From Q Post #2662 on 1/6/19:**

**'That can only happen through a federal grand jury investigation headed by John W. Huber, the U.S. Attorney in Utah who has been appointed to investigate FISA criminality by the Obama FBI and DOJ.'**

Jurisdiction will come into play due to location of these many uranium mines. Also untainted grand juries can be empaneled for the indictment phase.

**From Q Post #1552 on 6/18/18:**

**Weiner HRC / Others-crimes against children.**

**Noose.**

**Ref to Huber?**

Huber has spoken up previously on behalf of both "Kate's Law" and "No Sanctuaries Act." Horowitz's 2.0/FISA/DECLAS/Unsealing should start to drop in the near future-MOAB BOOM!

**From Q Post #2681 on 2/9/19:**

**Barr meeting with Huber and OIG.**

**...Barr/Whitaker re: DECLAS, SC report, Huber, etc....**

# **Insurance Policy**

## **Insurance Policy—What's Next After “Crossfire Hurricane?”**

Just like coming to the final song at a concert or the final act in a play, DOJ's Small Group/Secret Society is out of options. The fourth phase of Operation Trump was the Insurance Policy option.

**From Q Post #2731 on 2/15/19:**

**[2] accounted for?**

**IDEN remaining incoming.**

Claimed to be officially started on 7/31/16 was the FBI's Russia Counterintelligence probe nicknamed Crossfire Hurricane. Additional parallel plans like Crossfire FISA and Operation Dragon were conducted by the DOJ/FBI.

**From Q Post #1728 on 7/27/18:**

**Unauthorized missile fired.**

**POTUS AF1.**

**Biggest threat to the American people.**

As this Deep State Cabal watches in combined disbelief their professional pre-laid plans crumbled one by one. Dire panic has truly now set in and is being displayed in desperate attempts to change the current narrative.

**From Q Post #1743 on 7/28/18:**

**Was the Truth revealed re: FISA/Dossier?**

This criminal group from within our own government even met off-campus on more than one occasion. Cabal members tried to refine their coup plot against our great POTUS.

**From Q Post #2914 on 3/2/19:**

**Time to reveal our insurance policy?**

I firmly believe that some of the Strzok/Page text messages will reveal a diabolical scheme against President Trump/Family. Devin Nunes has been pushed hard for all of the DOJ/FBI documents concerning SpyGate and Crossfire Hurricane operations.

**From Q Post #2042 on 8/32/18:**

**UK ASSIST + FISA SURV INCLUDED ALL UPSTREAM  
COLLECTION + TANGENT CONTACTS (UMBRELLA  
SURV).**

Please check out the Kevin Jackson interview on FOX, (see the video on The Hill below) where he broaches the ‘Assassination’ topic. Kevin shocked the FOX network hosts and got the assassination talk instantly quashed.

**From Q Post #2723 on 2/14/19:**

**A Traitor’s Justice.  
RATS EVERYWHERE.**

Devin Nunes has said that if there was a “Spy or Two” inserted into the Trump campaign that is a ‘Red Line’ no American will accept. If there are documented assassination discussions against POTUS/FAMILY that is another line that will not be tolerated.

**From Q Post #586 on 1/22/18:**

**What would happen if texts originating from a FBI agent to several [internals] discussed the assassination of the POTUS or member of his family?**

OIG Horowitz/SP Huber have added the “SpyGate” element to their existing second phase DOJ probe. Fingers crossed and popcorn ready for this much anticipated 2.0 report due out soon.

**From Q Post #2885 on 2/24/19:**

**They NEVER thought Crooked Hillary would lose.**

The Small Group Cabal always was big on nicknames like the phrase “Mid-Year Exam” (MYE), in reference to the HRC Email/Server “matter”.

**From Q Post #2554 on 12/5/18:**

**WHITAKER, HOROWITZ, HUBER, and WRAY.**

Long meeting held within a SCIF [unusual].

Of sad ironic note is the use by the Black Hats of this nickname in terms of an American tragedy. Recently deceased famed JFK investigator Jim Marrs, purposely named his classic book “Crossfire: The Plot That Killed Kennedy”.

**From Q Post #2729 on 2/15/19:**

**Bigger than the 25th amendment attempt to remove.**

Depth of this is very serious.

There is a church outside of DC aka the Secret Society’s Clubhouse, that was at that time being monitored and recorded by the NSA White Hats. It is unbelievable but ‘these people as so stupid’!

**From Q Post #2682 on 2/10/19:**

**Jarrett, Valerie**

**(Answer is:) BHO's Iranian Consigliere—  
(Question:) Who is [VJ]**

Valerie Jarrett [VJ] was born in Shiraz, Iran and served BHO as his most Senior Adviser. The Italian Mob calls a Capo's top counselor the Consigliere and is undoubtedly the most fitting title for Jarrett.

**From Q Post #1510 on 6/15/18:**

**Why are Hussein records sealed?**

Jarrett was the sole gatekeeper of the Oval Office and was the 'fixer' to many of the Obama era scandals. Valerie was the hand that gave or slapped back political favors from the White House.

**From Q Post #1887 on 8/15/18:**

**What is VJ's background?**

**Muslim by faith?**

Roseanne Barr refocused public attention back upon Valerie Jarrett via "Planet of The Apes." [VJ] was a key cover-up figure from the dreaded BHO scandal ridden era.

**From Q Post #2708 on 2/14/19:**

**RT**

**Night crawl active**

**[3]**

Decode: Maybe [VJ] in surveillance pics?

It is without dispute that all major decisions coming from the BHO White House were run by and approved by Jarrett. Valerie relished her powerful gatekeeper Oval Office Consigliere position.

**From Q Post #1948 on 8/28/18:**

**Who is Valerie Jarrett?**

**Where was she born?**

Jarrett continues in her predominant role as she has moved into BHO's swank DC mansion. This is the new command headquarters for the Progressive Leftists 'resistance.'

**From Q Post #1235 on 4/22/18:**

**Don't forget about Huma.**

**AWAN.**

**VJ.**

VJ's fingerprints and stench are all over these infamous BHO scandals:

- Fast and Furious (AG Holder lying)
- Libya/Benghazi Stand-Down Order
- Journalists Files/Computers Seized
- Secret Service-Prostitution Deal
- Edward Snowden NSA Leaks
- Imran Awan's Pakistani Spy Cabal
- BHO's "Sniffer" Routing Military
- Excessive Drone Strikes/Kills
- HRC Email/Server Handling
- Tarmac Meeting Coverup

In recent times [VJ] has taken to the MSM to announce that BHO had no real scandals during his two terms. As the ObamaGate/SpyGate scandals unfold, [VJ] may need to revisit that statement.

**From Q Post #1828 on 8/9/18:**

**[SPY OP].**

**[WH [Hussein] [VJ] [DM] [JB] [RE]**

Jarrett comes from a family of hard communist sympathizers. Her father-in-law, Vernon Jordan, was a noted author and community activist of some notoriety.

**From Q Post #50 on 11/2/17:**

**Where is BO today?**

**Where is VJ?**

**Alice & Wonderland.**

Yes, it does seem that many BHO governmental officials had secret email accounts. Gmail 'ghost draft' emails, Xbox Live Chats and HAM radios were all utilized with the blessing of BHO.

**From Q Post #559 on 1/19/18:**

**Who used private email addresses?**

**VJ.**

Jarrett is credited with spearheading the Muslim-Communist infiltration within the USA. [VJ] will be back in the news with the upcoming release of OIG Horowitz's 2.0 investigative report.

**From Q Post #1098 on 4/8/18:**

**Why did HUSSEIN PROTECT ISIS?**

Jarrett will be shown as having a central role in ObamaGate/SpyGate. It was bad enough when we had to battle one Jarrett but this crowd is steeped in nepotism with Jarrett's daughter being implanted over at CNN.

**From Q Post #1828 on 8/9/18:**

**[SPY OP].**

**[WH [Hussein] [VJ] [DM] [JB] [RE] [[[JK]]]**

Laura Jarrett (no real journalistic background), is the Justice Department correspondent for CNN. Laura worked there at the time the network was helping to setup Trump with the fake Steele Dossier and Russian collusion narrative.

**From Q Post #669 on 2/5/18:**

**VJ phone call w/ AS.**

Make no mistake, Valerie Jarrett is still BHO's tip of the 'Resistance Spear.' Valerie has the final say as Consigliere stating "It will never happen" about Michelle running for elected office.

**From Q Post #2885 on 2/24/19:**

**They NEVER thought Crooked Hillary would lose.**

**Johnson, Ron**

## **Thankfully White Hat Senator Johnson—Picking at Those FBI Scabs**

Senator Ron Johnson chairs the powerful Homeland Security and Governmental Affairs. Ron keeps probing and needling the FBI for relevant documents.

**From Q Post #1698 on 7/25/18:**

**You owe it to your country.**

**We stand with you.**

**The time is now.**

Ron knows that there are many ‘scabs’ that may turn into open wounds if he just keeps picking at them all. This is a model more Republicans should employ to assist in the needed cleanup of the DC ‘swamp’.

**From Q Post #1498 on 6/14/18:**

**[ | RR | ] approved/signed FISA-warrant application(s) to extend surveillance on POTUS/others.**

Senator Johnson keeps requesting from FBI Director Wray select documents that will unveil the truth. Wray works under President Trump and the country may need POTUS to intervene for DECLAS.

**From Q Post #436 on 12/22/17:**

**[FISA 2]**

Documents requested by Johnson’s Homeland Security and Government Affairs Committee (HSGAC) from Wray is directed at 16 current/former FBI/DOJ officials. Coordination with Office of Inspector General (OIG) Horowitz’s ongoing investigations should bring ‘light to dark’ with ObamaGate/SpyGate.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.**

**THE WORLD IS WATCHING.**

Officials involved for all documents from 1/15/15-Present below FBI key players:

Comey / McCabe / Strzok / Page / Rybicki / Bowdich / Giacalone / Baker / Turgal / Moffa / Anderson / Priestap / Toscas / Coleman / Brooks / Kortan

**From Q Post #1842 on 8/11/18:**

**Do you believe in coincidences?**

### **We have the source.**

Senator Johnson has been probing the FBI hard in recent time. He has raised several critical questions concerning past actions and conduct about several ongoing political corruption inquiries.

Text messages between Page/Strzok  
1-month delay with Weiner's Laptop  
Texts referring to BHO's "Knowledge"  
Documents from 16 Top FBI Agents  
Truth about "Secret Society"  
Details about the "Insurance Policy"

**From Q Post #2731 on 2/25/19:**

**[2] accounted for?**

**IDEN remaining incoming.**

The only way to get the truth behind all of these troubling questions is via documents followed by sworn testimony. Then the FISA/DECLAS will be the 'Hammer' to drive home the nails.

**From Q Post #1164 on 4/15/18:**

**Public: Dossier FISA.**

Senator Johnson certainly seems to be wearing a "White Hat" as he keeps picking at the FBI scabs. Ron is hoping to turn scabs into open wounds!

**From Q Post #2682 on 2/10/19:**

**Prosecution and Transparency is the only way to save our way of life.**

**Jones, Dan**

## **Dan Jones—Common Name That Soon May Become “Household”**

When will the ‘Progressive Leftists’ finally give up and accept the reality of a President Donald Trump? Daniel Jones is a former Senate Intelligence Committee staffer of Sen. Diane Feinstein and also a past FBI Official.

**From Q Post #2912 on 3/1/19:**

**Carpet bombs are ok.**

**Tactical nukes are better.**

Devin Nunes sent 42 names of current and former government officials to testify in public hearings. These hearings will be in front of a special selected U.S. Congressional Task Force.

**From Q Post #2657 on 1/6/19**

**C\_A 'illegal' SURV > SENATE INTEL COMM?**

Daniel Jones is part of this select lot and will have to explain his continued post-election “Trump Dossier” quest. Some folks just don’t realize when they have been totally defeated and refuse to accept the reality of current events.

**From Q Post #1345 on 5/12/18:**

**THEY NEVER THOUGHT SHE WOULD LOSE.**

Jones now runs the Penn Quarter Group (PQG) which deals in informational ‘oppo’ research. PQG operates in much the same fashion as does Fusion GPS, Crowdstrike and Hakluyt.

**From Q Post #3103 on 3/17/19:**

**“We have to fight back.”**

Jones has been connected, leading the George Soros backed PR firm called The Democracy Integrity Project (TDIP). TDIP’s goal was to pump out daily ‘research’ enforcing the fake Russian collusion narrative.

**From Q Post #1963 on 8/28/18:**

**Mortified?**

**What is the purpose of a BRIDGE?**

Jones/PQG received over \$50 million in March 2017 to continue Dossier research. This payment was from 7-10 large NY/CA based (Soros/OSF) Democratic donors.

**From Q Post #1425 on 5/20/18:**

**TRUST the plan.**  
**Conspiracy NO MORE.**

Incredibly, Jones rehired both Fusion GPS and Christopher Steele to continue the same “oppo research.” Trying to recycle the already discredited fake Trump-Russia Dossier in a version 2.0 is weird.

**From Q Post #1238 on 4/22/18:**

**Not ‘official’ product - 5 Eyes.**

It is mind bending to watch the continued anti-Trump bias and sheer hatred of our POTUS. Dan’s ongoing efforts to fund Fusion GPS and Steele is a prime example of this extreme hatred.

**From Q Post #11 on 10/29/17:**

**Military Intelligence v FBI CIA NSA**

Jones/Fusion were trying to retroactively validate the original Christopher Steele Dossier. This continued work under the guise to look for new “Russian Dirt” on our duly elected POTUS.

**From Q Post #1889 on 8/15/18:**

**”Firewall”**

Daniel Jones wrote a top-secret report on alleged torture by the CIA during past conflicts in the Middle East. Many Congressional White Hats were glad to see Jones finally leave the government.

**From Q Post #1840 on 8/10/18:**

**[Fish]ing is fun.**  
**These people are stupid.**

Jones was involved with trying to help Senator Mark Warner personally meet with Christopher Steele. Arrangements were centered around a mutual acquaintance, Adam Waldman. Waldman is also the lawyer for Russian oligarch Oleg Deripaska.

**From Q Post #2345 on 10/5/18:**

**See EVIL in the face of FEINSTEIN?**

Senator Chuck Grassley says it looks like Glenn Simpson/Fusion GPS have lied to Congress about Steele’s Dossier. Daniel’s records and statements are at direct odds with Simpson’s prior testimony.

**From Q Post #2444 on 11/7/18:**

**Thank you, Patriots!**  
**The Senate means everything.**

Oddly, one of Jones' buddies, James Wolfe, was the arrested leaker from the US Senate Intelligence Committee. Jones is suspected of being a leaker via Wolfe's squeeze, MSM reporter Ali Watkins.

**From Q Post #2281 on 9/27/18:**

**[FEINSTEIN] THREAT TO MURKOWSKI?  
EVIL BE GONE.**

Daniel also has recently been mentioned by Michael Caputo when he screamed: "God Damn you to hell Jones."

**From Q Post #280 on 12/6/17:**

**Watch the news.  
Leakers exposed.  
These people are stupid.**

Caputo was directing his verbal anger generally at the Senate Committee and at Daniel Jones in particular. The Senate Intelligence Committee is the most corrupt group within the Congress.

**From Q Post #1286 on 4/27/18:**

**Fusion GPS.  
The Brits - raw intel / dossier / 5 eyes.**

Per John Solomon, the DIA has some information that will exonerate General Flynn. Some of this "intel" may have been developed by Dan Jones and Fusion GPS.

**From Q Post #3168 on 3/23/19:**

**Nobody walks away from this.**

**Kendall, David**

## **Clinton Coverup Lawyer—Meet David Kendall**

David Kendall Esq. has been a partner with the law firm Williams and Connelly LLP since 1981. Kendall has been the Clinton's primary personal lawyer for many decades.

**From Q Post #2692 on 2/11/19:**

**Baker's heads up on the Kendal call was sent to:**

Kendall's term of legal service ranges all of the Bill and Hillary Clinton infamous scandals. David began back in the Whitewater days through the secret "email server" issue with Monica Lewinsky sandwiched in between.

**From Q Post #576 on 1/21/18:**

**The flood is coming.**

**Emails, videos, audio, pics, etc.**

The current investigation specifically into the HRC email server by IG Horowitz/SP Huber will ultimately reveal the true extent of Kendall's personal involvement. Clinton's crime machine requires expert legal assistance to avoid any tricky future entanglements.

**From Q Post #1504 on 6/15/18:**

**Re-read drops re: private emails re: convicting HRC = convicting themselves.**

Kendall oversaw both Cheryl Mills and Heather Samuelson (lawyers themselves) with the sorting and deletion of HRC's emails. This bulk email sorting process was to comply with lawful FOIA requests and several Congressional document production subpoenas.

**From Q Post #1552 on 6/18/18:**

**CF investigation ongoing.**

Kendall and Cheryl Mills later were involved in several joint discussions with Platte River Networks (PRN). PRN became the new hosting/backup service for the Clinton server and email system.

**From Q Post #2848 on 2/21/19:**

**Being a Clinton donor really pays off!**

Paul Combetta from PRN had incredibly forgotten to erase all the data as ordered by Mills. This is where Reddit (strip VIP addresses) and "BleachBit" became household names.

**From Q Post #1978 on 8/28/18:**

**What if access to the server(s) was deliberate?**

Bear in mind everyone knew these records were under current Congressional preservation orders. Nevertheless, all of these co-conspirators destroyed all traces of HRC's emails.

**From Q Post #578 on 1/21/28:**

**[Nothing is ever truly deleted].**

Judicial Watch has received documents via FOIA showing that FBI Agent James Baker sent a copy of Comey's letter to Congress (re: HRC/Weiner's laptop) to Kendal in advance. Kendal commented after this 'heads-up' saying the letter was "tantalizingly ambiguous and highly ominous."

**From Q Post #2691 on 2/11/19:**

**You are witnessing the greatest 'DISINFORMATION' campaign to ever be pushed by a political party.**

Kendall may rue the day he didn't get a special Comey/Lynch 'Immunity' deal. Mills, Samuelson and Combetta all were granted various forms of immunity from future prosecution.

**From Q Post #2878 on 2/22/19:**

**CROOKED [[[HILLARY]]].**

Mills and Samuelson even got their laptops destroyed after a very limited search by the FBI. Lucky for us, a few FBI agents did not destroy these two laptops as ordered.

**From Q Post #2885 on 2/24/19:**

**They NEVER thought Crooked Hillary would lose.**

**Kortan, Michael**

## **Who is Mike Kortan? How is He Connected to ObamaGate?**

Michael Kortan [MK] was the Head of Public Affairs at the FBI. Kortan was the final authority on all media statements. He retired suddenly after 33 years of service and a few mystery clouds remain.

**From Q Post #2692 on 2/11/19:**

**Michael Kortan, FBI assistant director for public affairs, now retired.**

Kortan was connected in July 2016 via Strzok text messages as “Mike” within the ‘Small Group.’ One overt tactic employed was McCabe sending out a memo stating that HRC will get an FBI ‘Headquarters Special.’

**From Q Post #1316 on 5/4/18:**

**Mike Kortan, FBI Assistant Director for Public Affairs-FIRED [cooperating under ‘resigned’ title].**

Mike Kortan gave his stamp of approval to the final James Comey HRC exoneration memo. It appears that Mike and Strzok helped with critical word ‘editing’ of James Comey’s infamous July 2016 presser.

**From Q Post #1986 on 8/29/18:**

**Mike Kortan -cooperating under ‘resigned’ title-TO BE CALLED?**

Kortan was part of the FBI’s inner circle's or "Secret Society" and part of ObamaGate/SpyGate planning. This small group from within the Justice Department ran Crossfire Hurricane.

**From Q Post #1621 on 1/28/18:**

**You have more than you know.  
Fireworks.**

Prior publicly released Strzok/Page text implicit “Mike” being directly in the coup loop. Kortan was jointly talking/leaking on the phone with FBI Lawyer Lisa Page and WSJ reporter Devlin Barrett.

**From Q Post #1829 on 8/9/18:**

**FBI [JC] [AM] [JR] [ MS] [ BP] [PS] [LP][JB] [MK] [JC] [SM] [TG] [KC].**

Lisa Page leaked statements as per McCabe’s instructions and were one reason for his firing. This leaked false story concerned his wife Dr. Jill

McCabe's questionable campaign donations.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

Dr. McCabe had received big league contributions from insider Democratic / Clinton sources. QAnon has Kortan [MK] within this FBI group of 29 past officials on this list of criminals.

**From Q Post #953 on 3/17/18:**

**How bad is the corruption?**

**FBI (past/present). + 29 (16).**

Everyone is now waiting for POTUS to declassify the FISA applications for Title-1 Surveillance warrants on Carter Page. Have the popcorn ready Patriots as panic breaks out and RATS running!

**From Q Post #114 on 8/3/18:**

**BIGGEST COVER UP IN US HISTORY [ATTEMPTED].**

**Laufman, David**

## Meet ‘Secret Society’ Member—David Laufman

David [DL] Laufman was formerly the DOJ’s Deputy Assistant AG in the National Security Division (NSD). Laufman oversaw counterintelligence, export control, FARA, counterespionage, and cyber security for the DOJ.

**From Q Post #2070 on 9/3/18:**

**David Laufman, Chief of the Justice Department’s  
Counterintelligence and Export Control Section [NAT SEC -  
HRC email invest] - FIRED/FORCE.**

Laufman was a former federal prosecutor who worked directly under Assistant AG John Carlin and oddly, they both resigned around the same time. [DL] was a proud member of the DOJ’s small group or ‘Secret Society.’

**From Q Post #1828 on 8/9/18:**

[SPY OP]  
[DOJ [LL][SY][BO-CS(UK)][DL][PS][DL][JC][MM][RB]]←  
————→[BC]\*

This criminal small group from within the DOJ/FBI was deliberately kept from OIG Horowitz’s oversight by Sally Yates. The SpyGate/Crossfire Hurricane coup plot was hatched and implemented by this rogue ‘Secret Society.’

**From Q Post #2107 on 9/7/18:**

**Who signed?  
‘Knowingly’ used FALSE intelligence.**

Laufman assumed his NSD leadership role in 2014 and was one of the key players in both the HRC email server and Russia hack investigations. David was involved with the July 2016 Interview of HRC along with FBI Peter Strzok.

**From Q Post #2135 on 9/10/18:**

**Think DOJ/FBI classified leaks to FAKE NEWS.**

[DL] also had a hand in launching the probes under the Foreign Agents Registration Act (FARA) with Paul Manafort and General Flynn. David ends up recently representing Monica McLean (Dr. Blasey Ford’s pal) in the bizarre Kavanaugh hearings.

**From Q Post #1978 on 8/28/18:**

**What if this is ‘known’ within the FBI and DOJ?**

Decode: HRC's Server Hack by China

David had a close working relationship with the DOJ's #4, Bruce Ohr. The Secret Society was racing against Admiral Rogers in getting the Carter Page FISA Title-1 approved.

**From Q Post #2538 on 12/3/18:**

**Panic > RATS.**

**Dark to Light.**

Admiral Rogers had shutdown outside contractors (Fusion GPS/Crowdstrike) from accessing NSA 702 'about queries.' Admiral Rogers had also launched a review of FISC/FISA past abuses.

**From Q Post #1979 on 8/28/18:**

**Evidence of an ongoing investigation.....**

The original Carter Page FISA request was turned down once (Summer 2016) by the FISC and everyone was pushing hard in the Fall of 2016 for approval. Operation Trump has gone from clearing HRC to going after Trump.

**From Q Post #1975 on 8/28/18:**

**"What are the odds that the FBI and DOJ are right on top of this?"**

The Secret Society needed the Carter Page surveillance warrant to be able to HOP communication chains to reach Trump. The intended individual is reverse targeted using this legal ability to 'leap-frog' several degrees to form an umbrella surveillance net of thousands.

**From Q Post #2494 11/20/18:**

**Nothing can stop what's coming.**

**Nothing.**

**... a crossroads in the history of our civilization. . .**

The Deep State is amazed their deep look into President Trump's background came up dry and are in an obvious panic. QAnon has reminded us that FISA works both ways :)

**From Q Post #1402 on 5/17/18:**

**Think DOJ and FBI.**

**Think cleaning.**

Time is growing near fellow Patriots that the hidden truths and diabolical coup plots are all going to be publicly exposed. Popcorn ready as showtime and the justice phase is finally here!

**From Q Post #2872 on 2/22/19:**

**Hillary Clinton and Foundation.  
Crime Against Children.**

**Lausch, John**

## **Early Chess Piece Move Paying Dividends—Meet John Lausch**

According to Rep. Bob Goodlatte, during a Fox Sunday interview with Maria Bartiromo, John Lausch has been a positive influence. Congress is on the verge of impeachment over document request continued non-compliance.

**From Q Post #2601 on 12/12/8:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

As bad as the pace of document delivery appears today it has been much worse prior to Lausch. John has stood up to the past stonewalling by the DOJ staffers.

**From Q Post #1318 on 5/7/18:**

**Why are they slow walking unredacted data?  
Why are they slow walking doc disclosures?**

John Lausch is President Trump's appointed U.S. Attorney for the N. District of Illinois. Lausch was tasked by AG Sessions to act as a conduit between the DOJ and requesting Congressional Committees.

**From Q Post #3129 on 3/20/19:**

**THIS IS NOT A GAME.**

John Lausch's primary task is to speed up the production of documents Congress has requested from the DOJ. Stall tactics have become so hampering that it has reached a level of threats to several DOJ officials including Rod Rosenstein.

**From Q Post #1377 on 5/15/18:**

**Reconcile.  
Would SESSIONS be AG (still) if DEEP STATE?**

Lausch replaces the FBI's former Capitol Hill liaison Assistant Director Greg "Lead-Foot" Brower. Folks involved with this back and forth process have praised this upgrade by Jeff Sessions.

**From Q Post #1496 on 6/13/18:**

**Who has the sole ability to DECLASS it all?  
Nunes/Grassley/Freedom C. push for docs.**

POTUS has been vocal on all the 'foot-dragging' of subpoenaed documents.

President Trump has announced that he will DECLASS documents to help the American citizens understand the facts.

**From Q Post #968 on 3/27/18:**

**Future proves past.**

**Everything has meaning.**

Lausch will act more as the 'Energizer Bunny' than the White Rabbit. Then long awaited OIG Horowitz's 2.0 report on FISC/FISA and SpyGate investigations will finally appear.

**From Q Post #1991 on 8/29/18:**

**Shall We Play A Game?**

**Paper trail.**

Congress and the public just saw one of the FISA Title-1 applications on Carter Page. Final redactions need to be removed and all document requests must be complied with ASAP.

**From Q Post #2129 on 9/10/18:**

**FISA [FULL] BRINGS DOWN THE HOUSE [WH].**

John has a history of combating political corruption cases and being from outside the "DC Swamp" is a plus. POTUS demands to MAGA and everyone needs to be part of the cleanup not cover-up.

**From Q Post #3168 on 3/23/19:**

**Nobody walks away from this.**

**Lynch, Loretta**

## **QAnon tells Elizabeth [LL] Carlisle—“No Free Passes”**

Dear old Loretta Lynch (aka Elizabeth Carlisle) is back in the limelight again. U.S. House members grilled her about HRC’s emails and the ‘tarmac’ meeting.

**From Q Post #1663 on 7/1/18:**

**Thank you USSS.**

IG Horowitz and SP Huber also have a few hard questions for Loretta Lynch [LL] involving several BHO-era scandals. Showtime is about to commence fellow Patriots. Please fasten your seat belts; trays in the upright position.

**From Q Post #2261 on 9/21/18:**

**[LL] talking = TRUTH revealed TARMAC [BC]?**

Several Senate Committees have ongoing investigations that involve the DOJ under Lynch’s judicial watch. Word is that [LL] is singing like a bird and all roads do lead directly back to BHO.

**From Q Post #2603 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

Make no mistake, Loretta always received her orders directly from BHO. She may be the key witness that brings every scandal right into the White House.

**From Q Post #1589 on 6/26/18:**

**LL IS KEY to CONNECTING TO WH / HRC  
/BC/JB/JC/SP/EH.....**

Horowitz has released information concerning the seized Weiner-Abedin laptop. [LL] used strong arm tactics in keeping a secret lid on everything concerning the ‘insurance file.’

**From Q Post #1891 on 8/15/18:**

**JC-BO-CS-LL-#2-NO-SY**

There’s potentially explosive data found on the seized devices from the Weiner raid. Inquiring minds want to know if there are ‘crimes against children’ exposed within the ‘insurance file.’

Lynch made threats to the NYPD and the NY FBI to silence all leaks. Erik Prince’s Breitbart interview about the “horrible nature” of the data/material

made professionals sick to their stomach.

**From Q Post #3045 on 3/13/19:**

**The Tarmac Meeting.**

**Days later....**

**[JC] “No charges are appropriate.....”**

Texts between FBI agents Strzok and Page reveal that [LL] knew the fix was in to exonerate HRC. These two FBI so-called ‘lovers’ then mocked her public denials.

**From Q Post #1556 on 6/19/18:**

**Look close (behind BC).**

**Trusted by Clinton’s.**

The infamous June 27, 2016 “tarmac” meeting may ultimately bring down the house. Bill Clinton had his USSS detail coordinate with Lynch’s security to arrange a meeting onboard her parked jet at the Phoenix airport tarmac.

**From Q Post #1443 on 6/10/18:**

**Hussein [WH [call] [tarmac] BC/LL]**

Lynch replaced disgraced Eric Holder in 2015 to become the 83rd U.S. Attorney General. [LL] was the U.S. Attorney for Eastern District of NY which is well known for high profile federal cases.

**From Q Post #1550 on 6/18/18:**

**Amanda Renteria.**

**Bridge between LL / HRC.**

Comey testified that [LL] ordered him to call the HRC case, “a matter, not an investigation.” This was all part of an orchestrated elaborate coup against our President Trump called ObamaGate.

**From Q Post #2740 on 2/16/19:**

**Why did [LL] [ATTORNEY GENERAL OF THE UNITED STATES] grant ‘special entry’ to Natalia Veselnitskaya (Don Jr. ‘set-up’ meeting)?**

Lynch ordered Russian lawyer Natalia Veselnitskaya to receive U.S. entry visa waivers. Natalia had previously been barred from re-entry until the magic wand was waived by Loretta.

**From Q Post #2260 on 9/21/18:**

**Panic in DC**

**[LL] recorded calls w/ [RR]?**

**[LL] talking?**

[LL] basically pled the 5th Amendment when she refused to answer questions from then Congressman Pompeo in 2016. Loretta didn't want to explain the massive (pallets) cash payments involved in the Iran Nuclear Deal payoffs.

**From Q Post #1223 on 4/21/18:**

**Think private email addresses.**

**LL.**

It was discovered that Lynch's favorite pet email nickname alias was Elizabeth Carlisle. This was revealed during the DOJ/FBI attempted cover-up of the tarmac meeting with Slick Willy.

**From Q Post #1162 on 4/15/18:**

**We made sure a reporter was there to capture.**

**These people are stupid.**

On a side note is the fact that Lynch's husband Stephen Hargrove was onboard during this event. QAnon dropped that Bill Clinton also had someone in the area.

**From Q Post #1147 on 4/15/18:**

**SC/LL deal drop.**

**Tarmac.**

**Coming soon to a theater near you.**

A future empty SC seat may have been the offering made for HRC's innocence. A joint call w/BHO may have been captured by the NSA/MI White Hats.

**From Q Post #2727 on 2/15/19:**

**In the past, what was the punishment re: a TRAITOR?**

**Manafort, Paul**

## **What's Worse: "Q" Calling You a Plant or POTUS "You're Fired"**

"Black, Manafort, Stone and Kelly" was one of the first created and most powerful Washington DC Lobbying firms. Paul Manafort has over four decades of service within the DC political arena (aka "The Swamp").

**From Q Post #1008 on 4/4/18:**

**Why is Mueller going after 'inside plants'?**

Paul started off in 1976 as a Convention field lieutenant for Ronald Reagan. Roger Stone was the conduit to help recruit Manafort to become the new Trump Campaign Manager in June 2016.

**From Q Post #1829 on 8/9/18:**

**What assets (people) were placed (spy) in POTUS' campaign?**

Paul's primary role was to cement already pledged delegates at the 2016 Republican convention. Manafort did the delegate job like a pro but soon was replaced due to growing MSM reports over his past Russian/Ukrainian lobbying related financial entanglements.

**From Q Post #1508 on 6/15/18:**

**Plants need water!**

Mueller's team broke into Manafort's home in a pre-dawn document/evidence raid with guns drawn. Paul has since been arrested and pled not guilty in October 2017 to a 12-count federal charge.

**From Q Post #1774 on 7/31/18:**

**[RR] exonerated Manafort FOR THE SAME CHARGES (8) years ago.**

The Black Hats pushed for extreme bail terms to further pressure Manafort's cooperation. Manafort has since pled guilty and is awaiting federal sentencing.

**From Q Post #15 on 10/31/17:**

**Manafort was placed into Trump's camp . . .**

There are financial ties to former Ukrainian President Viktor Yanukovych and Russian Oligarch Oleg Deripaska from almost ten years ago. Paul and former business partner Rick Case will eventually land in a minimum-security federal prison.

**From Q Post #753 on 2/13/18:**

### **When does a bird sing?**

Failure to comply with required Foreign Agents Registration Act (FARA) laws was the basis for the investigation. Complicated international tax law violations led to the financial charges.

**From Q Post #1829 on 8/9/18:**

**What if those ‘placed’ are being investigated by BM?**

**What if others ‘placed’ connect to....(future)**

QAnon has mentioned Manafort several times (earlier and recently) directly and the same storyline is being laid out.

**From Q Post #1008 on 4/4/18:**

**Manafort was a plant.**

**Trace background.**

Roger Stone has conveyed a recent conversation he had with his old business partner and said Manafort is “Not going to rollover on Trump.”

**From Q Post #2102 on 9/6/18:**

**Control and Divide.**

**Think Mueller.**

Robert Mueller is now considering tearing-up Manafort’s current plea deal. Apparently, Paul has made prior misstatements to the Special Counsel.

**From Q Post #2737 on 2/15/19:**

**Be careful who you follow.**

**McCabe, Andrew & Jill**

## **So Many ObamaGate “Dirty Couples”— Husband/Wife Criminal Teams**

Give BHO’s Consigliere, Valerie Jarrett, credit for setting up this ‘Mafia Style’ crew of corrupt individuals. The BHO Administration was littered with ‘dirty’ married couples.

**From Q Post #2686 on 2/10/19:**

**[RR] [MCCABE].**

**What senior political officials are providing cover to [PP].**

Decode: [PP] = Planned Parenthood

Corrupt married couples that were willing to go along with every bizarre plot and scheme devised. Political goals to advance the Progressive Leftists Alinsky agenda, comes first before anything else.

**From Q Post #2700 on 2/12/19:**

**Establish ‘financial checks/reviews’ of those in senior (critical)  
positions (audits) + direct family (close proximity)?**

History will record these infamous married couples to include McCabe’s / Ohr’s / Strzok’s / Priestap’s / Dunn-Bauer / Murray-King / Simpson-Jacoby / Abedin-Weiner and more. Bonnie and Clyde’s gangster image can be witnessed today with these real-life corrupt teams.

We also had the unmarried FBI team of Strzok/Page just pretending to be ‘lovers.’ Counter-intelligence or the spy tradecraft at its best with this scheme.

**From Q Post #2265 on 9/21/18:**

**[McCabe] leaked memos to NYT re: [RR]?**

QAnon has correctly pointed out that we should “Follow the Wives” and “How were they paid?” References to the insidious parts played by various married teams integral to ObamaGate / SpyGate plans.

**From Q Post #1744 on 7/28/18:**

**#2 in FBI?**

**Wife connection?**

**Follow the wives.**

Least we don’t forget about the real puppet masters pulling the strings of these crooked married couples. The devil’s own evil kingpins of the Obama’s/Clinton’s and their shame marriages.

**From Q Post #2324 on 10/3/18:**

**'McCabe Memos' = SOURCE DOCS for NYT article re: [RR]  
'wear a wire' - 25th amendment?  
Enjoy the show!**

Dr. Jill McCabe ran unsuccessfully for the Virginia State Senate in 2015. Terry McAuliffe's PAC gave almost \$1 million to Jill's campaign and the McCabe's legally pocketed the mostly unspent funds.

**From Q Post #453 on 12/23/17:**

**How can FBI Deputy Director Andrew McCabe, the man in charge, along with leakin' James Comey, of the phony HRC investigation (including her 33,000 illegally deleted emails) be given \$700,000 for wife's campaign by Clinton Puppets during investigation?**

On 10/15/15 McCabe told FBI investigators that HRC will get a 'HQ Special.' Translation: lenient treatment to the point of total clearance of charges.

**From Q Post #645 on 1/29/18:**

**I wish Andy well [187]. I also wish continued strength for the rest of the FBI [GENERAL THREAT TO OTHERS].**

The FBI's nickname was the "Midyear Review" and these investigators went out of their way to clear HRC. Andy McCabe has begun to spill the beans about the shenanigans performed in this coup plot.

**From Q Post #2732 on 2/15/19:**

**Dark to Light.**

**The orders came from the highest office in the land.**

McCabe acknowledges that the DOJ attempted a coup against Donald Trump. Every trick used to date has come up short and POTUS is now on the offensive.

**McCain, No Name**

## **No Name's Early Shame—The “Keating Five” Scandal**

**From Q Post #1649 on 6/30/18:**

### **EVERY DOG HAS ITS DAY**

Hey ‘No Name’ what happened to all of the old local community Savings and Loan banks? To quote ‘No Name’ about his involvement in the Keating Five: “It was the worst mistake of my life.”

**From Q Post #1707 on 7/25/18:**

**When did No Name travel to the UK?**

No Name teamed up with several of his Senatorial buddies to become what infamously is known as the Keating Five.

**From Q Post #1764 on 7/30/18:**

**Think FISA.**

**Think NO NAME.**

As time normally does tell, No Name has turned out to be a corrupt US Senator. No Name’s trail of deception began back in Vietnam (Song Bird) and ongoing through to the Trump-Russia scandal.

**From Q Post #2633 on 12/20/18 (in part:**

**US SEN NO NAME>**

**NEWS SHOP>**

**BUZZF>**

This special group of corrupt US Senators at the urging of Charles Keating Jr. changed some core banking laws and regulations. This loosening of key banking rules ultimately lead to the collapse of the Savings and Loan community banking system in the 1980’s to early 1990’s.

**From Q Post #1649 on 6/30/18**

**Think SC vote to confirm (coming).**

**No Name action.**

**Every dog has its day.**

The Keating Five’s lineup of US Senators included No Name, John Glenn, Dennis DeConcini, Alan Cranston and Donald W. Riegle, Jr. Keating and No Name had a long-standing personal relationship prior to the Savings and Loans sudden financial collapse.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

No Name even took his family down to vacation at the Keating's secluded compound located on the privately-held Bahama island of Cat Cay. Cat Cay was an international haven for the jet setter NWO crowd in 1970's, 80's and 90's.

**From Q Post #1086 on 4/8/18:**

**No name in Syria.**

**No name in panic.**

Time has shown that No Name was the key link to Charles Keating. Keating was the Ringmaster and his bought off crooked politicians caused the demise of this popular rural area banking system.

**From Q Post #1326 on 5/10/18:**

**No Name prev meeting(s)?**

**Discussions of death/funeral?**

**Medical or escape?**

The Senate Ethics Committee after a long hearing process formally cleared No Name of any charges. The committee did reprimand No Name and John Glenn. The other 3 didn't seek re-election thus getting their free passes.

**From Q Post #1706 on 7/25/18:**

**No name returning to headlines.**

Global banking (NWO) interests rejoiced at the destruction of the USA local community banking system. Charles Keating turned out to be a discredited financier and face of the Savings and Loan banking crisis.

**From Q Post #357 on 12/14/17:**

**We don't like to say his name.**

Keating and his oldest son were convicted and Keating served 4.5 years in federal prison for fraud charges related to this banking fraud. No Name has been trying to dodge this scandal for the past 25 years.

**From Q Post #2727 on 2/15/19:**

**<https://thehill.com/homenews/senate/430023-senate-passes-bill-to-make-lynching-a-federal-crime?amp>**

**In the past, what was the punishment re: a TRAITOR?**

**Coincidence?**

No Name was connected to the Steele Dossier through his aide David Kramer. Court documents show Kramer gave the Steele Dossier to

BuzzFeed and others.

**From Q Post #25 on 11/1/17:**

**(some of us refuse to say his last name for a reason).**

Additionally, his busy aides have been tied to the past IRS targeting of the Tea Party. FeistyCat connected Q's term 'Iron Eagle' to being Lindsey Graham and being a witness to treason.

**From Q Post #1935 on 8/27/18:**

**[He did not depart on his own terms].  
Exactly [30].**

Anons knew No Name would be 'Actioned' and held responsible. Apparently, the General Erwin Rommel 'option' was offered and accepted.

**From Q Post #802 on 2/21/18:**

**Traitor**

**2. a person who commits treason by betraying his or her own country.**

POTUS and AG Barr are going to finally return our country to an equal system of justice. The Great Awakening is happening and those still alive will be held fully accountable under the law.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR REPUBLIC.**

**There is a reason why a sword is held.**

**McDonough, Denis**

## **BHO's McDonough Linked to Dossier—Welcome to the “Show”**

IG Horowitz's oversight investigations now will become center stage. Tasked with looking into DOJ abuses involving FISA Title-1 Surveillance/Steele Dossier/FISC/SpyGate and more.

**From Q Post #1743 on 7/28/18:**

**Was the Truth revealed re: FISA/Dossier?**

Lest we forget about the confirmed DOJ ongoing investigations like Uranium One/Clinton Foundation/MSM Leaks/Unmasking/etc. Many carpet bombs are going to drop with several major MOAB Booms forthcoming fellow Patriots.

**From Q Post #382 on 12/19/17:**

**SATAN has left the WH.**

**Day of days.**

Some old familiar names will be resurfacing along with a few individuals not so prominent. One such person to lookout for is BHO's final Chief of Staff and trusted aide Denis McDonough.

**From Q Post #1223 on 4/21/18:**

**Think private email addresses.**

**They think they are clever.**

Bear in mind that McDonough's role was the equivalent of today's General John Kelly. Denis McDonough began with the start of BHO's second term and lasted until the bitter end as his 'Chief.'

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.**

**THE WORLD IS WATCHING.**

McDonough has once again teamed up with his old BHO-era cronies to cause POTUS trouble. Denis along with the likes of Ben Rhodes/Susan Rice/Samantha Power/Jake Sullivan have formed a new PAC called National Security Action (NSA).

**From Q Post #2129 on 9/10/18:**

**[LIVE STREAMING] WH HUSSEIN NON-OVAL [SITUATION ROOM] COORDINATION.**

This BHO hit group is focused on the continued attack of President Trump

on all fronts. NSA is considered as the resistance headquarters for the anti-Trump movement and the tip of the spear.

**From Q Post #1352 on 5/13/18:**

**National Security Action (Shadow Government) web site.**

**<https://nationalecurityaction.org/who-we-are/>**

Recently released documents show that McDonough meet with CIA John Brennan [JB] in mid-August of 2016. Brennan showed the Steele Dossier first to Obama on 8/10/16.

**From Q Post #1504 on 6/15/18:**

**They all had them.**

**Why did the entire Hussein admin use private emails.**

[JB] then meet Sen. Harry Reid on 8/25/16 to go over the dirty details in the Trump-Russia Dossier. Not the normal flow or chain of delivering classified intelligence information.

Harry Reid on 8/27/16 sent FBI Director James Comey a letter to investigate these Russian collusion accusations. This action would mark the official beginning of the Trump-Russia investigations.

**From Q Post #571 on 1/21/18:**

**NOBODY PLAYING THE GAME GETS A FREE PASS.**

**NOBODY.**

In some of the classical FBI 'Lovers' text messages between Strzok/Page McDonough's name appears. MSM leaks were the first area AG Sessions publicity announced he was going to investigate.

**From Q Post #976 on 3/28/18:**

**Wonder who leaked this.**

**Fire in the hole.**

McDonough has also tried to shift the blame of election Russian collusion to Mitch McConnell. He made claims against Mitch for watering down early reports of Russia's attempts to interfere with the 2016 Presidential election cycle.

**From Q Post #1123 on 4/10/18:**

**A clean House is very important.**

Governmental agencies like the DOJ and CIA are supposed to be independent and neutral in all domestic politics. Any coordination done with the White House and ongoing investigations would be highly inappropriate and treasonous.

## ENJOY THE SHOW

McDonough was acting as the main White House conduit between Brennan/Reid/Comey in regards to the circulation of the Steele Dossier. These questionable actions will certainly be problematic in the eyes of Horowitz's 2.0 report.

# **Media White Hats**

## **QAnon Approved “Read-In” Media White Hats— SH/SC/JS**

The term ‘read-in’ can mean the process of being read into a compartmented program or plan. Officially named “Sensitive Compartmented Information” (SCI) is where individuals have access to only a segmented part and not read-into the entire whole operational program.

The entire QAnon operation has been a systemically arranged informational dissemination program. Non-classified intel ‘crumbs’ have been approved for media and Chan board distribution.

**From Q Post #2626 12/19/18:**

**“I have pretty good sources...”-SH.**

**There is a reason why SH, SC, and JS are on stage.**

We all firmly believe that the core team of QAnon is Military Intelligence. Due to the scope and complexity of this op a few ‘read-in’ helpers have been included.

**From Q Post #283 on 12/6/17:**

**Why are Sara and John getting all the ‘real’ scoops?**

I throw out Erik Prince/Blackwater as another prime example but that’s for another story. QAnon obviously has selected Sean, Sara and John to receive periodic special ‘insider’ information.

**From Q Post #2386 on 11/2/18:**

**ALL FOR A LARP?**

**[ATTACK THOSE WHO THREATEN YOU THE MOST]**

Sean Hannity holds the most watched evening cable network news program and enjoys one of the largest radio audiences. Both Sara Carter and John Solomon have been award-winning journalists with stellar reporting records and appear regularly with Sean Hannity.

**From Q Post #1973 on 8/28/18:**

**Are you watching Hannity?**

This extra special relationship between these three key media figures began in the fall of 2017. Sean Hannity had Sara and John on to break the secret Uranium One (U1) FBI confidential informant story of William ‘Doug’ Campbell.

**From Q Post #1934 on 8/27/18:**

### **Who is systemically arranging the leaks to select individuals?**

Of odd coincidence was the start of the public QAnon drops during this same fall 2017 time period. I maintain that Sea, Sara and John started to get the Q-drops first and then later the Anons via 4Chan.

**From Q Post #3179 on 3/25/19:**

**LISTEN & WATCH SEAN HANNITY TODAY.**

QAnon has repeatedly posted links to articles by both Sara and John. QAnon has also directed folks to watch Sean's prime time show for important news.

**From Q Post #1988 on 8/29/18:**

**Hannity 8.28.18**

There has been a direct threat made by QAnon to the Deep State in terms of the health of all three media personalities. The exact phrase was "Self-suicide if activated" retribution if any harm may befall SH/SC/or JS.

**From Q Post #840 on 3/14/18:**

**Hannity intruder.**

Many have suspected a few members of Congress (Gowdy/Grassley/Goodlatte) added as "read-in" also. The same QAnon helper theory would apply to a few trusted media folks.

**From Q Post #2683 on 2/10/19:**

**The media no longer represents the will of the people.**

Popcorn at the ready fellow Patriots as the stage has been set for the finale.

Note: Anon question: How full is GITMO going to be?

As the ‘Storm’ descends upon the Swamp Shadow Government the final scene is about to start in the Great Awakening. Movies [1] [2] and [3] are upon us all and the scope of these traitorous criminal is being revealed.

**From Q Post #586 on 1/22/18:**

**What would happen if texts originating from a FBI agent to several [internals] discussed the assassination of the POTUS or member of his family?**

QAnon has repeatedly mentioned the possibility of Military Tribunals for the top-tier ObamaGate / SpyGate criminals. At every rally for candidate/President Trump, a reoccurring chant of “Lock Her Up” is certain among MAGA loyalists.

**From Q Post #2727 on 2/15/19:**

**In the past, what was the punishment the: a TRAITOR?  
Coincidence?**

‘No Deals’ has been another theme and there has been a quickening feeling to unfolding events. The return to the rule of law under one fair justice system is demanded by the American Patriots.

**From Q Post #2485 on 11/11/18:**

**[Placeholder - Acts of Treason + support Articles].**

After World War 2 an International Military Tribunal (IMT) was formed to render justice for crimes against humanity. The IMT selected a total of 24 (two dozen) of the important people from the German military, political, judicial, and business leadership.

**Miller, Stephen**

## **Tormenting Progressive Liberals—Trump’s Troll Stephen Miller**

Stephen Miller is Senior Advisor to POTUS and is proudly included in “Trump’s Quiet Heroes” series. Still in his early 30s, Stephen has already made a big-league name for himself.

**From Q Post #648 on 1/31/18:**

**Did you miss the most important line in the entire speech?**

Miller joined the Trump Campaign in January 2016 as Senior Policy Advisor. Stephen was generously given over to the Trump campaign by then Sen. Sessions.

**From Q Post #2691 on 2/11/19:**

**FAKE NEWS DESIGNED TO KEEP THE FAKE NARRATIVE IN PLAY [COVER].**

Miller had previously served Stealth Jeff as his Communications Director/Press Secretary. Candidate Trump knew what he was getting with Miller and Sessions certainly knew what he had given up.

**From Q Post #1510 on 6/15/18:**

**Watch the vid again if you need clarity (speech that will get POTUS elected).**

Miller has always been known as a far-right activist but has come into his own with his speech writing for President Trump. Stephen is credited with writing both the 2016 Republican National Convention and 2017 Inauguration speeches for Donald Trump.

**From Q Post #386 on 12/19/17:**

**PATRIOT of the highest caliber.**

Stephan is well known for his dry witty intellectual humor. Miller has become Trump’s right-hand troll and primary agitator of the crazed liberal left.

Foundational pillars of Stephen’s social media strategy are the melting of snowflakes and the triggering of libs. Many victims of Miller’s sharp tongue can attest to this innate triggering ability.

**From Q Post #877 on 3/7/18:**

**The age of MSM is over.**

During a 2017 White House presser, Miller and CNN’s Jim Acosta went at

it in a verbal toe to toe. This infamous Miller beat down of Acosta was highlighted with the Statue of Liberty poem.

Knowledge and historical facts always seem to slow down the progressive idealism rhetoric. Miller tagged Acosta with a 'Cosmopolitan Bias' displayed by all of the MSM (Mockingbird).

**From Q Post #1678 on 7/4/18:**

**Trolling is fun.**

Miller was a Duke graduate and vocal national defender of the false rape charges against the men's lacrosse team. Stephen's unwavering defense of Duke propelled him into the MSM spotlight.

**From Q Post #2423 on 11/5/18:**

**Trolling the FAKE NEWS media is FUN!**

Stephen has been a strong supporter of building the 'Wall' and fixing our broken immigration system. Miller supports POTUS in a government shutdown or national emergency if funding is not provided for this national defensive wall.

**From Q Post #937 on 3/10/18:**

**PATRIOTS UNITE.**

**We are winning BIG.**

**Watch the speech.**

While we all cherish the words spoken by our POTUS we must give a Hat Tip to the Patriots behind the scenes. Stephen is one such 'quiet hero' assisting POTUS.

**Mills, Cheryl**

**(Answer is:) HRC's Dirty Chief of Staff**  
**(Question:) Who is Cheryl Mills?**

Cheryl Mills [CM] was to HRC exactly what Valerie Jarrett was to BHO a 'Consigliere.' Mills goes back to the Slick Willy days where she defended him in the Monica Lewinsky impeachment trial.

**From Q Post #578 on 1/21/18:**

**[Nothing is ever truly deleted].**

Mills served HRC as her Chief of Staff/State Dept and as Legal Counsel. Cheryl and Huma Abedin were the central conduits between the State Department and the Clinton Foundation (CF).

**From Q Post #2581 on 12/11/18:**

**Why is the 'CLINTON FOUNDATION' back in the news?**

Skippy Podesta arranged for Eric Schmidt (Google/Alphabet) to meet in 2014 with Cheryl Mills and Robby Mook. Schmidt started massive fundraising efforts as well as began to offer his Groundwork to HRC's 2016 campaign.

**From Q Post #717 on 2/10/18:**

**Public: FBI/DOJ/O-WH/SD**

**Private: Clowns Clowns Clowns.**

**Expand your thinking.**

This new Google company provided on an exclusive basis voter data and cyber assistance. Advanced for an expected HRC 2016 victory (never thought she...).

**From Q Post #1266 on 4/25/18:**

**They thought she would never lose.**

**Insurance w/o cover.**

**Nothing is deleted.**

Cheryl was mentioned in IG Horowitz's 1.0 report on the HRC investigation. FBI Peter Strzok and DOJ David Laufman unethically allowed Mills attend the 7/2/16 HRC interview session.

**From Q Post #3168 on 3/23/19:**

**Nobody walks away from this.**

What makes the HRC interview so bizarre is the fact Mills herself was a target in this same FBI probe. Mills along with Heather Samuelson and

overseer David Kendall personally deleted the infamous 33,000 emails from HRC's email server.

**From Q Post #89 on 11/5/17:**

**What countries donated big money to CF?**

Generously FBI Director James Comey, granted Cheryl Mills immunity. Cheryl along with Samuelson/Combetta/Pagaliano/and Bentel all received unique arrangements normally not afforded the targets of the FBI/DOJ.

**From Q Post #453 on 12/23/17:**

**...Phony Hillary Clinton investigation  
(including her 33,000 illegally deleted emails).**

Mills was in the spotlight with scandals like Benghazi, ordering Paul Combetta to BleachBit the Clinton's server, and the Clinton Foundation 'pay to play' enrichment via political favoritism.

**From Q Post #1828 on 8/9/18:**

**Murray, Craig**

## **Wiki Ambassador at Ground Zero of DNC Email ‘LEAK’**

Craig Murray was UK Ambassador to Uzbekistan from 2002-2004. Murray is an author, historian, broadcaster, human rights activist, and WikiLeaks data mule.

**From Q Post #1870 on 8/14/18:**

**Not seen since WL Podesta dump?**

Murray claims to be the middle-man between Julian Assange’s WikiLeaks and the DNC email leaker. Craig said he met the ‘disgusted’ DNC insider in a wooded area by the American University in DC.

**From Q Post #1515 on 6/16/18:**

**These reporters and networks have been named in the WikiLeaks to have colluded with the DNC or HRC campaign.**

Ambassador Murray had flown from London to Washington in September 2016 to meet the DNC whistleblower’s go-between Kim Dotcom. Murray had ongoing relations with Julian Assange, Kim Dotcom and Randy Credico to be an official WikiLeaks operative.

**From Q Post #866 on 3/6/18:**

**So much is open source.**

Included in this clandestine meeting/data transfer handoff were the DNC emails, John Podesta’s emails and HRC emails relating to ‘Pay to Play’ schemes operating at the Clinton Foundation.

**From Q Post #1195 on 4/19/18:**

**SR connects to DNC.**

Thanks to Bill Binney and his Thomas Drake/VIP partners for proving the DNC emails were a ‘Leak not Hack.’ Proven forensically the download data transmission rate was too fast by a factor of 4 to be anything but an insider leak.

**From Q Post #1591 on 6/26/18:**

**JA in the news.**

**Server unlocks SR.**

Murray was not without controversy during his brief tenure as a British Foreign Service Ambassador. In 2003, Murray left his wife/children for a

very young exotic Uzbekistan lap dancer.

**From Q Post #1286 on 4/27/18:**

**Why no contact w/WL/JA?**

Nadira Alieva ran off with Murray and it caused an international stir. Nadira later publicly claimed “Love had nothing to do with it. It was the quickest way out and onto either the UK or US.”

Of odd note was that the US denied entry to Murray in 2006. Craig was invited to receive the Sam Adams Award for whistleblowing but couldn’t attend.

**From Q Post #436 12/22/17:**

**[DNC BREACH/DOSSIER]  
[WL]>**

Murray ultimately would be let go by the Foreign Office due his criticism of host country Uzbekistan. Craig said that Uzbekistan was ‘torturing’ individuals and was not a “functional democracy.”

**From Q Post #1462 on 6/11/18:**

**What recent news came out re: SR/JA/WL lawsuit?**

Rep. Dana Rohrabacher traveled to London to meet personally with Julian Assange. Dana and Rand Paul later conveyed the Assange DNC information directly to President Trump.

Ambassador Murray has been extremely vocal about the deplorable conditions within the Ecuadorian Embassy. WikiLeaks’s founder Julian Assange has been hiding at this embassy for 7 years.

**From Q Post #2499 11/25/18:**

**[HouseOfCards] re: Maggie NYT re: WL**

Murray is the key central player in the entire DNC email ‘transfer’ scandal. Inquiring minds want to know when Murray/Assange will publicly testify.

**Murray, Shailagh & King Jr., Neil**

## **“Dirty Couple” Murray/King—Steele’s State Department Conduit**

IG Horowitz’s 1.0 report showed that Bruce and Nellie Ohr were the conduits between Fusion GPS and the FBI. The other route traveled by the Dossier was via the State Department over to the FBI.

**From Q Post #2700 on 2/12/19:**

**Establish ‘financial checks/reviews’ of those in senior (critical) positions (audits) + direct family (close proximity)?**

Shailagh Murray and Neil King Jr. are yet another married couple involved with the scandal of ObamaGate. Shailagh was first VP Biden’s Deputy Chief of Staff then onto BHO’s White House Communications team.

**From Q Post #2129 on 9/10/18:**

**[LIVE STREAMING] WH HUSSEIN NON-OVAL [SITUATION ROOM] COORDINATION.**

Neil King Jr. was employed at Fusion GPS while his wife Anita worked at the White House. Devin Nunes sent referrals for both Neil and Shailagh to the Committee on Oversight & Government Reform and the Judiciary with regard to their public testimony in connection to the Dossier.

**From Q Post #964 on 3/27/18:**

**BIDEN/CHINA VERY IMPORTANT MARKER.**

Shailagh was snatched by BHO to become the first ever White House Chief Digital Officer. Her co-worker Colin Kahl (VP Biden’s NSA) is also being referred by Nunes for his involvement in handling the Christopher Steele Dossier.

**From Q Post #2331 on 10/4/18:**

**[Part re: Fusion GPS, Perkins Coi now being revealed?]**

Neil King has worked in the past for the Wall Street Journal (Shailagh worked at WSJ and WAPO) and was friends with Glenn Simpson. So much so, that Neil was hired on in the early days of Fusion GPS.

**From Q Post #436 on 12/22/17:**

**[DNC BREACH/DOSSIER]**

The relationship with King’s wife and the obvious Fusion GPS conflict has gotten the attention of key U.S. Congressional committees as well as IG Horowitz and SP Huber.

**From Q Post #1632 on 6/28/18:**

**With power cones corruption.**

Nunes is finalizing Phase 2 of the House Intelligence Committee's investigation into this second Dossier. Phase 3 will focus on John Brennan and the intelligence community's role.

**From Q Post #1164 on 4/15/18:**

**Public: Dossier FISA.**

Devin Nunes has referred over 42 individuals for public testimony. Both King and Murray have appeared in front of this House Task Force for testimony.

**From Q Post #1515 on 6/16/18:**

**Why did the Podesta Group close?**

The second dossier was authored by Sid Blumenthal and Cody Shearer. Their material was added to what Chris Steele had gathered to help form the final Dossier.

**From Q Post #2171 on 9/12/18:**

**Define 'Censorship'.**

**Define 'Projection'.**

Victoria Nuland and Jonathan Winer from BHO's State Department, have admitted to their involvement in handling Steele's Dossier. The DOJ's 'Secret Society' nicknamed this operation "Crossfire FISA."

**From Q Post #1708 on 7/25/18:**

**Creation of fake intel dossier using ex spy.**

Steele's Dossier was given to a few reporters to be funneled and passed around as part of this intelligence 'laundering.' This circular flow between Fusion GPS and the State Department was to give credibility to this fake opposition research.

**From Q Post #2645 on 1/5/19:**

**WE WILL NOT GO WITHOUT A FIGHT.**

**EO ACTIVE.**

Bruce/Nellie and Neil/Shailagh have direct connections between Fusion GPS and each other. Joining this cast of 'Dirty Couples' are: McCabe, Strzok, Dunn-Bauer, Abedin-Weiner and more.

**From Q Post #1286 on 4/27/18:**

## **Fusion GPS.**

**Nader, George**

## **Deep State's Trump "Transition Spy"—Meet George Nader**

Hat Tip to Dan Bongino (TV Analyst/Ex-Secret Service) for coming up with his 'Dirty Up' theory involving ObamaGate/SpyGate. Dan outlines that certain 'dirty' individuals were deliberately planted into Trump World so as to later demonstrate the fake Russian collusion narrative.

**From Q Post #1508 on 6/15/18:**

**Plants need water.**

As details continue to unfold with ObamaGate/SpyGate more evidence is surfacing about several paid intelligence assets by the DOJ and CIA. These paid operatives were spies or LURES deliberately inserted into Trump World for entrapment.

**From Q Post #2727 on 2/15/19:**

**In the past, what was the punishment re: a TRAITOR?  
Coincidence?**

These paid spies/LURES went into the Trump Campaign/Transition Team to accomplish their mission. Crossfire Hurricane, Operation Dragon and Crossfire FISA were these spy plans.

**From Q Post #461 on 4/4/18:**

**What makes a movie GOOD?  
GREAT actors?**

The Deep State Back Hats planted several intelligence assets early into the Trump campaign team. Still being ferreted are layers of anti-Trump/Fake MAGAs waiting for their activation orders.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

Leftist MSM repeated the false Russian collusion narrative during both the Trump campaign and transition time periods. Russia-Russia-Russia has been the Coup Plotters cry since the 2016 election.

**From Q Post #224 on 11/24/17:**

**Who knows where the bodies are buried?  
Purpose for time being spent here.**

'Dirty-Up' individuals were purposefully inserted like Stefan Halper,

Alexander Downer, Joseph Mifsud, Carter Page, Paul Manafort, George Papadopoulos, Natalia Veselnitskaya and now George Nader.

**From Q Post #2129 on 9/10/18:**

**USE OF BACKCHANNEL SURV / SPY INSERTION [BODY 1, 2, and 5]**

The 'plants' all had direct contact with various Trump campaign associates in 2016 and 2017. George Nader was a cooperating witness for Robert Mueller and gave sworn testimony.

**From Q Post #1364 on 5/14/18:**

**Rudy.**

**Now comes the pain.**

Nader has been tied directly to a partying Bill Clinton. Pictures from a jacuzzi in Punta Cana/Dominican show Nader and Slick Willy having a blast together.

**From Q Post #3131 on 3/20/19:**

**[Will the rich and powerful influence the court to prevent the unsealing?]**

George has advised the Crown Prince (UAE) Mohammed bin Zayed Al-Nahyan over the past few years. Nader is always seen in public with the Crown Prince.

**From Q Post #97 on 11/5/17:**

**Define hostage.**

**Define leverage.**

George Nader is a Lebanese born regular jack of all trades for the Middle East. George has operated as an international mediator and back-channel UN diplomat.

**From Q Post #1091 on 4/8/18:**

**Think Double.**

Nader has earned a reputation as a person of intrigue/speculation/high-level access and that of an admitted PERVERT.

**From Q Post #1164 on 4/15/18:**

**Not Public: Five Eyes/UK/AUS POTUS targeting using pushed  
RUS decoy meetings / campaign insertions.**

Congressional committees are focusing in on 2 specific meetings set-up and attended by Nader and Prince bin Zayed. It appears Robert Mueller is

providing strategic cover now for George Nader.

This cover for Nader is very much like the DOJ has been covering for Stefan Halper, the first spy uncovered. Nader's activity happened after the election thus he is the Deep State's "Transition Spy."

**From Q Post #1939 on 8/28/18:**

**"This is the case with Halper, who is now proven to be a spy,  
possibly with (Australian Ambassador) Alexander Downer" . . .**

The FIRST meeting of interest was in December 2016 and was held at the Trump Tower with Kushner, Bannon, Joel Zamel and Prince bin Zayed. In addition to any dirt on HRC, the sales pitch for this meeting was a social media platform to help with campaign marketing strategy.

The SECOND and more critical meeting was in the Seychelles (off Africa) in January 2017. Attending this meeting was Prince bin Zayed, Russian Kirill Dmitriev and Erik Prince.

Nader claims a back-channel was talked about between Russia/Trump via Erik Prince. Erik has said no such back-channel talk was discussed and the interactions were social in nature.

**From Q Post #1589 on 6/26/18:**

**ILLEGAL SPYING.  
FRAME.  
INSERT ASSETS.**

Of side interest is Nader's personal lawyer who is none other than Kathryn Ruemmler. Ruemmler was BHO's White House Counsel and also now represents Susan Rice in this unfolding ObamaGate / SpyGate political scandal.

**From Q Post #2116 on 9/7/18:**

**YOU MUST TARGET, REMOVE, AND SILENCE ALL THOSE  
ILLEGALLY TARGETED FOR FISA SURV....**

Always known as a shadowy figure, Nader was arrested but not convicted in 1985 on child pornography charges. Nader later pled guilty to a 1991 charge of entering the USA with illegal child pornography.

**From Q Post #1928 on 8/20/18**

**Coming SOON to a theater near you.**

Inquiring minds now want to know is Nader the second 'spy' planted into Trump World by the FBI. We know for sure that Stefan Halper is the confirmed ObamaGate Spy # 1.

# **National Security Action**

## **BHO's "Spiderweb" to Ensnare Trump—National Security Action**

A group of over 40 former BHO Alumni have started a new PAC attack firm. The catchy name dreamed up is National Security Action (short for NSA).

**From Q Post #2700 on 2/12/19:**

**Nobody should be above the law (no matter how massive the spider-web is (entangled)).**

NSA is led by fierce BHO loyalists Ben Rhodes and other alumni. Its primary function is to be the 'Tip of the Spear' for all things that are anti-Trump and against his MAGA plan for America.

**From Q Post #1626 on 6/28/18:**

**These people are corrupt beyond belief.  
America for sale.  
Sold out.**

Recently a judge ruled that Rhodes, Rice and others must testify. Testimony is centered on HRC's email setup to avoid FOIA and about the Benghazi 'talking points' with the deadly terror attacks from 2012.

**From Q Post #2722 on 2/14/19:**

**No mercy.  
No bargaining.  
A Traitor's justice.  
P-A-I-N**

As could be predicted, Rhodes is defying answering these questions under oath. Tom Fitton of Judicial Watch says "Rhodes like every other BHO official believes they are above the law."

**From Q Post #2770 on 2/17/19:**

**How do you infiltrate the MSM?  
CBS NEWS president David Rhodes brother of Ben Rhodes (Del  
Nat Sec Advisor - HUSSEIN)?**

This Cabal of past government officials has formed a 'Shadow Government.' With vast funding from various Leftist Progressive causes, this group is a clear and present danger.

**From Q Post #146 on 12/12/17:**

**This is not a game!**

**This is the biggest insider drop in the history of the world.**

White Hats/Patriots need to restore our republic and return to the old fashion rule of law. Progressives need to be watched for planned mass protest marches and continued border invasions.

**From Q Post #2576 on 12/10/18:**

**Those with the most to lose are the loudest.**

In addition to Rhodes, familiar names like Susan Rice, Samantha Power, Denis McDonough, Jen Psaki, and Jake Sullivan are the principals. Please note that they are all past high level BHO officials and have held top security clearances.

While Rhodes was serving as BHO's Deputy National Security Advisor, he had a few glaring conflicts of interest. Ben had his wife working at the U.S. State Department while his brother was serving as a high-level senior CBS News Executive.

**From Q Post #1352 on 5/13/18:**

**<https://nationalsecurityaction.org/who-we-are/>**

Additionally, Rhodes made the news with his controversial past BHO speech writing. Ben often inserts a slanted narrative into Foreign Policy speeches emphasizing New World Order themes.

**From Q Post #3168 on 3/23/19:**

**Nobody walks away from this.**

Rhodes's fingerprints are all over many BHO-era infamous political scandals:

- Iran Nuke Deal helped Quarterback
- Benghazi Libya Deception
- Unmasking of US Citizens
- General Mike Flynn Set-Up
- Operation Latitude-spread PDB's
- Leaking Classified Intel to MSM

**From Q Post #1515 on 6/16/18:**

**THE BRIDGE: PODESTA GROUP**

BHO and HRC supporters will never give President Trump a chance to succeed. They will all be weaving different 'spider webs' to try to entrap our POTUS.

**From Q Post #2729 on 2/15/19:**

**Bigger than the 25th amendment attempt to remove.  
Depth of this is very serious.**

# **Nuland, Victoria**

**(Answer is:) Referred by Nunes and Wanted by Horowitz**

**(Question:) Who is Victoria Nuland?**

Devin Nunes has had several former BHO officials in for questioning by the US House of Representatives Joint Task Force. Among these special individuals chosen was Victoria Nuland, ex-State Department.

**From Q Post #1743 on 7/28/18:**

**Was the Truth revealed re: FISA/DOSSIER?**

Victoria Nuland was BHO's Assistant Secretary of State (Europe/Eurasia). It's scary to think that Nuland was slotted to be Secretary of State to President HRC.

**From Q Post #2633 on 12/20/18:**

**US SEN NO NAME>**

**NEWS SHOP>**

**BUZZF>**

**You have the keystone.**

Judicial Watch is reporting that Nuland provided classified documents to multiple Senators about ObamaGate on 1/5/17. BHO held an oval meeting the same day with carryovers Comey and Yates and immortalized by Rice's CYA memo.

**From Q Post #1318 on 5/7/18:**

**State/C\_A next?**

Nuland's partner in crime at the U.S. State Department was Jonathan Winer. Both Nuland and Winer have publicly admitted to passing 'Oppo' research, concerning Candidate Trump, from Christopher Steele over to the FBI in July 2016.

**From Q Post #1238 on 4/22/18:**

**Not 'official' product - 5 Eyes.**

This State Department information was first given to Nuland and Winer by longtime Clinton enforcers, Sid Blumenthal and Cody Shearer. Cody and Sid developed what Devin Nunes refers to as the 2nd Clinton Trump-Russia Dossier.

**From Q Post #1617 on 6/28/18:**

**Only the beginning.**

**Power to the people.**

Nuland also received information from another ex-State Department official, David Kramer. Kramer worked at the No Name Institute and gave the Dossier to BuzzFeed and spread it around DC.

**From Q Post #2633 on 12/20/18:**

**“McCain associate shared unverified Steele dossier with BuzzFeed, court filing says.”**

This false ‘Oppo’ research work product was used to reinforce the validity of Steele’s Trump-Russia Dossier. This was done by funneling it back through the State Dept. and then Fusion GPS.

**From Q Post #3129 on 3/20/19:**

**THIS IS NOT A GAME.**

Throw in a reporter or two and now you have extra “circular validation” for the FBI. In the profession, the term used is ‘intelligence laundering.’

**From Q Post #1286 on 4/27/18:**

**The Brits - raw Intel / dossier /5 eyes.**

Devin Nunes is set to release Phase Two of his ongoing probes into the DOJ wrongdoing. The House Intel Committee’s concern is the origin and authorship of the memos referred to as the second Trump-Russia Dossier.

**From Q Post #2445 on 11/7/18:**

**[House of Cards].**

**Military planning at its finest.**

Two sections from Sid and Cody’s memos were included in the final version of Steele’s finished Dossier. These extra memos now implicate the U.S. State Department to accompany the DOJ.

**From Q Post #1840 on 8/10/18:**

**[Fish]ing is fun.**

**These people are stupid.**

The direct involvement of the State Department opens up John Kerry ‘s involvement. As this puzzle gets solved, all roads seem to lead back to BHO.

**From Q Post #3176 on 3/25/19:**

**THEY WILL BE HELD ACCOUNTABLE.  
NOBODY WALKS AWAY FROM THIS.**

Nuland was caught in 2014, bad mouthing the European Union in leaked recordings. This brought her much international negative notoriety and exposed her truly nasty vindictive side.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

Victoria did not have a glowing reputation abroad and her leaked rude statements went viral. Nuland will be returning to the spotlight real soon.

**From Q Post #3104 on 3/17/19:**

**Keep fighting...**

Nuland reached out in 2016 to DNC operative, Alexandra Chalupa, to help sabotage Trump's campaign. Chalupa released a lot of the negative Paul Manafort material.

**From Q Post #1892 on 8/15/18:**

**BLACK OPS AGAINST USA.  
TRAITORS ALL.**

Chalupa highlighted Manafort's ties to Ukraine leadership. Paul had a history of shadowy foreign election interferences.

**From Q Post #436 on 12/22/17:**

**[DNC BREACH / DOSSIER]**

Nuland is the current CEO of the Center for a New American Security. Victoria will soon be dragged in to face hard public questions over her ObamaGate role.

What may turn out to be the biggest political scandal in our history is known as ObamaGate / SpyGate. The plot is unfolding act by act and we are witnesses to true American history.

**From Q Post #2165 on 9/12/18:**

**FISA GOES BOTH WAYS.  
HOOAH!**

OIG Horowitz's 2.0 is the next report to be released. Horowitz is investigating DOJ and FBI abuses with FISA/FISC. The focus is on how much of the Steele Dossier was used in the Carter Page FISA warrants.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR  
REPUBLIC.**

**There is a reason why a sword is held.**

**Nunes, Devin**

## **“Jumping Jack Flash” FISA DECLAS—Nunes to Read on House**

“Jumping Jack Flash” is a hit Rolling Stones tune which features the term ‘Crossfire Hurricane.’ As most of us know POTUS always includes a song or two from the Stones at all of his rallies.

Perverted by criminal elements from within the Department of Justice, Crossfire Hurricane was a coded intelligence operation designed at stopping Candidate/President Elect Donald J. Trump.

**From Q Post #2478 on 11/11/18:**

**Let the unsealing begin.**

**Let the DECLAS begin**

**Let the WORLD witness the TRUTH.**

Sadly, we are discovering that this planned sting entrapment campaign has continued into President Trump’s first term. History will not be kind to all of those that assisted/enabled this plot.

**From Q Post #1708 on 7/25/18:**

**Creation of fake intel dossier using ex spy.**

The return of AG William Barr should signal the release of all documents ordered by POTUS for DECLAS. The old ‘temp cleanup’ strategy has certainly worked perfectly over at the DOJ.

Four components Operation Trump:

- Exhorting HRC/Aides
- Dossier development/distribution
- FISA Title-1 Surveillance Warrant
- Insurance Policy/Crossfire Hurricane

**From Q Post #1829 on 8/9/18:**

**What assets (people) were placed (spy) in POTUS’ campaign.**

IG Horowitz has already laid out criminal findings in his 1.0 report on the HRC email probe. The ball is now in SP John Huber’s court in terms of indictments and future criminal prosecutions.

**From Q Post #1816 on 8/5/18:**

**FISA. [20].**

Phase Two of the OIG’s inquiries will focus in on both the FISA Court

abuses and the SpyGate / Crossfire Hurricane elements. Devin Nunes from the House side will be shortly releasing his findings on the State Department and the Christopher Steele's 2nd Trump Dossier.

**From Q Post #3129 on 3/20/19:**

**THIS IS NOT A GAME.**

The country has already witnessed the wholesale clean out of both the FBI and DOJ. Declassification will allow public to see the Carter Page FISA application(s).

**From Q Post #1745 on 7/28/18:**

**FISA BRINGS DOWN THE HOUSE.**

Rumor has it the Devin Nunes plans to read the critical previously redacted twenty [20] Page FISA pages live from the House floor. This will be a popcorn event for sure fellow Patriots and a day that may be long remembered in this epic struggle.

**From Q Post #2643 on 1/5/19:**

## **ObamaGate—The “16-Year Plan” to Destroy America**

To see the 40,000-foot view of this plan we must expand our thinking to understand this treason. ObamaGate may go down as the biggest political corruption event in our history.

**From Q Post #2727 on 2/15/19:**

**<https://thehill.com/homenews/senate/430023-senate-passes-bill-to-make-lynching-a-federal-crime?amp>**

**In the past, what was the punishment re: a TRAITOR?  
Coincidence?**

ObamaGate is the criminal activity of governmental officials during the reign of BHO. A Deep State Cabal has combined with the Progressive Communist Leftists to takeover and transform America.

**From Q Post #1328 on 5/10/18:**

**THERE WILL COME A TIME THEY WILL NOT BE SAFE  
WALKING DOWN THE STREET.**

A plan was dreamed up by the Deep State involving two consecutive back-to-back Presidencies. As it turns out BHO would take the initial first 8 years, followed then by 8 years under HRC.

**From Q Post #2504 on 11/29/18:**

**A picture is worth many sentences.**

By almost divine intervention, President Trump stopped this plan after 8 years. Trump's unexpected victory caused Operation Crossfire Hurricane/SpyGate plans to hurriedly be implemented.

**From Q Post #3125 on 3/20/19:**

**The PUBLIC must be prepared for what is about to come.  
"THE CLINTON FOUNDATION"**

The Progressive Left's master plan is based more on a religious movement than normal politics. Cultural Marxism and Radical Islamic Muslim Brotherhood are joining forces against America.

**From Q Post #2165 on 9/12/18:**

**Drop [daily] carpet bombs [RATS RUNNING] >>> drop/release  
MOAB?**

Diana West laid it out nicely in her series "The Red Thread." Diane

highlights the communists' long-term plan of fundamentally changing the USA.

**From Q Post #1661 on 7/1/18:**

**What role can MIL INTEL play?**

**What role can NSA play?**

Rich Higgins also threw up a similar warning flare with his 2017 NSC memo. Higgins was part of General Flynn's trusted inner circle staff known as the "FlynnStones."

**From Q Post # 570 on 1/21/18:**

**THEY NEVER THOUGHT SHE WOULD LOSE.**

**[The 16 Year Plan To Destroy America]**

Listed are some of the main themes:

- Progressive Ideology is Paramount
- Military Industrial Political Complex
- NWO/Globalist Open Borders
- Two-Tier Justice/USSC Ringers
- Alinsky Tactics of full Resistance
- Radical Muslim Brotherhood Alliance
- Weaponizing Government Agencies
- End NASA and Weaken U.S. Military
- Start World War 3/Global Nuclear

**From Q Post #2912 on 3/1/19:**

**Carpet bombs are ok.**

**Tactical nukes are better.**

Many have been yelling about the steps taken by the Progressive Left to undermine the USA. Antifa is an outgrowth and represents a large force of foot soldiers to act as street enforcers.

**From Q Post #953 on 3/17/18:**

**TRAITORS EVERYWHERE.**

**AMERICA FOR SALE.**

The '16-Year Plan' was stopped with Trump's 2016 election and the Second American Revolution of MAGA

**From Q Post #3129 on 3/20/19:**

**THIS IS NOT A GAME.**

# **ObamaGate Counter Surveillance**

## **ObamaGate Counter Surveillance Measures Utilized —Xbox Live Party Chat**

Surveillance is all about information gathering or its prevention. Microsoft's Xbox game consoles are the most popular systems in the world.

The latest enhancement is the Xbox Live Party Chat feature. Chat allows players (and coup plotters) to message each other in real-time.

**From Q Post #1891 on 8/15/18:**

**Texts, emails (gmail), drafts (gmail), HAM comms, PS/Xbox chat logs.**

Advancements in gamer technology have enabled these Xbox units to allow communication between operators via WiFi Bluetooth. Not so well advertised, is the fact these Xbox Live Party Chat “logs” can be captured and saved.

**From Q Post #1425 on 5/20/18:**

**TRUST the plan.**

**We are in full control.**

Electronic counter surveillance refers to various measures undertaken to prevent surveillance. Surveillance is the secret periodical or continuous watching of persons, vehicles, places, or objects to obtain information/intelligence.

**From Q Post #1905 on 8/16/18:**

**Anyone have problems w/ their ‘XBOX Live’ accounts shortly after the drop yesterday?**

The distilled, surveilled information can then be analyzed concerning the targeted individuals and their activities. It is all part of the continuing cat and mouse game played by intelligence operatives around the world.

**From Q Post #1279 on 4/26/18:**

**Fake emails.**

**Game forum comms.**

As the Deep State should have guessed in advance, the Xbox Chat logs are obtainable. It should be coming clear that Nellie Ohr's HAM radio transmissions, the Gmail “Ghost Draft” messages and all of the Xbox chat logs are in the White Hat's hands (BOOM)!

**From Q Post #1124 on 4/10/18:**

**We have it all.  
These people are stupid.  
Fireworks.**

QAnon has been advising that there will be a process of “Dark to Light” with the upcoming Great Awakening. IG Horowitz’s 2.0 Report concerning FISA/FISC abuse and SpyGate is due out soon.

**[Placeholder - OIG report > OTR\_C\_]**

Decode: Off the Record Comms such as Nellie Ohr’s HAM Radio, Gmail “Ghost Drafts,” and Xbox Live Chat logs.

The upcoming FISA/DECLAS material will “Bring down the House.” Disclosures about ObamaGate / SpyGate operations will focus the public’s attention on past illegal conduct and lead to mass arrests.

**Ohr, Bruce and Nellie**

## **Bruce and Nellie—Modern Day Bonnie and Clyde Couple**

Bruce and Nellie Ohr's criminal roles expand with every new revelation in the ObamaGate / SpyGate scandals. They, sadly, are part of a growing list of 'Dirty Couples' acting as a modern-day Bonnie and Clyde criminal teams.

**From Q Post #2700 on 2/12/19;**

**Establish 'financial checks/reviews' of those in senior (critical) positions (audits) + direct family (close proximity)?**

It is now being said by The Hill's John Solomon that Bruce Ohr [BO] may turn out to be the number one whistleblower. Ohr's leaked testimony to date has implicated high level individuals connected to the BHO administration.

**From Q Post #2004 on 8/30/18:**

**The FARM requires select skill-sets.**

Ex-FBI agent, Peter Strzok, admitted publicly that Bruce Ohr gave the FBI the original Chris Steele Dossier. Additionally, Steele ran his fake Trump Dossier through BHO's State Department.

**From Q Post #2171 on 9/21/18:**

**Twelve moves ahead.**

**Suicide watch.**

Husband/wife pairs that are involved with high, treasonous crimes are normally rare. For some reason BHO and HRC have convinced several married couples to risk everything for their Progressive Leftist NWO Marxist agenda.

**BO>>Alexander Downer (FVEY)(EX1)**

**BO unlocks UK / F\_intel [FVEY]**

Bruce Ohr met several times in the Fall of 2016 with Glenn Simpson (Fusion co-founder) to discuss Chris Steele. Ohr acted without prior approval or knowledge of his superiors at the DOJ.

**From Q Post #1988 on 8/29/18:**

**“Just learned BO was not interviewed by Huber”**

Bruce was the main conduit between the Justice Department and Fusion GPS. Orbis/UK employee Christopher Steele was to do opposition research for Fusion GPS in creation of the Trump Russia Dossier.

**From Q Post #1876 on 8/14/18:**

Nellie Ohr worked at Fusion GPS and did more than just help compile the Dossier. It has been said Nellie was the co-author as she helped in developing the Trump-Russia collusion narrative.

**From Q Post #2004 on 8/30/18:**

**What is the significance of Nellie Ohr being fluent in Russian?**

Nellie has a unique background which includes a Ph.D. in Russian history. She is fluent in Russian, a Stalin apologist, former CIA analyst and Ham radio operator. It has been discovered that Nellie may have started working for Fusion GPS up to one year earlier than previously stated.

**From Q Post #1990 on 8/29/18:**

**[BO] Interview Dates:**

In Nellie's released Congressional testimony, she stated that she used additional sources besides Steele to compile the final Dossier. Sid Blumenthal and Cody Shearer worked with the State Department Nuland and Winer to insert their two memos with Steele's compiled opposition research.

## **HAM Call—Sign KM4UDZ aka “Lovely Molly”**

DOJ demoted employee Bruce Ohr [BO] has testified to Congress that he personally gave the Christopher Steele Dossier to the FBI. Bruce conveniently first received the final work product of Chris Steele from his wife Nellie (aka Lovely Molly).

**From Q Post #2004 on 8/30/18:**

**The FARM requires select skill-sets.**

Devin Nunes has had both Bruce and Nellie appear and testify to the Select Congressional Task Force. Horowitz has also received testimony and Bruce has been singing like a bird to save 'Lovely' Nellie.

**From Q Post #1745 on 7/28/18:**

**FISA BRINGS DOWN THE HOUSE.**

Bruce and Nellie are a modern-day version of Bonnie and Clyde. Nellie has revealed that Serhiy Leshchenko was one source for the Dossier.

**From Q Post #2107 on 9/7/18:**

**Think Steele > BO [Post FBI firing] intel collection.**

Leshchenko was a Ukrainian parliamentarian and gave ‘oppo’ research to Nellie/Fusion from his “black ledger.” Everyone had a hand in the final development of Steele’s Dossier.

**From Q Post #1743 on 7/28/18:**

**Was the Truth revealed re: FISA/Dossier?**

The personal call-sign code KM4UDZ Ham Radio License is very central to ObamaGate/SpyGate. Nellie “Molly” Ohr [NO] holds that specific Ham Radio ID identification call-sign as well as that catchy handle nickname.

**From Q Post #1435 on 5/22/18:**

**Avoid NSA data collection.**

**It failed.**

President Trump reminded everyone in a tweet that her personal HAM handle was “Molly.” Nellie is a key(stone) person in today’s unfolding ObamaGate/SpyGate political scandals.

**Post Q 1763 on 7/30/18:**

**Those you are taught to TRUST the most.....**

**Dark to LIGHT.**

The use of a Ham Radio is a counter surveillance method often deployed in spy tradecraft to avoid being monitored. Also bear in mind that 'Lovely' Nellie has been involved with the CIA in the past.

**From Q Post #1286 on 4/12/18:**

**Fusion GPS.**

**The Brits-raw intel/ dossier / 5-Eyes.**

Some of Nellie Ohr's foremost characteristics are a big Stalin apologist, fluent in Russian, Ph.D. in Russian history, former CIA analyst, Ham Radio operator, and Fusion GPS Russian expert.

Nellie originally claimed her employment at Fusion GPS began the Spring of 2016. Records now indicate she started back in late 2015 working for Glenn Simpson.

**From Q Post #1939 on 8/28/18:**

**BO unlocks UK / F\_intel [FVEY]**

Lovely Nellie is the theorized partial co-author of the Christopher Steele/Trump-Russian Dossier. Ohr's language skills in Russian and her intelligence background lends credence as a contributor to Steele's Dossier.

**From Q Post #1164 on 4/15/18:**

**Re-read Five Eyes.**

**Avoid US data collection laws.**

**Public: Dossier FISA.**

Clinton enforcers Cody Shearer and Sid Blumenthal also claim part authorship of Dossier # 2 (HRC additions). Their work product memos were combined with Steele's research to make the final full Russian Dossier. Cody and Sid received assistance from Victoria Nuland and Jonathan Winer at BHO's State Department.

**From Q Post #1926 on 8/19/18:**

**SHEEP NO MORE.**

Part of Bruce Ohr's Congressional testimony confirms that he passed Nellie's research to the FBI. Sweet Molly is credited now with being the author of Dossier #3.

**From Q Post #2633 on 12/20/18:**

**"McCain associate shared unverified Steele dossier with Buzzfeed, court ruling says."**

Strategically placed at Fusion GPS was Nellie, the beloved wife of Bruce Ohr. Bruce was the #4 person at the Department of Justice until being

demoted several times. Ohr is cooperating to help save Nellie's life.

**A CROSSROADS IN THE HISTORY OF OUR CIVILIZATION.**

The Ohr's form part of an ever growing community of Dirty Couple/Husband and Wife teams. They all are directly connected to ObamaGate/SpyGate:

McCabe/Strzok/Simpson-Jacoby/Dunn-Bauer/Murray-King/Abidin-Weiner/etc.

**From Q Post #2004 on 8/30/18:**

**What is the significance of Nellie Ohr being fluent in Russian?**

The Ohrs were the main spoke or conduit of the fake Russian-Trump opposition research. This Cabal used 'intelligence laundering' by passing memos between each other.

**From Q Post #3126 on 3/20/19:**

**Is 'RUSSIAN' a common language to learn?  
[Think Nellie Ohr].**

This Dossier flowed in both directions (circular manner) between the Justice and State Departments. Add in MSM reporters, then spun around again to Fusion GPS prior to the FBI/DOJ.

**From Q Post #1238 on 4/22/18:**

**Not 'official' product - 5 Eyes.**

Direct cash payments and sudden job promotions were given out during this time period. Benefits sprung forth to the active ObamaGate/SpyGate couples as rewards.

**From Q Post #2655 on 1/6/19:**

**Upstream collection can be very revealing.**

All while under the 'marriage clause' concerning future testimony against each other. Convenient how they recruited married couples into this treasonous coup plot against POTUS.

**From Q Post #3064 on 3/14/19:**

**OHR cooperating witness**

One of Nellie's infamous quotes goes "The terror and excitement of the Stalin era is just overwhelming." Spoken like a true Communist and Progressive Leftist core believer.

**From Q Post #247 on 12/4/17:**

**Wife connection?**  
**What is the pattern?**  
**Follow the wives.**

The Steele Dossier is the central piece of evidence and thus the ‘Keystone’ to this fake Russia scandal. OIG Horowitz and SP Huber will strike back against these failed coup plotters shortly.

# **Operation Ghost Stories**

## **U1 Is Going To Haunt Like A “GHOST STORY”**

In June 2010, Mueller’s FBI rolled up a network of ten Russian spies in the USA. The FBI’s “Operation Ghost Stories” was one of the country’s biggest and most impactful counter-intelligence /foreign spy busts ever.

**From Q Post #1626 on 6/28/18:**

**Putin / U1 will come out post summit  
America for sale.**

Future proves past yet again as we discover FBI agent Peter Strzok was on the “Ghost Stories” DOJ’s Task Force. This means in essence that Peter Strzok began assisting HRC way back in 2010.

**From Q Post #2603 on 12/12/18:**

**NOBDOY IS ABOVE THE LAW  
THE WORLD IS WATCHING**

HRC wanted the news about the ‘10 Russian Spies’ to quickly disappear. Mueller did respond with the deportation of all ten Russian spies over the 2010 Christmas Holiday time period.

**From Q Post #2848 on 2/21/19:**

**Being a Clinton donor really pays off!**

These true events would mirror in the successful TV series called “The Americans” on FX. This actual network of Russian sleeper operatives included two sets of biological family members and a famous model.

**From Q Post #2657 on 1/6/19:**

**Post public release of CLAS NSA PRO > U1?  
What country was involved with U1?**

These highly trained intelligence assets began to target HRC in 2008. One agent posing as an accountant and she, in fact, got very close to HRC in 2010.

**From Q Post #1008 on 4/14/18:**

**Why is Mueller going after ‘inside plants’?**

William “Doug” Campbell is the secret Uranium One (U1) undercover FBI informant. Mr. Campbell has given his testimony to several Congressional committees and to IG Horowitz about the illegal activities surrounding U1.

**From Q Post #1345 on 5/12/18:**

**U1 [donations to CF].**

In addition to the bribery scheme involving U1, Campbell told of the parallel track Russian spy ring trying to compromise Secretary HRC. Any good operation has vital contingency backup plans that help in overall success.

**From Q Post #2512 on 11/30/18:**

**Mueller will face charges re: U1**

He's working to save himself.

Please keep in mind that the timeframe of the Obama/Clinton 'Russian Reset' is when these U1/Spy Ring events are occurring. Putin had interest in both the Uranium One (cornering market) deal as well as the Skolkovo Silicon Valley (Hypersonic Missile) development.

**From Q Post #1345 on 5/12/18:**

**The 'Exchange'.**

**U1.**

**Risk the welfare of the world.**

The Clinton Foundation received nearly \$145 million in donations (Schweizer's "Clinton Cash") stemming directly from Russian deals with shady kickbacks. Canadian, Frank Giustra, would quarterback, funneling U1 contributions.

**From Q Post #2650 on 1/5/19:**

**THE WHEEL OF CORRUPTION.**

**Welcome to the CON.**

Please remember the \$500k Moscow speech given by Bill Clinton. That speech was followed by a meeting with Vlad to solidify this Russian/U1 criminal 'pay-to-play' arrangement.

**From Q Post #1306 on 4/30/18:**

**What if U1 material ended up in Syria?**

**What does U1 provide?**

**Uranium to Iran/Syria?**

**SUM OF ALL FEARS.**

Mueller's FBI sentenced/deported the spies over Christmas 2018 to minimize the MSM news coverage. This group of foreign spies was exchanged for several Americans and one Britain that were being held within Russia.

**From Q Post #1091 on 4/8/18:**

## **Think Double.**

Incredibly, the one returned 'double agent' to the U.K. was Sergei Skripal. Skripal and his daughter were poisoned and almost killed by toxic nerve agent Novichok last year in Salisbury.

**From Q Post #1626 on 6/28/18:**

**Putin / U1 will come out post summit**

# Operation Latitude

## **Keystone to BHO's PDB—"Operation Latitude"**

The ladies of BHO's "West Wing Power Trio" are Susan Rice/Kathryn Ruemmler/ and Lisa Monaco. All close advisors to BHO and highly instrumental in forging his domestic and foreign policies.

**From Q Post #1981 on 8/28/18:**

**What if a paper trail exists?**

**PDB via No Such Agency.**

The nickname given to this power trio was the "Mod Squad." Under all the glitz lay the foundation for the expanded mass broadcasting of BHO's orders via the Presidential Daily Briefs (PDB).

**From Q Post #2071 on 9/3/18:**

**WHO ORDERED?**

**[PDB]**

Operation Latitude was the deliberate mass dissemination of information via BHO's PDB. Often scandalous unconfirmed intelligence, raw 702 data, and unmasked names were routinely included in BHO's PDB.

**From Q Post #1510 on 6/15/18:**

**Why are Hussein records sealed?**

Purposely inserted into the PDB was opposition research derived from the Christopher Steele Dossier. Also included was information captured by NSA 702 'about queries' using upstream filters.

**From Q Post #2128 on 9/10/18:**

**PDB REGULAR UPDATE + [LIVE STREAMING] WH**

**HUSSEIN NON-OVAL [SITUATION ROOM]**

**COORDINATION FISA [FULL] BRINGS DOWN THE HOUSE**

**[WH].**

Admiral Rogers stopped outside contractors like Fusion GPS and CrowdStrike from having full access to raw 702 intel data. The direct result of this shutdown was the start of human assets being placed within Trump World launching Crossfire Hurricane/SpyGate.

**From Q Post #1943 on 8/28/18:**

**How would updates occur?**

The quarterback of spreading out the 'dirt' on candidate Trump via the PDB was Lisa Monaco. Monaco was a DHS Official assigned to the White

House.

**From Q Post #1991 on 8/29/18:**

**Ms. Ugoretz oversaw intelligence products and briefings for the FBI Director and the Attorney General, as well as FBI analysts' contributions to the President's Daily Brief."**

Lisa made sure all the 'Secret Society' members were in on this special intelligence loop. Minor DOD officials Evelyn Farkas would in turn leak the PDF information to their new media allies.

**From Q Post #1944 on 8/28/18:**

**Who has access to the PDB?**

A prime example of the extended reach of this bogus information was with Evelyn Farkas. The distribution channel was near 50 individuals where in past administrations only a handful ever had access to the top secret PDB.

**From Q Post #559 on 1/19/18:**

**HUSSEIN CABINET/STAFF.**

**Who used private email addresses?**

**What was the purpose?**

Farkas famously bragged on MSNBC as to the existence on this network within the BHO government. Evelyn let the cat out of the bag about prior White House surveillance efforts against Trump.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.**

**THE WORLD IS WATCHING.**

Evelyn Farkas has a strategic purpose being included in the BHO PDB loop. Besides Farkas's media contacts, she has Congressional friends up on the 'Hill.'

**From Q Post #1912 on 8/16/18:**

**"concerned dedicated resources in-place are not adequate to shelter against the PDB in which several agencies contribute...."**

Under BHO the normally highly compartmentalized PDB was now spread out to three dozen administration officials. The 'Secret Society' could be kept up to date on the big picture without having to assemble as a group.

**From Q Post #1743 on 7/28/18:**

**Was the Truth revealed re: FISA/Dossier?**

Rounding out BHO's Mod Squad are Ambassador Susan Rice/NSA Director

and Kathryn Ruemmler who was the White House Counsel. This group scarily was known as BHO's 'Muses'.

**From Q Post #436 on 12/22/17:**

**[FISA 2]. PRES DAILY B**

Valerie Jarrett [VJ] oversaw this Mod Squad supervisory wise and along with Samantha Power (Unmasker) you have all of BHO's power-mad crazed muses!

With the mass distribution of the PDB and coordinated leaks to MSM you have the backbone of the entire Operation Latitude. BHO used the W/H PEOC bunker for several in person briefings.

**From Q Post #1990 on 8/29/18:**

**Who inserts the discovery into the PDB?**

Horowitz/Huber will be releasing their 2.0 report soon and it will focus on FISA/SpyGate. The overall treasonous coup plot against President Trump is now being uncovered slowly through public disclosures concerning ObamaGate.

**Page, Carter**

## **FISA's "Russian Agent"—Meet Carter (UCE) Page**

Agent of a Foreign Power meet FBI's UCE Carter Page. The DOJ/FBI secured a FISA Title-1 surveillance warrant on Carter Page in October 2016.

**From Q Post #2129 on 9/10/18:**

**USE OF BACKCHANNEL SURV / SPY INSERTION [BODY 1, 2, AND 5] BY UK/AUS [PRIMARY].**

Carter is accused by the DOJ/FBI of being a Russian spy. This was the sole basis for the FISA warrant when combined with the fake Steele Dossier.

**From Q Post #1743 on 7/28/18:**

**Was the Truth revealed re: FISA/Dossier?**

Four elements of this conspiracy are:

- Exonerate HRC and Related Aides
- Dossier Collect/Redistribute "Oppo"
- FISA Title-1 Surveillance (Carter Page)
- Insurance Policy/Crossfire Hurricane

Entering into this picture is Under Cover Employee #1 (UCE-1) aka Carter Page. Carter is an ex-Navy and an energy Industry consultant with business connections within Russia.

**From Q Post #1164 on 4/16/18:**

**Not Public: Five Eyes UK/AUS POTUS targeting using pushed  
RUS decoy meetings / campaign insertions.**

Page would end up being an unpaid adviser on the Trump Campaign Foreign Policy board in 2016. I believe Carter was targeted regardless of the final GOP nominee due to his foreign credentials.

**From Q Post #1589 on 6/26/18:**

**FISA.  
ABUSE OF EXEC POWER.  
ILLEGAL SPYING.  
FRAME.  
INSERT ASSETS.**

Funny how the FBI had first described Carter Page in March 2016 as an employee. Then by October 2016 the FBI told the FISC that Page was now a Russian spy and required surveillance.

**From Q Post #1508 on 6/15/18:**

**Plants need water.**

Carter Page first started to work with the FBI back in 2013. Page had been described as an Undercover Confidential Informant (UCE) on the DOJ payroll.

Carter helped to break-up, oddly enough, a large network of Russian intelligence agents. The Deep State kept an eye on Page and in 2016 he was useful again.

**From Q Post #2694 on 2/11/19:**

**FISA works both ways.**

The first of these Russian spies, Evgeny Evgenievich Buryakov, plead guilty on 3/11/16. All thanks to the dutifully help of the FBI's UCE-1/Carter Page.

**From Q Post #553 on 1/19/18:**

**What must we LEGALLY demonstrate in order to gain such warrants?**

**FISA?**

It appears that Carter went onto yet another assignment for his bosses at the DOJ/FBI. History will tell if Page was duped in London or if he was a paid plant.

**From Q Post #1498 on 6/14/18:**

**[[RR]] approved/signed FISA-warrant application(s) to extend surveillance.**

The DOJ/FBI Trump-Russia probe officially began on July 31, 2016. The specific reasons required by the DOJ to launch this investigation never existed.

**From Q Post #3178 on 3/25/19:**

**ILLEGAL MANUFACTURED EFFORT [ATTEMPTED COUP]  
TO TAKE DOWN THE PRESIDENT OF THE UNITED  
STATES.**

Paid intelligence assets like spies and LURES were inserted much earlier than 7/31/16. Operation Crossfire Hurricane goes back to the Winter of 2016.

**From Q Post #1008 on 4/14/18:**

**Why is Mueller going after inside plants?**

Shady meetings were originated by Stefan Halper for Carter Page and campaigning co-chair Sam Clovis in the Summer of 2016. These both

occurred within a few months of the infamous Papadopoulos London Pub Crawl.

**From Q Post #436 on 12/22/17:**

**[FISA 2]**

With Carter Page in place the Title-1 FISA could now fully take off. Warrant allowed the total surveillance and record culling for all of Trump World.

Title-1 FISA warrants allow for a total of 2 HOPS of communication chains. This means the person you called plus two people they call are all covered in this umbrella-like blanket surveillance.

**From Q Post #1008 on 4/4/18:**

**Carter Page was a plant.**

**Trace background.**

IG Horowitz/SP Huber's 1.0 report was on the HRC's emails. Horowitz/Huber 2.0 will focus on the DOJ/FBI's FISA applications and misuse of the FISC.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR REPUBLIC.**

**There is a reason why the sword is held.**

**Pagliano, Bryan**

## **Pagliano's Sweet Deal—Get Immunity then “Take the 5th”**

Bryan Pagliano won the lottery with James Comey when he received a sweetheart FBI immunity deal. Bryan joined other lucky Clinton aides in getting valued “Get Out of Jail” free cards being passed out by the FBI.

**From Q Post #7 on 10/29/17:**

**Why wasn't HRC prosecuted for the emails?**

Winners besides Bryan included Mills/Samuels/Bentel and Combetta. Pagliano was also fortunate by receiving his government paycheck and additional payments on the side by the Clintons.

They think they are clever.

Pagliano's primary duty was I/T computer work and to oversee Clinton's secret 'Home Brew Server.' His sidekick and system operations supervisor was notorious Justin “Hammering” Cooper.

**From Q Post #3045 on 3/13/19:**

**Did a Foreign State gain access to the SAP/SCI material on the server?

Partners already in this crime Pagliano/Cooper switched out the HRC private email system over to Platte River Networks (PRN). Paul “BleachBit” Combetta became the main tech at PRN overseeing HRC's server from 2013.

**From Q Post #1888 on 8/15/18:**

**Did they ask Combetta for advice?**

Congressional Committee Chair Jason Chaffetz got not one but two ‘No Shows’ from Pagliano. Appearances were under Congressional subpoena but they were just outright ignored by Bryan.

**From Q Post #2872 on 2/22/19:**

**Hillary Clinton and Foundation.

Pagliano later pleaded the Fifth Amendment over 100 times in a closed door

**Parscale, Brad**

## **Website Developer to Air Force One—Meet Brad Parscale**

In my ongoing introduction to POTUS' 'Quiet Heroes,' meet Brad Parscale. Brad fits perfectly into this fine group of Patriots.

**From Q Post #2610 on 12/12/18:**

**2020+ safeguarded.**

decode: Voter ID Laws & Elections

Brad started working for POTUS and the Trump Organization way back in 2011. Parscale is easily recognizable with his height, ponytail, and big-league smile.

**From Q Post #1688 on 7/24/18:**

**There is no greater [current] threat to the American people than the FAKE NEWS MEDIA.**

Brad was initially hired by President Trump to do website design and development for Trump International. Parscale additionally took on responsibilities of the company's digital media strategies and development.

**From Q Post #113 on 11/5/17:**

**Social media platforms.**

What is Operation Mockingbird?

Beginning in 2015 Brad was asked by POTUS to create an exploratory Presidential campaign website. Later that year Brad's firm of Giles-Parscale, was officially hired by the Trump 2016 Campaign to coordinate all digital media operations and voter data.

**From Q Post #386 on 12/19/17:**

**PATRIOT of the highest caliber.**

Referred to affectionately by President Trump as a 'tech data nerd,' Brad has even been praised by WAPO as a 'tech genius.' Parscale set the new campaign standard of integration of digital media.

**From Q Post #743 on 2/12/18:**

**End is near.**

**The media cleanse/JFK.**

Brad, the 2016 Campaign Digital Media Director, pulled off a winning strategy across all social media platforms. Parscale utilized outlets like

Facebook/Google/and Twitter as opposed to the expensive classic multi-media ad buys.

**From Q Post #2419 on 11/5/18:**

**What # does the passcode add up to?**

**For Anons.....**

decode: 'Q' had tagged Brad's Twitter

Parscale used specific targeted advertising along with social media 'branding' messages for full-cost impact. Historians will mark Brad digital media contributions to be a standard in future election campaigns.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.**

**THE WORLD IS WATCHING.**

Parscale's "Project Alamo" expertly tied in voter data bases successfully with both fundraising and advertising plans. This is one of Brad's classic quotes "You want a great product, you want things to resonate with people, and to make them dance."

**From Q Post #1822 on 8/6/18:**

**FAKE NEWS MEDIA IS NOT FREE AND INDEPENDENT.**

Brad is currently a Personal Aide to the President and is the Trump's 2020 Re-Election Campaign Manager. I personally saw Brad at the 7/31/18 Tampa 'Q' Rally and he serves our POTUS very well.

# **Pepe the Frog**

## **Where Has That Sneaky Deplorable Frog PEPE Been Lurking?**

Voted in some polls as the most influential figure of 2016 was our pal Pepe the Frog. The Deplorables of 2020 will be calling once again for the return of our lucky charm, Pepe!

**From Q Post #2857 on 2/22/19:**

**Pepe is proud and has never been more popular.**

Pepe's last confirmed public appearance was during the Hillary and Huma trip to India. Pepe interrupted this girl's vacation when he accidentally tripped HRC while descending a large Indian staircase.

**From Q Post #3129 on 3/20/19:**

**THIS IS NOT A GAME.**

That little green Trickster almost caused HRC to take a tumble. Rumor has it but still unconfirmed that Pepe was spotted in Canada last week.

**From Q Post #2599 on 12/12/18:**

**PEPE THE BAKER?**

**Think POTUS Tweet re: PEPE.**

**Trolling the FAKE NEWS media is SO MUCH FUN!**

Always the clever little trickster, Pepe was intent on making a point during these Canadian festivities. Several memes showed Pepe lurking about.

**From Q Post #2876 on 2/22/19:**

**JUDGEMENT DAY COMING.**

No pictures exist (hint to Meme makers), but Pepe was scene spraying some type of solvent into the air during the G7 Summit. Attention on deck to our outstanding Anons in remembering to bring back Pepe into this final battle.

**From Q Post #2572 on 12/10/18:**

**Do not let them DIVIDE you.**

**PANIC BUTTON PUSHED.**

This aerosol was known to dissolve glue and other types of adhesives in the application of fake eyebrows (Tredeau).

**From Q Post #1265 on 4/25/18:**

**Moves and countermoves.**

**Up is down.**

**Left is right.**

We need the return of Pepe to spearhead the counterattack against the Deep State. POTUS/Team-Q/and the faithful Anons are by Pepe's side until the end.

**From Q Post #2599 on 12/12/18:**

**Anon to Q: I SEE a FROG.**

**Perkins Coie**

## **Perkins Coie—Providing Deep State Lawyers and Legal Cover**

Perkins Coie is headquartered in Seattle/WA with 14 offices nationwide. Three Perkins partners of interest are Robert Bauer/Michael Sussman/and Marc Elias,

**From Q Post #436 on 12/22/17:**

**HRC CAMP PAY >**

**DNC PAY >**

**CLAS: 1-4 PAY >**

**STEELE.**

All three lawyers have long histories of bailing out very high-profile Democrats who get into legal trouble and political scandals. Clintons and BHO have had working relationships with Perkins.

**From Q Post #2331 on 10/4/18:**

**[Part re: Fusion GPS, Perkins Coie now being revealed].**

Elias goes back to Slick Willy and on through representing the DNC/HRC in 2016 as campaign General Counsel. Bauer was BHO's White House Counsel and his personal lawyer.

**From Q Post #2876 on 2/22/19:**

**CLINTON PANIC.**

**CLINTON FEAR.**

**JUDGEMENT DAY COMING.**

Sussman's good buddy is Shawn Henry the President of CrowdStrike. Sussman also had contacts with FBI James Baker regarding Christopher Steele's Dossier.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.**

**THE WORLD IS WATCHING.**

Perkins Coie had Robert Bauer form its new Political Legal Division. Bob was BHO's White House Counsel and keeper of the secrets. Bauer oversaw many of the BHO scandals and provided legal cover.

**From Q Post #1828 on 8/9/18:**

**[PERKINS COIE] (shell2).**

Bauer would bring over in time several other BHO staffers to fill out this

new division. Don't forget about Bob's wife Anita Dunn. She was BHO's White House Communications Director.

**From Q Post #1959 on 8/28/18:**

**China hacked HRC server?**

**Access was granted.**

This married pair joins the likes of McCabe's/Strzok's/Ohr's/Priestap's and other 'Dirty Couples' connected to ObamaGate/SpyGate.

**From Q Post #1510 on 6/10/18:**

**Why are Hussein records sealed?**

Perkins Coie has become involved with four main political scandals and they seem to be somewhat related. By paying for legal services the HRC campaign was money laundering payments to foreign sources for the Trump 'oppo' research.

**From Q Post #3129 on 3/20/19:**

**THIS IS NOT A GAME.**

Were Russians indirectly being paid for information gathered through Christopher Steele? These foreign payments are not allowed under US Presidential Campaign Law.

**From Q Post #436 on 12/22/17:**

**[DNC BREACH / DOSSIER].**

**CROWDSTRIKE.**

FIRST Perkins Coie goes back to the "Birth Certificate" authenticity of BHO's. In response to many serious questions about the existence of a Hawaiian original certificate, a long-form copy was finally put up on the W/H website.

Sheriff Joe and his Cold Case Posse questioned the validity of this long-form copy. New forensic evidence produced in January 2018 calls the 'copy' into question. Mike Zullo from CCP discovered 9-points of fraud from this false long-form birth certificate.

SECOND was the hiring on 4/12/16 of Fusion GPS with funds from both the DNC and HRC Campaign. Also, additional funds from BHO would be included. The mission this time was to find incriminating data/"oppo research" on then candidate Donald Trump.

Perkins attorney Michael Sussman has direct contact with FBI James Baker. Baker has testified that he gave Dossier material to Sussman prior to the official start of the Trump-Russia investigation.

**From Q Post #1807 on 8/3/2018:**

**BIGGEST COVER UP IN US HISTORY [ATTEMPTED].**

THIRD is an older story but has recent value—Future Proves Past. BHO had hired Fusion GPS back in 2012 to dig up dirt on then candidate Mitt Romney. Strange how these cycles keep repeating and with the same crooked cast always at the center.

FOURTH was in late April 2016 when Perkins hired CrowdStrike to inspect the DNC's computer server suspected of a breach. Perkins lawyer Michael Sussman and Skippy Podesta thought CrowdStrike better than the FBI to handle inquiry.

We all remember the Russian Fancy/Cozy Bear fantasy hackers were to blame. Eric Schmidt/Google invested \$100 million into CrowdStrike in 2015.

**From Q Post #1008 on 4/4/18:**

**No “direct” investigation into DNC computer/software?**

FBI James Baker has testified that Perkins lawyer Michael Sussman gave the FBI Alfa Bank allegations. These false accusations involved a Russian bank located at Trump Towers, NYC.

**From Q Post #1866 on 8/14/18:**

**Why did POTUS move his entire operation out of TT the DAY AFTER the ADM ROGERS [SCIF] MEETING?**

Bauer just recently resigned from Perkins after many years of service. There seems to be no end to the tangled spider web of political corruption.

**From Q Post #2331 on 10/4/18:**

**[Part re: Fusion GPS, Perkins Coie now being revealed?].**

Exposure of long-time Deep State connections are found within this ObamaGate/SpyGate scandal. The story continues with Marc Elias heading DEMs election recounts in Florida.

**Petraeus, Davis**

## **The Petraeus Trap—Gmail “Ghost Draft” Messages**

Former CIA Director General David Petraeus has unsuccessfully tried to hide communications via ‘Gmail Drafts.’ Petraeus was having an extramarital affair and setup a joint Google Gmail account to hide their secret messages.

**From Q Post #1891 on 8/15/18:**

**Texts, emails (gmail), drafts (gmail), HAM comms, PS/Xbox chat logs.**

By allowing several individuals access passwords to select Gmail accounts, this gives freedom to explore the saved/unsent ‘draft’ message folders. This tactic is employed as a counter-surveillance method to avoid capture.

**From Q Post #2476 on 11/10/18:**

**[There is a reason why ‘directly’ after the drops MS shut down their entire network to erase ‘collected and stored material.’**

There is no limit to the number of drafts, user access, and virtual worldwide instant responses. Gmail ‘ghost drafts’ are used by both cheating spouses as well as professional Deep State actors.

**From Q Post #1502 on 6/15/18:**

**GMAIL DRAFTS?  
(Access Kills)**

This type of secret messaging system is employed primarily by terrorist organizations and criminal cabals. It is a surveillance counter-measure and would certainly be known by the Director of the CIA and obviously Team-QAnon.

**From Q Post #2063 on 9/2/18:**

**Think GMAIL DRAFTS.**

Gmail drafts have become once again relevant today by drops indicating that top level FBI/DOJ officials were using this method. Rumor has it that the small group aka the ‘Secret Society’ used this as one of their forms of communication.

**From Q Post #1283 on 4/27/18:**

**Lawmakers learned gmail draft comms yesterday?**

Lest we forget Nellie Ohr who also used an old intelligence tradecraft trick of HAM Radio broadcasts. Also, the chat logs of Xbox game systems were

additionally tried and were all captured.

**From Q Post #1279 on 4/26/18:**

**We have it all.**

**Many drafts.**

“We have it all-Baby” will be the final nail in the coffin of these disastrous treasonous schemes. IG Horowitz’s 2.0 report should drop now Mueller’s final report has been turned into the DOJ.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR REPUBLIC.**

**There is a reason why a sword is held.**

The upcoming FISA/DECLAS should begin the final unraveling of the entire ObamaGate/SpyGate operational plans. SP Huber’s unsealing of indictments will be the grand finale to this ‘dramatic play’.

**From Q Post #1504 on 6/15/18:**

**What came out in IG report?**

**JC gmail.**

**Pientka, Joe**

## **Who is Joe Pientka? How is He Connected to ObamaGate?**

FBI Special Agent Joe Pientka had by all appearances a normal government career. Pientka drew an interview assignment that however would alter his life both professionally and personally.

**From Q Post #2043 on 8/31/18**

**FISA warrant issued/approved>FLYNN.**

Joe was paired up with infamous FBI 'Super Agent' Peter Strzok to interview the then NSA Director General Mike Flynn. This ambush-style unscheduled entrapment interview took place on January 24, 2017.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

The FBI's "302 Form" is the official document that memorializes witness interview sessions. So accepted as fact are FBI 302s, they are used legally as factual evidence in courtroom proceedings.

**From Q Post #2218 on 9/19/18:**

**In the end, all will be right.  
Patriots protect Patriots.**

What has come into play was the strange interpretation of these Flynn 302's by higher ups within the DOJ/FBI. Pientka claims he believed General Flynn was telling the truth during this interview.

**From Q Post #2165 on 9/12/18:**

**SESSIONS and FLYNN [targeted] for [immediate]  
removal/recusal?**

Peter Strzok's notes seem to back up this professional gut feeling about Flynn's truthfulness. It appears only Comey and McCabe came to a much different conclusion/interpretation.

**From Q Post #1286 on 4/27/18:**

**Flynn pleads guilty to none crime committed?**

Devin Nunes's House Committee has already concluded with the beliefs of Pientka/Strzok, that there was no indication Flynn was intentionally lying. Senator Grassley's Committee looks like they are leaning in this same direction.

**From Q Post #1282 on 4/27/18:**

**Who interviewed Flynn?**

**Why did Flynn take the bullet?**

This apparent entrapment/sting operation was to remove Flynn from the Trump Administration. DOJ's Sally Yates advised POTUS of the "blackmail" threat posed by Flynn misleading VP Pence about the Kislyak conversation.

**From Q Post #2008 on 8/30/18:**

**We should 'attack' while 'corrupt' members of the DOJ, FBI, NY\_AG are still in place?**

Flynn had a phone call during the Trump transition period with the Russian Ambassador Sergey Kislyak. This phone call was both intercepted and leaked out to the MSM cause harm.

**From Q Post #1573 on 6/20/18:**

**Re\_read drops re: 302 mod.**

**DOJ forced to supply.**

**Fireworks.**

The Mueller charge against Flynn was making false statements during his FBI interview. General Flynn did not have legal counsel present during this FBI interview but plead guilty to the charge.

**From Q Post #2548 on 12/4/18:**

**Flynn has been providing significant assistance.**

It has come to light that DOJ Bruce Ohr meet with both Pientka and Strzok during this time period. Joe Pientka and a group of fellow FBI agents all want to now testify.

**From Q Post #2632 on 12/20/18:**

**Why would the FBI DIR take the time to visit ALL 56 FBI FIELD OFFICES around the entire United States?**

**Completed this week.**

**Logical thinking.**

Bruce Ohr received a memory stick from his wife Nellie/Glenn Simpson containing all of Fusion GPS/Steele's Trump Dossier. Bruce has testified that he gave this memory thumb drive to FBI agent Joe Pientka in December 2016.

**From Q Post #1538 on 6/18/18:**

**Why still employed?**

## **Purpose?**

These FBI agents have a lot to tell about Comey/McCabe/Strzok/and others. They want to be called while on active duty so their high legal fees will be covered by the government.

**From Q Post #1283 on 8/27/18:**

**If the FBI found NO evidence of lying why was Flynn charged?**

Rosenstein has been delayed releasing some of the documents related to the Flynn case to Senator Grassley. The never shy Chuck says [RR] refusals are “disingenuous and extremely disturbing.”

**From Q Post #2107 on 9/7/18:**

**Think Steele > BO [post FBI firing] intel collection.**

In released documents it appears McCabe urged Flynn to meet with Strzok and Pientka without a lawyer present. Multiple FBI 302s have also surfaced throwing into question the entire Flynn interview.

**From Q Post #1661 on 7/1/18:**

**Think stages.**

**What role can MIL INTEL play?**

**What role can NSA play?**

**BANG!**

It is a classic sting entrapment ploy by the FBI. Popcorn time fellow Patriots as the rats attempt to flee this sinking ship.

**Pistole, John**

## **Mueller's Forgotten Deputy Director—Meet John Pistole**

Inquiring minds want to know the ‘skinny’ about the 2009 FBI arrangement with Oleg Deripaska. John Pistole was the FBI Deputy Director (Mueller's # 2) from 2004-2010.

**From Q Post #1345 on 5/12/18:**

**\$1.7b in-cash transfer to Iran [4 routes] [5 planes].**

Pistole started with the FBI in 1983 and assumed the second in command role in 2004. John was appointed by BHO to head the TSA as the Administrator in 2010. Pistole left government service in 2014 and is currently President of the Christian based Anderson University (he is an alumni).

**From Q Post #2230 on 9/20/18:**

**Panic in DC re: Baker confirmed?**

**Huber >> IG (Horowitz) >> Storch**

While at the TSA, Pistole was under constant controversy from the public. Incompetent screeners, long lines and complaints over “pat downs” were frequent. After 9/11, John headed the FBI's Counterterrorism Division.

**From Q Post #2373 on 9/23/18:**

**MCCABE MEMOS [NYT [RR] ARTICLE] [PROVE] THE  
RATS ARE PANICKING.**

Oleg Deripaska was approached by Mueller and Pistole in 2009 to help with the freeing of captive Robert Levinson from Iran. The FBI made a quid pro quo deal and after Deripaska personally spent over \$25 million it looked like Levinson would be released.

**From Q Post #50 on 11/2/17:**

**How did NK obtain Uranium?**

**How did Iran obtain Uranium?**

The entire deal was killed by HRC at the very last minute. You can imagine this did not sit well with this billionaire Oligarch.

**From Q Post #2030 on 8/31/18:**

**“Every battle is won before it's ever fought.”**

**Are you awake?**

Deripaska is a central figure in the unfolding SpyGate scandal. Oleg was

approached again in 2016 by the FBI, this time to discuss possible Trump-Russia collusion with his pal Vladimir. Oleg laughed in Comey's face telling the FBI such a collusion tale is ridiculous.

**From Q Post #67 on 11/3/17:**

**Who is the TSA head?**

**How does HS interact w/TSA?**

Pistole has had a long personal relationship with both VP Pence and DNI Coats via home state Indiana. Time will tell as to the details and agreements made back in 2009 with Deripaska.

**From Q Post #1807 on 8/3/18:**

**BIGGEST COVER UP IN US HISTORY [ATTEMPTED].**

By all appearances Pistole was a good guy surrounded by bad dudes (similar to Rogers and Flynn). It's key to remember that POTUS selected Wray in May 2017 to be the new FBI Director. Pistole was President Trump's runner-up.

**Pompeo, Mike**

## **Trust KANSAS—President Trump’s “Mr. Fixer”**

KANSAS is ready to assist in the prevention of Global Nuclear War. Mike Pompeo (KANSAS) has acted as a carrier mule in the past for POTUS.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

KANAS delivered for POTUS, as a sign of goodwill, Elton John’s classic “Rocket Man” CD to Kim Jong-un. This secret hand-off occurred during nuclear peace discussions with North Korea.

**From Q Post #2148 on 9/10/18:**

**We Will Never FORGET!  
We Will Never FORGIVE!**

In Trump like fashion let’s start off with a check list of big-league course corrections. POTUS’s Mr. Fixer/KANSAS is earning high marks quickly:

- CIA/Intelligence Community
- US State Dept./Foggy Bottom
- North Korea/Peace Plan
- Armenia Revolution
- Cancel Iran Nuclear Deal
- Migrant Invading Caravans
- Middle East Peace (Coming Soon)

Mike Pompeo/KANSAS has served this country with honor for several decades. Graduating first in his West Point class and had a record of distinction.

Mike served as an Officer (Captain) in the famed 7th Calvary/Custer. Pompeo personally patrolled the Iron Curtain sectors around the famed Berlin Wall.

**From Q Post #950 on 3/15/18:  
TRUST KANSAS.**

After active duty, KANSAS went on to earn his law degree from Harvard. Ever the student and natural leader, Mike strives constantly to be the best. He seems to be tracking nicely for a major “2024 role.”

**From Q Post #2912 on 3/1/19:**

**Carpet bombs are ok.**

**Tactical nukes are better.**

Pompeo gets his 'Q' nickname from his four-terms as US House Representative from Kansas. Mike became one of the first Tea Party candidates ever elected to the US Congress.

**From Q Post #2161 on 9/11/18:**

**Rats running.**

**Timing is everything.**

**Enjoy the show.**

Trump tasked Mike first with cleaning up/out the 'Clowns' at CIA. Pompeo is now skimming out the pond scum over at Foggy Bottom/US State Department.

**From Q Post #1186 on 4/19/18:**

**"Pompeo" most senior official to visit NK since?**

Pompeo has helped POTUS out with the major issues from both NK and Iran. I would say KANSAS has performed admirably and exceptionally to date.

**From Q Post #1122 on 4/10/18:**

**TRUST KANSAS.**

President Trump has said that "He and Pompeo are always on the same wavelength." POTUS trusts and has extreme confidence in 'Mr. Fixer' our new Secretary of State-aka KANSAS

**Powell, Sidney**

## **Sidney Powell Exposes Mueller's "Creeps on a Mission"**

Former top Federal Prosecutor and bestselling author Sidney Powell is helping bring to light past misdeeds of the DOJ. Sidney's ground breaking book "*Licensed to Lie*" exposes widespread past corruption within the DOJ.

**From Q Post #2110 on 9/7/18:**

**Who appointed Mueller?**

Sidney was involved with helping to correct an injustice against Merrill Lynch executives. Select top executives were singled out by Mueller's 'Pit Bull' Andrew Weissmann [AWW] for prosecution.

**From Q Post #2102 on 9/6/18:**

**What happens if Mueller 'proves' 'Free Speech Systems LLC' aka 'InfoWars' is linked to a Foreign Intel Agency or other Non\_Domestic entity?**

Andrew is now Mueller's lead investigator on the Trump-Russia 'Witch-Hunt' team. Many question the independence of the entire team assembled by Robert Mueller.

**From Q Post #1425 on 5/20/18:**

**TRUST the plan.**

Ultimately several innocent people were sent falsely to Federal prison. This was part of the famed Enron/Arthur Andersen bankruptcy and fraud case.

**From Q Post #1829 on 8/9/18:**

**What if those 'placed' are being investigated by Bob Mueller, Special Counsel "Bob Mueller, Special Counsel">BM?**

Both major corporations were DOJ victims and lead to their corporate demise. Hardball tactics and undue pressure from federal prosecutors were the methods applied by Weissmann.

**From Q Post #1285 on 4/27/18:**

**Congress passed Public Law 94-503, limiting the FBI Director to a single term of no longer than 10 years."**

**Reconcile.**

Sidney reminded us all about the history of the Enron case which ties directly into the Mueller Russia probe. Enter Mueller's lead investigator Andrew 'Pit Bull' Weissman and his past courtroom legal misconduct

baggage.

**From Q Post #18 on 11/1/17:**

**Why did Mueller meet POTUS 1-day prior to FBI announcement if Mueller COULD NOT be offered director due to prev term limits rule?**

[AWW] was the DOJ Director of the Enron Task Force and concocted bogus business transactions between Enron and Arthur Andersen. This led to the false convictions (like General Flynn) of 4 top Merrill Lynch executives.

**From Q Post #2643 on 1/5/19:**

**The ‘MUELLER’ insurance policy has expired.**

These Merrill executives went to prison only later to have the Weissman convictions reversed on appeal by 5th Circuit Appeals Court. Weissman has had a history of judicial misconduct.

**From Q Post #1318 on 5/7/18:**

**Why must the DOJ and FBI be cleaned FIRST?**

The various false Arthur Andersen charges lead directly to its bankruptcy and caused the job loss of around 25,000 staff. The company was renamed to Accenture and ultimately all charges were reversed by the US Supreme Court-UNANIMOUSLY!

**From Q Post #1008 on 4/4/18:**

**AMERICA FOR SALE.**

**Cheatin’ Obama.**

We can all thank Ms. Powell for her appropriately highlighting Andrew’s past misdeeds. You can hear Sidney regularly as a guest on FOX TV w/Sean Hannity.

It is only appropriate that any Witch-Hunt has a bunch of “Creeps On A Mission”.

# **Power, Samantha**

## **World Class Unmasker and Media Fame Fag—Meet Samantha Power**

Samantha Power [SP] seems to have plenty to say to the MSM when called upon. She told POTUS “Not a good idea to piss off John Brennan.”

**Post Q# 311 on 12/9/17:**

**What was the USSS codename for Hussein?**

**[R].**

**They knew all along.**

Power also chimed in on how the Fake News media should always couch POTUS statements and coverage. Samantha and hubby Cass certainly have loud months.

**Post Q# 2576 on 12/10/18 (in part):**

**Those with the most to lose are the loudest.**

**Crimes against Humanity.**

Power has long been a loud public voice for the Deep State and plotters of ObamaGate/SpyGate. Wife of Alinskyite Cass Sunstein who was considered an USSC appointee by a President HRC.

**Post Q# 2700 on 2/12/19 (in part):**

**Establish ‘financial checks/reviews’ of those in senior (critical) positions (audits) + direct family (close proximity).**

Power was BHO’s UN Ambassador and Chief ‘unmasker.’ Samantha combined her talents with Susan Rice and this pair was affectionately known as the “Gruesome Twosome” of unmasking.

**Post Q# 120 on 11/6/17 (in part):**

**Why is the NSA limited re: ability to capture and unmask US persons.**

It was Sam’s turn to go in front of the MSM to speak out about the Italian elections going nationalists. NWO Globalists are seeing the rise of independence and are in a panic.

**Post Q# 1743 on 7/28/18 (in part):**

**Was the Truth revealed re: FISA/Dossier?**

France is now emblematic with global Great Awakening/QAnon Patriot movements. Demonstrated by the protesters having QAnon on their yellow-vests in Paris worn in such defiance.

**Post Q# 2601 on 12/12/18 (in part):**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

Progressive Leftists are good at blaming others for their own mistakes or wrong calculations. They all keep pushing in unison the tired worn out false narrative of Russia-Russia-Russia collusion.

**Post Q# 2129 on 9/10/18 (in part):**

**[LIVE STREAMING] WH HUSSEIN NON-OVAL [SITUATION  
ROOM] COORDINATION.**

Ambassador Power alone holds the Guinness Book of World Records for unmasking citizens. Samantha has unmasked over 260 innocent Americans during BHO's final term in office.

In past testimony given to Congressional committees Power claims that the unmasking action must have been other people. Samantha had no memory of doing these improper/illegal revealing actions time and time again.

**Post Q# 1181 on 4/19/18 (in part):**

**How do you 'legally' inject/make public/use as evidence?**

Power's infamous quote in regards to BHO's Foreign Policy on why we are in Libya, "It is our responsibility to protect those people that are the most helpless."

**Post Q# 2180 on 9/16/18 (in part):**

**Define 'Traitor'.  
HUSSEIN?  
[RENEGADE].**

Cass Sunstein is her 'Philosopher King' Saul Alinsky loving husband. On a scary parallel timeline Cass was on HRC's short list to fill AS's empty SC seat (LL had to wait for RBG's retirement).

**Post Q# 1008 on 4/4/18 (in part):**

**AMERICA FOR SALE.  
Cheatin' Obama.  
Trust the Plan.**

Let's keep an eye on sweet Sam as she seems to be the type of person that might be willing to spill the beans. Horowitz/Huber may apply the right kind of judicial pressure—GITMO!

**Post Q# 1621 on 1/28/18 (in part):**

**You have more than you know.  
Fireworks.**

It is a staggering to discover how difficult it is to find any clean staffers from the Obama reign. Horowitz/Huber/Ezra/Rogers/and Charles McCullough represent a few of the White Hats from BHO's 'Renegade' days.

## **Who Is The “Alinskyite Philosopher King’s” Unmasking Wife?**

It is just mind boggling how many married couples are connected in some way to ObamaGate / SpyGate. I swear you can’t make this up but here are a few of the ‘Dirty Couples.’

**From Q Post #2601 on 12/12/18:**

**Who are we taught to trust the most?**

Samantha Power and Cass Sunstein meet while both were advisors to BHO’s 2008 Campaign. Cass went on to become BHO’s Administrator of White House Office of Information and Regulatory Affairs (2009-2012).

**From Q Post #2129 on 9/10/18:**

**[LIVE STREAMING] WH HUSSEIN NON-OVAL [SITUATION

Samantha Power was the UN Ambassador for the U.S., appointed by BHO. Power currently holds the world record for the unlawful unmasking of citizens.

**From Q Post #1953 on 8/28/18:**

**Stay LOCAL (U.S.)  
GLOBAL = reflection of LOCAL.**

It is estimated that Sam, alone, ordered the unmasking of 300 innocent American victims. Power now claims these were done in her name without her permission or advanced knowledge.

**From Q Post #1241 on 4/23/18:**

**Who funds WW leftist events?**

Following in Saul Alinsky’s footsteps, is the omnipotent voice of Cass Sunstein. Hailed as the new Philosopher King of the Technocrats, Cass is the educated voice of the Hard Progressive Communist Left.

**Those with the most to lose are the loudest.**

**Crimes against Humanity.**

The “Cognitive Infiltration” program has governmental agents infiltrating extremist web sites, social media and public platforms for disruption and division. Our QAnon movement has witnessed paid Fake MAGA’s employing the ‘divide and conquer’ strategy.

**From Q Post #1585 on 6/21/18:**

**Censorship applied to scale down impact/reach.**

During the BHO reign, Cass was viewed and considered the Regulation Czar. Funny how these progressives just love their endless regulations and rules.

**From Q Post #2161 on 9/11/18:**

**Rats running.**

**Timing is everything.**

**Enjoy the show.**

Two-time loser, HRC, always thought of Cass highly. It has even been rumored that Sunstein was to be President HRC’s pick for the current open SCOTUS seat (making LL wait for RBG).

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR

**There is a reason why a sword is held.**

America is too democratic for Socialism or Marxism to succeed. Leftist teachers gear curriculum toward a slow cultural transformation.

**From Q Post #192 on 11/22/17:**

**Why are Russia and China communist?**

These are the favored themes pushed out by Sunstein and his Alinsky followers. Socialists crave the day their warped idealism becomes the law of the land.

Sunstein Initiated the efforts to censor the Internet by big tech Silicon Valley. Cass recommended limits on blogs and penalties for providers of extremism.

**From Q Post #1010 on 4/4/18:**

**SLAVES.**

**SHEEP.**

**PAWNS.**

Sunstein also championed the Progressive Leftists efforts to change words and speech. Cass demonstrates that by emphasizing plain language alternatives, it would reinforce their idealistic goals and hamper criticism.

**From Q Post #1941 on 8/28/18:**

**Did ANTIFA organically form?**

One of Sunstein/Alinsky's core objectives is the complete transformation of America. QAnon reminds us that good will win in the end.

# **Priestap, Bill and Sabina**

## **World's Top Spies—Meet Bill and Sabina Priestap**

Picture in your mind's eye a real life 'Evelyn Salt' (Angelina Jolie's character) as you read through this article. Oddly this marriage of these two top intelligence professionals resembles another Jolie character from the hit movie Mr./Mrs. Smith (Brad Pitt).

**From Q Post #2692 on 2/11/19:**

**BIGGEST COVER UP IN US HISTORY [ATTEMPTED].**

We know William "Bill" Priestap as being the boss of FBI Counterintelligence agent Peter Strzok. Being the head of the FBI's Counterintelligence Division means you are in fact the USA's 'Espionage Chief'.

**From Q Post #2552 on 12/5/18:**

**After Mr. Priestap's departure, none of the high-ranking bureau officials involved in the two investigations will remain with the bureau.**

Bill Priestap is our country's top spy catcher and its primary defensive shield against his foreign worldwide counterparts. 'SPY vs SPY' has an age-old tradition and it was said at one time that our folks were among the best.

**From Q Post #2059 on 9/2/18:**

**Bill Priestap, Head of Counterintelligence and Strzok's boss-cooperating witness [power removed].**

History will note Bill was the first to step forward in a line of cooperating DOJ witnesses. These are the individuals referred as—"When does a bird sing?"

**From Q Post #2462 on 11/9/18:**

**SHADOW PLAYERS ARE THE DEADLIEST.**

Congressional members originally went out of their way to keep Priestap's initial cooperation a secret. On a side note. I posted an article asking the question could Priestap be FBIAnon?

**From Q Post #1892 on 8/15/18:**

**NEVER FORGET.  
BLACK OPS AGAINST USA.  
TOTAL TAKEOVER OF OUR COUNTRY.  
TRAITORS ALL.**

Sabina Menschel Priestap appears to be a rather unique person. A Harvard degree plus MBA lead instantly upon graduation to a high-level position as a Special Advisor to the FBI.

**From Q Post #2700 on 2/12/19:**

**Establish 'financial checks/reviews' of those in senior (critical) positions (audits) + direct family (close proximity).**

Menschel interacted with Lawrence Summers (old Clinton ally) through her Harvard days. Sabina had the early credentials to excel in the field of international spy tradecraft.

**From Q Post #1745 on 7/28/18:**

**START OF HUSSEIN SPY CANPAIGN TO RIG AN ELECTION WAS BASED ON FALSE INFO.**

Sabina was involved with the FBI Task Force that made recommendations on intelligence transformations in response to 9/11. Post government work brought Sabina first to Kroll International then finally onto leading Nardello.

**From Q Post #1385 on 5/16/18:**

**Did the 'covert' counterintelligence branch of the FBI end?**

Nardello is known as one of the world's top private contractor for espionage services. Sabina is President/COO and her headquarters office received some special guests in the form of an unique emergency protection detail.

**From Q Post #436 on 12/22/17:**

**RAMIF: US INTEL LEGAL SPY ON PRES Candidate/PRES ELECT/etc.**

In early February 2018 a total of 17 operatives from famed Unit 269/Israeli Military Directorate rushed to Nardello's Headquarters. Interpol had picked up a credible threat to Mrs. Priestap's life and acted rather quickly.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR REPUBLIC.**

**There is a reason why the sword is held.**

Israel dispatched this elite team to protect Sabina's threatened life. Mind you the Israeli's beat Priestap's own FBI Hostage Rescue Team to Nardello.

**From Q Post #1940 on 8/28/18:**

**"This is the case with Halper, who is now proven to be a spy, possibly with (Australian Ambassador) Alexander Downer".**

SPY vs SPY, oh what a tangled web can be woven. POTUS and his White Hat Patriots must unravel this elaborate plot.

**From Q Post #451 on 12/23/17:**

**Who is meeting in secret right now?**

**WE SEE YOU.**

**WE HEAR YOU.**

**YOU EVIL SICK BASTARDS ARE STUPID!!!**

Mr. & Mrs. Priestap join the growing list of 'Dirty Couples' connected to ObamaGate/SpyGate. The justice phase is commencing and the final act is soon.

**From Q Post #3129 on 3/20/19:**

**THIS IS NOT A GAME.**

**Priestap, William**

## **The Long-Awaited Return of FBIAnon—aka William Priestap**

A few strange actions took place on July 2, 2016. HRC's FBI interview, conducted by Peter Strzok, and spy Stefan Halper contacted Carter Page. Also, on that day, FBIAnon first appeared on 4Chan with claims of corruption within the FBI.

**From Q Post #89 on 11/5/17:**

**FBI/MI currently have open investigation into the CF.**

It is now widely accepted that the information from FBIAnon was legitimate. FBIAnon held a famous Q and A session where many answers/predictions have held true to date.

**From Q Post #2581 on 12/11/18:**

**How do you protect a valuable witness (whistleblower)?**

After too long of a silence, it appears FBIAnon has returned again to the Chans. Posted on 1/26/19 was that a federal grand jury has indicated both Comey and Brennan.

**From Q Post #2514 on 11/30/18:**

**Future will prove past.**

**History books.**

**JUSTICE.**

**Enjoy the show.**

Public disclosure of the Comey/Brennan information is scheduled for 2/15/19. FBIAnon has also said in a follow up drop that McCabe will be indicted as well.

**From Q Post #2478 on 11/11/18:**

**Let the unsealing begin.**

**JUSTICE UNDER THE LAW.**

If this is, in fact, the real FBIAnon, we are in the 'quickenings' fellow Patriots. The unsealing / DECLAS will be coming soon.

**From Q Post #2552 on 12/5/18:**

**“After Mr. Priestap's departure, none of the high-ranking bureau officials involved in the two investigations will remain with the bureau.”**

Rumors have been circulating that Strzok's boss at FBI Counterintelligence

(CI) could be FBIAnon. Bill Priestap was head of FBI CI and was the first person to cooperate in the IG Horowitz/SP Huber's criminal investigations.

**From Q Post #1288 on 4/27/18:**

**Bill Priestap, Head of Counterintelligence and Strzok's boss -  
Cooperating witness [power removed].**

Priestap was the first of the DOJ/FBI 'Small Group' to turn states evidence.

Cooperating Witnesses (Bird Cage):

- William Priestap (FBI Dir C/I)
- Peter Stroz (FBI Asst. C/I)
- Lisa Page (FBI Lawyer)
- Bruce Ohr (DOJ # 4 before demoted)
- Joe Pientka (FBI Special Agent)
- George Tosas (Deputy Assistant AG)
- James Baker (FBI Legal Counsel)

**From Q Post #753 on 2/13/18:**

**When does a bird sing?  
Everything has meaning.**

Time will tell if Bill Priestap is FBIAnon. Bill led the way with early "singing" and will be noted for that by historians.

**From Q Post #1552 on 6/18/18:**

**+FBI protection of HRC.**

**+FBI criminal acts.**

**Ref to Huber?**

Priestap's released Congressional testimony states he was deliberately excluded from key Trump probe meetings. Looking like Bill was not in the 'Small Group' and will be rewarded accordingly.

**From Q Post #1939 on 8/28/18:**

**Red-Handed comms revealed to 'encourage truthful testimony'.**

OIG Horowitz's 2.0 report and Nunes' phase 2/3 are due out soon. Charges from SP John Huber as the ObamaGate/SpyGate probes are all finalized.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

Huber/Horowitz are finished with Bill Priestap's cooperative testimony. Bill

has announced his resignation from the FBI.

**From Q Post #1929 on 8/20/18:**

**MOVIE 3 - TBA.**

**Enjoy the show.**

These actions all point to the final act beginning [Movie 3] and about to play out. Popcorn at the ready fellow Patriots!

**Prince, Erik**

## **Mentioned by “Q” and Wanted by Mueller—Meet Erik Prince**

Erik Prince is known as Blackwater’s founder and is a former Navy SEAL. Erik was an informal adviser to President-Elect Trump as well as the brother of Secretary Betsy DeVos.

**From Q Post #1948 on 8/28/18:**

**Who provided SECURITY?**

**Why did [1] particular plane land outside of Iran?**

Prince has recently been brought back into the news and has been doing some ‘White Hat’ type of actions. Erik has long been promoting a private contractor army in Afghanistan and other hot spots.

**From Q Post #223 on 11/23/17:**

**Who is Betsy D?**

**Why is she relevant?**

**Expand your thinking.**

As you go through this article keep in mind that Prince/Crew (Mitch Rapp/Jason Bourne) have been protecting POTUS and FAMILY for a long time. The USSS took sole protection of POTUS but Erik’s operators are always omnipresent.

**From Q Post #953 on 3/17/18:**

**TRAITORS EVERYWHERE.**

**AMERICA FOR SALE.**

During Bush/Obama eras, Prince became the scapegoat for civilian deaths at the hands of his sub-contractors in the Middle East. He sold Blackwater and started Frontier Services Group which now operates under the name Academi.

**From Q Post #765 on 2/15/18:**

**Watch the water.**

In August 2016, a special meeting was setup by George Nader to be held at Trump Tower. Besides George and his patron UAE Crown Prince bin Zayed, attending were Donald Trump Jr. and Erik Prince.

**From Q Post #69 on 11/3/17:**

**God speed to those that will be put in harms way. You are the bravest men and women on earth.**

**We will never forget.**

Offers of future campaign help were extended but no Gulf States arrangements were consolidated. A future meeting was discussed and arranged for after the 2016 election.

**From Q Post #2572 on 12/10/18:**

**Drops ‘layered’ to provide ‘advance knowledge’.  
PANIC BUTTON PUSHED.**

On Nov. 4, 2016 Erik did an interview with Alex Marlow about the Weiner’s sized laptop. Prince was the first to unveil the illegal classified emails and salacious material recovered by the NYPD.

**From Q Post #2365 on 10/7/18:**

**[Pg 294].**

**[Meeting between Comey and Coleman on October 4].**

The laptop data supposedly had Huma’s ‘Insurance File’ and other documented crimes against children. The DOJ/FBI headquarters would step in to silence leaks and smother this evidence.

**From Q Post #867 on 3/6/18:**

**Who are we taught to trust the most?**

Erik explains how the NYPD threatened Lynch and Comey that they would go public if DC didn’t act. Comey then reopens HRC email probe and Lynch puts the clamps on both the NY FBI/NYPD.

**From Q Post #1229 on 4/21/18:**

**Blackwater USA.**

**The world is connected.**

On Jan. 11, 2017, Erik Price goes to a meeting in the Seychelles at the request of the UAE Crown Prince and George Nader. A back-channel with Russia was one topic they discussed.

**From Q Post #224 on 11/24/17:**

**Who knows where the bodies are buried?**

Putin ally Krill Dmitriev accidentally bumped into Prince and they had a few beers while vacationing in the Seychelles. The Deep State has another ‘plant’ with George Nader arranging ‘dirty-up’ meetings with Trump world individuals.

**From Q Post #2161 on 9/11/18:**

**Rats running.**

**Timing is everything.  
Enjoy the show.**

George Nader set up both of these suspicious meetings. I contend that Nader was a spy/LURE deliberately inserted into Trump Transition Team by the criminal Coup Plotters.

**From Q Post #2872 on 2/22/19:**

**Hillary Clinton & Foundation.  
Crime Against Children.**

In March 2018, Mueller expanded his investigative scope to other 'stormy' subjects. Team Mueller is looking at Erik Prince's mysterious Seychelles rendezvous and back-channel talk.

**From Q Post #1090 on 4/8/18:**

**What forces shadowed No Name ?  
Contractors.  
Special contractors.**

Decode: Hired (Prince's FSG) Mercenaries are following No Name around in real-time.

**From Q Post #1760 on 7/29/18:**

**Blackwater on GUARD.**

Decode: Erik Prince's "Blackwater Mercs" are protecting POTUS/FAMILY.

It has been announced that Prince is helping with a friendly "Occupation Force" in Syria.

**From Q Post #374 on 12/19/17:**

**Operators active.  
Operators in harms way.**

On a rumor basis only, Erik/Blackwater was connected to assisting the Saudi cleanup and torture. He is also credited with helping NK Kim's security.

FOX's hit TV series "24" stars actor Jon Voigt playing a veiled version of the real Erik Prince. We are watching a real-life play unfold in front of us Patriots.

**From Q Post #1091 on 4/8/18:**

**Think Double.  
Why are we confirming this publicly?  
Why now?**

IG Horowitz's 1.0 report sites Abedin/Weiner's laptop seizure and the disgusting material discovered. Horowitz 2.0/FISA DECLAS will bring this all out into the public realm.

# **Project Cassandra**

## **“Project Cassandra”—Bruce Ohr, Hezbollah and Imran Awan**

Former AG Stealth Jeff Sessions was well known for being very anti-drug. ‘Project Cassandra’ was purposely put on hold by Obama to clear the pathway for his signature on the Iranian Nuclear Deal.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

When the halted ‘Project Cassandra’ was brought to AG Sessions’ attention he formed a new special DOJ Task Force. The goal was to seriously combat the Hezbollah cartel and cripple their drug running and money laundering programs.

**From Q Post #151 on 11/14/17:**

**How do you capture a very dangerous animal?**

Project Cassandra was a decades old DEA program implemented to stop the Iran backed terror group Hezbollah. Narcoterrorism is always present from running drugs and weapons trafficking.

**From Q Post #1981 on 8/29/18:**

**AWAN>Pakistani Intelligence?**

Central to this \$1 Billion annual criminal enterprise is the ability for huge cash money laundering. This cash brings the international banking industry into play.

**From Q Post #85 on 11/5/17:**

**Why is AG Sessions / POTUS prioritizing building the wall?  
Immigration?  
Drugs?**

Drugs will also bring in shady used car dealerships just like our favorite Pakistani spy Imran Awan. Money laundering operations need to operate with a believable valid front company.

**From Q Post #2122 on 9/9/18:**

**Knowledge is POWER!**

Also let’s not forget about POTUS’ first military action in Yemen (Yakla). This is where mission plans were somehow internally compromised to the enemy.

**From Q Post #77 on 11/8/17:**

**Who is Awan?**

**What is Awan Group?**

**Define cash laundering.**

This operational compromise, tragically lead to Navy Seal Ryan Owen's death. The Awan Cabal are prime suspects in this leak of secret military operational information and will be held accountable.

**From Q Post #674 on 2/6/18:**

**AWAN/DWS/Paki Intel/MB.**

Decode: MB=Muslim Brotherhood

DOJ's Task Force is expected to have some preliminary findings to Congress later in 2019. Focus will be on uncovering past Cassandra abuses as well as prior business relationships with the Pakistani Awan's and other laundering fronts.

**From Q Post #1009 on 4/4/18:**

**Drug road block.**

**Guns road block.**

Deputy AG Rosenberg and DOJ Bruce Ohr are leading this current task force. Ohr previously had run this very same program under BHO but was ordered to ignore the international terrorism, money laundering, and drug trafficking.

**From Q Post #2663 on 1/7/19:**

**Something out of a movie?**

**The hole is deep.**

POTUS is systemically cutting off both the access to America and attacking their funding sources. Global terror groups rely upon the cash from these drug-running worldwide operations.

## **Q-Day**

## **When the Question is Asked and Answered—“Q-Day” MOAB**

**From Q Post #2563 on 12/7/18:**

**At some point, the Q will be asked.**

There is little dispute that the day will come when the Mockingbird media will ask POTUS the question. When President Trump announces or drops the validity of QAnon, that will be known as Q-Day

**From Q Post #2912 on 3/1/19:**

**Carpet bombs are ok.**

**Tactical nukes are better.**

Q-Patriots from around the globe are waiting for the day we can all come out of the Q-closet. The QAnon forecast seems to indicate that 2019 will be glorious indeed fellow Patriots.

**From Q Post #1232 on 4/21/18:**

**Ready to play?**

**MOAB incoming.**

Q-Day will be the beginning of the end of fighting from the shadows. Patriots await President Trump's announcement of what General Flynn terms as the 'Digital Army.'

**From Q Post #2504 on 11/29/18:**

**Has POTUS ever made a statement that hasn't been proven to be correct (future)?**

The first time the U.S. deployed a GBU-43 or MOAB in combat was in 2017. The Air Force was targeting an ISIS underground complex in Afghanistan.

**From Q Post #2190 on 9/17/18:**

**Anons picked up on the 'carpet' bombs.**

MOAB was tested at the Eglin Air Force Material Command Base on 3/11/2003. Eglin AFB is located along Florida's Panhandle not far from Pensacola.

**From Q Post #2727 on 2/15/19:**

**In the past, what was the punishment re: a TRAITOR?  
Coincidence?**

Elgin AFB had a hand in the famed Doolittle Tokyo Raid during WW2. Pilots practiced take-offs at Eglin prior to their historic launching from USS Lexington aircraft carrier on Tokyo bombing runs.

**From Q Post #2846 on 2/21/19:**

**Be ready for the 'Q', Anon(s).**

**Eyes on increasing +each day.**

**You are the news now.**

**Handle w/ care.**

Massive Ordnance Air Blast (MOAB) has the common nickname of the 'Mother of all Bombs.' Dropped at Eglin's Range 70 in the early afternoon, this earth shaking explosion created a 'Mushroom Cloud' that was visible for miles.

**From Q Post #2173 on 9/15/18:**

**DARK TO LIGHT.**

**CARPET BOMBS >>> MOAB.**

The MOAB is the largest non-nuclear bomb in the U.S. arsenal (20 in stock). It detonates a few feet above the intended target and is non-penetrating but extremely lethal due to the massive concussion wave and forced blast ratio.

**From Q Post #2880 on 2/22/19:**

**(ELIMINATION OF FREE SPEECH TO PREVENT LOSS OF CONTROL)**

The Q-Day drop will be like the impact of the impressive real MOAB. POTUS has mentioned carpet bombs as well as a Stealth Bomber forthcoming.

**From Q Post #2902 on 2/26/19:**

**When the real TRUTH re: Russian collusion is right in front of you but the FAKE NEWS media prevents public awareness.**

NOTE FROM AUTHOR: Due to fate I was at Eglin AFB that day of the first MOAB test. All I can say is that the blast noise, ground vibration and image of that massive mushroom cloud remains firmly imprinted in my mind today—BOOM

**From Q+ Post 2629 on 12/19/18:**

**[D] Day, Patriots.**

**We will have our Country back!**

At some point the 'question' will be asked and answered by POTUS. We

will be ready Mr. President/QAnon and we will handle our news responsibilities with the utmost care. WWG1WGA!

**From Q Post #1728 on 7/27/18:**

**Unauthorized missile fired.**

**Biggest threat to the American people.**

**QAnon**

## **QAnon: 2nd Most Attacked Entity—“All For a LARP”**

**From Q Post #2645 on 1/5/19:**

**Complete BLACKOUT by the FAKE NEWS MEDIA?**

**Ask yourself, why?**

The war on QAnon is the war on President Trump and the MAGA movement. QAnon has told us what is obvious to observe, these continued waves of attacks are from both Democrats and Republicans.

**From Q Post #2491 on 11/12/18:**

**#2 attacked entity by FAKE NEWS [+ Swamp [R + D]]?**

It is incredible to read that QAnon is both unpopular and the most attacked entity behind President Trump. One must question all of this attention paid merely to a pretender or make-believe ‘LARP.’

**From Q Post #3167 on 3/23/19:**

**#2 re: attacked**

**PANIC.**

Free thinking individuals may wonder why the Mockingbird Fake News media continues to expend resources to fight a phony. The gatekeepers of the ‘Old Guard’ media want exclusive control of the flow of information to the public.

**From Q Post #2670 on 1/11/19:**

**At what point is it mathematically impossible?**

**The very next day.**

**Public access to intel?**

These coordinated well financed attacks come in the form of waves because they are not organic in nature. Professional shills and trolls combine with previously inserted FAKE MAGA ‘Trojan Horses.’

**From Q Post #2673 on 1/13/19:**

**FAKE NEWS control over those who do not think for themselves  
limits exposure of TRUTH.**

**[D] Party Con.**

This age-old strategy is the infamous divide and conquer method against QAnon. Deliberately hanging-out for a while is followed by a swift departure.

**From Q Post #2881 on 2/22/19:**

**(ELIMINATION OF FREE SPEECH TO PREVENT LOSS OF CONTROL)**

You attack those that are always the biggest threat. Being the funnel that controls the narrative seems the narcissistic goal of most Alt Media.

**From Q Post #2500 on 11/25/18:**

**CORSI > [attempt infiltrate] Q**

**FAKE MAGA.**

**TRANSPARENCY IS THE ONLY WAY.**

The hateful assaults on both QAnon and us, has been non-stop from the Fake News/MSM. Rounds of [Attack] [Ignore] [Infiltrate] [Gaslighting] have become a predictable pattern.

**From Q Post #1361 on 5/14/18:**

**All For A LARP?**

**[ATTACKS WILL ONLY INTENSIFY]**

The Marxist Mockingbird media has no problem hooking up with the Progressive Communist Leftists and Never-Trump loyalists. Attempts to silence, fragment and censor the worldwide QAnon movement have not succeeded to date.

**From Q Post #3310 on 3/29/19:**

**Other than POTUS, can you name a group more attacked than 'Q' by the FAKE NEWS media.**

The sad fact is, we expected this type of treatment from the Leftists but the Republican side has been just as vicious. Jesus talks of the 'Sin of Pride' and it is very evident in the actions by all that they thought HRC "would never lose."

**From Q Post #2030 on 8/31/18:**

**QAnon yesterday (poll)**

**POTUS today (poll)**

**Notice any similarities?**

Beginning in late February, the first round of Fake MAGA 'plants' activated over the controversy of the IBOR. Several Q YouTubers claimed "trip codes" were compromised as the false basis for their highly publicized instant departures.

**From Q Post #2746 on 2/17/19:**

**Why are we attacked by pro MAGA?**

It is not a coincidence that these Fake MAGA YouTubers claimed in unison that QAnon is a LARP. Despite huge losses in subscribers and view counts, they were magically fully funded to continue broadcasting anti-QAnon propaganda.

**From Q Post #2902 on 2/26/19:**

**When the real TRUTH re: Russian collusion is right in front of you but the FAKE NEWS media prevents public awareness.**

The Jerome Corsi-Alex Jones stunts in late April also included more Q YouTubers coincidentally leaving the movement. The fake censorship of Alex Jones was really the total banning/de-platforming of QAnon.

**From Q Post #2123 on 9/9/18:**

**Last and final comment(s) re: AJ & Associates [attempts] Logical thinking.**

**They want you DIVIDED.**

The Deep State's order of Reddit to ban QAnon was this exact same time. There are no 'coincidences' and it is obvious many cheered the silencing of QAnon.

**From Q Post #3124 on 3/20/19:**

**Increase in attacks (de-platform, shill infiltration, MSM/Fake MAGA direct, link(s) to terrorism/acts of violence)**

Throughout these unrelenting attacks, one theme has remained apparent, QAnon will not go away. Encouraging critical thinking individuals to seek the truth out for themselves is our motto.

**From Q Post #2565 on 12/7/18:**

**Scott Free = WWG1WGA.**

**At what point do they WAKE UP?**

QAnon is one of the unique 'cults' where the leadership is totally anonymous. Most feel that this is not a bad foundational pillar on which to build a world changing international following.

**From Q Post #2556 on 12/5/18:**

**How much attention does "Q" receive from the FAKE NEWS MEDIA?**

President Trump has bypassed the Fake News and has enlisted a new breed of reporters to distill the flow of public information. Anons are the New Media and traditional broadcasters are losing their minds over this change.

**From Q Post #3112 on 3/18/19:**

**So much effort to 'KILL' a LARP.  
Nothing to see here.**

What the MSM fear the most is loss of their monopoly control of distillation of public information. They want to remain the funnel through which all pre-selected information flows.

**From Q Post #2491 on 11/12/18:**

**WHY WOULD THE BIGGEST MEDIA CO'S IN THE WORLD  
CONTINUE TO ATTACK THIS MOVEMENT?**

QAnon has stressed that all information should 'Be Free.' This doesn't play well in the minds of greedy broadcasters and their Mockingbird affiliated networks.

**From Q Post #2468 on 11/10/18:**

**CONTROL = POWER**

POTUS and QAnon will help usher in the 'Great Awakening.' We are told to help others that have been blinded by a lifetime of lies from those that we "trust the most."

**From Q Post #2885 on 2/24/19:**

**They NEVER thought Crooked Hillary would lose.**

# **QAnon: The Early Days**

## **A Stroll Down Memory Lane—The Early “QAnon” Broadcasts**

“A CROSSROADS IN THE HISTORY OF OUR CIVILIZATION.”

Q Clearance Patriot or QAnon started drops at the POL board on 4Chan in late October 2017. Team-Q due to security issues switched over to 8Chan by years end.

**From Q Post #1749 on 7/29/18:**

**Patriots are UNITED in their pursuit of common goals.  
GOOD vs EVIL.**

QAnon ultimately got a private dedicated sub site called the Calm Before The Storm on 8Chan. Posts have appeared for over one year and few that follow doubt the accuracy of QAnon.

**From Q Post #2450 on 11/7/18:**

**A beautiful brave new world lies ahead.  
We take this journey together.  
One step at a time.  
WWG1WGA!**

QAnon informational drops are exclusively at the Q-Research and Patriots Fight boards on 8Chan. Dedicated Anons and Bakers have been decoding this valuable information for over one year and 2,500 posts.

**From Q Post #3168 on 3/23/19:**

**Nobody walks away from this.**

POTUS and the Patriots have voiced concerns over the extreme danger posed by the Deep State. The enemy of the American people is the Fake News or corporate Mockingbird Media.

**From Q Post #1777 on 7/31/18:**

**WE ARE Q.**

Let's all take a minute to look back at the beginning of this historic Second American Revolution. Patriots are now witnessing the start of the Justice phase as all part of the 'Great Awakening'.

**From Q Post #1361 on 5/14/18:**

**All For A LARP?**

I'm sure many of us, even if Red Pilled already first learned of “Q” at one of the below early broadcasts. QAnon is a worldwide new phenomena of truth

seekers and believers in MAGA.

**From Q Post #2105 on 9/6/18:**

**VIP Patriots!**

**We see you.**

Also included a few videos that “Q” has repeatedly recommended for us all to watch. The drops are intended to help guide us the ‘Digital Army’ of POTUS.

**From Q Post #2746 on 2/17/19:**

**Why are we attacked by pro MAGA?**

The older Patriots have been focused since JFK and younger people have become enlightened since 9/11. Let's pray for our great POTUS and the continued struggle of all Patriots !!!

**From Q Post #62 on 11/2/17:**

**This will be considered the biggest ‘inside’ ‘approved’ dump in American history.**

**Rago, Joe**

## **Renaissance Capital/Abbott Labs/and WSJ's Joe Rago**

Almost one year ago, Pulitzer Prize winning WSJ reporter, Joe Rago was found dead. On July 20, 2017, Joe was discovered unresponsive in his East Village, Manhattan, NY apartment and declared dead on the scene.

**From Q Post #693 on 2/7/18:**

**When does big pharma make money?**

It was not until late September that the official autopsy results were released and pointed to sarcoidosis as the cause. Joe apparently never realized that he, in fact, had sarcoidosis, which causes inflammation of vital organs like the heart and liver.

**From Q Post #1220 on 4/21/18:**

**Clinton Foundation conflicts of interest.**

**Pharma alliance.**

**HRC/BC.**

Joe won his Pulitzer in 2011 and had great respect within the industry. One case Rago was investigating at the time of his death was the Abbott Labs purchase of Russian firm Veropharm.

**From Q Post #2576 on 12/10/18:**

**Crimes against Humanity.**

Existing U.S. sanctions in 2014 prevented the sale by Abbot unless some 'grease' was applied. A shell company called Kew Garden Hills was created to act as a phantom purchasing entity.

**From Q Post #777 on 2/15/18:**

**Why is Big Pharma essential?**

**Expand your thinking past cures.**

Renaissance Capital was retained to handle the questionable paperwork involved with the sale. Renaissance enjoys a sinister reputation within the global financial industry.

**From Q Post #15 on 10/31/17:**

**Realize Soros, Clintons, Obama, Putin, etc. are all controlled by 3 families (the 4th was removed post Trump's victory).**

Everyone will recall how Renaissance Capital paid Bill Clinton that generous \$500k fee for a short Moscow speech. These events transpired

during the failed BHO/HRC Russian reset.

**From Q Post #750 on 2/12/18:**

**Our attack on big pharma came w/ a warning letter today.**

**Message received.**

**Response forthcoming.**

BHO needed Vladimir Putin's approval for his centerpiece Iran Nuclear Deal. Questionable programs like Uranium One and the Skolkovo Russian Silicon Valley were green lighted to appease Vlad.

**From Q Post #82 on 11/4/17:**

**HRC in Wonderland by Lewis Carroll.**

The Clinton Foundation (CF) bastardized African HIV programs and shady big pharma deals were routine. There would be no need to maintain a list called the Clinton Body Count if no strange deaths routinely surrounded both Clintons.

**From Q Post #2683 on 2/10/19:**

**The media no longer represents the will of the people.**

Let's pray that justice will finally come to this corrupt DC Swamp Cabal. The country demands an end of the 2-tier justice system obviously in place.

**From Q Post #3168 on 3/23/19:**

**Nobody walks away from this.**

**Rice, Susan**

## **“Stand Down Artist” Extraordinaire—Meet Susan Rice**

Susan Rice [SR] has long departed from BHO’s cabinet but she just keeps on making the news. The looming FISA/DECLAS will once again bring sweet Susan into the MSM news prime time.

**From Q Post #1623 on 6/28/18:**

**Who just joined the Board of Netflix?**

Testimony has revealed that Rice gave the ‘Stand Down’ order to the U.S. Cyber Security Chief. Rice’s order forced Michael Daniel to stand down against attempted 2016 Russian cyber-attacks and campaign election meddling.

Judicial Watch is seeking to question both Susan Rice and Ben Rhodes over Benghazi. Recent uncovered FOIA requested BHO-era documents outline Benghazi talking points to be given to MSM reporters.

**From Q Post #2164 on 9/12/18:**

**How do you inflict MAX PAIN / DAMAGE?  
drop/release MOAB?**

Bear in mind that Rice currently holds the ‘Mockingbird’ record of 5 Sunday talk show appearances on Benghazi. Collectively, Rice, Rhodes and Powers hold the current world record for the most ‘unmasking’ of U.S. Citizens.

**From Q Post #2770 on 2/17/19:**

**ABC NEWS exec producer Ian Cameron married to Susan Rice  
(Nat Sec Advisor - HUSSEIN)?**

Rice’s infamous response when questioned on this subject of leaks “I leak nothing to nobody.” Rice was also the quarterback when it came to the special circulation of Obama’s Presidential Daily Briefings (PDB).

**From Q Post #1708 on 7/25/18:**

**Co-sponsor Insurance policy re: POTUS election.  
SR.**

PDB distribution was within the ‘Secret Society’ members via Operation Latitude. Rice joined with BHO Alumni Ben Rhodes and Samantha Powers in forming a new PAC think tank called National Security Action (NSA).

**From Q Post #2129 on 9/10/18:**

**[LIVE STREAMING] WH HUSSEIN NON-OVAL [SITUATION ROOM] COORDINATION.**

‘NSA’ is the primary corporate Anti-Trump resistance group. NSA along with Hussein’s OFA foot soldiers form the front-line fighters against President Trump, QAnon and the MAGA plan.

**From Q Post #1431 on 5/20/18:**

**Those who are the loudest....**

**Suicide weekend?**

**Pain.**

Susan Rice has joined the board of NetFlix. Rice’s husband is Ian Cameron a longtime top executive at ABC News and strategically placed to help the Cabal.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.**

**THE WORLD IS WATCHING.**

Incredibly all of the ‘Dirty Couples’ connected to the ObamaGate/SpyGate scandals. The illegal email accounts will become more of a central issue with IG Horowitz/SP Huber for RICO charges.

**From Q Post #559 on 1/19/18:**

**HUSSEIN CABINET / STAFF**

**Who used private email addresses?**

**What was the purpose?**

**SR**

Decode: SR=Susan Rice

Sen. Chuck Grassley is very interested in Susan Rice’s bizarre email. Susan had oddly emailed a classified note to herself after leaving government service.

**From Q Post #1354 on 5/13/18:**

**LOOP**

Hint: Loop Capital

This strange Rice memo occurred on President Trump’s Inauguration Day. Meaning Susan was no longer employed by the government when she mailed the note.

**From Q Post #354 on 12/14/17 in part):**

**Clowns In America.**

**Dr. Emmett J. Rice.  
Federal Reserve.**

Rice was immortalizing an Oval Office meeting held on 1/5/17 with BHO, John Brennan, Sally Yates and James Comey. It appears Rice did a classic CYA letter but Congressional Committees are not buying it at all.

**From Q Post #802 on 2/21/18:**

**Traitor.**

**2. a person who commits treason by betraying his or her own country.**

Inquiring minds want to know exactly what BHO ordered Comey and Yates to do about incoming President Trump. Comey and Yates were the two top carry-overs and leaders of Crossfire Hurricane plot.

**Rich, Seth**

## **Patriot's Murder Mystery—Morphing Iterations [SR 187]**

The tragic death of Patriot Seth “Panda” Rich (SR) on July 10, 2016 can be viewed as a pivotal point. This in the historical perspective of the “QAnon and the Great Awakening” movement.

Since (SR) murder there have been many different twists and turns in the attempt to solve this high-profile murder. Many theories have surfaced but QAnon has stated that (SR) is sadly dead.

**From Q Post #2148 on 9/10/18:**

**WE WILL NEVER FORGET!**

**WW WILL NEVER FORGIVE!**

Seth's brutal murder has been described by MPDC as a “botched robbery.” The DC Metro Police homicide review included the confiscation of Seth's laptop.

**From Q Post #1628 on 6/28/18:**

**JA in the news a lot lately (out of nowhere).**

The next public notice is with Julian Assange's (7/22/16) offer of a \$20,000 reward for information on this murder. Assange would appear on Sean Hannity to repeat the (SR) reward offer.

**From Q Post #1591 on 6/26/18:**

**Server unlocks SR.**

This widely broadcast Assange statement led to revisiting the events surrounding Seth's role at the DNC. Most folks could accurately tell Assange was helping to find Seth's killer(s).

**From Q Post #1968 on 8/28/18:**

**Do you remember that our enemies are also monitoring this board?**

**See above, reflect, use logic.**

Lobbyist Jack Burkman (Nov 2016) followed by assisting the Rich Family with an additional \$125,000 reward offer. Rod Wheeler was later retained by Burkman to look for the true killer(s).

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.**

**THE WORLD IS WATCHING.**

Wheeler's investigative findings leaned towards a WikiLeaks connection and DNC email leak. This direct connection was the primary reason for the execution of Patriot Seth Rich.

**From Q Post #2219 on 9/19/18:**

**None are protected.**

**None are safe.**

Rod's final report re-told on the Sean Hannity Show came in the spring of 2016. The Seth Rich Family promptly rejected the Wheeler findings and continued in the belief of a robbery attempt that had gone terribly bad.

**From Q Post #436 on 12/22/17:**

**(SR 187)(MS13 (2) 187)>**

**DWS\_DIR>**

Seth Rich was murdered by 2 of the MS13 Gang who were themselves later killed. All directed by Debbie Wasserman-Schultz as "Quarterback" of this "wet works" operation.

**From Q Post #834 on 3/3/18:**

**Why is SR back in the news?**

Donna Brazile's book stirred things up again in November 2017 by dedicating her best book to the memory of (SR). This timeframe also saw the rise of answers throughout the alternative media world.

**From Q Post #1195 on 4/19/18:**

**Why did the D's push legal rep on family?**

The Rich Family sued FOX News/Channel 5 Affiliate over the broadcast stories about Seth's death. Then the attempted murder of Jack Burkman by once employee Kevin Doherty caused a fuss.

**From Q Post #1493 on 6/13/18:**

**SR 187 DISCOVERY.**

Mixed reports are now circulating about Washington Hospital Center surgeon saying (SR) was alive and recovering after his bullet wounds surgery.

**From Q Post #386 on 12/19/17:**

**PATRIOT of the highest caliber.**

Seth had a sudden reversal of health while left unattended in the ICU recovery room. The EMT ambulance crew had reported 'stable' condition in route.

## **From Q Post #1463 on 6/11/18:**

### **Patriot**

What strange occurrences will happen next in the evolving chapter of this tragic 'Murder Mystery'? White Hats like Horowitz and Huber will ride in to save the day by uncovering the truth.

**Rogers, Admiral Mike**

## **Admiral Mike Rogers—A Quiet Hero's Two “Infamous” Deeds**

Admiral Mike Rogers has retired from proud service earlier this year as the NSA Director. After years of dedication to this country and his shown unwavering service to President Trump, Mike has turned over the keys to NSA/US Cyber Command.

**From Q Post #2637 on 12/20/18:**

**Rogers departure. Intel.  
Notice a pattern?**

History books will show Admiral Rodgers to be the true Patriot that he really was. There are two critical dates that NSA Rogers performed heroic actions that will long be remembered by all Patriots.

**From Q Post #8 on 10/29/18:**

**POTUS installed his people within each top spot at each 3-letter agency except 1 (good reason Adm R kick started this and scrubbed all POTUS nominations to verify oath.**

On April 18, 2016 Admiral Rogers shut down the previous unrestricted flow of FISA 702 raw data to outsider private contractors (Fusion GPS/CrowdStrike). Early in 2016 an internal review alerted Mike to the suspicious use of NSA 702 ‘About Queries’ by outside entities.

**From Q Post #1661 on 7/1/18:**

**What role can NSA play?**

General FISA 702 ‘Queries’ allow for the collection of all emails, text, voice, and other electronic data on an individual. Rogers saw this top-secret raw intel was going to outside contractors and immediately put a stop to it.

**From Q Post #1380 on 5/16/18:**

**When did Adm R step down?  
Reconcile.**

Outside contractors like Fusion GPS and CrowdStrike were the recipients of the 702’s. This raw intelligence helped to them construct the discredited Steele Russian Dossier.

**From Q Post #3211 on 3/26/19:**

**Bake your noodle.**

This action now forced the Deep State to switch to using human intelligence

assets (HUMIT) like spies. This is where Five Eyes/Halper/Hakluyt/Downer and friends enter into the 'sting-like/entrapment' operation.

**From Q Post #520 on 1/13/18:**

**THINK BIG.**

**THINK BIGGER.**

**THINK BIGGEST.**

The classic nickname that Sundance of The Conservative Treehouse (Hat Tip) gave to this phase of Admiral Rogers' plan was "Operation Condor." Reference being that Mike plays the actor Robert Redford's character.

**From Q Post #2028 on 8/31/18:**

**Information comes in many forms.**

In the popular movie Redford/Rogers exposes and ultimately brings down the corrupt CIA Clowns. Our hero Admiral Rogers performed in real life way better than any Hollywood actor could portray.

**From Q Post #270 on 12/5/17:**

**Adm R/ No Such Agency (W&W) + POTUS/USMIL = Apply the Keystone.**

On November 17, 2016 Mike goes outside his chain of command and visits President Elect Trump at Trump Tower. No one knows exactly what was said in the newly constructed SCIF between POTUS and NSA Rogers that day.

We do however know Team Trump's immediate reaction. President Trump is well known for being a person of immediate action when needed.

**From Q Post #2617 on 12/12/18:**

**NSA ability to overreach hosts possible.**

Trump along with only his top staffers, were evacuated over to Trump National Golf Club in Bedminster/NJ the next morning. I'm looking into rumors of additional physical "bugs" planted in Trump Tower during transition period.

**From Q Post #386 on 12/19/17:**

**PATRIOT of the highest caliber.**

It is obvious to most folks that Admiral Rodgers told President Elect Trump about the FISA Surveillance / SpyGate. I still feel that a physical threat against our POTUS was an option considered.

**From Q Post #144 on 11/12/17:**

**+++Adm R+++**

### **What agency is at war w/Clowns In America?**

Assassination was the final option under their 'Insurance Policy' part of Crossfire Hurricane/ Operation Dragon/Crossfire FISA operations. The sad legacy with all of these ObamaGate criminals will be the utter failure of this sophisticated coup plot against our POTUS.

**From Q Post #279 on 12/6/17:**

### **Why is the SS protecting key members of No Such Agency?**

Of interesting timing (remember dates are important) is what happened on April 18, 2016. This was one day after FISA raw intel was shut down and the DNC claims a major computer system breach.

**From Q Post #120 on 11/6/18:**

### **Why is the NSA limited re: ability to capture and unmask US persons?**

This was the Guccifer 2.0 intrusion claim that led to CrowdStrike with their Cozy and Fancy Bear Russian hacking claims. The start of public claims of Russian interference in the 2016 elections.

Please note that the DNC/DWS refused both the FBI and DHS access to their breached computer servers. Never in the recorded FBI's files were such bizarre actions performed in an effort to exonerate HRC of her obvious crimes.

**From Q Post #585 on 1/22/18:**

**"Q" was crystal clear to all Patriots:**

**TRUST Adm R.**

**He played the game to remain in control.**

Thank you, Admiral Rogers—for both your years of devotion to our country as well as your two points of historic national intervention. You will be remembered as a Patriot for your valiant actions.

**From Q Post #3212 on 3/26/19:**

**Think Rogers T-Tower meeting (right after SCIF set up in Tower).**

**Think POTUS campaign leaving T-Tower (base of operations)**

**THE VERY NEXT DAY.**

**1 + 1 = 2**

# **Rosenberg, Julius and Ethel**

## **Rosenberg's Espionage vs. Treason Debate**

Julius and Ethel Rosenberg were charged in 1951 and found guilty of conspiracy to commit espionage (not treason). They both were executed via the electric chair in 1953 at Sing Sing Prison.

**From Q Post #2727 on 2/15/19:**

**In the past, what was the punishment re: a TRAITOR?  
Coincidence?**

The Rosenberg's conviction was for their spying roles in giving away to Russia the secret of the Atomic Bomb; a capital offense in the eyes of most Americans at the time and worthy of the death penalty.

**From Q Post #1589 on 6/26/18:**

**Traitors ALL.**

Treason and Espionage are sometimes interchangeable terms except in the legal realm. The fine points between the two matters is in terms of punishment.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR  
REPUBLIC.**

**There is a reason why a sword is held.**

Espionage is the act of spying or using spies to obtain secret information. Treason is the betrayal of one's own nation or sovereign country state.

**From Q Post #520 on 1/13/18:**

**Prison.**

**Death.**

**[CLAS\_GITMO\_J z9-A] [89].**

Have to leave it to the legal experts to make the separations as there may be both crimes committed. Listed below are some of the exposed criminal activities uncovered via Congressional committee investigations to date.

**From Q Post #14 on 11/31/17:**

**What must occur to allow for civilian trials?**

ObamaGate/SpyGate:

Treason: Uranium One / Clinton Foundation / CFIUS / DOJ  
(Insurance Policy) / FBI (Secret Society) / State Department /  
Skolkovo-Putin Project

Espionage: Awan Cabal / Fusion GPS / Perkins Coie / Steele Dossier / 5 Eyes / LURES / Intelligence Plants

At the end of the coming 'Storm' we will face non-refutable evidence of treason and sedition. Popular leaders will be connected to this failed 'Coups d'etat' will face severe maximum consequences.

**From Q Post #2504 on 11/29/18:**

**Has POTUS ever made a statement that hasn't been proven to be correct (future)?**

I have another Reddit post with the final "Dirty Two Dozen." Please check out my article on these failed coup plotters.

**From Q Post #619 on 1/27/18:**

**Do you expect HRC, GS, Hussein, etc to stand in a PUBLIC courtroom w/potential crooked judges and tainted 'liberal' juries.**

This will be another example of QAnon theory of future proves past. The Hard-Progressive Left of today can be compared to the Communists/Marxist of yesterday in terms of their radical socialist agendas.

**From Q Post #2724 on 2/14/19:**

**A Traitor's Justice.**

**RATS EVERYWHERE.**

The '16-Year Plan to Destroy America' was stopped by President Trump's win. America has a second opportunity to regain control from the evil Deep State.

**From Q Post #802 2/21/18:**

**Traitor**

- 1. a person who betrays another, a cause, or any trust.**
- 2. a person who commits treason by betraying his or her own country.**

It may fall this time to treason instead of espionage. Patriots demand justice to be done (a la Rosenberg's) and NO CAVE!

**From Q Post #1328 on 5/10/18:**

**We will not be held hostage.  
WWG1WGA.**

History shows that Julius went first and Ethel followed using the same electric chair. Their dual execution was thought to have closed the chapter on sellout traitors but not everyone got the memo.

**From Q Post #2576 on 12/10/18:**

**Those who ‘knowingly’ broke the law in a coordinated effort [treason] are the most vocal.**

**Ruemmler, Kathryn**

## **BHO's "License to Lie" Lawyer—Meet Kathryn Ruemmler**

Outside of Valerie Jarrett, Obama's most trusted inner circle was his famed 'Mod Squad/Power Trio' of Rice/Monaco/and Ruemmler. This powerful group of ladies were known as BHO's personal muses.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

Ruemmler was said by Obama to have the power to "See around corners." Kathryn called many of the shots due to her usually being the top lawyer present.

**From Q Post #1223 on 4/21/18:**

**Think private email addresses.  
Hussein.**

Ruemmler was BHO's White House Counsel and also served Bill Clinton as Associate Counsel. Like so many other Deep State creatures, Kathryn has gone in and out of government service with profitable stops at a certain lawfirms.

**From Q Post #1708 on 7/25/18:**

**Co-sponsor Insurance policy re: POTUS election.  
The more you know.**

Latham and Watkins LLP was Ruemmler's revolving golden door and they have a history (like Perkins Coie) of servicing the Clintons and Obamas.

**From Q Post #350 on 12/14/17:**

**Everyone is connected.  
How about a nice game of chess?**

Ruemmler has been back in the news with her legal defense of Susan Rice and George Nader. Rice was forced to answering Senator Grassley's 12-pages of probing questions.

**From Q Post #1944 on 8/28/18:**

**How would updates occur?  
PDB?  
Who has access to the PDB?**

Chuck wants to know details of Rice's CYA (cover your butt) memo-to-self

concerning a 1/5/2017 when after an Oval Office meeting. Rice sent herself a classified note on Trump's Inauguration Day after she was no longer employed.

**From Q Post #2129 on 9/10/18:**

**[LIVE STREAMING] WH HUSSEIN NON-OVAL [SITUATION ROOM] COORDINATION.**

Ruemmler defends the decision by her boss BHO to withhold Russian Intel from the incoming Trump Transition Team. Evelyn Farkas's famous confession on the Morning Joe Show was a doorway into operations against Donald Trump.

**From Q Post #968 on 3/27/18:**

**Future proves past.**

**Everything has meaning.**

Kathryn goes back to the Enron DOJ Task Force and that total disaster. Please check out Sidney Powell's best seller "*Licensed to Lie*" which highlights the Enron prosecution and legal fallout.

**From Q Post #976 on 3/28/18:**

**Wonder who leaked this.**

**Fire in the hole.**

Keep in mind that listed below are just the highlights and most notorious of all the various scenarios baring Ruemmler's fingerprints:

- Enron Task Force/Asst. Director
- Secret Service "HookerGate"
- IRS Targeting/Doc Destruction
- Solyndra Energy Scandal
- Championed Recess Appointments
- Benghazi Coverup/Re-Election
- Gitmo Depopulation Effort
- Expanded PRES Executive Orders
- Blocked Fast and Furious Inquires

Of note is Ruemmler's current legal representation of both Susan Rice and soon-to-be-famous George Nader. Kathryn has also been linked with the initial hiring of Crowdstrike by Perkins Coie.

**From Q Post #809 on 2/22/18:**

**[Missing emails].**

**[CrowdStrike].**

Ruemmler represents only a third of Obama's Mod Squad along with Rice and Monaco. However, the entire ObamaGate cast will be featured in upcoming IG/SP reports.

**From Q Post #1743 on 7/28/18:**

**Was the Truth revealed re: FISA/Dossier?**

Judgement Day is coming to these failed coup plotters along with their lawyers. Thank goodness the 'Age of Muses' is long over and sanity has returned.

**Rybicki, James**

## **Ex-FBI Chief of Staff James Rybicki—Not So “Squeaky Clean”**

James Rybicki (JR) was Chief of Staff to both Comey and Wray at the FBI. Rybicki acted as the central clearinghouse and initial focal point of all FBI information.

**From Q Post #1842 on 8/11/18:**

**Do you believe in coincidences?**

**We have the source.**

Rybicki's name comes as the primary sender of key emails to the infamous Strzok/Page combo. James was a key member of the small group or 'Secret Society' within the upper ranks of the DOJ/FBI.

**From Q Post #2476 on 11/10/18:**

**Dig deeper!**

**Re\_read drops re: Gmail + PS/Xbox comms**

Rybicki was the person at the hub of collecting/dispatching communications that were used as official FBI talking points. The role of gatekeeper suited James well as he kept the criminal plans against Trump very compartmentalized.

**From Q Post #3129 on 3/20/19:**

**THIS IS NOT A GAME.**

Areas that Rybicki had an influence and are very alarming to Congress:

- April 2016: Rybicki/Baker meet DOJ John Carlin at White House-FISA talk.
- May 2016: Assists Comey w/HRC draft statement on “exoneration.”
- June 2016: Point FBI person handling Clinton/Lynch Tarmac meeting.
- July 2016: Along with Strzok, interviews HRC not under oath.
- October 2016: Drafts McCabe's email saying HRC got “HQ Special” status.
- November 2016: Strzok/Page texts reveal Rybicki's of MSM leaking.
- January 2018: Nunes Committee asks Rybicki about a Comey/POTUS private White House meeting (General Flynn).

**From Q Post #1288 on 4/27/18:**

**Jim Rybicki, chief of staff and senior counselor-FIRED.**

Senator Grassley put it well: “To have your conclusion first, fact-gathering second, the FBI should be held to a higher standard.”

**From Q Post #3181 on 3-25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR REPUBLIC.**

**There is a reason why a sword is held.**

The Dream Team POTUS has organized of Horowitz/Huber/Storch/and Whitaker are going to drop the hammer of justice. POTUS ordered full DECLAS/FISA and due out soon is Horowitz’s 2.0.

**From Q Post #1828 on 8/9/18:**

**[FBI [JC] [AM] [JR] [MS] [BP] [PS] [LP] [JB] [MK] [JC] [SM] [TG] [KC]].**

Rybicki’s fingerprints are over many of the ObamaGate political scandals. Watch for Rybicki’s name to become central figure within the ‘Secret Society’

**From Q Post #2692 on 2/11/19:**

**Jim Rybicki -Chief of Staff (JC) -FIRED.**

**Samuelson, Heather**

## **Who is Heather Samuelson? How is She Connected to ObamaGate?**

Heather Samuelson was HRC's Senior Advisor at State and White House Liaison and one of her personal attorneys. She fortunately received from Lynch/DOJ an Immunity Deal and from Comey/FBI, the deliberate destruction of her and Cheryl Mills personal laptop computers.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

Samuelson (lacking Top/SAP Security Clearance) was tasked by HRC and overseen by Mills and lead attorney David Kendall to cull first then delete/shred nearly 33,000 HRC emails.

**From Q Post #2912 on 3/1/19:**

**Carpet bombs are ok.  
Tactical nukes are better.**

This self-appointed Clinton "Taint Team" of Samuelson and Mills were the final email arbiters. Heather bears responsibility for the deliberate destruction of both evidence and official records under court preservation orders.

**From Q Post #3045 on 3/13/19:**

**Did a Foreign State gain access to the SAP/SCI material on the server?  
TREASON.**

Samuelson then worked with Paul Combetta/Platte River Networks to clean the server (like with a Cloth or something). Heather and Paul introduce the world to BleachBit and helped to give Reddit some MSM airtime exposure.

**From Q Post #559 on 1/19/18:**

**Nothing is ever truly erased/deleted.**

Senator Goodlatte's committee is looking at the very perplexing 'side agreements' given to Samuelson and other aides. The immunity deals to Samuelson/Mills/Pagliano/Bentel and Combetta may be taken off the table in the future by Horowitz/Huber.

**From Q Post #1552 on 6/18/18:**

**IG email investigation (weakest of set).**

IG Horowitz/SP Huber should have their 2.0 report out soon. The OIG review will cover the FISA/Dossier/and SpyGate evolving corruption scandals.

**From Q Post #7 on 11/29/17:**

**Why wasn't HRC prosecuted for the emails?**

In typical classic HRC fashion Heather was dumped right after moving to NYC to join next campaign. Samuelson's involvement with the email scrubbing/deleting was now public knowledge.

**From Q Post #2872 on 2/22/19:**

**Hillary Clinton and Foundation.  
Crime Against Children.**

**Scalia, Antonin**

## **Pandora's-Box Mystery [AS 187] Tarmac = LL/BC**

U.S. Supreme Court Chief Justice Antonin Scalia's mysterious death in Texas has been the topic of much speculation. Team "Q" has made references to the odd circumstances surrounding this national tragedy.

**From Q Post #2261 on 9/21/18:**

**PANIC IN DC.**

**[LL] talking = TRUTH reveal TARMAC [BC]?**

A connection has been made to the famed Tarmac meeting with BC/LL and a future open SC seat. QAnon has hinted that [LL] would have to wait until RBG retired and not the Scalia open slot.

**From Q Post #1147 on 4/15/18:**

**SC/LL deal drop.**

**Tarmac.**

Justice Scalia was found dead on 2/13/2016 at a private hunting lodge in Shafter, Texas. Known as an ultra-elite sportsman property and it is strictly off limits to the fly-over deplorable folk.

**From Q Post #1190 on 4/19/18:**

**Guided by LL/+ 3 CLAS.**

**Think SC.**

Bizarre events have plagued this death including that no autopsy was ever done. Additionally, no medical examiner was ever on-site, a very quick cremation, and the Scalia's dead body was found in bed fully clothed with a pillow over his face.

**From Q Post #1161 on 4/15/18:**

**SC-Supreme Court.**

**RBG.**

**AS 187 / Clown Black (Brennan).**

A string of semi-coded emails were traced through WikiLeaks disclosures back to John "Skippy" Podesta. Scalia's untimely death was just days after Podesta's bizarre email references to 'Wet Works.'

**From Q Post #386 on 12/19/17:**

**PATRIOT of the highest caliber.**

In the shady world of Spy vs Spy, intelligence experts use 'Wet Works' as lingo for assassination. The police and security services refer to murders as a

[187] in their own lingo code.

**From Q Post #674 on 2/14/18:**

**[SC / LL deal > AS 187].**

decode: SC = Supreme Court AS = Antonin Scalia LL=Loretta Lynch  
RBG due to ill health has rumored to be on the verge of retirement from the SC. QAnon has floated that Lynch would have to wait until RBG retires to help HRC with the optics in a Clinton Presidency.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR REPUBLIC.**

**There is a reason why a sword is held.**

A President HRC would pick the [AS] replacement open seat and LL would stay on as AG until the retirement announcement of RBG. Just like with the 16-Year Plan and Insurance Policy not all operations go according to schedule.

**From Q Post #675 on 2/5/18:**

**AS 187**

Justice Scalia will be sorely missed and we may never know the exact details of his coincidental passing (Dark to Light).

**From Q Post #2729 on 2/15/19:**

**Bigger than the 25th amendment attempt to remove.  
Depth of this is very serious.**

**Scarborough, Joe**

## **(Answer Is:) Morning Joe's Worst Nightmare— (Question:) Who was Lori Klausutis ?**

Now is the time, Patriots, to strike back against the Mockingbird Media. One perfect candidate is the early day voice of the opposition Morning “Psycho” Joe.

**From Q Post #2700 on 2/12/19:**

**Nobody should be above the law (no matter how massive the spider-web is (entangled)).  
This will never happen again.**

As if right on cue, Psycho Joe has once again labeled President Trump and his supporters as openly racist. The deranged Progressive Leftists and their media allies have doubled down against President Trump/MAGA and QAnon.

**From Q Post #2002 on 8/30/18 (in part):**

**FAKE NEWS.**

POTUS is a much better brander and has come up with appropriate nicknames for many on the Fake News. Joe now goes by ‘Psycho Joe’ and his romantic sidekick is ‘Dumb as a Rock, Mika’ or just plain old ‘Crazy Mika.’

**From Q Post #743 on 2/12/18:**

**The Inner Circle.  
Mika Brzezinski.**

On November 29, 2017, POTUS sent out a cryptic Tweet message referring to Morning Joe. This tweet highlighted the mysterious death of a young pretty Scarborough campaign staff intern.

**From Q Post #2683 on 2/10/19:**

**The media no longer represents the will of the people.**

This sad event happened at Joe Scarborough’s (R-FL) panhandle campaign office almost 2 decades ago. That unfortunate young very fit campaign aide was Ms. Lori Klausutis.

**From Q Post #1515 on 6/16/18:**

**THE BRIDGE: PODESTA GROUP**

On July 20, 2001, the dead body of 28-year old Lori Klausutis was found at her place of work. Lori worked for U.S. House Representative, Joe

Scarborough (R-FL) at his Ft. Walton Beach, FL regional campaign office.

**From Q Post #1785\*\* on 8/1/18:**

**Do you think they got the [4am] memo?**

Klausutis was a daily runner of 5 miles and was the picture of perfect health. No drugs or alcohol were found in her system from the autopsy lab results.

**From Q Post #1431 on 5/20/18**

**Those who are the loudest...**

**Suicide weekend?**

**Pain.**

Strange as it seems, Scarborough announced that he would not seek another U.S. House Representative term. This unexpected statement came two months after Lori's death and on the heels of a very comfortable win in his last campaign for re-election.

Psycho Joe then claimed he needed to spend more quality time with his beloved family. This coincidentally appears to be the number one excuse for retiring public service liars and criminal politicians.

**From Q Post #2902 on 2/26/19:**

**When the real TRUTH re: Russian collusion is right in front of you but the FAKE NEWS media prevents public awareness.**

Rumors had swirled around the Florida panhandle about affairs involving Psycho Joe. Local tales connected past promiscuous activity as the reason Joe would never run for elected office again.

**From Q Post #2691 on 2/11/19:**

**FAKE NEWS DESIGNED TO KEEP THE FAKE NARRATIVE IN PLAY [COVER].**

This was contrary to his recent cookie-cutter public narrative announcement about his loving family. I'm not sure we can find many honest politicians residing in the Washington DC 'swamp.'

**From Q Post #1515 on 6/16/18:**

**These reporters and networks have been named in the WikiLeaks to have colluded with the DNC or Hillary campaign during the 2016 election cycle:**

**MSNBC - Joe Scarborough.**

**MSNBC - Mika Brzezinski.**

Coroner's report had Lori passing out due to rare, previously undetected, fatal heart condition. Cardiac arrhythmia caused Lori to suddenly fall over

hitting her head on an office desk and causing her instant death.

**From Q Post #2643 on 1/5/19:**

**TRUTH & TRANSPARENCY IS THE ONLY WAY  
FORWARD>**

Autopsy tests could never confirm this undetectable rare arrhythmia, irregular heart rhythm. Primarily because it can only be detected while the heart is beating (victim must still be alive).

**From Q Post #1270 on 4/25/18:**

**Happened.  
Dangerous.  
Threats.**

Decode: Assassination threats [187].

Surprisingly this coroner was able to confirm that the head trauma did kill her. This case had things going sideways right off the bat indicating shenanigans.

**From Q Post #2489 on 11/12/18:**

**[Placeholder - OIG report > FBI, DOJ, & Media Coll]**

What confounded a local WGTX reporter was that right after being notified of the Lori's death, they unexpectedly got an official statement given out by Joe and several key staffers. This statement told a false narrative that Lori was very sickly and had not been a healthy person recently.

**From Q Post #2174 on 9/15/18:**

**WE, THE PEOPLE.  
WWGIWGA!**

Psycho Joe and his team were scrambling to build a false narrative about Lori's ill health. This incorrect 'ill-health' theme was shot down instantly by the Klausutis family members and her close friends.

**From Q Post #1500 on 6/15/18:**

**Access Kills.  
Morning strolls are refreshing.**

Scarborough and his aides were pressured by her family to retract their original false public statement concerning Lori. Incredibly this low-life, Scarborough, was more concerned with optics than the death of this young lady.

**From Q Post #2687 on 2/10/19:**

**Why does the FAKE NEWS media continue to attack a so-called ‘conspiracy’?**

Dr. Michael Berkland was assigned to perform Lori’s autopsy. Michael had a history of unethical conduct. Berkland was fired within a year due to faulty and incomplete official reports.

**From Q Post #571 on 1/21/18:**

**NOBODY PLAYING THE GAME GETS A FREE PASS.**

In 2008, authorities found a real life ‘House of Horrors’ in a rental unit of Dr. Berkland. Discovered were various body parts of over 100 different cadavers in this U-Haul storage facility.

**From Q Post #1678 on 7/3/18:**

**Trolling is fun.**

Insanely these body parts and organs were stored in various Tupperware containers, styrofoam cups and garbage bags. These people are truly evil and sick individuals.

**From Q Post #2737 on 2/15/19:**

**Be careful who you follow.**

**Scavino, Dan**

## **Golf Caddie to Air Force One—Meet Dan Scavino**

Dan Scavino holds the record for the longest service to President Trump. Dan has been onboard from the start of the campaign through the White House.

**From Q Post #1855 on 8/12/18:**

**Has Media Matters been hired to locate and IDEN ‘potentially’ sensitive Tweets from ‘known’ characters?**

As part of my “Quiet Heroes” introductions, I am happy to highlight this good Patriot. Many that have worked around President Trump have developed a strong bond of loyalty.

**From Q Post #88 on 11/15/17:**

**POTUS’ Twitter attack.  
IMPORTANT.**

The setting is 1990 and young Dan is a talented 16-year-old golf course caddie at Briar Hill Country Club/NY. Of historic note is this is now is the famed Trump Nation Golf Club.

**From Q Post #1711 on 7/26/18:**

**Mueller is investigating POTUS’ Tweets for obstruction?**

Scavino had a lucky beam from above shine on him as Donald Trump selected Dan to be his personal caddie. Scavino would later work himself up to be the General Manager of this fine club.

**From Q Post #386 on 12/19/17:**

**PATRIOT of the highest caliber.**

Fast forward to the Summer of 2015 and Dan is asked to assist Mr. Trump with the upcoming campaign. Hope Hicks and Corey Lewandowski joined Dan to form the core of the leanest team ever.

**From Q Post #108 on 12/15/17:**

**Analyze time stamp of my go message to BO’s Tweet.**

Dan was in charge of the digital communications for Candidate Trump. History will show the effective use of Twitter and other social media platforms in President Trump’s victory.

**From Q Post #536 on 1/14/18:**

**Have you not discovered the CONFIRMED correlation between**

### **posts here and Tweets yet?**

Everyone may recall the one big dust up during the campaign over the use once of the “Star of David.” Dan has set the standard for professionalism and he helps oversee President Trump’s social media presence.

### **From Q Post #1601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

Dan’s first official White House title was Director of Social Media. Since the departure of Hope Hicks, Scavino is now White House Communications Director.

### **From Q Post #335 on 12/12/17:**

**Timestamp [Q] post [:03] against POTUS’ Tweet [:13].**

Scavino has been referred to by POTUS as a “Facebook and Twitter junkie.” Insiders acknowledge that any late night or misspelled tweets can be attributed to POTUS and not Dan.

## **Second Dossier**

## **HRC's "Other" Trump-Russia Dossier**

Devin Nunes has announced that the House Intelligence Committee is almost complete with Phase Two of its investigations into Trump-Russia.

**From Q Post #2876 on 2/22/19:**

**CLINTON PANIC.**

**CLINTON FEAR.**

**JUDGEMENT DAY COMING.**

Devin's main target is Cody Shearer and Cody has earned his nickname of "Mr. Fixer" for the Clinton Crime Family. Nunes is tracking the Steele's Dossier route via BHO's State Department.

**From Q Post #1794 on 8/1/18:**

**FISA.**

**[20].**

**Impossible to defend.**

Mr. Fixer has a track record of smearing the reputations of female accusers of Slick Willy. Additionally, Cody is known for silencing potential witnesses against the Clinton's.

**From Q Post #1235 on 4/21/18:**

**America for sale.**

**Betrayal. Treason.**

Cody's has decades long devotion to Bill and Hillary. Shearer has a journalistic background and contributed several memos into Chris Steele's final Dossier.

**From Q Post #1286 on 4/27/18:**

**The Brits-raw intel / dossier / 5-Eyes.**

Nunes' committee is tracing the origins and distribution of this Trump-Russia "Clinton" Dossier. Christopher Steele received some 'opposition research through the U.S. State Department.

**From Q Post #1164 on 4/15/18:**

**Public: Dossier FISA.**

Shearer along with his sidekick Sid Blumenthal both claim to be the co-authors of this fictional hit piece concerning Trump. This duet contributed 2 memos used to help buttress Steele's own final work product.

**From Q Post #1515 on 6/16/18:**

**HRC deal request?**

Cody's Brother In-Law is Strobe Talbott from the Bill Clinton era. Talbott was the entrance token into the BHO's State Department for Cody and Sid.

**From Q Post #2725 on 2/14/19:**

**Chatter - Bill and Hillary's 'public' health will begin to rapidly deteriorate.**

There was a 2-way conduit flow of information between Cody/Sid and Jonathan Winer/Victoria Nuland over at BHO's State Department.

**From Q Post #2698 on 2/12/19:**

**[Controlled by those that worked for the Clinton's].  
They have ZERO control now.**

Christopher Steele also was involved with this special circular flow of "Anti-Trump Oppo" material. Steele passed along this extra State Department 'intel' to the FBI with his own memos.

**From Q Post #1345 on 5/12/18:**

**U1 [donations to CF].**

Chris Steele primarily used the research material given to him from Sergei Millian (Source D). Steele also used the two memos he got from Cody/Sid.

**From Q Post #2872 on 2/22/19:**

**Hillary Clinton and Foundation.  
Crime Against Children.**

Nellie Ohr at Fusion GPS additionally combined her own research into the final Steele Trump-Russia Dossier.

**From Q Post #1743 on 7/28/18:**

**Was the Truth revealed re: FISA/Dossier?**

Nuland and Winer both have admitted publicly to their direct involvement with Steele Dossier/s. IG Horowitz/SP Huber are keenly aware of this once secret 2nd Clinton Dossier and how it ultimately got over to the FBI/DOJ.

**From Q Post #436 on 12/22/17:**

**[DNC BREACH / DOSSIER].**

Watch for both Cody Shearer/Sid "Vicious" Blumenthal to become household names (like Chris Steele) in the near future. Nunes and IG Horowitz reports are due out soon!

**From Q Post #2912 on 3/1/19:**

**Carpet bombs are ok.  
Tactical nukes are better.**

**Sessions, Jeff**

## **TRUST Captain Jeff Sessions—Military Tribunals Boomerang**

Patriot, Jeff Sessions served in the Army Reserve from 1973-86. Stealth Jeff earned the rank of Captain and has the judicial background qualifications to serve on future Military Tribunals.

**From Q Post #537 on 1/14/18:**

**TRUST SESSIONS.**

Matt Whitaker may have been President Trump's secret "Stealth Bomber." Many believe that the "Silent Assassin" may still have another major role to play.

**From Q Post #2604 on 12/12/18:**

**SESSIONS forced release of name [HUBER] to House created another variable.**

**Use Logic.**

Captain Sessions has served both POTUS and our country with honorable distinction. History is going to be treating Mr. Jeff Sessions very kindly indeed.

**From Q Post #2914 on 3/2/19:**

**Time to reveal our insurance policy?**

Like in a good movie/book sometimes your favorite characters are written out of the script prior to the ending. Logically thinking, for optics alone, it never could be Sessions to drop the 'hammer of justice' on the Deep State criminals.

**From Q Post #2462 on 11/9/18:**

**Role of SESSIONS?**

**Who did SESSIONS appoint in NOV 2017?**

Jeff was the first sitting U.S. Senator to endorse then Candidate Trump in late 2015. Many folks don't recall that Sessions gave up Stephen Miller, his number one staffer, over to the early Trump campaign.

**From Q Post #2506 on 11/30/18:**

**To all those that doubted SESSIONS & HUBER you WILL ALL PAY THE PRICE VERY SOON.**

Miller has been Trump's main speech writer and has been a key member of his inner-circle. Stephen is remembered for his classic beat-down of Jim

Acosta/CNN in a 2017 White House press briefing.

**From Q Post #2727 on 2/15/19:**

**<https://thehill.com/homenews/senate/430023-senate-passes-bill-to-make-lynching-a-federal-crime?amp>**

**In the past, what was the punishment re: a TRAITOR?  
Coincidence?**

Sessions served as Alabama's Southern District Assistant U.S. Attorney (USA) from 1975-77 and President Reagan made Jeff a USA from 1981-93. Jeff has long held firm positions on Pro Life, legal immigration, military strength, and balanced federal budgets.

**From Q Post #2381 on 10/9/18:**

**Why did McCabe try to take SESSIONS out?**

Jeff has also been known as a proponent of fair U.S. trade deals. Sessions was strongly against TPP, NAFTA and other unfair slanted old trade arrangements.

**From Q Post #2637 on 12/20/18:**

**Sessions departure. Law.**

Everyone knows Jeff's position on illegal drugs and he has pushed hard for the 'Wall' along the Southern U.S. border. Sessions saw the direct connection between illegal drugs and open borders.

**From Q Post #2197 on 9/17/18:**

**Activate ]SESSIONS[.**

AG Stealth Jeff began an all-out war on the international crime gang known as MS-13. This evil transnational terror group is made up of criminal refugees from San Salvador, Honduras, Guatemala and Mexico.

**From Q Post #2676 on 2/9/19:**

**Optics are important.**

**Stealth bombers silent?**

**"This is not another 4-year election."**

Stealth Jeff was amnesty's worst nightmare and he has pushed hard for enforcement of existing laws. Jeff may yet turn out to be the 'Executioner.'

**From Q Post #2204 on 9/17/18:**

**PANIC IN DC.**

**SESSIONS & HUBER WEEKEND MEETING(S).**

History will be very kind to Patriot Sessions, and his service to our country

will never be forgotten. QAnon said it best: “Thank you for your service to our country Mr. Jeff Sessions.”

**Shearer, Cody**

## **Who is Cody Shearer? How is He Connected to “ObamaGate”?**

When we take a closer look at many of these unfolding ObamaGate scandals it is apparent that this group enjoyed layered levels of plans. Look no further than the SpyGate sting plan.

**From Q Post #1743 on 7/28/18:**

**Was the Truth revealed re: FISA/Dossier?**

The ‘Insurance Policy’ was the Deep State’s listed option # 4. It makes things dicey when your plans success is riding on your last contingency proposal.

**From Q Post #1238 on 4/22/18:**

**Not ‘official’ product - 5 Eyes.**

HRC/BHO launched a 2-prong fake dossier plan. Hiring Christopher Steele through Perkins Coie/Fusion GPS was one part of the Dirty Dossier plan. The first one was launched via the DOJ/FBI.

**From Q Post #2633 on 12/20/18:**

**“McCain associate shared unverified Steele dossier with BuzzFeed, court filing says.”**

Contemporaneously, HRC had Cody Shearer and Sid Blumenthal develop a second, independent fake Trump-Russia Dossier. This second Dossier would be run through the State Department by Victoria Nuland and Jonathan Winer.

**From Q Post #2150 on 9/11/18:**

**We Will Never FORGET!**

**We Will Never FORGIVE!**

Shearer nickname is ‘Mr. Fixer.’ He is a controversial political activist and former journalist. Cody along with his constant sidekick, Sid “Vicious” Blumenthal, are Clinton enforcers and cleanup artists.

**From Q Post #1929 on 8/19/18:**

**Coming SOON to a theater near you.  
Enjoy the show.**

Cody and Sid collected “oppo research” material from foreign sub-sources to form a two-part report. This false material involved Trump’s 2013 Moscow Miss Universe material and was ultimately included in Steele’s

final Russia Dossier.

**From Q Post #2872 on 2/22/19:**

**Hillary Clinton and Foundation.  
Crime Against Children.**

Cody's famous Brother In-Law was none other than Strobe Talbott who served as Deputy Secretary of State from 1994 to 2001 (during Bill Clinton's Presidency). Talbott was the initial wedge in connecting Cody and Sid with Jonathan Winer and Victoria Nuland.

**From Q Post #2293 on 9/27/18:**

**Hive Mind.**

The Steele Dossier was pivotal in the application for FISA Title 1 surveillance warrants. IG Horowitz and SP Huber are looking into abuses by the DOJ and FBI in his 2.0 report due out soon.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR  
REPUBLIC**

**There is a reason why a sword is held.**

Winer and Nuland were members of BHO's State Department and have admitted publicly to being the conduit to Christopher Steele. This questionable relationship is what Devin Nunes is focusing upon in his Phase Two report.

**From Q Post #1286 on 4/27/18:**

**Fusion GPS.**

**The Brits - raw Intel / dossier / 5 Eyes.**

Winer and Nuland passed the material from Sid and Cody to Chris Steele. This was to help lend additional credibility to the Dossier by using circular flow validation.

**From Q Post #520 on 1/13/18:**

**7TH FLOOR IS NO MORE>FBI/SD**

Under minimal scrutiny Steele's work product has proven to be fake scandalous propaganda. The Sid/Cody phony memos were eventually turned over to the FBI in October 2016.

**From Q Post #436 on 12/22/17:**

**[DNC BREACH / DOSSIER]**

Devin Nunes has referred Shearer, Blumenthal, Winer, and Nuland to the

special House Congressional Task Force for witness testimony.

**From Q Post #2876 on 2/22/19:**

**CLINTON PANIC.**

**CLINTON FEAR.**

**JUDGEMENT DAY COMING.**

# **Sin of Pride**

## **The Leftist “Sin of Pride”—Never Thought She Would Lose**

“PRIDE” is said to be the foremost of all human sins. Hubris is the pathway to all of the other 7 Deadly Sins.

**From Q Post #1345 on 5/12/18:**

**THEY NEVER THOUGHT SHE WOULD LOSE.**

To this very day, groups are diabolically plotting to overthrow President Trump. Funding for the opposition resistance is compliments of George Soros and other Leftist piggy banks.

**From Q Post #2678 on 2/9/19:**

**FAKE NEWS attacks continue?  
Controlled.**

Primary Anti-Trump Factions:

- Democrats-Progressive Socialists
- Mockingbird Corporate MSM
- Never-Trump/Fake-MAGA
- Intelligence Communities/FVEY
- Global Elites/NWO Crowd/Nazi
- Alt/New Media Attacks on QAnon
- Judicial-Corrupt Courts/Judges
- Invasion Migrant Caravans

**From Q Post #3124 on 3/20/19:**

**Increase in attacks (de-platform, shill infiltration, MSM/Fake MAGA direct, link(s) to terrorism/acts of violence).**

It was “PRIDE” that changed Angels into Devils. Excess belief in one’s own abilities is vanity and this leads to the Original Sin.

**From Q Post #2673 on 1/13/19:**

**FAKE NEWS control over those who do not think for themselves  
limits exposure of TRUTH.**

**[D] Party Con.**

Vanity is dangerous because it blinds our understanding of the truth and obvious facts. The followers of BHO/HRC will never fully accept the reality of her loss.

**From Q Post #2461 on 11/9/18:**

**YOU ARE WITNESSING THE SYSTEMATIC DESTRUCTION  
OF THE OLD GUARD.**

So many individuals staked everything on a 2016 HRC victory. Experts, pundits, specialists and even bettors all were proven to be dead wrong.

**From Q Post #2556 on 12/5/18:**

**How much attention does “Q” receive from the FAKE NEWS  
MEDIA?**

Will they ever just simply admit that they were WRONG and apologize sincerely for their big league mistake? Healing as a nation will soon be required by all.

**From Q Post #3310 on 3/29/19:**

**Threat to Controlled Narrative.

QAnon stresses the unification of our country and coming to grips with an error in your judgment is the beginning process. We are all Americans first and MAGA is our new battle cry.

**From Q Post #171 on 11/20/17:**

**Good will always defeat evil.**

The Anti-Trump crowd appears to be getting more unhinged daily. Approval polls are up and POTUS has been performing flawlessly in all arenas.

# Skolkovo Project

## **Skolkovo Project—HRC's Hyper Sonic Missile Giveaway**

The Putin or Skolkovo Project is much better known to the general public as the Russian Silicon Valley. Several U.S. firms partnered up in 2009 with their Russian counterparts following BHO/HRC's 'Russia Reset' policy.

**From Q Post #2912 on 3/1/19:**

**Carpet bombs are ok.**

**Tactical nukes are better.**

Secretary of State, Hillary Clinton, spearheaded several U.S. technology firms in opening joint operations within this new Russian complex. Of course kickbacks and huge contributions to the Clinton Foundation (CF) were made mandatory.

**From Q Post #1552 on 6/18/18:**

**Non public.**

**CF investigation ongoing.**

The Russian Skolkovo Project was an enterprise to promote the transfer (going around CFIUS) of U.S. secret technology. This devious method uses investment/acquisition into this new ultra-advanced technology complex instead of outright bribery.

**From Q Post #2848 on 2/21/19:**

**Being a Clinton donor really pays off!**

The stage was set for the transfer of America's top secret technologies and Special Access Programs (SAP). History will not be kind on this betrayal of our national defensive military secrets.

**From Q Post #1145 on 4/13/18:**

**Trust POTUS.**

**Sparrow Red.**

**Missiles only.**

**Intel good.**

Victor Vekselberg was the Russian Skolkovo Director and a major CF donor. Vekselberg paid Bill Clinton \$500k for that very short Moscow speech.

**From Q Post #2650 on 1/5/19:**

**THE WHEEL OF CORRUPTION.**

**Welcome to the CON.**

Clinton meets with Putin right after that pricey speech. Vladimir told Bill his oligarch pal Viktor and Prime Minister Dmitri Medvedev would be the overseers.

**From Q Post #1960 on 8/28/18:**

**Pro Tip: Look @ CrowdStrike.**

**CrowdStrike managed the infiltration program based on payments to CF.**

**The More You Know...**

Victor steered millions more directly into the CF coffers per watchdogs Charles Ortel and Peter Schweizer. Thanks to some enterprising forensic bounty hunting, the accountant whistleblowers evidence is now being presented publicly.

**From Q Post #2171 on 9/12/18:**

**Twelve moves ahead.**

**Suicide watch.**

Seventeen of the 28 U.S. tech firms involved became major CF donors. The U.S. Army raised concerns in 2012 over the loss of some secret military technology.

**From Q Post #1730 on 7/27/18:**

**Specialized weapons package.**

**CLAS-5.**

Further, Skolkovo concerns in 2016 forced the U.S. Air Force to hit the panic button in several Pentagon reports. The cat was out of the bag and Skolkovo was shut down from the U.S. side and quiet probes began.

**From Q Post #834 on 3/3/18:**

**Russian ICBM tech.**

**HRC open source.**

**SAP.**

Please check out the Diana West article below on “HRC’s Hypersonic Missile Gap.” Ms. West highlights the massive tech transfer of top-secret weapons information.

**From Q Post #2885 on 2/24/19:**

**They NEVER thought Crooked Hillary would lose.**

Earlier this year Vladimir Putin threatened the West with his new unstoppable Intercontinental Hypersonic Nuclear Missiles. These weapons

were compliments of HRC, BHO and Skolkovo partnership venture.

**From Q Post #2878 on 2/22/19:**

**CROOKED [[[HILLARY]]].**

President Trump has recently announced both the new U.S. Space Force and our own “even faster” hypersonic nuclear missiles. POTUS is the all-time champ on one-up man-ship but on a global scale.

**From Q Post #1728 on 7/27/18:**

**Unauthorized missile fired.**

**POTUS AF1.**

**POTUS re-routes.**

We all owe both BHO and HRC a big thank you for another Russian victory under their joint political watch. The recent successful test by Putin/Russia may just ignite a new superpowers arms race.

**From Q Post #2725 on 2/14/19:**

**Chatter - Bill & Hillary's 'public' health will begin to rapidly deteriorate.**

**Skipal, Sergei**

## **Chris Steele/Orbis/and Skripal Poisoning Connection**

The observant daughter of Colonel Alison McCourt spotted two individuals collapsed on 3/5/18. This setting was Salisbury, England and this incident would have worldwide repercussions.

**From Q Post #1974 on 8/28/18:**

**If the FAKE Steele Dossier constituted the ‘bulk’ of the ‘facts submitted’ to FISC to obtain FISA warrant(s) against POTUS....**

Sergei Skripal and his daughter Yulia were victims of a poisoning that almost killed them both. A rare and very toxic nerve agent called Novichok was used.

**From Q Post #1164 on 8/15/18:**

**NOT PUBLIC: Five Eyes UK/AUS POTUS targeting.**

The exotic nature of nerve agent Novichok in this military grade definitely screams of a ‘false flag’ attempt. Novichok is not available to the general public and almost impossible to acquire by international criminal cartels.

**From Q Post #2633 12/20/18:**

**“McCain associate shared unverified Steele dossier with BuzzFeed court filing says.”**

After two additional victims fell ill nearby, the entire Salisbury area underwent a massive decontamination clean-up. Two Russian nationals were captured on closed circuit video at the scene and later identified.

**From Q Post #2107 on 9/7/18:**

**‘KNOWINGLY’ used FALSE intelligence?**

**Think HRC [paid for] FAKE DOSSIER [bulk].**

Colonel Anatoliy Chepiga is a Russian General Staff’s Main Directorate (GRU) intelligence officer. He and his partner Alexander Petrov are wanted for this murder attempt. Black Hats attempted, in a ‘false trail,’ to link Christopher Steele and his employer Orbis to the well-known double agent, Sergei Skripal.

**From Q Post #1069 on 4/7/18:**

**America for sale.**

**Systemic weakening of the US.**

International warrants and EU/Interpol alerts have been issued for this pair. England has already tried them and they are globally wanted criminals.

**From Q Post #2129 on 9/10/18:**

**USE OF BACKCHANNEL SURV / SPY INSERTION [BODY 1, 2, and5] BY UK/AUS [PRIMARY] ACTIVATED UNDER DIR BRENNAN DIR CLAPPER W/ PDB REGULAR UPDATES.**

This was a black ops mission and obviously had several operational layers. A near death message/warning was sent out by the Kremlin to future traitors and a false trail planted to play into the Steele-Russian narrative.

Skripal was convicted by Russia in 2004 of espionage and sentenced to 15 years in prison. Sergei was exchanged in 2010 as part of an infamous 'spy swap' between Russia and England but involving the United States as well.

**From Q Post #972 on 3/28/18:**

**Intelligence A's across the globe in partnership to spy on citizens?**

History will remember the other half of this spy exchange was for Anna Chapman and her sleeper agent families. FX's "The Americans" portrays the real life spies of the FBI's 'Operation Ghost Stories.'

Incredibly, this old spy episode involved Uranium-1, HRC, Mueller and Peter Strzok; some of the very same characters in the unfolding ObamaGate/SpyGate political scandals of today.

**From Q Post #1944 on 8/28/18:**

**Given magnitude of spy campaign (U.S. Presidential Election Republican Party Nominee Candidate + President Elect + President of the United States) would HUSSEIN be required to DIRECT ORDER?**

Spy vs. Spy has been a theme we've noticed being played out consistently. We're entering [Movie 3] and the end to this perfectly choreographed masterpiece.

**Snowden, Edward**

## **Pending Return of Shadowy Contractor—Edward Snowden**

The profit motive surrounded Edward Snowden's choice of employers on several occasions. Snowden has been an employee of both the CIA and NSA.

**From Q Post #1948 on 8/28/18:**

**What agency did @Snowden work for orig?  
Did he train on THE FARM?**

Edward's background has always been with computers and related technology. Snowden found out at a young age that civilian outside contractors pay way more than does the U.S. government.

**From Q Post #845 on 3/5/18:**

**@Snowden.  
Welcome to China.**

History will show that Snowden's 2013 disclosure of classified NSA data severely damaged our national security. The estimated costs in damages and repairs alone exceeded \$1 Billion.

**From Q Post #893 on 3/8/18:**

**@Snowden.  
We can take you anytime.**

Now QAnon is hinting that we may soon find out the true allegiance of @Snowden. Returning Snowden from Russia for debriefing would help to answer many pivotal questions.

**From Q Post #2722 on 2/14/19:**

**No bargaining.  
A Traitor's justice.  
P-A-I-N**

Snowden was employed by the CIA as a computer technician in 2006. By 2009 Edward had become a contract employee for the NSA.

**From Q Post #2767 on 2/17/19:**

**@Snowden  
What happens when Russia gives you up?  
Will the C\_A protect you?  
Sleep is important.**

Edward then went to full-time status with the NSA in 2011. QAnon has hinted that Snowden had a stop at 'THE FARM' during this same time period.

**From Q Post #790 on 2/18/18:**

**@SNOWDEN  
WHERE ARE YOU?  
NOT RUSSIA.  
[EYES ON]**

Booz Allen Hamilton is one of the largest subcontractors to the U.S. government. They employed Edward in late 2012 and are the company of record during his incredible betrayal.

**From Q Post #952 on 3/15/18:**

**WE HAVE THE SUB.  
HOSTAGE RELEASE.**

Snowden first reached out to reporters, Glenn Greenwald and Laura Poitras, in December 2012/January 2013. Edward was offering the disclosure of NSA secret operations and classified data.

**From Q Post #770 on 2/15/18:**

**@Snowden  
You are now a liability.**

Snowden departed for Hong Kong on May 19, 2013 to meet Glenn and Laura. Assisted by Julian Assange-WikiLeaks in his escape route, experts still marvel on how Edward cleared any point of entry.

**From Q Post #3023 on 3/10/19:**

**@Snowden travels to RUSSIA.**

It is estimated that over 1.5 million files were downloaded in total by Snowden. To date he has given the reporters over 200,000 of the copied NSA files.

**From Q Post #570 on 1/21/18:**

**Snowden open source Prism/Keyscore (catastrophic to US Mil v.  
bad actors (WW) + Clowns/-No Such Agency)**

Snowden would then travel from Hong Kong to his final destination of Russia. His wife later joined him in Moscow, where asylum has been extended by the Russians through 2020.

**From Q Post #732 on 2/11/18:**

### **What if Snowden was still a Clown?**

Odd that Snowden did not use the regular whistleblower routes to raise his objections about the practices of the NSA. SecureDrop was a whistleblower drop box and a big part of the Freedom of the Press (FOTP) group.

**From Q Post #2657 on 1/6/19:**

### **Where did @Snowden work prior to NSA contractor ACCEPT?**

FOTP included Greenwald and Poitras along with John Perry Barlow, James Dolan, Daniel Ellsberg and Julian Assange. Snowden may have known something that [SR] didn't know, about who really controlled (Clowns) SecureDrop.

**From Q Post #2612 on 12/12/18:**

**Negotiating for return.**

**Traitor.**

**Mission to harm NSA.**

In addition to the economic and obvious optics, various intelligence streams and even field-operative lives have been lost due to this treasonous disclosure. Snowden's 'Leak' has been the largest loss of classified top secret information in our country's history.

**From Q Post #1131 on 4/11/18:**

**"Drop after testimony."**

**RU learning yet?**

Analysts now believe that Snowden's primary role on behalf of the CIA was to damage rival NSA's intelligence gathering abilities. By exposing the NSA's most secret technical tools and methods it did, in fact, severely cripple the NSA.

Thankfully, Admiral Rogers to the later rescue of both the NSA and on November 17, 2016 of our POTUS.

**From Q Post #874 on 3/17/18:**

**How did @Snowden clear customs/immigration in HK AFTER the public release?**

In 2014, the movie Citizen Four was released featuring the real Edward, Glenn and Laura. Oliver Stone would follow by producing the big screen Hollywood hit Snowden in 2016.

**From Q Post #3024 on 3/10/19:**

**WELCOME HOME, @SNOWDEN.**

In this unfolding complex drama, we all may have to wait until the very end to sort out the real White vs. Black Hats. POTUS and Team-Q have helped to expose the “enigma” of Edward Snowden.

**From Q Post #3053 on 3/13/19:**

**Whistle while you work.....**

**Have you seen the movie ‘Snowden’?**

**Soros, George and Redford, Robert**

## **The Sundance Kid “Partners Up” With Dr. Strangelove**

Already political and ideological bedfellows, Soros and Redford keep expanding their relationship. Various political fund raisers and connected charities had connected these two characters in the past.

**From Q Post #2502 on 11/25/18:**

**Thank you, Mr. Soros.**

In 2001, preliminary discussions were started to form a merger. The globalist, Soros, could see the appeal and access Redford gave to his long-term political agenda.

**From Q Post #2658 on 1/6/19:**

**Remember when D’s and the FAKE NEWS media [+ FAKEWOOD] pushed mass fear that POTUS would start WWII re: North Korea?**

The Soros ‘Open Society Institute’ (OSI) Documentary Fund changed its name to The Sundance International Documentary Fund upon merger. This created a cozy working relationship that perfectly blends Hollywood with the plans of the New World Order.

A communist and malcontent, seemingly from birth, Redford has portrayed a much different character on the big screen. His Sundance Film Festival is internationally known as the premier launching platform for new films.

**From Q Post #1935 on 8/27/18:**

**Soros, George**

## **Soros' Open Society Foundation (OSF)-The Gift That Keeps on Giving**

George Soros [GS] was born in Hungary and has become one of the richest people in the world. George began his Open Society Foundation (OSF) in 1992.

**From Q Post #2700 on 2/12/19:**

**POTUS: "This can never be allowed to happen again (in our country or to another President)."**

OSF is the second largest worldwide charity behind the Bill and Linda Gates Foundation. Money buys influence and pallets of cash changes the narrative.

**From Q Post #489 on 1/7/18:**

**Think GS pays for Antifa out of his own pocket?  
The hole is deep.**

Soros uses his philanthropy charities to promote NWO agendas and a one-world global philosophy. Massive donations are deliberately directed toward Progressive Communist Leftist causes and ultra-liberal socialist programs.

**From Q Post #99 on 11/5/17:**

**Foundations?  
Institutes?  
Soros.**

Soros has turned over his accumulated wealth of \$18 billion directly into his OSF charity. Over the last 3 decades Soros has donated over \$10 billion towards Progressive Liberal causes.

**From Q Post #2 on 10/28/17:**

**Why did Soros donate all his money recently?**

Soros is often referred to as "The Godfather of the Left" and is one of the NWO's main fundraisers. George belongs to a shadowy club of billionaires referred to as the Democracy Alliance.

**From Q Post #53 on 11/2/17:**

**List out all who have foundations.  
How can donations be used personally?**

In 2002 Soros gave one of his charities over to Robert Redford along with \$5 million to influence Sundance Films. The Deep State is pushing out narratives via Hollywood to achieve social change.

**From Q Post #619 on 1/27/18:**

**Do you expect HRC, GS, Hussein, etc. to stand in a PUBLIC courtroom w/ potential crooked judges and tainted 'liberal' juries?**

[GS] combined with HRC and Harold Ickes formed the Shadow Party in 2006. There are many more threads of the spider web that all seem to connect to Soros' pocketbook.

**From Q Post #2658 on 1/6/19:**

**Remember when D's and the FAKE NEWS media [+FAKEWOOD] pushed mass fear that POTUS would start WWII re: North Korea?**

In recent times Soros/OSF is directly involved with some the following:

- Refuge Caravan/Immigration Wave
- Major donor to BHO's OFA.
- 2017 activism Albania/Romania
- 2016 \$8 million toward HRC (2020?)
- \$33 million Ferguson Demonstrators
- Sponsorship of Black Lives Matter
- Smartmatic Voting Machines
- Paymaster of Antifa and Marches
- Behind the NFL sidelines protests
- \$50 Million toward Steele Dossier 2.0

**From Q Post #330 on 12/11/17:**

**We have a special place picked out for GS**

OSF pushes for open borders and unlimited illegal immigration. Globalists want a borderless world to help achieve their primary NWO domination goals.

**From Q Post #2881 on 2/22/19:**

**(ELIMINATION OF FREE SPEECH TO PREVENT LOSS OF CONTROL)**

The flooding of illegals into Europe is the future plan for the USA. Glenn Beck forewarned that Soros had "Messianic Fantasies" toward global domination.

**From Q Post #2398 on 11/3/18:**

**Re\_read drops re: Soros & taxpayer funding**

Soros insists on his own blend of Progressive Socialism, Liberalism and Communism. Judgement Day is coming for George Soros and his paid minions

**From Q Post #2502 on 11/25/18:**

**Thank you, Mr. Soros.**

**Stone, Roger**

## **Inspector Mueller Now Demands—“Get Me Roger Stone”**

Roger Stone has been the ‘Wizard’ that was behind the curtain of Presidential politics for decades. First a campaign aide to President Nixon (large Nixon tattoo on his back), a consultant to Reagan and finally Trump's early 2016 Presidential Campaign Manager.

**From Q Post #2500 on 11/25/18:**

**CORSI > [attempt infiltrate] Q**

**THERE ARE BAD PEOPLE WHO PRETEND TO BE GOOD.**

Roger (aka *Snuggles*) Stone is a self-described Libertine and has often overstated his roles with government officials. Bob Dole gave him his first paid government job but fired him due to Stone posting public ads asking for 3-way sex partners (swing fever).

**From Q Post #2556 on 12/5/18:**

**Controlled Narrative?**

**People awake are what they FEAR THE MOST.**

**LOSS OF CONTROL**

**THE GREAT AWAKENING.**

Stone has been arrested on a 7-count federal indictment over WikiLeaks connections and his prior Congressional testimony. Even though under Robert Mueller's review, charges are only related to Stone's past interviews to the HPCSI Congressional committee.

**From Q Post #2683 on 2/10/19:**

**The media no longer represents the will of the people.**

Roger Stone was part of ‘Black Manafort Stone and Kelly’ (BMS&K), one of the first and most powerful DC lobbying firms. For decades BMS&K was the place to get agendas and laws tailored per their paying clients exacting requirements.

**From Q Post #2678 on 2/9/19:**

**FAKE NEWS attacks continue?**

**Controlled.**

This obvious Roger Stone connection helped to enable Paul Manafort to become Trump's campaign manager. Paul was recruited just prior to the 2016 Republican Convention to help in securing Trump's previously won, critical voting, convention delegates.

**From Q Post #2102 on 9/6/18:**

**There is a lot more to this than you realize.**

**Think ‘collective’ attacks v ‘Q’**

Stone has been arrested by Mueller on false statements, obstruction and witness tampering. Roger had claimed prior knowledge from Assange about the 2016 Wikileaks drops with the Podesta/DNC emails.

**From Q Post #1164 on 4/15/18:**

**POTUS targeting using pushed RUS decoy meetings / campaign insertions.**

Charges stem from Stone’s several false statements to the House Permanent Select Committee on Intelligence (HPSCI). As well as, Roger and Michael Caputo text exchanges about a \$2M fee needed to obtain ‘dirt’ on HRC from Russians.

**From Q Post #2128 on 9/10/18:**

**NXIVM?**

**EYES WIDE OPEN.**

Both Stone and Caputo conveniently did not remember these 2016 discussions. Roger attempted to get witnesses to alter testimony to match his own.

**From Q Post #2089 on 9/5/18:**

**Why are the majority of ‘Q’ attacks by “PRO\_MAGA” supporters coming from AJ [MOS backed] and/or AJ known associates?**

Additionally, Stone has acknowledged contact with Romanian hacker Guccifer 2.0 over claimed HRC hacked emails. These interactions were part of Mueller’s probe and include conduits Jerry Corsi, Alex Jones and Randy Credico.

**From Q Post #1343 on 5/12/18:**

**Destroy through [misinformation].**

**Absorb the ‘confused’.**

**Re-route traffic to other platforms.**

Guccifer 2.0 first posted hacked emails on 6/16/16 which was the day after the DNC computer intrusion. Evidence points to Guccifer intentionally planting Russian ‘markers’ (CIA Vault 7) to assist with the false collusion narrative.

**From Q Post #571 on 1/21/18:**

**NOBODY PLAYING THE GAME GETS A FREE PASS.  
NOBODY.**

Stone has written books disputing the official narrative of both the JFK and JFK Jr. deaths. It can be argued that Stone has kept up the fight for the final complete disclosure of the decades long sealed JFK assassination archives.

**From Q Post #2123 on 9/9/18:**

**Last and final comment(s) re: AJ and Associates [attempts]  
Attempts to deceive AUTISTS/ANONS will FAIL.  
We are a threat to their livelihood [+CLAS].**

Roger has been described by many as a political ‘Dirty Trickster.’ Stone cherishes the media exposure regardless if it is negative or positive press coverage.

**From Q Post #2166 on 9/12/18:**

**CENSORSHIP WILL FAIL.  
THOSE THEY ATTACK THE MOST ARE THE BIGGEST  
THREAT.**

Stone’s top quote: “Politics is not about uniting people, it’s about dividing people.” Always with a lot to say but nothing about QAnon, Roger Stone pled the 5th Amendment to a Senate panel inquiry in 2018.

**From Q Post #1794 on 8/1/18:**

**“Never Interfere With an Enemy While He’s in the Process of  
Destroying Himself.”**

Alex Jones has recently described, employee Stone, as an “Albatross around his neck.” With the QAnon outed traitorous Coris already singing, their upcoming trials will be entertaining.

**From Q Post #1862 on 8/13/18:**

**FAKE NEWS = ENEMY OF THE PEOPLE.  
[‘They’ prey on emotionally unstable (helpless) individuals and  
use them as PAWNS]**

I have to believe that Roger Stone’s past NXIVM cult connections are also at play. Stone was on Keith Raniere’s payroll and the entire NXIVM sex-trafficking ring is under federal criminal investigation.

**From Q Post #1368 on 5/14/18:**

**Allison Mack [NXIVM] arrested [date]?  
When does a bird sing?**

Robert Mueller now demands “Get Me Roger Stone.” Stone is the second

top InfoWars/Alex Jones personality that is now awaiting federal trial (Corsi).

**From Q Post #1010\*\* on 4/4/18:**

**MONEY.**

**POWER.**

**CONTROL.**

Eventually, we will learn who the “known associates of AJ” that QAnon referenced in prior drops, really are. Stone now indicates he is willing to cooperate with Robert Mueller’s probe.

**From Q Post #1829 on 8/9/18:**

**What assets (people) were placed (spy) in POTUS’ campaign?**

**What if those ‘placed’ are being investigated by BM?**

Popcorn time fellow Patriots as [Movie 3] begins. This would signal the start to the final acts in this historic play.

**From Q Post #2881 on 2/22/19:**

**Storch, Robert**

## **Capablanca's Checkmate Move—NSA IG Robert Storch**

NOTE: Originally posted at DustinNemos.com.

NSA IG Robert Storch has joined POTUS' 'Dream Team' of Sessions/Horowitz/and Huber. Storch was appointed POTUS as NSA's IG. On 12/22/17 Admiral Rogers proudly announced this outstanding selection for Inspector General at NSA.

**From Q Post #2211 on 9/19/18:**

**“Earlier in his career, Mr. Storch also worked as a Federal Prosecutor in the Northern District of New York, most recently serving as the Deputy Criminal Chief and Counsel to the U.S. Attorney. He was also posted overseas for two years as a Department of Justice Resident Legal Advisor in Ukraine.”**

IG Storch has a long DOJ background and had an interesting stint between 2007-09 as the Resident Legal Advisor in Ukraine. Later Robert was the Senior Counsel and Acting Deputy IG until 2015, he was promoted to Deputy IG.

**From Q Post #2229 on 9/20/18:**

**Note IG involved.**

**Huber - IG (Horowitz) - Storch**

Storch served as a federal prosecutor for the Northern District of NY and was known as an honest person. Robert has a background on the Council of IG's Integrity and Efficiency Whistleblowers. This should help future whistleblowers finally feel free to report serious violations within the government.

**From Q Post #2211 on 9/19/18:**

**Robert Storch confirmed NSA IG?**

Storch has the nod of approval from both Admiral Rogers and Mike Horowitz and has worked at the right-hand side of Horowitz for some time now. Storch has vowed to investigate the intelligence community's problem of repeated contractor leaks.

**From Q Post #386 on 12/19/17:**

**PATRIOT of the highest caliber.**

See Admiral Mike Roger's Operation Condor to see how both Fusion GPS and CrowdStrike had access to raw 702 data in 2016. This stopping of direct

access lead to the beginning of the insertion of human intelligence (MUMINT) assets into Trump World as one part of the SpyGate/Operation Crossfire Hurricane.

**From Q Post #2211 on 9/19/18:**

**HUBER >> HOROWITZ >> STORCH**

POTUS has organized the ultimate Justice “Dream Team” and now it is finally [MOVIE 3] time fellow Patriots!

**From Q Post #2682 on 2/10/19:**

**Prosecution and Transparency is the only way to save our way of life.**

**Strzok, Peter and Page, Lisa**

## **Disgraced FBI Lovers Legacy—Immortalized in “Hateful Texts”**

Many people have been captivated by text messages between FBI ‘Love Birds’ Peter Strzok and Lisa Page. Many messages have not been released from several Congressional investigations.

**From Q Post #2643 on 1/5/19:**

**RE: MUELLER deleted ‘critical’ text messages between PS+LP?**

POTUS has ordered a full DECLAS which will expose the Crossfire Hurricane coup plot. The planting of paid spies and use of international ‘LURES’ against political opposition is tantamount to treason.

**From Q Post #1589 on 6/26/18:**

**PS/LP texts are only scratching the surface.**

Threats of a Presidential assassination may be uncovered in Strzok/Page texts. One tidbit discovered in the OIG released texts was how much this group enjoyed calling their ops by pet nicknames.

**From Q Post #586 on 1/22/18:**

**What would happen if texts originating from a FBI agent to several [internals] discussed the assassination (possibility) of the POTUS or members of his family?**

This small group or ‘Secret Society’ called the HRC email probe the Midyear Exam (MYE). Code names for SpyGate included Crossfire Hurricane/Crossfire FISA/and Operation Dragon.

**From Q Post #2878 on 2/22/19:**

**CROOKED [[[HILLARY]]]**

Lisa Page’s Congressional testimony refers to a second known surveillance warrant nicknamed Dragon FISA. The target of this FISC Title-1 is not known.

**From Q Post #2794 on 2/18/19:**

**The Corinthia Hotel.**

Texts called the final Trump option as the ‘Insurance Policy’. Top FBI officials Peter Strzok and Lisa Page were ‘allegedly’ having an extramarital affair and sent voluminous amounts of messages.

**From Q Post #1605 on 06/27/18:**

**PS “Texts were taken out of context”.**

Peter was considered our country's top Counterintelligence agent. In essence meaning Strzok is one of our best spies.

**From Q Post #247 on 12/4/17:**

**Who is Peter Strzok ?**

**How was he paid ?**

**Who is Melissa Hodgman ?**

Strzok/Page FBI Highlights:

- APRIL (2016): Interviews Mills and Abedin
- MAY: Strzok goes to London/UK
- JUNE: Changes Comey HRC Memo
- JULY: Interviews HRC w/Laufman
- AUG: Heads new Trump-Russia FBI Counterintelligence Probe
- SEPT: Another London trip w/Page
- OCT: Wife Hodgman SEC promotion
- TEXTS: “We’ll Stop Trump” / “Insurance Policy” / “Secret Society” / “Obama wants to know everything” / “HRC could be POTUS.”
- MAY (2017): Strzok/Page joins Mueller
- JULY: Strzok removed by Mueller
- SEPT: Strzok demoted to HR Dept.
- MAY (2018) Lisa Page resigns
- AUG (2018) Bowdich fires Strzok

**From Q Post #1431 on 5/20/18:**

**Those who are the loudest....**

**Suicide weekend?**

**Pain.**

Please bear in mind Page was fired as well Strzok after giving sworn their testimony. Remember they both stayed working (cooperating) while many others have quit or been outright fired.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.**

**THE WORLD IS WATCHING.**

Inquiring minds now want to know if Strzok/Page were even having an affair. Strzok is a trained spy and the ‘lovers’ element may have even been a cover.

**Sullivan, Jake**

## **Jake Sullivan—Dude The “Deep State” Just Loves**

Jacob “Jake” Sullivan is a very popular person when it comes to building a solid Deep State team. Jake’s colorful prior employers include HRC, Biden, BHO, Yale and National Security Action.

Sullivan was HRC’s Chief of Staff at the State Department. He served VP Biden as his National Security Advisor (a role he sought under a President Hillary). Under BHO, Jake served as White House Deputy Assistant.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

Jake was a senior adviser to HRC's failed 2016 presidential campaign. After leaving government service, Jake accepted a lecturer job at Yale Law School.

**From Q Post #236 on 11/29/17:**

**Focus on Hussein.  
Revelations coming very very soon.**

Now, Sullivan is co-chair of National Security Action (NSA) which is a PAC think tank. NSA is the tip of the resistance for anti-Trump activities.

**From Q Post #1552 on 6/18/18:**

**CF investigation ongoing.**

In recent times, Jake has been sought out for employment by Google, Alphabet and Schmidt Group. Making political headlines was the new NSA with Ben Rhodes, Susan Rice, Denis McDonough and Samantha Power.

**From Q Post #43 on 11/2/17:**

**Resistance will be dealt with swiftly.**

Cleverly named, National Security Action (NSA) is an advocacy hit squad. The other shadowy co-chair is Ben Rhodes and what a pair of ‘wannabes.’

**From Q Post #1354 on 5/13/18:**

**LOOP.**

Decode: Loop Capital Corporation

This new attack group consists of around 40 alumni from the BHO days . NSA receives generous donations from George Soros and other rich leftists.

**Talbott, Strobe**

## **BC's Roommate and HRC's Second Russia Dossier— Meet Strobe Talbott**

Strobe Talbott is a longtime Clinton 'crony' who started the whole 'Friends of Bill' (FOB) club. First he was a college roommate at Oxford, then BC's Deputy Secretary of State.

**From Q Post #717 on 2/10/18:**

**Public: FBI/DOJ/O-WH/SD**

**Private: Clowns Clowns Clowns**

**Expand your thinking.**

Strobe certainly had the inner circle Washington, DC political connections via Slick Willy. The old DC adage of 'who you know' is political capital to be cashed-in.

**From Q Post #1220 on 4/21/18:**

**Clinton Foundation conflicts of interest.**

Strobe's past Clinton State Department duties kept him looped into international politics. Talbott has been a successful journalist at *Time Magazine*, a top adviser to George Soros, and ran the Brookings Institute for many years.

**From Q Post #1425 on 5/20/18:**

**TRUST the plan.**

**Conspiracy NO MORE.**

Rumors swirled around Strobe's improper communications with Russian SVR operative Sergei Tretyakov. Talbott claimed he was duped and tricked into exchanging classified information.

**From Q Post #1935 on 8/27/18:**

**Define DARK MONEY.**

Strobe's infamous brother-in-law is Cody Shearer who is a decades-long Clinton enforcer. These two family members are both tied into the Trump-Russia collusion extravaganza.

**From Q Post #1334 on 5/10/18:**

**Rank and File.**

**DOJ, FBI, C\_A, State.**

**Not Forgotten.**

Strobe got involved with the Steele's Dossier assembly and distribution

through Victoria Nuland and Jonathan Winer. Nuland and Winer were BHO State Department officials working with Christopher Steele on his Dossier.

**From Q Post #1840 on 8/10/18:**

**[Fish]ing is fun.**

**These people are stupid.**

Cody Shearer and his constant sidekick, Sid “Vicious” Blumenthal, are credited with creating the second Trump Dossier. Two fake memos were given to Steele and were included in his final work product.

**From Q Post #2725 on 2/14/19:**

**Chatter - Bill & Hillary’s ‘public’ health will begin to rapidly deteriorate.**

Shearer and Blumenthal’s memos went through the BHO State Department, not through Fusion GPS. This combined final Steele Trump-Russia Dossier headed ultimately over to the FBI and DOJ.

**From Q Post #436 on 12/22/17:**

**[DNC BREACH / DOSSIER]**

Talbott is included in the WikiLeaks drops of the HRC and Podesta emails. Strobe has been connected to the dissemination of the ‘oppo’ research about candidate Trump by Jonathan Winer’s own admission.

**From Q Post #3168 on 3/23/19:**

**Nobody walks away from this.**

Strobe’s son Devin was also caught up in questionable fund raiser events for HRC. Both Nunes and IG Horowitz are now focused in on the Trump-Russia Dossier.

**From Q Post #1935 on 8/27/18:**

**Define ‘Projection’.**

**Define DARK MONEY.**

This will be problematic for Talbott and his State Department co-conspirators, Jonathan Winer and Victoria Nuland. Fireworks will be flying soon as per QAnon “we have it all.”

**From Q Post #2872 on 2/22/19:**

**Hillary Clinton & Foundation.**

**Crime Against Children.**

Talbott took the helm of the famed think tank, the Brookings Institute, in 2002. Strobe suddenly quit recently after 15 years of service, as so many

others have also done.

# **Tarmac Meeting**

## **Infamous Tarmac Queen—Wheeling/Dealing Elizabeth [LL] Carlisle**

We can all thank Christopher Sign, morning anchor from ABC15 News, for breaking the Clinton-Lynch Tarmac meeting. This plane-to-plane event happened at the Phoenix Sky Harbor Int'l Airport on June 27, 2016.

**From Q Post #2860 on 2/22/19:**

**The Deal of a Lifetime?**

**SC/[LL] deal presented by BC?**

Bill Clinton's plane was only 30 yards from Loretta Lynch's private government jet so why not go over to talk about golf and grandkids. When Bill boarded it was just [LL] and her husband Stephen Hargrove onboard.

**From Q Post #1556 on 6/18/18:**

**Bridge LL & HRC.**

**+1 BC and LL (Tarmac)**

Bear in mind the obvious fact that high ranking government officials never leave themselves without one staffer (witness). Additionally, it is hard to ditch any Secret Service protection detail without violating strict security protocols.

**From Q Post #3045 on 3/13/19:**

**The Tarmac Meeting.**

**Days later.....**

**[JC] "No charges are appropriate...."**

The FBI security detail for [LL] knew that the former President and accompanying Secret Service would be at the airport. A similar mad scramble happened over at the Justice and FBI headquarters once this strange rendezvous became public.

**From Q Post #2261 on 9/21/18:**

**[LL] talking=TRUTH revealed TARMAC [BC]?**

The FBI was concerned about who had leaked this meeting and how best to spin the 'talking points.' to the media. [LL] had to recuse from the HRC 'matter' due to the horrible optics being generated.

**From Q Post #2861 on 2/22/19:**

**Just another coincidence we dropped [LL] was offered a SC seat on Feb 6th and backed up by POTUS on April 15th.**

**Enjoy the show!**

This paved the way for FBI Director Comey's full exoneration presser media event on July 5, 2016. Time will reveal all of the criminal plans and conspiracies connected to ObamaGate.

**From Q Post #674 on 2/16/18:**

**Tarmac meeting [SC/LL deal > AS 187].**

Decode: Supreme Court seat/ Lynch deal/Murder of Antonin Scalia.  
Also LL would stay on as AG until Ruth Bader Ginsburg's seat became available, not open AS seat.

Question: Who was HRC's pick for open AS SC seat (since LL had to wait)?

Answer: Samantha Power's husband Cass

**From Q Post #1149 on 4/15/18:**

**RBG steps down.**

**LL steps up.**

**New AG.**

**'The Plan'.**

A frantic scramble ensues at main Justice trying to get ahead of this breaking tarmac story. Top level FBI and DOJ officials exchanged a flurry of emails to better coordinate the company narrative.

**From Q Post #2740 on 2/16/19:**

**Why did [LL] [ATTORNEY GENERAL OF THE UNITED STATES] grant 'special entry' to Natalia Veselnitskaya (Don Jr. 'set up' meeting)?**

Thanks to a FOIA request by the American Center for Law & Justice (ACLJ) we know that [LL] used the alias of Elizabeth Carlisle. Rumors abound of an NSA taping of the tarmac plane conversations.

**From Q Post #1443 on 6/10/18:**

**Hussein [WH [call] [tarmac] BC/LL]**

Besides the obvious suspicious nature of this meeting, inquiring minds want to know what was promised. The upcoming Horowitz/Huber 2.0 Report will put Loretta/Elizabeth back on center stage.

**From Q Post #2860 on 2/22/19:**

**Security reports indicate USSS (sec detail [BC] & FBI (sec detail [LL]) planned for meeting?**

# **Three Critical Laptops**

## **MPDC / USCP / and NYPD—Locations of 3 Critical Laptops**

United States Capitol Police (USCP) are currently in the possession of a mysterious backpack. This backpack contained a laptop and was found in an old phone booth in the Rayburn Office Building/U.S. Congress.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.  
THE WORLD IS WATCHING.**

What makes this laptop found by Capitol Police so unusual was the ID card of IT worker Imran Awan. Additionally, discovered was a package marked 'Attorney Client Privilege' and several letters to authorities/prosecutors.

**From Q Post #1195 on 4/19/18:**

**SR connects to DNC.**

Lordy, it just so happens that once this laptop is turned on it displays [DWS]. This laptop could be the "keystone" to uncovering Pakistani espionage and extortion ring run by the Awan's.

**From Q Post #1364 on 5/14/18:**

**Who knows where the bodies are buried?**

**Rudy.**

**Now comes the pain.**

The Awan family cabal used remote servers illegally connected to the U.S. House of Representatives mainframe computers. This convenient 'tap' allowed downloaded of unlimited data.

**From Q Post #1510 on 6/15/18:**

**IT scandal Awan.**

The New York Police Department (NYPD) was working on an underage child pornography case in September 2016. Incredibly this sex case involved former Congressman Anthony Weiner.

**From Q Post #3168 on 3/23/19:**

**Nobody walks away from this.**

The laptop and other devices the NYPD seized in that arrest were discovered to contain over 600k emails from his semi-estranged wife Huma Abedin.

**From Q Post #3163 on 3/22/19:**

**The RULE OF LAW is being returned to our GREAT LAND.  
WWGIWGA!!!**

Huma was an advisor and constant companion of HRC. Once this laptop was reviewed by NYPD they properly notified the FBI NYC field office.

**From Q Post #2365 on 10/7/18:**

**[Page 294].**

**[Meeting between Comey and Coleman on October 4].**

The FBI was notified because of the possible classified nature of some emails between Huma and HRC. The FBI was given Weiner's hard drive but the NYPD retained a full backup copy.

**From Q Post #247 on 12/4/17:**

**Think HRC emails, Weiner laptop, etc.**

When Comey and McCabe sat on this explosive information for over 1 month, the NYPD threatened to go public. Comey was forced to reopen the Mid-Year Exam aka HRC's email probe.

This round two by the FBI came just days before the 2016 Presidential election. IG Horowitz noted on page # 294 of his initial report "Crime against children" and "HRC and Foundation".

**From Q Post #1512 on 6/15/18:**

**Note CF children drop in IG report.**

Metropolitan Police District of Columbia (USDC) is currently in the possession of a laptop from murder victim Seth Rich (SR). On July 10, 2016 Seth Rich was murdered as he walked home in his DC neighborhood.

The police have described the murder as a "botched robbery" and this killing occurred coincidentally right around the same time as the infamous WikiLeaks DNC/Podesta email dump.

**From Q Post #1591 on 6/26/18:**

**Server unlocks SR.**

Since that tragic murder several theories have arisen due to Julian Assange's offer of a reward for information on (SR). Then Donna Brazile dedicates her book to the memory of fallen Seth Rich.

**From Q Post #1280 on 4/27/18:**

**Who knows where the bodies are buried?**

The MSM/Mockingbird Media has ignored the murder of SR to the point of a blackout. The Rich Family's law suit against FOX News was only minor

headlines and they have sued others.

**From Q Post #1180 on 4/19/18:**

**“Insurance File.”**

**Quiet until now.**

Strange events have also been occurring between Jack Burkman and his past investigator Kevin Doherty. Burkman was almost killed by Doherty over the handling of this case and Kevin is currently in jail awaiting trial.

**From Q Post #559 on 1/19/18:**

**Nothing is ever truly erased/deleted.**

This story has had many bizarre twists and turns.

**From Q Post #571 on 1/21/18:**

**NOBODY PLAYING THE GAME GETS A FREE PASS.**

**NOBODY.**

Everyone wants to know what happened to: His Name Was Seth Rich.

**Toensing, Victoria and diGenova,  
Joe**

## **White Hat Legal Eagles—Power Couple Victoria and Joe**

Notable legal eagles Victoria Toensing and Joe diGenova are not only a happily married couple but are two of the top lawyers today. Victoria is currently assisting William Campbell (FBI secret informant) with the DOJ's Uranium One (U1) criminal investigation.

**From Q Post #2871 on 2/22/19:**

**Sedition.**

**Treason.**

**Crimes against Humanity.**

Victoria stated to The Daily Caller that the media's ignorance is embarrassing and dangerous. She said "The silence of the MSM about the plot to oust President Trump is deafening."

**From Q Post #2722 on 2/14/19:**

**No mercy.**

**No bargaining.**

**A Traitor's justice.**

**P-A-I-N**

Joe and Victoria (always a package deal) were hired by POTUS on 3/19/18 to be part of his legal team. They had to recuse themselves when it was found Victoria had once represented Mark Corallo.

**From Q Post #48 on 11/2/17:**

**What is Q Clearance?**

**Who would have the goods on U1?**

Corallo was a former spokesman in 2017 for Trump and he was interviewed by Mueller over Hope Hicks causing the legal conflict. They continue to advise POTUS only in an unofficial capacity.

**From Q Post #1425 on 5/20/18:**

**TRUST the plan.**

Victoria was the U.S. Deputy Assistant AG and Joe was the U.S. Attorney for Washington, DC. They jointly operate a high-powered successful legal firm named diGenova and Toensing, LLP.

**From Q Post #386 on 12/19/17:**

**PATRIOT of the highest caliber.**

Victoria and Joe will continue to assist POTUS in this unofficial capacity. They have been married since 1981 and have been connected to many of this country's biggest political scandals.

**From Q Post #46 on 11/2/17:**

**Why is the information re: BO important re: U1 and export approval to Canada to EU?**

Here are a few of the historical cases that Joe and Vicky have been involved in:

- Monica Lewinsky/Impeachment
- Teamsters International Investigation
- Valerie Plame/CIA Officer Ousting
- Bill Clinton Passport Files
- Benghazi Attack and Coverup
- ObamaGate/SpyGate Plot
- Clinton Foundation/Uranium One

**From Q Post #1069 on 4/7/18:**

**America for sale.**

**Systemic weakening of the US.**

**U1.**

The 'Achilles Heel' of the Clinton Foundation (CF) is its connection to U1 and Frank Guistra. Canadian Guistra sold U1 to Russia's Rosatom and then personally gave the CF over \$30 million in donations.

**From Q Post #674 on 2/6/18:**

**U1 FBI Informant.**

Guistra's donation bundling totaled \$143 million from other U1 related players. A textbook example of a 'Pay to Play' political corruption scheme by the CF and all the connected U1 participants.

**From Q Post #2212 on 9/19/18:**

**Got popcorn?**

**Enjoy the show.**

Victoria and Joe both appear regularly on the major news networks as top legal experts. Victoria likes being on Hannity along with Sara Carter and John Solomon (all Team-Q 'read-in' helpers).

**From Q Post #2645 on 1/5/19:**

**WE WILL NOT GO WITHOUT A FIGHT.**

## **EO ACTIVE.**

Victoria and Joe have spoken out about the Robert Mueller raids on both Michael Cohen and Roger Stone. They have both been vocal about this entire political ‘Witch Hunt’ against POTUS.

### **From Q Post #1306 4/30/18:**

#### **Where did the U1 material end up?**

Watch this power couple continue to come to President Trump’s legal assistance on multiple fronts. Truly a pair of White Hat Patriot ‘Legal Eagles’

### **From Q Post #2885 on 2/24/19:**

#### **They NEVER thought Crooked Hillary would loose.**

# **Trump Tower Meeting**

## **Infamous Trump Tower Meeting—Classic 'Sting Op'**

A complex entrapment/sting operation unfolded at Trump Tower (TT) on 1/9/2016. This planned meeting was part of the Deep State's coup plot against President Trump, nicknamed Operation 'Crossfire Hurricane.'

**From Q Post #1794 on 8/2/18:**

**“Never Interfere With an Enemy While He’s in the Process of Destroying Himself.”**

There is more to be gleaned by the long standing relationships between Natalia Veselnitskaya, Glenn Simpson, Bruce Ohr, and Chris Steele. Natalia had hired Simpson/Fusion GPS back in the Spring of 2014 to help with the repeal of the global 2012 Magnitsky Act.

**From Q Post #2043 on 8/31/18:**

**[SETUP EX 1]**

**[Natalia Veslnitskaya]>Manafort.**

**FISA warrant issued / approved>Manafort.**

It appears now that Veselnitskaya used talking points in the infamous Trump Tower meeting created by Glenn Simpson. Glenn met just prior to and right after the Trump Tower meeting with Natalia and her Russian assistant/interpreter.

The FBI had contacted Oleg Deripaska back in 2009 to help with the release of captured Robert Levinson from the Iranians. Oleg spent \$25 million of his own money and had contact with Bruce Ohr and Chris Steele during this effort.

**From Q Post #1164 on 4/16/18:**

**Public: Dossier FISA.**

As a note of history, Oleg had Levinson's release all set up and the deal was killed by HRC. Oleg had been promised restoration of his US travel privileges and that promise and his money both vanished.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.**

**THE WORLD IS WATCHING.**

British music publicist, Rob Goldstone, emailed Don Trump Jr. on 6/3/2016 outlining some dirt on HRC. A meeting was setup for June 9th at Trump Tower. A total of 8 people that included Rob, Veselnitskaya, lobbyist, Rinat Akhmetshin, Don Trump Jr., Paul Manafort and Jared Kushner along with

interrupters.

**From Q Post #2740 on 2/16/19:**

**Why was [NV] barred from entering prior to?**

Decode: [NV] = Natalia Veselnitskaya

Shortly after the meeting began, it was apparent that Natalia was pushing only for the repeal of the Magnitsky Act. It seemed quite obvious that Natalia did not have any material or dirt on HRC to offer.

**From Q Post #3212 on 3/26/19:**

**Think Rogers T-Tower meeting (right after SCIF set up in Tower).**

**Think POTUS campaign leaving T-Tower (base of operations)  
THE VERY NEXT DAY.**

**1+1=2**

This little get together was over almost as soon as it had begun. British promoter Goldstone had met Don Jr. previously but it looks like Joseph Mifsud ordered Rob.

**From Q Post #1508 on 6/15/18:**

**Plants need water!**

There was an underlying agenda in regards to Bill Browder and the Magnitsky Act. Veselnitskaya had hired Fusion GPS via Baker Hostetler a few years earlier to investigate Browder.

**From Q Post #1866 on 8/14/18:**

**Why did POTUS move his entire operation out of TT the DAY  
AFTER the ADM ROGERS [SCIF] MEETING?**

In related breaking news, the Russian Deputy AG (their [RR]) died in a helicopter crash. Saak Karapetyan was the handler of Veselnitskaya and the power behind the ongoing global efforts in lifting the U.S. 2012 Magnitsky Act.

**From Q Post #2043 on 8/31/18:**

**[LL]>paper trail>special entry  
[Natalia Veselnitskaya]>Manafort**

James Baker has testified that Michael Sussman of Perkins Coie gave information to the FBI about Alfa Bank. This false intel concerns a Russian bank operating out of Trump Tower and was part of the initial surveillance operations against POTUS.

**From Q Post #2331 on 10/4/18:**

**[Part re: Fusion GPS, Perkins Coi now being revealed?]**

This HRC setup meeting assisted the Russian narrative development within the upper ranks of the DOJ. It all was part of the final element of the 'Insurance Policy' under Operation Crossfire Hurricane.

**From Q Post #2740 on 2/16/19:**

**Why did [LL] [ATTORNEY GENERAL OF THE UNITED STATES] grant 'special entry' to Natalia Veselnitskaya (Don Jr. 'set up' meeting)?**

The false Adam Schiff narrative regarding POTUS and Don Jr. before/after this meeting has been debunked. Any questionable interactions were strictly between Team HRC and the Russians.

**From Q Post #1828 on 8/9/18:**

**[SPY OP]**

**[FUSION GPS](Shell2)←——(CS) ——→[NO NAME]**

**[PERKINS COIE](Shell2)**

The failed coup plotters planted these SpyGate intel assets into the Trump World. Part of a classic entrapment sting operation involving 'dirty-up meetings' against Team Trump.

Nothing to see here, move along!

**Trump, Donald**

## **Predictably Unpredictable – POTUS’s “Sixth Sense” Gene Promises Made, Promises Kept**

In one of the first drops from QAnon we are asked a question about POTUS:

**From Q Post #14 on 10/31/17:**

**How is POTUS always 5-steps ahead?**

It is hard to deny that our POTUS has that rare ability or gift to foreshadow certain future events. Candidate Trump called well in advance (against the bookies odds) the British Brexit vote.

**From Q Post #2504 on 11/29/18:**

**Has POTUS ever made a statement that hasn’t been proven to be correct (future)?**

President Trump has additionally predicted dramatic world events in Sweden and Saudi Arabia. Domestically he called out the rigging of both the 2016 Democrat Primaries and the Presidential General Election.

**From Q Post #2171 on 9/12/18:**

**Twelve moves ahead.**

**Suicide watch**

After publicly broaching the subject of the illegal wiretapping of Trump World the Mockingbird MSM went crazy. Future proves past as the FISA Title-1 surveillance warrants on Carter Page backs up what President Trump has said.

**From Q Post #4 on 10/29/17:**

**Why is POTUS surrounded by generals?**

All of the recent DOJ FISA’s are under legal scrutiny by IG Horowitz/SP Huber. Horowitz 2.0 is due for release along with the public disclosure FISA/DECLAS.

**From Q Post #2565 on 12/7/18:**

**Q 0 = Q+**

I don’t buy into every wild theory that is out there regarding Trump’s special forecasting talents. Claims of POTUS being a ‘time traveler’ from the distant future or using secret ancient advanced technologies are highly speculative.

**From Q Post #1081 on 4/8/18:**

**POTUS NEVER telegraphs his moves.**

QAnon reminds us however to think bigger just like Patriot William Cooper (R.I.P.). With the recent announcement of a new US Space Force it seems our future will be truly infinite.

**From Q Post #59 on 11/2/18:**

**Why has POTUS dedicated so much time into labeling the MSM as fake news?**

We have to give credit where credit is due for POTUS having a 6th 'sense' gene. He has been correct more often than wrong and certainly on the big issues to date.

**From Q Post #34 on 11/1/17:**

**Q Clearance Patriot.**

POTUS is known to be a skilled chess player and most would believe we are way past your average checkers game. The stakes could not be higher and the future freedom of the world is at play.

**From Q Post #2807 on 2/19/19:**

**Kennedy was an outsider [assassinated].  
POTUS is an outsider [CLAS HIGH].**

It is a plus for our country to have such an omnipotent leader at the helm. President Trump's predictive ability seems to be going strong these days.

**From Q Post #1609 on 6/27/18:**

**POTUS restore confidence/respect of US-not good enough -  
IMPEACH.**

A White House 'insider' has let out a very QAnon-type strategy. Trump's 'Shutdown Trap' is designed to permanently thin out our overpopulated federal DC Swamp.

**From Q Post #661 on 2/1/18:**

**POTUS is safe.**

**Protected By PATRIOTS.**

God seems to have sent us a savior that eliminated the deadly 16-year plan to destroy America. Please keep POTUS/Family in your prayers fellow Patriot.

**From Q Post #2647 on 1/5/19:**

**[1 year delta]**  
**The clock is ticking.**  
**Follow the watch.**

# **U.S. Secret Service (USSS)**

## **Execute “Order 66”—Role Reversal for the USSS**

Star Wars fans will recall with horror the infamous “Order 66.” The Execute command that was given by the Sith Lord marking the end of the Jedi.

**From Q Post #319 on 12/9/17:**

**Why did the USSS codename Hussein ‘Renegade’?**

His faithful Storm Troopers always accompanying the Jedi Knights. Upon the command, all Jedi were instantly captured or killed/executed.

**From Q Post #2727 on 2/15/19:**

**In the past, what was the punishment re: a TRAITOR?  
Coincidence?**

The parallel I am drawing is to the U.S. Secret Service (USSS) and is a role reversal from the Star Wars movie. For comparison sake I am showing how the faithful USSS is always around the principle Deep State villains.

**From Q Post #698 on 2/8/18:**

**USSS in high alert.**

As everyone knows the Protective Division of the Secret Service protects POTUS (Mogul). The USSS form a protective inner-ring ‘bubble’ around POTUS at all times.

**From Q Post #2844 on 2/21/19:**

**SCIF logs can be ‘very’ revealing.**

**HUSSEIN’s USSS codename: RENEGADE.**

**Define ‘RENEGADE’.**

The USSS is also tasked with protecting our great First Family. The Secret Service takes orders only from the current President even though Past Presidents have their own security details.

**From Q Post #1663 on 7/1/18:**

**Thank you USSS.**

In addition to the current and past Presidents and their family members, many other folks like the VP (Hoosier) and Cabinet Secretary’s all have 24/7 USSS protection details.

**From Q Post #2477 on 11/11/18:**

**Enemy @ the Front Door.**

**USSS ‘stay’ alerts prevent travel.**

As you can see from my movie example the instant President Trumps wants to have BHO/HRC brought to GITMO-no problem at all fellow Patriots!

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR REPUBLIC.**

**There is a reason why a sword is held.**

The analogy is for comparison reasons and as a possible future scenario. No fear of someone escaping from the inside of their Secret Service protective 'bubble.'

**From Q Post #2860 on 2/22/19:**

**Security reports indicate USSS (sec detail [BC] and FBI (sec detail [LL]) planned for meeting?**

For those other special bad hombres without Secret Service protection we have Erik Prince's Blackwater (BW). BW has been doing some shadowing work with No Name and others per QAnon.

**From Q Post #1090 on 4/18/18:**

**What forces shadowed No Name?**

**Contractors.**

**Special contractors.**

# **Update on SpyGate**

## **SpyGate Update: 3 Spies – 2 LURES – 4 Coded Ops**

This is more than Spy vs. Spy or even White Hat vs Black Hat, it is basically a war between Good vs Evil.

**From Q Post #1892 on 8/15/18:**

**BLACK OPS AGAINST USA.**

The scorecard can chalk up 3 confirmed official spies and 2 foreign “LURES” or intelligence assets. All of these paid individuals were inserted or planted into Trump World during the 2016 campaign.

**From Q Post #1939 on 8/27/18:**

**“This is the case with Halper, who is now proven to be a spy . . .”**

These actions, unbelievably, began prior to the official start now claimed by the FBI. The FBI’s Counterintelligence Division investigation of candidate Trump by Peter Strzok has the official beginning launch date of 7/31/16.

**From Q Post #1938 on 8/27/18:**

**BO>>UK>>AUS**

**AUS>>UK>>BO**

**BO>>Alexander Downer (FVEY)(EX1)**

DOJ/FBI came up with a special classic code-named (hat tip John Solomon) program under ‘Operation Trump.’ Plans were code-named “Crossfire Hurricane,” “Operation Dragon,” “Crossfire FISA,” and one still yet to be disclosed.

**From Q Post #1589 on 6/26/18:**

**ABUSE OF EXEC POWERS.**

**ILLEGAL SPYING.**

**INSERT ASSETS.**

Incredibly, back in February 2014, the first known public meeting between Halper, Donald Trump and General Flynn occurred. The event was an annual gathering of past intelligence community folks at Cambridge University in London.

**From Q Post #2489 on 11/12/18:**

**[Placeholder - OIG Report-FBI, DOJ, and Media Coll].**

Halper dutifully sent a report back to John Brennan about Flynn seemingly being real cozy with a Russian (FSB) woman. Also the chance meeting between Donald Trump and General Mike Flynn was of note in Halper’s

report.

**From Q Post #1164 on 4/15/18:**

**Not Public: Five Eyes UK/AUS POTUS targeting using pushed  
RUS decoy meetings / campaign insertions.**

I make a distinction between the spies and the LURES within SpyGate. Spies like Halper, Mifsud and Nader actually arranged the various 'sting' meetings involving Trump aides.

**From Q Post #2691 on 2/11/19:**

**The WAR is very real.**

Downer and Millian acted more like international OCONUS (outside continental US) LURES dangling forbidden fruit. A Peter Strzok text to Lisa Page in December 2015 acknowledged foreign intelligence assets (LURES) were now being deployed.

**From Q Post #2129 on 9/10/18:**

**USE OF BACKCHANNEL SURV / SPY INSERTION [BODY 1,  
2, AND 5]**

These paid assets were co-enablers in this coordinated SpyGate plot against Candidate / President-Elect Trump:

Campaign SPY: Stefan Halper is an American scholar who teaches at Cambridge. Halper has had a long working history with both the CIA and MI6 in informational assignments.

Stefan has been involved with 3 prior Republican Presidential Administrations. This was his entry card to be hovering around various 2016 RNC Trump campaign officials.

George Papadopoulos already prepped by Mifsud accepted a \$3k contract to go to London in May to do a seminar and write a paper for Halper. This lead to the chance encounter with Alexander Downer in a pub and then overhearing talk of obtaining some HRC 'dirt.' Professor Halper additionally set-up meetings with both Carter Page, in July, and Sam Clovis in August 2016 to entrap them.

Transition SPY: George Nader is a shadowy international figure that has been recently connected to the UAE Crown Prince Mohammed bin Zayed. Nader arranged two very suspicious meetings with Trump World people during the transition period.

In December 2016, Nader and the Crown Prince meet at Trump Tower with Kushner and Bannon to discuss future options in the Middle East. No commitments were finalized but it was an olive branch extension by the

Crown Prince.

In January 2017, Nader arranged for Erik Prince to meet in the Seychelle Islands (Indian Ocean) with notorious Russian Kirill Dmitriev and the UAE bin Zayed. This meeting was to talk about future 'Back-Channels' between Trump and Russia. Mueller is trying to tie in a Kushner friend (Richard Gerson) with this Erik Prince meeting because he was vacationing in the Seychelles at the same time of this Nader meeting.

Foreign SPY: Joseph Mifsud is the mysterious 'Maltese Professor' with direct ties to the Kremlin. Joseph inserted himself into the 2016 Presidential Campaign when he met George Papadopoulos in Italy in March 2016. Mifsud dangled the HRC 'dirt' as bait to 'LURE' in George and to further assist Halper with his continuing role.

Then again on April 26, 2016, Mifsud met George in London. This time bringing along the infamous so-called "niece" of Putin. This second follow-up meeting was to set the hook and trap.

Ties to Brennan/CIA are also part of Mifsud's intelligence background. Mifsud had been missing for a while but his lawyer claims Mifsud will testify.

**From Q Post #2727 on 2/15/19:**

**In the past, what was the punishment re: a TRAITOR?  
Coincidence?**

Foreign LURE Asset # 1: Alexander Downer is an Australian diplomat and former High Commissioner to the UK. Downer has been the center of attention trying to justify a \$25 million donation to the Clinton Foundation from Australia.

Downer meets Papadopoulos and Halper on 5/10/2016 at London's Kensington Wine Room for cocktails. Downer, overhearing George claiming access to the deleted HRC emails, is the historic starting point.

It is the pivotal pub event that supposedly launches the DOJ/FBI Counterintelligence Probe (Crossfire Hurricane) into then candidate Trump.

Foreign LURE Asset # 2: Sergei Millian is a Belarusian-American businessman. Sergei contacted Papadopoulos in the Summer of 2016.

George was offered a lucrative \$30,000 per month job as long as he was involved with the Trump Campaign. The cover story was they would form an energy-related business financed by mysterious Russian oligarch billionaires.

**From Q Post #1238 on 4/22/18:**

**Not ‘official’ product - 5 Eyes.**

IG Horowitz and Special Prosecutor (SP) Huber will be looking into “SpyGate” along with the FISA abuses. When POTUS declassifies all of the FISA documents, the truth will be revealed as to the extent of these criminal entrapment/sting operations.

**From Q Post #2043 on 8/31/18:**

**DECONSTRUCT INCLUDES D2\_SPY INSERT.**

It has been uncovered in Strzok/Page text messages that several ‘spy’ operations were being conducted alongside Crossfire Hurricane. There are unknown additional paid intelligence assets/operations yet to be uncovered.

**From Q Post #2722 on 2/14/19:**

**No mercy.**

**No bargaining.**

**A Traitor’s justice.**

# **US 470th Military Intelligence Brigade**

## **The US 470th Military Intelligence Brigade and QAnon**

**From Q Post #2007 on 8/30/18:**

**Huber + IG + 470?**

Below is an authorized comment from Ms. Monica Yoas the Public Affairs Officer of the US 470th Military Intelligence Brigade:

Question: Does the 470th MI Brigade have anything official to say about QAnon (Patriot):

Answer: "There is no connection between the 470th Military Intelligence Brigade and QAnon (Patriot). The 470th MI Brigade - Theater sets the theater for intelligence for Army South (ARSOUTH) and U.S. Southern Command's (USSOUTHCOM) area of responsibility by providing multi-disciplinary intelligence in support of multinational operations and security cooperation in order to obstruct and deter trans-regional threat networks while strengthening regional security through an enterprise methodology. We provide trained and tailored teams as well as other enterprise capabilities to support global contingency operations. Our headquarters are located at Fort Sam Houston, Texas."

**From Q Post #1660 on 7/1/18:**

**Think 470.**

**The more you know.**

QAnon has directly pointed out the 470th in several prior drops. It is only natural that we reached out to this fine military unit for official comment.

**From Q Post #2007 on 8/30/18:**

**Who prosecutes?**

**Team of 470?**

The 470th was originally activated in 1944 at the end of World War 2. Primary responsibility was the protection of the Panama Canal Zone.

**From Q Post #1659 on 7/1/18:**

**Who has that kind of manpower?**

**470.**

The Panama Canal was a critical passage for our Navy between the Atlantic and Pacific oceans. As the European theatre conflict wound down, all troops were transferred to the Pacific region.

**From Q Post #1318 on 5/18/18:**

**Horowitz oversees a nationwide workforce of more than 450 special agents, auditors, inspectors, attorneys, and support staff . .**

The 470th mission statement highlights they provide tailored multi-disciplined intelligence and counterintelligence. Primary support provided to the US Army (ARSOUTH) and US Southern Command (USSOUTHCOM).

**From Q Post #1553 on 6/18/18:**

**General Michael Horowitz, who is working with Huber, has a staff of 470 investigators . . .**

A speech quote from General Mike Flynn outlines his belief in a very large “Digital Army of Citizen Journalists.” General Flynn says “This was irregular warfare at its finest in politics.”

**From Q Post #2912 on 3/1/19:**

**Carpet bombs are ok.  
Tactical nukes are better.**

Per our good friend Praying Medic - “QAnon is a ‘psyop’ designed to change the way we think, change in a good way. A psyop is when Morpheus gives Neo the Red Pill and he awakens from the grip of the Matrix.”

**From Q Post #2072 on 9/3/18:**

**Huber . . . assigned team of 470 investigators (attorney) + IG + legal jurisdiction across all 50 states, is not a ‘special counsel’ so therefore nothing is being done**

We have noticed the extra special working relationships with Sean Hannity, Sara Carter, John Solomon and the Q-Team. In a prior post, I mentioned the fact of ‘read-in’ assistants often being a component of intel operations.

**From Q Post #2727 on 2/15/19:**

**In the past, what was the punishment re: a TRAITOR?  
Coincidence?**

I agree with those that have pointed out super computers and AI at work here in this operation. The ‘Black Widow’ super computer at Ft. Mead in particular has been credited with helping Team QAnon.

**From Q Post #11 on 10/29/17:**

**Military Intelligence vs FBI CIA NSA.**

Of local interest, one of our own has mentioned her (FeistyCat) past

association with the 470th MI. Even though the Public Relation Officer kinda disavowed the QAnon association, as QAnon says “Future Proves Past”

**From Q Post #89 on 11/5/17:**

**FBI/MI currently have open investigations into the CF.**

Thank you to all of the fine men and women serving our country in uniform. A special shout out to all of the Patriots from the 470th MI Brigade!

**From Q Post #1659 on 7/1/18:**

**Who has that kind of manpower?**

**470**

**von Braun, Wernher**

## **World's Most Unique Resume—Meet Wernher von Braun**

Wernher von Braun is without question the original 'Rocket Man.' In the 1920's, von Braun was considered the world's leading pioneer in model rockets, rocket engine propulsion and rocketry overall.

**From Q Post #1646 on 6/30/18:**

**COMPARE TO HITLER/NAZIS?**

**PROMOTE HATE?**

**PROMOTE WAR?**

Wernher von Braun would earn the nickname of the 'Father of Modern Rocketry.' There is little dispute that von Braun was the creative genius and driving force behind the Apollo moon space missions.

**From Q Post #938 on 3/10/18:**

**The continued Nazi ideology is relevant.**

Wernher holds the world's most unique work RESUME of all-time. In von Braun's leadership roles, he was always very close to the historic world leaders he directly served.

Von Braun's last 3 employers/bosses: HITLER / WALT DISNEY / JFK

During World War II von Braun held the high rank of a Major in the SS. Wernher oversaw rocket construction and jet propulsion development for the Third Reich military.

Adolf Hitler's secret "Wundetwaffe" or Wonder Weapons programs were located at Peenemünde (Baltic Sea Island). Wernher and Walter Demberger ran this secret weapons development facility.

**From Q Post #2679 on 2/9/19:**

**[https://www.nasa.gov/mission\\_pages/shuttle/launch/countdown101](https://www.nasa.gov/mission_pages/shuttle/launch/countdown101)**

Wernher von Braun built the world's first cruise missile (V-1) and the world's first ballistic missile (V-2). Hitler termed these civilian targeted missiles of mass destruction "Retaliation Weapons."

At wars end, the OSS (pre-CIA) ran a secret program named Operation Paperclip that was originally called Project Overcast. Keeping scientists and advanced weapons from the Russians was a secondary bonus of this plan.

**From Q Post #142 on 11/12/17:**

**Was Hitler a puppet?**

This OSS under Donovan/Dulles developed Operation Paperclip which brought around 1,000 German scientists to the U.S. Included with von Braun and his close scientific team was the secret location of their hidden buried project documents back in Germany.

**From Q Post #140 on 11/11/17:**

**Families combined (TRI) = NWO.**

In the 1950's:

Walt Disney hired von Braun as a technology adviser to work on several Walt Disney Studio movies. Movie themes would be based on future manned space travel missions and the goal of landing successfully on the moon.

Disney and von Braun produced in 1955 series called "Man in Space". This made for Disney TV series accurately predicted future events and is a classic still today.

**From Q Post #570 on 1/21/18:**

**KILL NASA (prevent space domination/allow bad actors to take down MIL SATs/WW secure comms/install WMDs)**

In the 1960's:

Wernher was hired to be the first Director of the National Aeronautics and Space Administration (NASA). JFK tasked von Braun with the vital mission to get "America to the Moon this decade."

Wernher von Braun is credited with America's first orbital satellite and, of course, the historic Apollo manned moon space missions of the 1970's.

**From Q Post #2655 on 1/6/19:**

**Germany losing stranglehold on EU?**

**The future will not repeat the past.**

I posted this article because QAnon has brought up both Germany and WWII. Operation Paperclip (scientists) and Rusty (intelligence) was a huge part of the story then and still has important ties today.

A new theory with the Old Guard/Deep State and the Nazi in regards to Arlington National Cemetery. Private notes passed out at Bush 41's funeral may have pointed to a secret 'bolt-hole' base which was recently closed by the White Hats!

**From Q Post #1746 on 7/28/18:**

**HAVE YOU EVER WITNESSED A SIMILAR LIKE GROUP  
RISE UP (MIMICS NAZI GERMANY) W/SIMILAR-LIKE**

## **LOGO, PUSH, ETC.?**

Secretary Pompeo (KANSAS) delivered a special gift on behalf of POTUS to North Korea's Kim Jong-un. In classic Trump fashion he sent Kim a CD of Elton John's "Rocket Man."

**From Q Post #936 on 3/10/18:**

**The Nazi order.**

**NWO [N does not refer to "New"].**

**The Sum of All Fears.**

Of odd note, only von Braun was uniquely permitted (allowed) by Hitler, not to wear his SS uniform publicly. He was always seen or pictured in a professional business suit while being surrounded by SS.

**From Q Post #1269 on 4/25/18:**

**WHY DOES THE ANTIFA FLAG MIMIC THAT OF THE NAZIS?**

# **Voter Fraud**

## **Still to Drop: 2016 Voter Fraud DHS Report—BOOM**

UPDATE: Report December 22, 2018

One of the first actions taken by President Trump was forming the voter fraud commission. POTUS knew the national counts were wrong and he wants the real totals from 2016.

**From Q Post #2463 on 11/9/18:**

**VOTER LAW = DEATH OF D PARTY.  
Boomerang Suicide?**

Maine's Secretary of State Matthew Dunlap was part of a 11-member team to investigate 2016 election voter fraud. Incredibly this group was thwarted at every step while looking at voter fraud.

**From Q Post #2610 on 12/12/18:**

**2019 push Voter ID based on verifiable intel (fraud).  
2020+ safeguarded.**

Dunlap has continued with his mission and has won recent court battles to get vital voting history records. An estimated 3-5 million illegal votes were casted.

**From Q Post #2855 on 2/21/19:**

**Time to adopt VOTER ID LAW?**

In classic impromptu Trump, he brought up the critical subject of 2016 Voter Fraud. Quoting our great leader on this subject, "They like to say, Oh that's a Conspiracy Theory, not a conspiracy theory folks."

**From Q Post #1833 on 8/10/18:**

**CA/NY notorious voter fraud.**

I'm too many occurrences the same person voted many times. Voter rolls need to be updated in terms of reported deaths and valid legal U.S. citizenship.

**From Q Post #121 on 11/6/17:**

**Why are there no voting ID laws in place?**

On May 11, 2017 POTUS issued an Executive Order forming the Presidential Advisory Commission on Election Integrity. This panel was headed by VP Pence and Chaired by Kris Kobach.

**From Q Post #1803 on 8/3/18:**

**Why are D's opposed to cleaning up Voter rolls?**

Many Democratic States refused to share election data of current voter roll information. DEMs got the GAO to apply additional pressure to force the closing of this Presidential investigation panel in January 2018.

**From Q Post #2472 on 11/10/18:**

**This time we have Gov't control.**

**Boomerang suicide.**

POTUS then sent the voter fraud problem over to DHS for continued review. Secretary Nielsen thought voter fraud best handled ultimately by the DOJ.

**From Q Post #2425 on 11/5/18:**

**VOTE! VOTE! VOTE!**

**Your Country needs you.**

We are assured that DHS is in fact continuing the voter fraud investigation. Secretary Nielsen is expected to submit her findings to POTUS in late February 2019.

**From Q Post #153 on 11/14/17:**

**Who owns the voting machines?**

**What about voter ID laws?**

**Photo ID?**

Screams continue from the Progressive Left of discrimination by checking the voter rolls and standard citizen ID laws. Trump has vowed to implement a National ID Card to all citizens by 2020.

**From Q Post #2435 on 11/6/18:**

**VOTE! and MEME!**

**We are counting on you.**

POTUS' hit team of Horowitz/Huber/Durham/Whitaker/and Storch have been working in combination with DHS. Full disclosure will let the public know what has transpired in regards to past voter fraud and election integrity.

**From Q Post #570 on 1/21/18:**

**[pop vote > easily manipulation illegal votes Soros machines].**

Safeguards will better prevent future voter fraud occurring against the American electorate. POTUS/QAnon have assured that 2020+ are good.

**Warren, Elizabeth**

## **“Strings Cut”—Draining the Slush Funds Swamp**

POTUS racked up huge victories on the funding sources (Slush Funds) for the Swamp/Deep State. The BHO Administration pressured institutions found guilty of some violation to pay cash settlements directly into selected organizations.

**From Q Post #1538 on 6/17/18:**

**CF Foundation [Nightmare Awake] [slush funds / children].**

Starting in 2017 this highly unethical practice of the DOJ directing settlement payments toward political non-profits groups was ended. These ‘Slush Fund’ may have topped over \$3 billion combined during BHO’s two terms.

**From Q Post #1241 on 4/23/18:**

**Define slush fund.**

Eric Holder (BHO’s AG) begun practice of steering billions into Leftist Progressive groups. Now instead of court agreed settlement payments going to certain political causes, they will go toward the actual victims or the U.S. Treasury.

**From Q Post #888 on 3/8/18:**

**Strings cut.**

In 2018 the drainage continued when Sen. Warren’s pet agency the Consumer Financial Protection Bureau (CFPB) was given zero funding. CFPB operated in the same cut-throat fashion as the DOJ in forcing directed payments/settlements.

**From Q Post #1672 on 7/3/18:**

**The SWAMP is being DRAINED.**

The ending of this nefarious process of forced money directed toward ideological radical progressive causes hurts their pocketbook. A domino effect will affect their related sister activist groups.

**From Q Post #243 on 12/1/18:**

**SA controlled US puppets.**

**Strings cut.**

Chief of Staff Mick Mulvaney has been setting things right in his interim directorship of this broken governmental agency. The entire CFPB Advisory Board has recently been fired and a new tone is now being set from the top

down by Mulvaney.

**From Q Post #190 on 11/23/17:**

**Necessary to cut strings from foreign bad actors.**

The old CFPB policy was a shake down scheme directing collected fines and settlements toward liberal special interest groups. There will be a new CFPB policy emphasizing victim's rights.

**From Q Post #3129 on 3/20/19:**

**THIS IS NOT A GAME.**

POTUS' Executive Order on 12/22/17 attacks corruption and human trafficking. Corporate executives are well aware of possible exposure of its officers to this potentially devastating law.

**From Q Post #779 on 2/15/18:**

**Consumer Protection Agency.**

**Sen Warren.**

**CORRUPTION/INFILTRATION/SLUSH FUND.**

**#Goodbye#**

These not-so-publicized 'Strings Cut' moves are going to pay huge dividends later on this year. It will lessen the push-back efforts against the coming Great Awakening!

**From Q Post #489 on 1/7/18:**

**Slush funds everywhere.**

**Wasserman-Schultz, Debbie**

## **Back in The News Again—[DWS] Just Can't Help Herself**

“You should expect that there will be Consequences,” threatened [DWS] to the Chief of Capitol Police (USCP.). This spat was over a found laptop by the USCP in an old phone booth in the Rayburn Office Building.

**From Q Post #1493 on 6/13/18:**

**SR 187 DISCOVERY.**

This mysterious laptop was inscribed Rep DWS and was inside a backpack along with several ID cards. The ID's belonged to Imran Awan and a bizarre envelope marked “Attorney Client Privilege” was included in backpack.

**From Q Post #2212 on 9/19/18:**

**Got popcorn?**

**Enjoy the show.**

In ironic news Debbie Wasserman-Schultz [DWS] introduced a new House Bill requiring background checks on ammunition sales. Remember [DWS] didn't require any security background checks of her Awan family Pakistani IT staffers.

**From Q Post #2872 on 2/22/19:**

**Hillary Clinton and Foundation.**

**Crime Against Children.**

A suspicious package was sent to [EH] and it was returned to the original sender [DWS]. These fake bombs were sent to many democratic officials in an overt false flag ploy that no one believed.

**From Q Post #551 on 1/18/18:**

**DWS FAILED TO FLEE.**

[DWS] along with 44 other House Dems employed members of the Awan Cabal to handle their IT needs. Democratic members colluded to waive the required security checks of the highly overpaid Awan family members.

**From Q Post #674 on 2/6/18;**

**AWAN / DWS / Paki Intel / MB.**

decode MB=Muslim Brotherhood

The MB element also connects the Awan's car dealerships with Project Cassandra. Hezbollah/Narcoterrorism was given a free pass under BHO to enable his signature Iran Nuke Deal.

**From Q Post #1591 on 6/26/18:**

**Server unlocks SR.**

After many prior court postponements, Imran Awan's trial ended with a slap on his wrist. Hat Tip to Luke Rosiak from Daily Caller for staying on this evolving case of possible foreign espionage.

**From Q Post #3129 on 3/20/19:**

**THIS IS NOT A GAME.**

Dear old Debbie just keeps making the news and headlines. DWS now has a plan for Venezuela to hold fair elections (cough).

**From Q Post #1673 on 7/3/18:**

**Matters of National Security.**

[DWS] has highlighted Roger Stone's weaponizing information dropped by WikiLeaks. This is the beginning of legal trust funds or suicide weekends.

**From Q Post #3181 on 3/25/19:**

**West, Diana**

## **Diana West Forecasts the “Red Coup” and the “16-Year Plan” to Destroy America**

When focusing in on the scandal known as ObamaGate/SpyGate, the question of motivation is paramount. You must set aside the narrative that everything was done for HRC and the 3rd term of BHO.

**From Q Post #1953 on 8/28/18:**

**Know your enemy.**

**“Every battle is won before it’s ever fought.”**

A much larger force is at play here. Idealistic progressive cultural Marxism seems to have trumped normal Washington DC swamp politics.

**From Q Post #2025 on 8/30/18:**

**“The whole world is watching.”**

Very few people are connecting the dots on the underlying factors driving top ranking government officials to treason. Shockingly, several married couples have literally committed high crimes together in ObamaGate.

**From Q Post #571 on 1/21/18:**

**FEAR the STORM.**

**NOBODY PLAYING THE GAME GETS A FREE PASS.**

Bestselling author, mainstream journalist and, TV and stage star is Diana West. Diana, in 2010, was one of the co-authors, with Andy McCarthy, of the hit book “Shariah: The Threat to America.”

**From Q Post #2727 on 2/15/19:**

**<https://thehill.com/homenews/senate/430023-senate-passes-bill-to-make-lynching-a-federal-crime?amp>**

**In the past, what was the punishment re: a TRAITOR?**

**Coincidence?**

Ms. West again gained national attention in 2012 when she and Sheriff Joe Arpaio led the ‘Birther’ public push. Diana has published several bestselling books in recent years and is on the MSM news programs regularly as a featured guest.

**From Q Post #1832 on 8/10/18:**

**Who are we taught to trust the most?**

Since December 2017, Diana has been publishing the “Red Thread Series.” Ms. West has eight fascinating articles that center around the theme of a

Communist plot involving a “16-Year Plan” to transform (destroy) America.

**From Q Post #436 on 12/22/17:**

**PUBLIC/NARRATIVE.**

The basic principal is a total Progressive Left Communist/Red Progressive revolution. Tactics rely on using the powers of the Deep State against an unsuspecting general population.

**From Q Post #2313 10/1/18:**

**Darkest days.**

**This evil must be destroyed.**

Futuristic authors like Huxley and Orwell warned us not so long ago with their dire predictions. Future does prove past in many chilling scary examples.

**From Q Post #570 on 1/21/18:**

**THEY NEVER THOUGHT SHE WOULD LOSE.**

**[The 16 year plan to destroy America]**

**HUSSEIN [8]**

This “Red Coup” is more than just politics, it is about a fundamental ideology and societal transformation. West’s 8-part series starts with “Does a Red Thread run through the Anti-Trump Coup.”

**From Q Post #2129 on 9/10/18**

**[LIVE STREAMING] WH HUSSEIN NON-OVAL [SITUATION ROOM] COORDINATION.**

Her articles bring this story into current focus with subject titles like: “When American ‘Collusion’ Looks Like Russian Deception,” “A Red Thread Through Foggy Bottom” and “From Magnitsky to Steele to Total Information War.”

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.**

**THE WORLD IS WATCHING.**

The entire series is a ‘must read’ as well as some of Diana’s many other syndicated stories. Ms. West is a regular contributor to many MSM news publications.

**From Q Post #2912 on 3/1/19:**

**Carpet bombs are ok.**

**Tactical nukes are better.**

The hard Progressive Left of today is very similar to the Communist/Marxist of yesterday. The NWO Globalists and the Leftists have similar overall objectives.

**From Q Post #192 on 11/22/17:**

**Why are Russia and China communist?**

We can no longer afford to ignore this threat as it has been spreading in our country for many decades. Saul Alinsky's playbook has been the model on which BHO and HRC have built their strategy.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR REPUBLIC**

**There is a reason why a sword is held.**

Themes we may all be familiar with that run throughout the "Red Thread:"

- Progressive Communist Utopia
- 2-Tier Justice System and Courts
- Total Surveillance and Censorship
- Permanent Shadow Gov't/Deep State
- Adherence to the UN/NWO Cabal
- Open Borders/Sanctuary Country
- Takeover of Education and Media
- Global Policies-Climate/Laws/etc.
- Red/Green/Brown Alliances

# **When Does a Bird Sing?**

## **When Does A Bird Sing?—When Put Into a [BOX] by Horowitz/Huber/Storch**

We are all about to see the fruits of cooperating government witnesses within the OIG 2.0 Report. Horowitz/Huber have been working first with Bill Priestap and a few other co-conspirators.

**From Q Post #2476 on 11/10/18:**

**Dig deeper!**

Sometimes people need to see the future in order to save the past.

Lisa Page/James Baker/Peter Strzok/and Bruce Ohr have all been cooperating. Their testimony is developing criminal cases against higher DOJ/FBI officials.

**From Q Post #2555 on 12/5/18:**

**WHITAKER, HOROWITZ, HUBER, and WRAY.**

**Long meeting held within a SCIF [unusual].**

William Priestap may be remembered by historians as the first ‘singer’ of ObamaGate/SpyGate. Rumor has it Priestap was the FBIAnon doing that iQ and A on the 4Chan in July 2016.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR  
REPUBLIC.**

**There is a reason why a sword is held.**

Bill was the head of the FBI’s Office of Counterintelligence and Peter Strzok’s boss. Bill has not been mentioned much in the public arena by White Hat design.

**From Q Post #2643 on 1/5/19:**

**TRUTH AND TRANSPARENCY IS THE ONLY WAY  
FORWARD.**

Media silence is a customary practice for most major cooperating witnesses. Continued employment is also standard practice until their usefulness is over.

**From Q Post #1842 on 8/11/18:**

**Do you believe in coincidences?**

**We have the source.**

By all reports Priestap was the first to turn and begin the rush to the ‘Bird

Cage.’ FBI Director James Comey tried to setup Bill Priestap in a Congressional testimony on investigation compliance.

**From Q Post #2558 on 12/5/18:**

**It’s all just a CONSPIRACY.**

**Nothing To See Here.**

Comey blames Priestap for not advising Congress timely about the start of the Russia-Trump Probe. It was customary to alert Congress within 3-month’s-time and always previously done by the FBI.

**From Q Post #564 on 1/19/18:**

**When does a bird sing?**

An old theory in cases like this goes, “If they are still working, then they are still cooperating.” Still collecting government paychecks are the likes of Lisa Page/Peter Strzok/Bruce Ohr/James Baker and Bill Priestap.

**From Q Post #3125 on 3/20/19:**

**The PUBLIC must be prepared for what is about to come.**

**THE CLINTON FOUNDATION”**

DOJ/FBI employees that have been linked to this political scandal termed loosely as ObamaGate/SpyGate, have mostly retired or have been fired.

**From Q Post #1288 on 4/27/18:**

**Bill Priestap, Head of Counterintelligence and Strzok’s boss-cooperating witness [power removed].**

**Lisa Page, attorney with the FBI Office of the General Counsel-cooperating witness [power removed].**

**Conspiracy?**

Please note that Lisa Page, Peter Strzok, and James Baker have been fired by the FBI. Bruce Ohr has been demoted (power removed). The Mid Year Exam (MYE) was the internal nickname for the HRC probe.

**From Q Post #1385 on 5/16/18:**

**Did the ‘covert’ counterintelligence branch of the FBI end?**

It appears that the DOJ ‘Bird Cage’ is being emptied out. QAnon asks “When does a Bird Sing”-when it’s cornered in a [BOX] by IG Horowitz/IG Storch/SP Huber/SP Durham/and 470th MI.

**From Q Post #2552 on 12/5/18:**

**“After Mr. Priestap’s departure, none of the high-ranking bureau officials involved with the two investigations will remain with the**

**bureau.”**

The retirement of Priestap signals a new phase is ready to begin. Let the pain and justice phase commence fellow Patriot!

**From Q Post #2729 on 2/15/19:**

**Bigger than the 25th amendment attempt to remove.**

**Depth of this is very serious.**

**Whitaker, Matthew**

## **Trump's "Stealth Bomber"—Meet Big Matt Whitaker**

With the resignation of 'Stealth Jeff' Sessions, President Trump appointed Matthew Whitaker as Acting AG. QAnon previously outlined some upcoming "Stealth Bomber" attacks and now we know the 'temp' role of one of those selected.

**From Q Post #2381 on 10/9/18:**

**How do you navigate around installed corrupt [FBI][DOJ]?  
USE A STEALTH BOMBER**

"Trust the Plan" and understand that every move can't be telegraphed to the enemy. Many had hoped 'Stealth Jeff' would be activated to go on the attack but apparently, he has played his role perfectly as per the 'plan.'

**From Q Post #2912 on 3/1/19:**

**Carpet bombs are ok.  
Tactical nukes are better.**

POTUS has always stressed to "Trust Sessions" and QAnon posted thanks for all Jeff has done. Whitaker was Jeff's Chief of Staff since returning to the DOJ in October 2017.

**From Q Post #2525 on 12/2/18:**

**When your 'enemy' feels in control....  
PANIC re:WHITAKER?**

Steering the ship of 'Justice' on the proper course, Matt has assumed oversight of Team Mueller. Whitaker also insists that a federal prosecutor is still looking into FBI/DOJ misconduct and the Clinton Foundation probe(s) is ongoing.

**From Q Post #2766 on 2/17/19:**

**WHITAKER remain DOJ senior staff?  
Senior counselor in the associate attorney general's office?  
Planned?**

Matt Whitaker was appointed U.S. Attorney for the Southern District of Iowa in 2004 by Bush. Whitaker won the Republican primary for Iowa Treasurer in 2002 but lost to the Democratic incumbent in the general election.

**From Q Post #2165 on 9/12/18:**

**Drop [daily] carpet bombs [RATS RUNNING] >>> drop/release MOAB?**

Matt appears to have political ambitions in addition to his outstanding justice background. Whitaker is exactly the type of 'temp hire' that can shake things up properly within the rotten DC 'swamp.'

**From Q Post #2459 on 11/7/18:**

**Imagine if the new acting AG now releases all previously 'blocked' doc requests by the House (including the [RR] secondary CLAS Scope doc).**

Whitaker is an imposing figure at 6'4" tall and played tight end for the Iowa Hawkeyes in the 1991 Rose Bowl. Matt is a big Christian Nationalist and President Trump has said "He is a great guy, I mean, I know Matt Whitaker."

**From Q Post #2462 on 11/9/18:**

**Who was SESSIONS' CHIEF OF STAFF?**

Whitaker assumes the mantle of oversight with the Mueller probe from [RR]. Matt also has announced the full support of the DOJ over Trump's right to limit illegal entry/asylum into the U.S.

**From Q Post #2676 on 2/9/19:**

**Re\_read drops re: 'Scaramucci' model.  
Purpose?**

Another critical role for Whitaker will be in the upcoming declassification of the FISA documents. President Trump recommended John Laush to be the liaison at DOJ to help speed up production of requested documents to Congress.

**From Q Post #2397 on 11/13/18**

**OIG tasked to review [determine 'sensitive info']  
Was the DECLAS already cleared for release?**

IG Horowitz has been additionally tasked by POTUS to determine 'sensitive information' within the Carter Page FISA(s). President Trump has signed off on the full declassification of all the related FISA/DOJ documents.

**From Q Post #2452 on 11/7/18:**

**Thank you for your service to our country, Mr. Jeff Sessions!**

Personal friends of Whitaker include China Ambassador Terry Barnstad, Sam Clovis and Senator Chuck Grassley. Matt embodies the Biblical view of justice and that is demonstrated in his work demeanor.

**From Q Post #2555 on 12/5/18:**

**WHITAKER, HOROWITZ, HUBER, and WRAY.**

**Long meetings held within a SCIF [unusual]**

Whitaker has called publicly for a full investigation into HRC, the Clinton Foundation and cutting off funding to the Mueller investigation. This is the type of aggressive judicial offense that is required by President Trump in helping to remove all 'blockades.'

**From Q Post #2455 on 11/7/18:**

**There will be no recusal.**

**Panic in DC.**

After having the DOJ ethics officers look at any conflicts of interest, Whitaker will oversee the Mueller probe. This is very bad news to the Deep State Cabal and 'BLOCKADE' removal is well underway.

**From Q Post #2681 on 2/9/19:**

**Whitaker remain DOJ senior staff.**

With the apparent looming confirmation of AG William Barr, Whitaker is more than qualified to become Deputy AG. [RR] has announced his resignation and Whitaker would be an ideal selection.

NOTE FROM AUTHOR: Whitaker appointed Senior Counselor at DOJ.

**From Q Post #2468 on 11/10/18:**

**Temp hire to remove embedded 'untrustworthy' staffers?**

**Temps can be very dangerous to those who are targeted.**

The House DEMs have been pressuring Whitaker into disclosing all contacts with the Trump legal team. The concern centers around the possibility of Mueller's findings being shared with Team Trump.

**From Q Post #2676 on 2/9/19:**

**Stealth bombers silent?**

**What is the purpose of WHITAKER?**

QAnon has posted in prior drops that FISA will "Bring down the House." Whitaker will press forward on the ongoing SpyGate/ObamaGate scandals.

**From Q Post #2504 on 11/29/18:**

**Locked & (who is) Loaded.**

**KILL NASA (prevent space domination/allow bad actors to take down MIL SATs/WW secure comms/install WMDs) - RISK OF EMP SPACE ORIG (HELPLESS)**

David had an interview with MegaAnon about the 4 and 8Chan's buzz over QAnon. Wilcock has spoken out (similar to William Cooper) about dark secret governmental programs like MK-Ultra, NWO, JFK, False Flags and PizzaGate.

**From Q Post #438 on 12/23/17:**

**NASA Tech to?**  
**HRC SAPs (private server).**

Wilcock has made some kind remarks about our POTUS. Obviously, David applauded President Trump's new U.S. Space Force program.

**From Q Post #438 on 12/23/17:**

**2011 Shuttle Program terminated by Hussein.**

Wilcock's differing theories, like those of Bill Cooper, fall way outside the normal box of public acceptance. Thus, the Mockingbird media projects 'conspiracy theorists' to dismiss any different ideas.

**From Q Post #376 on 12/19/17:**

**Winer, Jonathan**

## **Who is Jonathan Winer ? How is He Connected to ObamaGate ?**

Jonathan Winer was a State Department Official under BHO. Winer's first stint at State was under Bill Clinton as Deputy Assistant Secretary for International Law Enforcement.

**From Q Post #1425 on 5/20/18:**

**TRUST the plan.  
Conspiracy NO MORE.**

Please note that Winer was hired in 2013 by BHO at the insistence of VP John Kerry. I suspect Jonathan's old Clinton ties posed an initial hurdle that obviously Kerry had to clear.

**From Q Post #1345 on 5/12/18:**

**U1 [donations to CF].**

Between Winer's State Department gigs he was with APCO Worldwide. APCO has done extensive pro bono work for the Clinton Global Initiative (CGI) and has had business relations with Tenex and Uranium One.

**From Q Post #436 on 12/22/17:**

**[DNC BREACH / DOSSIER].**

Jonathan has admitted to meeting regularly with Christopher Steele in 2016. Winer and his State sidekick Victoria Nuland facilitated Steele's Dossier getting into the hands of the FBI.

**From Q Post #3083 on 3/15/19:**

**These people are sick and evil.  
It is not a coincidence.  
It never is.**

In recent discovered emails former Deputy Assistant Secretary Kathleen Kavalec also communicates with both Steele and Ohr. Kavalec worked under Nuland and POTUS just pulled her pending Ambassador nomination.

**From Q Post #2129 on 9/10/18:**

**[LIVE STREAMING] WH HUSSEIN NON-OVAL [SITUATION ROOM] COORDINATION.**

In addition to assisting Steele with the compilation of his Trump-Russia Dossier, two old Clinton enforcers were involved. Winer and Nuland meet with Sid Blumenthal and Cody Shearer for additional 'oppo' research into

Donald Trump.

**From Q Post #1935 on 8/27/18:**

**Define 'Projection'.**

**Define DARK MONEY.**

Sid and Cody added their two 'oppo' research memos into the final main 35-page discredited Chris Steele Dossier. It is also thought that Fusion's Nellie Ohr contributed her research work into what is now the "Third Russian Dossier."

**From Q Post #1164 on 4/16/18:**

**Public: Dossier FISA.**

Steele was able to help authenticate his Dossier just by the circular rotation between the State Department and Fusion GPS. Throw in a Mockingbird reporter and now you have instant verification of false 'laundered' intelligence information.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.**

**THE WORLD IS WATCHING.**

Of interesting note is that Winer has worked in the past for the lobbying industry with foreign clientele. Inquiring minds want to know if the FARA laws were broken by our very shady Jonathan.

**From Q Post #2043 on 8/31/18:**

**[LL] > paper trail > special entry**

**[Natalia Veselnitskaya] > Manafort.**

Continuing with Winer's questionable past. pops up buddy notorious William Browder. Browder was the force behind the US Magnitsky Act and overall friction with Vladimir Putin.

**From Q Post #3168 on 3/23/19:**

**Nobody walks away from this.**

Devin Nunes will feature this entire crew in his forthcoming report release: Phase-Two. Additionally, IG Horowitz will be issuing his 2.0 report in regards to FISA/FISC abuses at DOJ/FBI.

**From Q Post #1318 on 5/8/18:**

**Think LOGICALLY.**

**Mass exodus in DC?**

**WWG1WGA**

## **Legal Defense Funds or Old Fashion Dose of ‘Humble Pie’**

An old school approach to the outcome of the 2016 Presidential Elect would be for losing side to just admit defeat. HRC explained the real reason for never conceding to Trump was simply “If he wins, we all hang.”

**From Q Post #1362 on 5/14/28:**

**[They] are afraid.**

**They are losing control of the message.**

**WWG1WGA!**

In past societies it was customary to force stubborn individuals into eating some ‘Humble Pie.’ If someone eats humble pie they are admitting that they have been wrong and they apologize.

**From Q Post #1834 on 8/10/18:**

**THEY NEVER THOUGHT SHE WOULD LOSE.**

**NOW THEY ALL LOSE.**

The Progressive Leftists and Never-Trump crowd keeps on doubling down against POTUS/MAGA. At some point rational sane individuals will have to join POTUS/Team QAnon in the clean-up and quit assisting with the cover-up.

**From Q Post #2683 on 2/10/19:**

**The media no longer represents the will of the people.**

Cries will be “for the sake of the country we must move on” or “let’s make sure this never ever happens again.” Watch out fellow Patriots for those that will start the universal drumbeat of this narrative:

**From Q Post #3310 on 3/29/19:**

**Threat to Controlled Narrative.**

**THINK FOR YOURSELF.**

**DIVIDERS will FAIL.**

I have noticed the beginnings of this layered defense that the guilty failed coup plotters are employing. Deep State minions will appear in broadcast and print media acting as ‘peacemakers.’

**From Q Post #537 on 1/14/18:**

**MAJOR players here to distract, create doubt, and alter the direction.**

**SC: MISINFO from past reliable sources.**

Decode: SC = Sara Carter

A common theme of forgiveness will be suddenly pushed upon us all. Excuses like ‘all politicians are crooked’ and these actions have ‘occurred before in a lesser degree,’ so no biggie—Danger Beware!

**From Q Post #354 on 12/14/17:**

**Remember, they never thought she was going to lose.**

**How about a nice game of chess?**

The ‘Sin of Pride’ is said to be the foremost of all the deadly sins. Pride is vanity and a severe preoccupation with self about always being correct.

**From Q Post #2746 on 2/17/19:**

**Why are we attacked by pro MAGA?**

Pride is like an infectious disease and sickness that infects your soul. Liberals of today find fault in others. Being superficial, defensive, never wrong, attention seekers, pathological liars, and an unfounded air of superiority are common characteristics of this new breed.

**From Q Post #2885 on 2/24/19:**

**They NEVER thought Crooked Hillary would lose.**

The Mockingbird Media will assist these co-conspirator mouthpieces as they parrot talking points. Thanks to QAnon we can spot Fake MAGAs and paid shills as they spin their false narrative scripts.

**From Q Post #1010 on 4/4/18:**

**MONEY.**

**POWER.**

**CONTROL.**

“Warning —Danger Will Robinson” should be broadcast in advance of this upcoming narrative pivot. Black Hats will continue to try to silence QAnon and shield the truth about ObamaGate.

**From Q Post #2678 on 2/9/19:**

**What happens when the news no longer reports TRUTH?**

**Enemy of the people.**

When you hear it said “the past is in the past, let’s all move on,” do not let that statement stand. Humanity held the ground after WW2 and an example was made for all of mankind to remember.

**From Q Post #2700 on 2/12/19:**

**While some want to quietly remove those responsible and go about our business (save face on the World Stage), those in control, understand, this band-aid will simply not work.**

**Yates, Sally**

## **The Insubordinate FISA Signer—Meet Sally Yates [SY]**

Legendary FISA signer and disobeyed direct Presidential orders meet Sally Yates [SY]. As Carter Page's FISA applications become declassified Yates will play an important role in this plot.

**From Q Post #2118 on 9/7/18:**

**FISA SIGNATURES.**

**FISA 10/?/16.**

**SSA ?-Comey-Yates-DOJ ?.**

Sally Yates was the former Deputy and then acting US Attorney General. Sally was a carryover from the BHO administration into Team Trump.

**From Q Post #2727 on 2/15/19:**

**In the past, what was the punishment the: a TRAITOR?**

**Coincidence?**

Yates is being painted into a legal corner by both Senator Grassley and IG Horowitz/SP Huber. Through testimony by Bruce Ohr/James Baker, Yates is discovering her prior US Senate under-oath statements to be very questionable.

**From Q Post #2107 on 9/7/18:**

**Page [ ]-Sally Yates.**

Horowitz is seeking redemption from being prohibited by Yates from oversight into the National Security Divisions of DOJ/FBI. This was the home of the 'Secret Society' where the treasonous coup plot was hatched and managed.

**From Q Post #1291 on 4/27/18:**

**Who makes arrests?**

**FBI and DOJ?**

**Can you make arrests w/ a crooked FBI team?**

Sen. Grassley's Judiciary Committee had sent out a 10-page questionnaire to Yates. These forms were sent to several other high ranking former BHO alumni including CIA Brennan and DNI Clapper.

**From Q Post #2601 on 12/12/18:**

**NOBODY IS ABOVE THE LAW.**

**THE WORLD IS WATCHING.**

Completion was made mandatory by Congressional Committee subpoenas. Can you imagine that most were outright ignored or had abstract answers?

**From Q Post #1351 on 5/4/18:**

**Sally Yates, Deputy Attorney General and Acting Attorney General-FIRED.**

Yates's name is brought up in a few of these questions and the answers could prove damaging to Yates. Answers are being cross-referenced to current DOJ/FBI given testimony to Horowitz/Huber.

**From Q Post #2376 on 10/8/18:**

**[Sally Yates].**

IG Horowitz and SP Huber's 2.0 final subsequent oversight report is due out soon. Popcorn time fellow Patriots as this play unfolds in the year of Justice.

**From Q Post #1351 on 5/12/18:**

**What happens if FED [criminal] indictments are brought forth to a corrupt FBI/DOJ/FED Judge?**

Sally's biggest past public notice was of course early on in President Trump's administration over during the Travel Ban. Historically Acting AG's follow all orders from the President except if your first name happens to be Sally.

**From Q Post #3181 on 3/25/19:**

**BLIND JUSTICE UNDER THE LAW WILL RETURN TO OUR REPUBLIC.**

**There is a reason why a sword is held.**

Yates chose on her own to ignore a lawfully given order direct from POTUS. President Trump was directing DOJ to enforce these new travel related regulations and entry rules enacted.

**From Q Post #2376 on 10/8/18:**

**[Sally Yates].**

This unbelievable insubordination lead to Yates to quickly being 'You're Fired' on 1/31/16. SCOTUS later upheld the major elements of POTUS' travel ban order.

**From Q Post #953 on 3/17/18:**

**How bad is the corruption?**

**DOJ (past/present).**

**# 1**

decode: 1=AG Loretta Lynch and 2=Dept. AG Sally Yates.

An Oval Office meeting occurred on 01/05/17 in which Susan Rice has immortalized with her 'Memo to Self'. This memo was on Trump's Inauguration Day and Rice was no longer working/employed by the government.

**From Q Post #1891 on 8/15/18:**

**Texts, emails (gmail), drafts (gmail), HAM comma, PS/Xbox chat logs.**

**JC-BO-CS-LL-# 2-NO-SY.**

Comey and Yates were the only top tier 'Secret Society' holdovers going into the Trump Administration. This was the final time to coordinate Operation Crossfire Hurricane and the 'Insurance Policy'!

**From Q Post #2381 on 10/9/18:**

**Sally Yates, Deputy Attorney General and Acting Attorney General-FIRED.**

The question is now was it BHO's "By the Book" as per Rice's memo. Inquiring minds what to know what BHO/JB/SR/JC and Yates said during that January 2017 White House Oval Office meeting.

## About the Author

CaptainRoyD (Roy Davis) is one of the original posters on Reddit about QAnon and the many subjects related to the 2016 elections and SpyGate. Like many Q-Scribes—that courageous cadre of Patriots who were early citizen journalist addressing these topics—censorship and de-platforming has been a brutal reality numerous times. As disheartening as it has been for some to see countless hours of research and writing vanish, these attempts to suppress them have failed.

Roy is a U.S. Merchant Marine Officer/Master Captain and retired from the travel industry. He is currently living on a boat in Florida, where he continues to pursue telling the truths that the mainstream media seeks to hide or minimize. He is the proud father of two sons and a granddaughter and is motivated to share what he has learn by a sense of patriotic duty.
